The Honorable Elaine Bowers, Chairperson  
Senate Committee on Local Government, Transparency and Ethics  
300 SW 10th Avenue, Room 142-S  
Topeka, Kansas 66612

Dear Senator Bowers:

SUBJECT: Fiscal Note for SB 468 by Senator Holscher

In accordance with KSA 75-3715a, the following fiscal note concerning SB 468 is respectfully submitted to your committee.

SB 468 would repeal the current state prohibition on the establishment of guaranteed income programs by municipalities. Under current law, cities and counties are prohibited from establishing guaranteed income programs. The bill would remove this prohibition, allowing municipalities to establish guaranteed income programs at their discretion.

The League of Kansas Municipalities and the Kansas Association of Counties indicate that enactment of the bill would have no fiscal effect on municipal governments. The Association notes that no counties had established a guaranteed income program prior to the enactment of the current prohibition.

Sincerely,

Adam C. Proffitt  
Director of the Budget
