

February 10, 2025

The Honorable Shannon Francis, Chairperson
House Committee on Transportation
300 SW 10th Avenue, Room 582-N
Topeka, Kansas 66612

Dear Representative Francis:

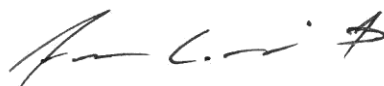

SUBJECT: Fiscal Note for HB 2201 by House Committee on Transportation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2201 is respectfully submitted to your committee.

HB 2201 would create the FFA distinctive license plate. The bill would allow any Kansas resident who is the owner of a passenger vehicle or truck with a gross weight of 20,000 pounds or less, or motorcycle to be issued one FFA distinctive license plate for each vehicle on and after January 1, 2026. The distinctive plate would be issued upon proper registration and payment of the regular license fee as provided in KSA 8-143 to the county treasurer of the logo image payment established by the Kansas FFA Foundation. The Kansas FFA Foundation would be authorized to allow the logo image to be affixed on license plates upon payment of a logo image payment of at least \$25, but no more than \$100 for each license plate. The payment would be issued to the county treasurer. Annual image payments collected by county treasurer would be remitted to the State Treasurer. Payments from royalty funds are made to the entities benefiting from the issuance of the distinctive license plates on a monthly basis.

The Department of Revenue estimates the enactment of HB 2201 would increase its expenditures by \$2,890 in FY 2026 for administrative costs related to designing and manufacturing the new license plate. The Department estimates the bill would decrease revenues to the State Highway Fund by \$4,000 in FY 2026. Any fiscal effect associated with HB 2201 is not reflected in *The FY 2026 Governor's Budget Report*.

Sincerely,

Adam C. Proffitt
Director of the Budget

cc: Lynn Robinson, Department of Revenue
