

February 7, 2025

The Honorable Patrick Penn, Chairperson
House Committee on Legislative Modernization
300 SW 10th Avenue, Room 218-N
Topeka, Kansas 66612

Dear Representative Penn:

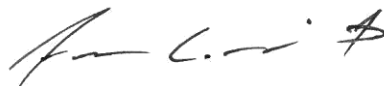

SUBJECT: Fiscal Note for HB 2060 by Joint Committee on Information Technology

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2060 is respectfully submitted to your committee.

HB 2060 would require the Information Technology Executive Council (ITEC) to report information regarding integrating all information technology and cybersecurity services for state educational institutions into the Office of Information Technology Services to the Joint Committee on Information Technology. The bill would also require ITEC to report information regarding integrating all Executive Branch information technology services under OITS and information regarding an estimated project cost to provide information technology to judicial agencies, including state and county-funded judicial branch district court employees, to the Joint Committee on Information Technology.

The Office of Information Technology Services indicates enactment of the bill would not have a fiscal effect on the agency.

Sincerely,

Adam C. Proffitt
Director of the Budget

cc: Brian Reiter, Office of Information Technology Services
