24 this act. Implementation of the insurance verification system, including  
25 any exceptions as provided for in this act, supersedes any existing motor

27 the sole electronic system used for the purpose of verifying motor vehicle  
28 liability insurance as required by the laws of Kansas.

29 (b) The commissioner shall adopt such reasonable rules and  
30 regulations as are necessary to effectuate the provisions of this act.

11 privacy laws;

12 (4) be interfaced, wherever appropriate, with existing state systems;  
13 and

14 (5) include information that shall enable authorized personnel to  
15 make inquiries of insurers of motor vehicle liability insurance by using

24 operate the insurance verification system.

25 New Sec. 4. The commissioner may conduct a competitive bid and  
26 contract with a private service provider that has successfully implemented  
27 similar systems in other states to assist in establishing, implementing and  
28 maintaining the insurance verification system.

29 New Sec. 5. The department shall provide funding for the  
30 implementation, ongoing maintenance and enhancement of the insurance  
31 verification system created by this act from the insurance department  
32 regulation service fund, established under K.S.A. 40-112, and amendments  
33 thereto.

34 New Sec. 6. (a) Insurers shall cooperate with the commissioner and

41 circumstances or when systems are unavailable because of emergency,  
42 outside attack or other unexpected outages not planned by the insurer and  
43 that are reasonably outside its control as determined by KDOR.

1 (c) Each property and casualty insurance company that is licensed to  
2 issue motor vehicle liability insurance or is authorized to do business in  
3 Kansas shall provide verification of liability insurance for every motor  
4 vehicle insured in Kansas by such company as required by this act.

5 (d) This act shall not apply to vehicles insured under commercial  
6 motor vehicle coverage, except that insurers of such vehicles may  
7 participate on a voluntary basis.

8 (e) Insurers shall not be required to verify evidence of insurance for  
9 vehicles registered in other jurisdictions.

13 services of a third-party vendor to facilitate the insurance verification  
14 program required by this act.

15 New Sec. 7. The commissioner may establish, through rules and  
16 regulations, an alternative method for verifying motor vehicle liability  
17 insurance for insurers that insure 1,000 or fewer vehicles within Kansas.

18 New Sec. 8. All information and data provided by insurance  
19 companies to the insurance verification system, and all reports, responses

25 New Sec. 9. The insurance verification system shall be fully  
26 operational not later than July 1, 2026, following an appropriate testing  
27 period of not less than nine months. No enforcement action shall be taken  
28 based on information obtained from the insurance verification system until  
29 such system has successfully completed the testing period.

30 **New Sec. 10. Establishing compliance with the provisions of**  
31 **K.S.A. 40-3104, and amendments thereto, through the insurance**
