Chairman Warren's and members of the committee thank you for the opportunity to submit testimony on HB2026. My name is Paris and I am a voter in Douglas county and I am writing to encourage the committee to vote no on hb2052.

Kansans already spoke loud and clear that they did not want legislators to have the opportunity to legislate further abortion restrictions. There is no need for a bill that attempts to circumvent the 2022 August constitutional amendment election through underhanded abortion regulations.

Thank you and I encourage you all to vote no on the passage of hb2062. Thank you.
