Thank you Chairman Warren and committee members for your time to have me share my thoughts on HB 2062 with you today. My name is Bryana McDaniel and I am a voter in Shawnee County here in Topeka. I am writing to you today to encourage the committee to vote no on HB 2062.

I believe you should vote no on HB 2062 as it will do more harm than it will good. There are already laws set in place for people to receive child-support during their pregnancy. This bill is an attempt to advance an anti-abortion laws and start the groundwork for a fetus or "personhood" by allowing people to seek child support for a fetus.

Thank you again for hearing my thoughts on the bill, and I strongly encourage you all to vote no on HB 2062. Thank you!
