6 *Be it enacted by the Legislature of the State of Kansas:*

7 Section 1. K.S.A. 2024 Supp. 79-32,306 is hereby amended to read as
8 follows: 79-32,306. (a) For all taxable years commencing after December
9 31, 2022, ~~and ending on December 31, 2025, except as provided in~~
10 *subsection (i)*, there shall be allowed a credit against the income tax
11 liability imposed pursuant to the Kansas income tax act, the privilege tax
12 liability imposed upon any national banking association, state bank, trust
13 company or savings and loan association pursuant to article 11 of chapter
14 79 of the Kansas Statutes Annotated, and amendments thereto, or the
15 premium tax liability imposed upon an insurance company pursuant to
16 K.S.A. 40-252, and amendments thereto, for each qualified development
17 for each year of the credit period, in an amount equal to the federal tax
18 credit allocated or allowed by the KHRC to such qualified development,
19 except that there shall be no reduction in the credit allowable in the first
20 year of the credit period due to the calculation in section 42(f)(2) of the
21 federal internal revenue code.

22 (b) The KHRC shall issue an allocation certificate to an owner of a
23 qualified development to which a credit has been allocated. The KHRC
24 shall issue an allocation certificate to the qualified development
25 simultaneously with issuance of federal form 8609 with respect to the
26 federal tax credits.

27 (c) All allocations shall be made pursuant to the qualified allocation
28 plan.

29 (d) If an owner of a qualified development receiving an allocation of
30 a credit is a pass-through entity, the owner may allocate the credit among
31 its partners or members in any manner agreed to by such persons
32 regardless of whether: (1) Any such person is allocated or allowed any
33 portion of any federal tax credit with respect to the qualified project; (2)
34 the allocation of the credit under the terms of the agreement has substantial
35 economic effect within the meaning of section 704(b) of the federal

1 internal revenue code; or (3) any such person is deemed a partner for
2 federal income tax purposes, if the partner or member would be considered
3 a partner or member under applicable state law governing such entity and
4 has been admitted as a partner or member on or prior to the date for filing
5 the qualified taxpayer's tax return, including any amendments to such tax
6 return, with respect to the year of the credit. In the case of multiple tiers of
7 pass-through entities, the credit may be so allocated through any number
8 of pass-through entities in any manner agreed by the owners of such pass-
9 through entities, none of which shall be considered a transfer. Any pass-
10 through entity allocating a credit to its partners or members shall attach a
11 pass-through certification to its tax return annually. Each partner or
12 member shall be allowed to claim or further allocate such amount subject
13 to any restrictions set forth in this act.

15 allocated and each qualified taxpayer to which such owner has allocated a

18 KHRC with respect to such qualified development and a copy of any pass-
19 through certification, as prescribed by the director.

20 (f) No credit shall be allocated pursuant to this act unless the qualified
21 development is the subject of a recorded restrictive covenant requiring the
22 development to be maintained and operated as a qualified development
23 and is in accordance with the accessibility and adaptability requirements of
24 the federal tax credits and title VIII of the civil rights act of 1968, as
25 amended by the fair housing amendments act of 1988, for a period of 15
26 taxable years, or such longer period as may be agreed to between the
27 KHRC and the owner of the qualified development, beginning with the
28 first taxable year of the credit period.

29 (g) The allocated credit amount may be taken against the income,
30 privilege or premium taxes imposed for each taxable year of the credit
31 period. Any amount of credit that exceeds the income, privilege or
32 premium tax liability of a qualified taxpayer for a taxable year may be
33 carried forward as a credit against subsequent years' tax liability up to 11
34 tax years following the tax year in which the allocation was made and shall
35 be applied first to the earliest years possible. Any amount of the credit that
36 is not used shall not be refunded to the taxpayer.

37 (h) Unless otherwise provided in this act or the context or law
38 requires otherwise, the KHRC shall determine eligibility for a credit and
39 allocate credits in accordance with the standards and requirements set forth
40 in section 42 of the federal internal revenue code. Any combination of
41 federal tax credits and credits allowed pursuant to this act shall be the least
42 amount necessary to ensure the financial feasibility of a qualified
43 development.
