

**HOUSE BILL No. 2163**

By Committee on Taxation

Requested by Representative Howerton on behalf of LeadingAge Kansas

1-30

1 AN ACT concerning income taxation; relating to credits; providing for the  
2 preceptor income tax incentive act; establishing a credit for nursing  
3 home administrators, registered nurses and registered dietitians that  
4 serve as community-based faculty preceptor in adult care homes and  
5 medical care facilities by providing personalized instruction, training  
6 and supervision for students.  
7

8 WHEREAS, There are persistent obstacles in overcoming barriers to  
9 professional instruction, training and supervision that are necessary for  
10 aging services and healthcare services to obtain the requisite professional  
11 mentoring and supervision and thereby allow them to practice upon  
12 obtaining their degree or certification; and

13 WHEREAS, The tax credit is to provide sufficient financial incentives  
14 that would encourage preceptors to offer professional instruction, training  
15 and supervision to students matriculating at postsecondary educational  
16 institutions and seeking careers as nursing home administrators, registered  
17 nurses and certified dietary managers in this state.

18 Now, therefore:

19 *Be it enacted by the Legislature of the State of Kansas:*

20 Section 1. (a) The provisions of this section shall be known and may  
21 be cited as the preceptor income tax incentive act.

22 (b) For taxable year 2025, and all tax years thereafter, there shall be  
23 allowed a credit against the tax liability imposed under the Kansas income  
24 tax act for a community-based faculty preceptor if such taxpayer conducts  
25 a preceptorship for a student. The amount of credit shall be based on a  
26 completed hourly total that the preceptor has provided to a student  
27 teaching during each tax year. Every completed 40 hours precepting  
28 provided to a student shall entitle the preceptor to a \$250 tax credit. A  
29 community-based faculty preceptor may accrue tax credits without  
30 limitation based on the number of completed 40 hours that the preceptor  
31 completes during the tax year. A preceptor shall not accrue credit if such  
32 preceptor or such preceptor's employer is compensated by another  
33 organization for the same preceptorship.

34 (c) Every preceptor claiming a tax credit under this section shall  
35 certify with the director of taxation the number of hours of instruction and

1 the amount of the tax credit claimed in each tax year. The preceptor shall  
2 also certify that such preceptor did not receive payment during such tax  
3 year from any source for the training of any student or students.

4 (d) The educational institution of a student receiving preceptorship  
5 shall provide a student receiving the preceptorship an annual statement  
6 that verifies the amount of hours such preceptor has provided to such  
7 institution's students in each tax year. The community-based faculty  
8 preceptor shall provide the director of taxation a copy of the annual  
9 statement.

10 (e) The credit allowed by this section shall not exceed the amount of  
11 tax imposed under the Kansas income tax act. Such credit shall be  
12 deducted from the taxpayer's income for the taxable year in which the  
13 preceptorship occurred and shall not be refundable.
