3 expense by a firm and in the manner approved by the secretary. The
4 secretary may consider the size of the project when determining the scope
5 and information required.

6 (d) (1) If the secretary determines that the project is an eligible
7 project and approves the application, the production company shall enter
8 into an agreement with the secretary prior to the commencement of the
9 project on such terms and conditions as the secretary may require. Such

15 categories.

16 (2) The production company shall agree to the provision of
17 documentation and information to the secretary or the secretary of revenue
18 on a regular basis as requested by the secretary or secretary of revenue to

21 adopted by the secretary or the secretary of revenue and the progress of the
22 project and estimated completion date.

24 provisions:

25 (A) For waiver of any income tax credits or sales tax exemptions
26 authorized pursuant to this act but not received by a production company,
27 termination of any future tax credits or exemptions pursuant to this act and

29 requirements of this act or rules and regulations are not met or terms of the
30 agreement are breached by the production company;

31 (B) requiring cooperation with any audit conducted pursuant to this
32 act; and

4 sales tax exemption for production or postproduction expenditures
5 pursuant to the provisions of K.S.A. 79-3606(xxxx), and amendments
6 thereto, and shall notify the applicant and the secretary of revenue of such
7 approval. In considering approval of such sales tax exemption, the
8 secretary shall prioritize expenditures in rural areas or in economically

10 all or a portion of expenditures eligible for exemption from sales tax be
11 made with businesses located in such areas. A production company

13 of revenue with such documentation as requested by the secretary or the
14 secretary of revenue to demonstrate that expenditures have been made as
15 required.

16 (f) Prior to receipt by a production company of any income tax credit
17 authorized by section 4, and amendments thereto, the secretary shall
18 examine and determine the amount of eligible production or eligible
19 postproduction expenditures that are qualified production expenditures or
20 qualified postproduction expenditures of the production company and that
21 such expenditures are for a certified production. No expenditure that was
22 exempt from sales taxation pursuant to K.S.A. 79-3606(xxxx), and
23 amendments thereto, shall also be a basis for the income tax credit
24 pursuant to section 4, and amendments thereto, unless specifically
25 approved by the secretary. The production company shall provide such
26 information and documentation as requested by the secretary to enable the
27 secretary to determine if expenditures are authorized and whether both
28 exempted from sales tax and utilized as a basis for such income tax credit.
29 In addition, the production company shall provide evidence as required by
30 the secretary that:

31 (1) The production company has filed all Kansas tax returns and tax
32 documents required by law and withholding taxes have been submitted as
33 required by law;

34 (2) all crew who are Kansas residents and Kansas-based vendors have
35 been paid and that there are no pending liens in this state against the
36 production company; and

37 (3) the certified project for which a sales tax exemption has been
38 granted or an income tax credit is requested has been completed, or in the
39 discretion of the secretary, a phase of the certified project has been
40 completed and adequate assurance, as determined by the secretary, has
41 been provided that the project will be fully completed.

42 (g) As a condition of receiving any income tax credits pursuant to this
43 act, the production company shall provide the secretary with a report by a

1 certified public accountant licensed to practice in Kansas, prepared at the
2 expense of the applicant, verifying that the expenditures have been made
3 in compliance with the requirements of this act. The report shall be
4 provided with a claim for income tax credits as required by section 4, and
5 amendments thereto, and as otherwise required by the secretary.

6 (h) The secretary shall notify the production company and the
7 secretary of revenue of determinations of qualified expenditures made by
8 the secretary. The secretary shall notify the secretary of revenue if the
9 secretary disqualifies the production company for tax credits or
10 exemptions or requires repayment of such tax benefits pursuant to the
11 provisions of this act.

12 (i) Any repayment of income tax credits or sales or use tax
13 exemptions by a production company pursuant to this act shall be made to
14 the secretary. The secretary shall remit all moneys received from such
15 repayments to the state treasurer in accordance with the provisions of
16 K.S.A. 75-4215, and amendments thereto. Upon receipt of each such
17 remittance, the state treasurer shall deposit the entire amount in the state
18 treasury to the credit of the state general fund.

19 (j) The secretary and the secretary of revenue may adopt rules and
20 regulations to implement the provisions of this act.

