RE: Senate Bill (SB) 18 Proponent – Written Testimony

Thank you, Chairman Petersen and Committee members, for the opportunity to support SB 18, Hunter Nation License Plate bill, not in my capacity as Attorney General, but in my personal capacity and as a member of the Hunter Nation board of directors since its inception in 2018.

Hunter Nation has had a tremendous impact across the country in promoting and protecting hunting, conservation, and access to habitat at the state and federal level.

Hunter Nation also happens to be based in Kansas. It would therefore be especially appropriate to support this organization with a Kansas license plate. Founder Keith Mark is a man of integrity committed to preserving and protecting our nation's hunting heritage and the traditions associated with hunting as a way of life.

I support SB 18 and ask this Committee to recommend it favorably for passage.
