

Johnson County Bar Association  
7400 W. 129th Street  
Suite 201  
Overland Park, KS 66212

While different methods exist for the selection of Judges, a nominating commission that reviews all applicants helps select Judges based on their qualifications is the best way to select judges.

Johnson County has a long history of using a nominating commission for our County Judges and it has served our County well. Likewise, the use of a nominating commission for the Supreme Court has, in our opinion, served the State well.

The Johnson County Bar Association supports the current method of selecting Kansas Supreme Court Justices.
