Chairman Warren and Members of the Committee, thank you so much for giving me time to share my thoughts on HB 2062 with you today. My name is MacKenzie Crider and I am a voter in Lawrence, KS. I am writing today to encourage the committee to vote NO on HB 2062.

We've been over this already. Protecting safe options for the right to abortion is key to the health and safety of Kansans and all humans. Kansas voters have already spoken on this. We voted for you and for abortion rights, so why are you still trying to revolt against the voter? Quietly shoehorning a legal redefinition of "personhood" in a thinly veiled bill about "child support" is an absolute circus act. It's so clear that the codification of "personhood" is a way to slide in anti-abortion agenda to the state of Kansas.

Once again, I thank you all for hearing my story and thoughts on this bill, and I encourage you all to vote no of the passage of HB 2062. Thank you.
