The Honorable William Sutton, Chairperson  
House Committee on Insurance  
300 SW 10th Avenue, Room 218-N  
Topeka, Kansas 66612

Dear Representative Sutton:

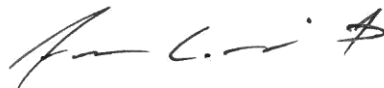

**SUBJECT:** Fiscal Note for HB 2286 by House Committee on Health and Human Services

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2286 is respectfully submitted to your committee.

HB 2286 would require a dental benefit plan initiating or changing payments to a dentist using electronic funds transfer payments to require any decision by a dentist to select an alternative form of payment to remain in force through the duration of the contract. The bill would specify that a dental benefit plan that initiates or changes payments to a dentist through certain automated clearing houses in effect on July 1, 2025, could not charge certain fees.

The Department of Administration and Department of Insurance indicate enactment of the bill would not have a fiscal effect on the agencies.

Sincerely,

Adam C. Proffitt  
Director of the Budget

Kyle Strathman, Insurance Department
