The Honorable William Sutton, Chairperson
House Committee on Insurance
300 SW 10th Avenue, Room 218-N
Topeka, Kansas 66612

Dear Representative Sutton:

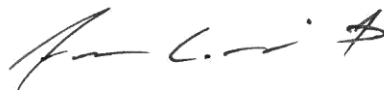

SUBJECT: Fiscal Note for HB 2050 by House Committee on Insurance

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2050 is respectfully submitted to your committee.

HB 2050 would allow the Insurance Commissioner to set certain insurance fees at a level not to exceed the amount set in current statute. The bill would require the Commissioner to set the fees for the next calendar year and have them published in the *Kansas Register* no later than December 1 of each year.

The Kansas Insurance Department states that the bill could change agency revenues, which would depend on the rates the Commissioner sets each year. The agency cannot estimate the changes in revenues; however, any change would allow the agency to continue efficient agency operations. Any fiscal effect associated with HB 2050 is not reflected in *The FY 2026 Governor's Budget Report*.

Sincerely,

Adam C. Proffitt
Director of the Budget
