The Honorable Shannon Francis, Chairperson
House Committee on Transportation
300 SW 10th Avenue, Room 582-N
Topeka, Kansas 66612

Dear Representative Francis:

SUBJECT: Fiscal Note for HB 2030 by House Committee on Transportation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2030 is respectfully submitted to your committee.

HB 2030 would exclude dealers and manufactures of trailers from certain provisions of the Vehicle Dealers and Manufacturing Licensing Act.

The Department of Revenue indicates that it would require a total of \$3,220 from the State General Fund in FY 2026 to modify an agency database and publication. The required programming for this bill by itself would be performed by existing staff of the Department of Revenue. In addition, if the combined effect of implementing this bill and other enacted legislation exceeds the Department's programming resources, or if the time for implementing the changes is too short, additional expenditures for outside contract programmer services beyond the Department's current budget may be required.

The Kansas Department of Transportation indicates the bill's enactment would not have a fiscal effect on agency operations. Any fiscal effect associated with HB 2030 is not reflected in *The FY 2026 Governor's Budget Report*.

Sincerely,

Adam C. Proffitt
Director of the Budget
