

REPORTS OF STANDING COMMITTEES

MR. PRESIDENT:

The Committee on **Commerce** recommends **HB 2340**, As Amended by House Committee of the Whole, be amended on page 2, in line 38, after the second "property" by inserting "or such property is used for a day care facility. Any person owning such nonresidential property shall include in any deed transferring such property a notice of the potential presence of legally registered pesticidal commercial chemical products on such property that may need to be remediated, as determined by the Kansas department of health and environment, if the property is ever used for residential purposes, and such notice shall run with the land and remain permanently on all future deeds until the property is confirmed not to contain pesticidal products at concentrations exceeding nonresidential levels or the property has been remediated to meet residential levels as provided by law"; and the bill be passed as amended.
