OPPONENT

2/27/2025

Chairman Warren and Members of the Committee, I would like to thank you for the opportunity to share my thoughts on HB 2062. My name is Gracie Brush and I am a voter in Douglas County. I am writing today to encourage the committee to vote NO on HB 2062.

I oppose this bill because I believe it is a further attempt to regulate and control women's bodies, and a foundation for an anti-abortion agenda. As a person with a uterus myself, I have to speak against actions that threaten my health and freedom, and of pregnant people within our community that it would greatly affect.

I thank you all again for hearing my concerns and thoughts on this bill. I encourage you all to vote NO on the passage of HB 2062 to preserve liberty. Thank you.
