The Honorable Renee Erickson, Chairperson
Senate Committee on Education
300 SW 10th Avenue, Room 144-S
Topeka, Kansas 66612

Dear Senator Erickson:

SUBJECT: Fiscal Note for SB 50 by Senate Committee on Education

In accordance with KSA 75-3715a, the following fiscal note concerning SB 50 is respectfully submitted to your committee.

SB 50 would establish uniform interest rate provisions for service scholarships administered by the Board of Regents that have repayment obligations as a part of the terms and conditions of the scholarship. Under current law, the interest rate for each service scholarship is outlined in individual statutes. The bill would create an annual interest rate of 5.0 percent which would begin to accrue when the repayment obligation begins.

The bill would allow the Board to recover the reasonable costs of collection, including court costs, attorney fees, and collection agency fees, from any individual with a repayment obligation under any scholarship, grant, or other student financial aid program. The bill would allow the Chief Executive Officer of the Board to fix, charge, and collect fees for the processing of applications and other activities related to the administration of student financial assistance programs administered by the Board.

The Board of Regents indicates enactment of the bill would have a negligible fiscal effect on agency operations.

Sincerely,

Adam C. Proffitt
Director of the Budget
