Testimony to the House Committee on Judiciary

BILL NUMBER: HB 2062 Providing for Child Support Orders from the Date of Conception

PROPONENT, OPPONENT, or NEUTRAL: Opponent

ORAL or WRITTEN ONLY TESTIMONY: Written Only

Chair Humphries & members of the committee,

I am writing to voice my opposition to bill HB 2062.

Please vote no on HB 2062. This bill is an attempt to sneak the concept of “fetal personhood”, which puts the rights of an unborn child above the rights of the person who is pregnant, into state law. This puts many Kansans at risk unnecessarily.

Kansas voters have repeatedly shown their support for reproductive rights. Please honor that by voting no on HB 2062.
