Chairman Warren and Members of the committee, thank you for your time and the opportunity to express my concerns with HB 2062.

My name is Amanda Jones and I am a voter in Shawnee county/Topeka. I am writing to encourage the committee to vote NO on HB 2062

The prospect of giving a fetus, 100% depending on the life force of the mother, personhood is dangerous. The idea of small and conservative government has always been the goal and regulating a person within a person is antithetical to that American ideal. It gives rights to non-viable cells and takes away the rights of American women to feel safe, even in their doctors office. As a Topekan I implore you to vote no.

Again, thank you for lending me your ear. I encourage you to vote no on HB 2062.
