

STATE OF KANSAS

\_\_\_\_\_  
SENATE CHAMBER

MR. PRESIDENT:

I move to amend **Senate Substitute for HB 2164**, on page 1, in line 8, after "(a)" by inserting "(1) Except as provided in paragraph (2),"; following line 12, by inserting:

"(2) The provisions of this subsection shall not apply if such offender is a parent or guardian of an enrolled student and complies with any procedures established by the local school board to monitor the whereabouts of the offender for the duration of such offender's presence on the school property or attendance at the school activity. A local school board may create such procedures and, if created, shall publish such procedures on the board's public website and include a method to notify parents of any plan approved for such an offender to be present on school property or attend a school activity at least 14 days prior to such presence or attendance.";

Also on page 1, in the title, in line 4, after the semicolon by inserting "providing an exception for parents or guardians of enrolled students and authorizing local school boards to establish procedures to monitor such offenders;"
