The Honorable Emil Bergquist, Chairperson  
House Committee on Local Government  
300 SW 10th Avenue, Room 281-N  
Topeka, Kansas 66612

Dear Representative Bergquist:

SUBJECT: Fiscal Note for HB 2769 by House Committee on Taxation

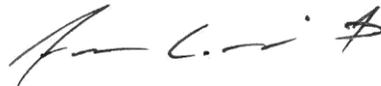

In accordance with KSA 75-3715a, the following fiscal note concerning HB 2769 is respectfully submitted to your committee.

HB 2769 would require that any individual appointed to a governing body of a subordinate service taxing area be a resident of that taxing area.

The Department of Revenue estimates that HB 2769 would have no fiscal effect.

The League of Kansas Municipalities indicates the bill has the potential to increase administrative and recruitment costs associated with new residency requirements for local taxing districts. The Kansas Association of Counties indicates the bill could affect the eligibility of current appointments to the governing body of a subordinate service taxing area. Both organizations are unable to provide a precise estimate of the fiscal effect on local governments; however, any fiscal effect is estimated to be negligible.

Sincerely,

Adam C. Proffitt  
Director of the Budget
