Dear Senator Petersen:

SUBJECT: Fiscal Note for SB 98 by Senator Shallenberger

In accordance with KSA 75-3715a, the following fiscal note concerning SB 98 is respectfully submitted to your committee.

SB 98 would create the Route 66 Association of Kansas distinctive license plate. The bill would allow any Kansas resident who is the owner of a passenger vehicle or truck with a gross weight of 20,000 pounds or less to be issued one Route 66 Association of Kansas distinctive license plate for each vehicle or truck on and after January 1, 2026. The distinctive license plate would be issued upon proper registration and payment of the regular license fee as provided in KSA 8-143 to the county treasurer and of the logo image payment established by Route 66 Association of Kansas, Inc. Route 66 Association of Kansas Inc. would be authorized to allow the logo image to be affixed on license plates upon payment of a logo image payment of at least \$25, but no more than \$100 for each license plate.

The Department of Revenue estimates enactment of SB 98 would increase its expenditures by \$2,890 in FY 2026 for administrative costs related to designing and manufacturing the new plate. The Department estimates the bill would decrease revenues to the State Highway Fund by \$4,000 in FY 2026. Any fiscal effect associated with SB 98 is not reflected in *The FY 2026 Governor's Budget Report*.
