The Honorable Will Carpenter, Chairperson
House Committee on Health and Human Services
300 SW 10th Avenue, Room 112-N
Topeka, Kansas 66612

Dear Representative Carpenter:

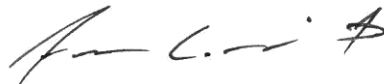

SUBJECT: Fiscal Note for HB 2307 by House Committee on Health and Human Services

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2307 is respectfully submitted to your committee.

HB 2307 would transfer the authorization and oversight of prenatally and postnatally diagnosed conditions awareness programs from the Kansas Department of Health and Environment to the Kansas Council on Developmental Disabilities. The bill would create the Prenatally and Postnatally Diagnosed Conditions Awareness Programs Fund and would transfer \$25,000 from the State General Fund to the new fund on July 1, 2025.

According to the Kansas Department of Health and Environment, enactment of HB 2307 would not result in a fiscal effect for the agency. The bill would increase transfers out of the State General Fund by \$25,000 for FY 2026 as the bill would direct a transfer from the State General Fund to the Prenatally and Postnatally Diagnosed Conditions Awareness Programs Fund. The fund would be available for use for program expenditures under the Kansas Council on Developmental Disabilities, but the bill does not direct a transfer for any future years. Any fiscal effect associated with HB 2307 is not reflected in *The FY 2026 Governor's Budget Report*.

Sincerely,

Adam C. Proffitt
Director of the Budget
