Bill: SB105

Opponent Written only Testimony

Conferee: Patricia DeDamos

Representing: Self

Dear Chairman and Members,

Please amend or defeat bill SB105. I understand the premise, we would want to insure if the State losses a Senate or House Rep the same party would be the replacement. That sound like a fair and decent solution, however State legislature leaves out the voice of the people. It would be just as fair to put all the Rep that would want to fill the vacancy of the same party of course, and draw a name out of a hat.

Thank you,

Patricia DeDamos