21 New Sec. 4. (a) For tax years 2025 through 2034, for any production
22 company or its affiliates that make qualified production or qualified
23 postproduction expenditures for a certified production approved by the
24 secretary of commerce as provided by section 3, and amendments thereto,
25 there shall be allowed an income tax credit against the tax imposed under
26 the Kansas income tax act based on the certified production company's
27 qualified expenditures as determined pursuant to subsection (d) and as
28 limited by subsection (h). The tax credit shall be applied against the
29 production company's income tax liability for the taxable year in which the
30 qualified expenditures are made by the production company. If the amount
31 of the tax credit allowed exceeds the production company's income tax
32 liability for the taxable year, the production company may carry over the
33 amount of the tax credit that exceeds such tax liability for deduction from
34 the production company's income tax liability in the next succeeding
35 taxable year or years until the total amount of the tax credit has been
36 deducted from the production company's tax liability, except that no such
37 tax credit shall be carried over for deduction after the 10th taxable year
38 succeeding the year in which the applicable qualified expenditures were
39 made by the production company. If the production company is a
40 corporation having an election in effect under subchapter S of the federal
41 internal revenue code, a partnership or a limited liability company, the
42 credit shall be claimed by the shareholders of such corporation, the
43 partners of such partnership or members of such limited liability company

1 in the same manner as such shareholders, partners or members account for
2 their proportionate shares of the income or loss of the corporation,
3 partnership or limited liability company and in accordance with the
4 agreement executed pursuant to section 3, and amendments thereto. The
5 tax credit may be transferred as provided by subsection (k).

6 (b) A claim for a tax credit shall be filed with the secretary of revenue
7 as part of a return filed by the production company pursuant to the Kansas
8 income tax act. The order that agreements are executed with the secretary
9 of commerce pursuant to section 3, and amendments thereto, shall
10 determine the order that tax credits are allocated by the secretary of
11 revenue. A claim shall be submitted with a return or amended return within
12 one calendar year of the date of the last eligible production expenditure or
13 the last eligible postproduction expenditure for the certified production
14 that would be eligible for an income tax credit as provided by subsection
15 (a). A request or requests by a production company for an extension of
16 time to submit a claim shall be granted by the secretary of revenue not to
17 exceed a total time extension of six months. All qualified production
18 expenditures or postproduction expenditures incurred during the taxable
19 year by a production company for a certified production shall be submitted
20 for credit as part of the same income tax return. A tax credit claim for
21 qualified expenditures during a taxable year shall not be divided and
22 submitted with multiple returns or in multiple years.

23 (c) The claim shall include a copy of the project certification and the
24 determination of qualified production or postproduction expenditures by
25 the secretary of commerce. The claim shall also include a report by a
26 certified public accountant licensed to practice in Kansas, prepared at the
27 expense of the applicant, verifying that the expenditures have been made
28 in compliance with the requirements of this act.

29 (d) The amount of the tax credit shall be equal to 30% of:

32 with no qualified production expenditures.

33 (e) The secretary of commerce may approve additional credits as

39 development in Kansas, including, but not limited to, contributions to
40 permanent sets, sound stages, film editing facilities, computer graphics,
41 special effects or animation facilities, educational facilities or programs,
42 internships or apprenticeships or equipment for production activities, in
43 the amount such contributions are approved by the secretary; or

2 50% or more of the crew or above-the-line personnel are Kansas residents;
3 or

4 (2) in addition to the amount authorized under subsection (d)(1) or
5 (2), up to an additional 5% of the amount of the qualified production
6 expenditures or qualified postproduction expenditures, as applicable, of a
7 certified project of a production company that has previously received an
8 income tax credit under this act with respect to such certified project.

9 (f) In addition to or in lieu of the credits authorized by subsection (d),
10 as determined by the secretary, a Kansas-based production company that
11 incurs at least \$25,000 in qualified production or postproduction
12 expenditures, including, but not limited to, expenditures for a certified
13 production not intended for multimarket distribution but that otherwise
14 constitute qualified expenditures and meets all other qualifications for a
15 tax credit under this act shall receive a tax credit in the amount of 25% of
16 such qualified expenditures. The tax credit shall be applied against the
17 Kansas-based production company's income tax liability for the taxable
18 year in which the qualified expenditures are made by the Kansas-based

24 income tax under the Kansas income tax act. The transferred credit shall
25 be claimed by the transferee against the transferee's Kansas income tax
26 liability in the taxable year the credit was transferred. The amount of the
27 transferred credit that exceeds the transferee's tax liability for such year
28 may be carried over for deduction from the transferee's income tax liability
29 in the next succeeding taxable year or years until the total amount of the
30 tax credit has been deducted from the transferee's tax liability, except that
31 no such tax credit shall be carried over for deduction after the 10th taxable
32 year succeeding the taxable year in which the credit was transferred to the
