The Honorable Susan Humphries, Chairperson  
House Committee on Judiciary  
300 SW 10th Avenue, Room 582-N  
Topeka, Kansas 66612

Dear Representative Humphries:

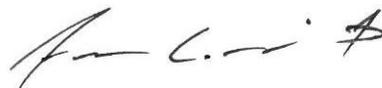

SUBJECT: Fiscal Note for HB 2652 by House Committee on Judiciary

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2652 is respectfully submitted to your committee.

HB 2652 would require the Appellate Courts to publish a monthly list of cases of the Supreme Court and the Court of Appeals in which a decision has not been entered and filed within six months of submission. The bill outlines certain information that would need to be included in the monthly list and would require the list to be made publicly available on the Supreme Court's website. The bill would require the Appellate Courts to transmit a copy of the report to the Legislature, the Attorney General, and the Governor. The bill would also require Appellate Courts to publish a monthly list of cases in which a petition for review has not been granted or denied within six months of submission. The bill would require the list to include certain information and be made publicly available on the Supreme Court's website. The bill would require the Appellate Courts to transmit the monthly list to the Legislature, the Attorney General, and the Governor.

The Office of Judicial Administration indicates enactment of the bill would increase expenditures of the Judicial Branch. The Office states the bill's provisions would require the Clerk of the Appellate Courts to track and publish certain appellate case decisions that are past due, which would increase the workload for the Clerk of the Appellate Courts and their staff. However, a precise fiscal effect cannot be estimated. Any fiscal effect associated with HB 2652 is not reflected in *The FY 2027 Governor's Budget Report*.

Sincerely,

Adam C. Proffitt  
Director of the Budget
