SB38

Proponent  
Written Only

Chairman Thompson and Members of the Senate Committee on Federal and State Affairs

I am submitting my proponent testimony for SN38

I do support the Kansas National Guard should not called upon unless there is an official declaration of war by the United States congress has been announced. I am not in favor of war in its entirety but do realize that our country has many enemies and the possibility of war at some point in time would affect our state. The Kansas National Guard would be ready to protect all Kansans and for that reason, I do support SB38

Thank-you
