House Bill No. 2238 directs legislative administrative services to be responsible for the preparation of legislative committee minutes. Under current law, the legislative research department is responsible for preparing minutes of each committee meeting during the interim.

The bill becomes effective upon publication in the statute book, July 1, 2025.

The House Committee on Legislative Modernization made a technical amendment to the bill to correct the placement of "a" on page 2, line 17.
