SCR 1611

Proponent Written-only Testimony

Conferee : Dale Enyart

Representing : Self

Chairman Thompson and Members of the Committee,

I'm providing written-only Proponent testimony for SCR1611. I ask you to support SCR1611. It gives the power of selecting Supreme Court Justices to We The People, as it should always have been...rather than a group of candidates being selected by a committee comprised mainly of members of the bar for the Governor to choose from. The current form is nonsensical and nonrepresentative, in fact it is the ultimate in citizen disenfranchisement. I would argue that it's current form is a prime example of "the fox guarding the henhouse".

I implore you to be a solutionary and strongly support SCR1611.

Thank you,

Dale Enyart
