SB38

Proponent

Written Only

Chairman Thompson and Members of the Committee on Federal and State Affairs

I am submitting my proponent testimony for SB38.

I support this bill as I do not want the governor having the ability over our Kansas National Guard to command them when and where they go. That power is to be saved for the United States Congress as intended by the founders of the Constitution of the United States. This applies to every member of our Kansas National Guard only and unless the United States Congress has passed an official declaration of war or they specifically call forth the Kansas National Guard to repel an invasion or suppress an insurrection.

This reason is enough of one in my estimation that I support SB38.

Respectfully,

Gloria Bayer
