The Honorable Mike Thompson, Chairperson
Senate Committee on Federal and State Affairs
300 SW 10th Avenue, Room 144-S
Topeka, Kansas 66612

Dear Senator Thompson:

 SUBJECT: Fiscal Note for SB 83 by Senate Committee on Federal and State Affairs

  In accordance with KSA 75-3715a, the following fiscal note concerning SB 83 is respectfully submitted to your committee.

  SB 83 would require a city that has extraterritorial zoning regulations or subdivision regulations to consider territory outside the corporate limits of the city part of the city for purposes of all city elections. Qualified electors living within the territory outside the corporate limits of the city would be considered qualified electors of the city. The voting area for any member of the city governing body would include the territory subject to extraterritorial zoning regulations or subdivision regulations. If the governing body members are elected by district, at least one district would include the territory outside the corporate limits of the city.

  The Secretary of State indicates it would use existing resources to provide training and update manuals for county election officials; update the agency's website; and update public documents and information. Any fiscal effect associated with SB 83 is not reflected in *The FY 2026 Governor's Budget Report*.

  The Kansas Association of Counties and the League of Kansas Municipalities indicate SB 83 could increase expenditures related to having more eligible voters for regularly scheduled city elections or special elections. However, the Association and the League are unable to estimate a fiscal effect.

          Sincerely,

          Adam C. Proffitt
          Director of the Budget
