The Honorable Shannon Francis, Chairperson
House Committee on Transportation
300 SW 10th Avenue, Room 582-N
Topeka, Kansas 66612

Dear Representative Francis:

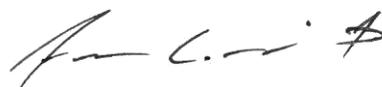

SUBJECT: Fiscal Note for HB 2554 by House Committee on Transportation

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2554 is respectfully submitted to your committee.

HB 2554 would create the Pheasants Forever and Quail Forever distinctive license plates. The bill would allow any Kansas resident who is the owner of a passenger vehicle or truck with a gross weight of 20,000 pounds to be issued one Pheasants Forever, Inc. license plate for each vehicle on and after January 1, 2027. The distinctive plate would be issued upon proper registration and payment of the regular license fee as provided in KSA 8-143 to the county treasurer of the logo image payment established by Pheasants Forever, Inc. Pheasants Forever, Inc. would be authorized to allow the logo image to be affixed on license plates upon payment of a logo image fee of at least \$25, but no more than \$100 for each license plate. The payment would be issued to the county treasurer.

The Department of Revenue estimates the enactment of HB 2554 would increase expenditures by \$7,150 in FY 2027 for administrative costs related to designing and manufacturing the new license plate. The Department estimates enactment of the bill would decrease revenues to the State Highway Fund by \$4,000 if less than 100 paid orders are received. Any fiscal effect associated with HB 2554 is not reflected in *The FY 2027 Governor's Budget Report*.

Sincerely,

Adam C. Proffitt
Director of the Budget
