Testimony to the Senate Committee on Judiciary In Support of HB2182

March 12, 2025

Chair Warren and Committee Members:

Our associations support HB2182. When we surveyed our members on this issue, none of our sheriffs indicated they were charging service fees now on Protection Orders. It is our belief this change will not negatively impact our sheriff's offices and will ensure the victims seeking protection orders do not have to bear the burden of these costs to get their protective order served.
