25 *a residence by the household and so much of the land surrounding it, as*
26 *defined as a home site for ad valorem tax purposes, and may consist of a*
27 *part of a multi-dwelling or multi-purpose building and a part of the land*

29 *land upon which it is situated.*

30 (3) "Owned" includes a vendee in possession under a land contract, a
31 life tenant, a beneficiary under a trust and one or more joint tenants or
32 tenants in common.

33 (e) "Claimant" means a person who has filed a claim under the
34 provisions of this act and was, during the entire calendar year preceding
35 the year in which such claim was filed for refund under this act, except as
36 provided in K.S.A. 79-4503, and amendments thereto, both domiciled in

3 (B), (C) or (D) having one or more dependent children under 18 years of

12 eligible to continue to receive benefits until such time the surviving spouse
13 remarries.

14 When a homestead is occupied by two or more individuals and more
15 than one of the individuals is able to qualify as a claimant, the individuals
16 may determine between them as to whom the claimant will be. If they are
17 unable to agree, the matter shall be referred to the secretary of revenue
18 whose decision shall be final.

19 (f) "Property taxes accrued" means property taxes, exclusive of
20 special assessments, delinquent interest and charges for service, levied on
21 a claimant's homestead in 1979 or any calendar year thereafter by the state
22 of Kansas and the political and taxing subdivisions of the state. When a
23 homestead is owned by two or more persons or entities as joint tenants or
24 tenants in common and one or more of the persons or entities is not a
25 member of claimant's household, "property taxes accrued" is that part of
26 property taxes levied on the homestead that reflects the ownership
27 percentage of the claimant's household. For purposes of this act, property
28 taxes are "levied" when the tax roll is delivered to the local treasurer with
29 the treasurer's warrant for collection. When a claimant and household own
30 their homestead part of a calendar year, "property taxes accrued" means
31 only taxes levied on the homestead when both owned and occupied as a
32 homestead by the claimant's household at the time of the levy, multiplied
33 by the percentage of 12 months that the property was owned and occupied
34 by the household as its homestead in the year. When a household owns and
35 occupies two or more different homesteads in the same calendar year,
36 property taxes accrued shall be the sum of the taxes allocable to those
37 several properties while occupied by the household as its homestead
38 during the year. Whenever a homestead is an integral part of a larger unit
39 such as a multi-purpose or multi-dwelling building, property taxes accrued
40 shall be that percentage of the total property taxes accrued as the value of
41 the homestead is of the total value. For the purpose of this act, the word
42 "unit" refers to that parcel of property covered by a single tax statement of
43 which the homestead is a part.

1 (g) "Disability" means:

2 (1) Inability to engage in any substantial gainful activity by reason of
3 any medically determinable physical or mental impairment which can be
4 expected to result in death or has lasted or can be expected to last for a
5 continuous period of not less than 12 months, and an individual shall be
6 determined to be under a disability only if the physical or mental
7 impairment or impairments are of such severity that the individual is not
8 only unable to do the individual's previous work but cannot, considering
9 age, education and work experience, engage in any other kind of
10 substantial gainful work which exists in the national economy, regardless
11 of whether such work exists in the immediate area in which the individual
12 lives or whether a specific job vacancy exists for the individual, or whether
13 the individual would be hired if application was made for work. For
14 purposes of the preceding sentence (with respect to any individual), "work
15 which exists in the national economy" means work which exists in
16 significant numbers either in the region where the individual lives or in
17 several regions of the country; for purposes of this subsection, a "physical
18 or mental impairment" is an impairment that results from anatomical,
19 physiological or psychological abnormalities which are demonstrable by
20 medically acceptable clinical and laboratory diagnostic techniques; or

21 (2) blindness and inability by reason of blindness to engage in
22 substantial gainful activity requiring skills or abilities comparable to those
23 of any gainful activity in which the individual has previously engaged with
24 some regularity and over a substantial period of time.

25 (h) "Blindness" means central visual acuity of $20/200$ or less in the
26 better eye with the use of a correcting lens. An eye which is accompanied
27 by a limitation in the fields of vision such that the widest diameter of the
28 visual field subtends an angle no greater than 20 degrees shall be
29 considered for the purpose of this paragraph as having a central visual
30 acuity of $20/200$ or less.

31 (i) "Disabled veteran" means a person who is a resident of Kansas
32 and who:

33 (1) Served in the active military, naval, air or space service and who
34 was discharged or released therefrom under an honorable discharge or a
35 general discharge under honorable conditions;

36 (2) received a disability that was incurred or aggravated in the line of
37 duty in the active military, naval, air or space service; and

38 (3) has a service-connected evaluation percentage equal to or greater
39 than 50%, pursuant to 38 U.S.C. § 1101 et seq. or 10 U.S.C. § 1201 et seq.

40 (j) *"Rent constituting property taxes accrued" means 15% of the*
41 *gross rent actually paid in cash or its equivalent in 2025, or any taxable*
42 *year thereafter, by a claimant and claimant's household solely for the right*
43 *of occupancy of a Kansas homestead on which ad valorem property taxes*

1 were levied in full for that year. When a household occupies two or more
 2 different homesteads in the same calendar year, "rent constituting property
 3 taxes accrued" shall be computed by adding the "rent constituting
 4 property taxes accrued" for each property rented by the household while
 5 occupied by the household as its homestead during the year.

6 (k) "Gross rent" means the rent paid at arm's length solely for the
 7 right of occupancy of a homestead or space rent paid to a landlord for the
 8 parking of a mobile home, exclusive of charges for any utilities, services,
 9 furniture and furnishings or personal property appliances furnished by the
 10 landlord as a part of the rental agreement, whether or not expressly set out
 11 in the rental agreement. Whenever the director of taxation finds that the
 12 landlord and tenant have not dealt with each other at arm's length and
 13 that the "gross rent" charge was excessive, the director may adjust the
 14 "gross rent" to a reasonable amount for the purposes of the claim.

15 Sec. 3. K.S.A. 2024 Supp. 79-4508 is hereby amended to read as
 16 follows: 79-4508. (a) Commencing in the tax year beginning after
 17 December 31, 2005, the amount of any claim pursuant to this act and
 18 under this section shall be computed by deducting the amount computed
 19 under column (2) from the amount of claimant's property tax accrued.

41 (b) The director of taxation shall prepare a table under which claims
 42 under this act and this section shall be determined. The amount of claim

26 (b) Every claimant who is a homestead owner, or whose claim is
27 based wholly or partly upon homestead ownership at some time during the

32 division, such claimant shall provide a copy of the statement of property

41 *paid and that ad valorem property taxes were levied in full for that year on*
42 *the property, all or a part of which was rented by the claimant. When such*
43 *claimant reports household income that is 150% or less of the homestead*
