SESSION OF 2026

CONFERENCE COMMITTEE REPORT BRIEF
HOUSE BILL NO. 2468

As Agreed to March 12, 2026

Brief*

HB 2468 would authorize the state of Kansas to participate in the federal tax credit program for contributions of individuals to scholarship granting organizations and would increase the aggregate credit limit on the state's Tax Credit for Low Income Scholarship Students (TCLISS) Program.

Federal Tax Credit Election

The bill would state that Kansas elects to participate in the federal tax credit for contributions of individuals to scholarship granting organizations (SGOs) pursuant to Section 25F of the federal Internal Revenue Code for all taxable years beginning after December 31, 2026. [*Note:* This federal tax credit was created by Public Law 119-21, also known as HR 1 of the 119th Congress.]

The bill would direct the State Treasurer to annually provide to the U.S. Secretary of the Treasury, or the Secretary's delegate, any required information, including, but not limited to, a list of the SGOs that meet the requirements described in Section 25F of the Internal Revenue Code and are located in Kansas.

The bill would also prohibit any state department, division, or other agency from promulgating any rules and regulations that are more stringent than the applicable federal law or rules and regulations in implementing this section.

Tax Credit for Low Income Students Scholarship

The bill would amend the TCLISS Program Act for tax years 2026, and every year thereafter, to increase the aggregate limit on credits allowed from $10 million to $15 million for any one tax year.

The bill would also require the Secretary to submit a report to the Legislature on January 15, 2027, and each January 15th thereafter, on the aggregate amount of credits claimed during the immediately preceding tax year.

Written-only proponent testimony was provided by representatives of Ace Scholarships, Aligned, Americans for Prosperity, Catholic Diocese of Salina, Hayden Catholic High School, Kansas Catholic Conference, Kansas Family Voice, and Yes Every Kid and five private citizens.

Neutral testimony was provided by a representative of the America First Policy Institute.

Written-only opponent testimony was provided by representatives of AFT Kansas, Mainstream Coalition, USD 229 (Blue Valley) and USD 259 (Wichita Public Schools), and by 43 private citizens.
