(2) (A) The court may order that the term of imprisonment imposed pursuant to subsection (b)(1)(D) or (b)(1)(E) be served in a state facility in the custody of the secretary of corrections in a facility designated by the secretary for the provision of substance abuse treatment pursuant to the provisions of K.S.A. 21-6804, and amendments thereto. The secretary of corrections may refuse to admit the person to the designated facility and place the person in a different state facility, or admit the person and subsequently transfer the person to a different state facility, if the secretary determines: (i) That substance abuse treatment resources or the capacity of the facility designated by the secretary for the incarceration and treatment of the person is not available; (ii) the person has failed to meaningfully participate in the treatment program of the designated facility; (iii) the person is disruptive to the security or operation of the designated facility; or (iv) the medical or mental health condition of the person renders the person unsuitable for confinement at the designated facility. The determination by the secretary that the person either is not to be admitted into the designated facility or is to be transferred from the designated facility is not subject to review.

(B) In addition to the provisions of subsection (b)(1), for any conviction pursuant to subsection (b)(1)(D) or (b)(1)(E), if the person is granted probation, the court shall determine whether the person shall be supervised by community correctional services or court services based on the risk and needs of the person. The risk and needs of the person shall be determined by use of a risk assessment tool specified by the Kansas sentencing commission. During the probation supervision, the person shall be required to participate in a multidisciplinary model of services for substance use disorders facilitated by a Kansas department for aging and disability services designated care coordination agency to include assessment and, if appropriate, referral to a community based substance use disorder treatment including recovery management and mental health counseling as needed. The multidisciplinary team shall include the designated care coordination agency, the supervision officer, the Kansas department for aging and disability services designated treatment provider and the person.

(3) In addition to the provisions of subsection (b)(1), for any conviction pursuant to subsection (b)(1)(C), at the time of the filing of the judgment form or journal entry as required by K.S.A. 21-6711 or 22-3426, and amendments thereto, the court shall cause a certified copy to be sent to the officer having the person in charge. The court shall determine whether the person, upon release from imprisonment, shall be supervised by community correctional services or court services based upon the risk and needs of the person. The risk and needs of the person shall be determined by use of a risk assessment tool specified by the Kansas sentencing commission. The law enforcement agency maintaining custody and control of a person for imprisonment shall

cause a certified copy of the judgment form or journal entry to be sent to the supervision office designated by the court and upon expiration of the term of imprisonment shall deliver the person to a location designated by the supervision office designated by the court. After the term of imprisonment imposed by the court, the person shall be placed on supervision to community correctional services or court services, as determined by the court, for a mandatory one-year period of supervision, which such period of supervision shall not be reduced. During such supervision, the person shall be required to participate in a multidisciplinary model of services for substance use disorders facilitated by a Kansas department for aging and disability services designated care coordination agency to include assessment and, if appropriate, referral to a community based substance use disorder treatment including recovery management and mental health counseling as needed. The multidisciplinary team shall include the designated care coordination agency, the supervision officer, the Kansas department for aging and disability services designated treatment provider and the person. A person for whom a warrant has been issued by the court alleging a violation of this supervision shall be considered a fugitive from justice if it is found that the warrant cannot be served. If it is found that the person has violated the provisions of this supervision, the court shall determine whether the time from the issuing of the warrant to the date of the court's determination of an alleged violation, or any part of it, shall be counted as time served on supervision. Any violation of the conditions of such supervision may subject such person to revocation of supervision and imprisonment in jail for the remainder of the period of imprisonment, the remainder of the supervision period, or any combination or portion thereof. The term of supervision may be extended at the court's discretion beyond one year, and any violation of the conditions of such extended term of supervision may subject such person to the revocation of supervision and imprisonment in jail of up to the remainder of the original sentence, not the term of the extended supervision.

(4) In addition to the provisions of subsection (b)(1), prior to sentencing for any conviction pursuant to subsection (b)(1)(A) or (b)(1)(B), the court shall order the person to participate in an alcohol and drug evaluation conducted by a provider in accordance with K.S.A. 8-1008, and amendments thereto. The person shall be required to follow any recommendation made by the provider after such evaluation, unless otherwise ordered by the court.

(c) Any person 18 years of age or older convicted of violating this section or an ordinance which prohibits the acts that this section prohibits who had one or more children under the age of 18 years in the vehicle at the time of the offense shall have such person's punishment enhanced by one month of imprisonment. This imprisonment must be served consecutively to any other minimum mandatory penalty imposed for a violation of this section or an ordinance which prohibits the acts that this section prohibits. Any enhanced penalty imposed shall not exceed the maximum sentence allowable by law. During the service of the enhanced penalty, the judge may order the person on house arrest, work release or other conditional release.

(d) If a person is charged with a violation of subsection (a)(4) or (a)(5), the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.

(e) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessment and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the

final release of the person by the court.

(f) (1) In lieu of payment of a fine imposed pursuant to this section, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(2) The court may, in its discretion, waive any portion of a fine imposed pursuant to this section, except the \$250 required to be remitted to the state treasurer pursuant to subsection ~~(q)(2)~~ (q)(3), upon a showing that the person successfully completed court-ordered education or treatment.

(g) Prior to filing a complaint alleging a violation of this section, a prosecutor shall request and shall receive from the:

(1) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and

(2) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(h) The court shall electronically report every conviction of a violation of this section and every diversion agreement entered into in lieu of further criminal proceedings on a complaint alleging a violation of this section to the division including any finding regarding the alcohol concentration in the person's blood or breath. Prior to sentencing under the provisions of this section, the court shall request and shall receive from the division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state.

(i) For the purpose of determining whether a conviction is a first, second, third, fourth or subsequent conviction in sentencing under this section:

(1) Convictions for a violation of this section, or a violation of an ordinance of any city or resolution of any county that prohibits the acts that this section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, shall be taken into account, but only convictions or diversions occurring on or after July 1, 2001. Nothing in this provision shall be construed as preventing any court from considering any convictions or diversions occurring during the person's lifetime in determining the sentence to be imposed within the limits provided for a first, second, third, fourth or subsequent offense;

(2) any convictions for a violation of the following sections occurring during a person's lifetime shall be taken into account:

(A) Driving a commercial motor vehicle under the influence, K.S.A. 8-2,144, and amendments thereto;

(B) operating a vessel under the influence of alcohol or drugs, K.S.A. 32-1131, and amendments thereto;

(D) aggravated battery as described in K.S.A. 21-5413(b)(3) or (b)(4), and amendments thereto; and

(E) aggravated vehicular homicide, K.S.A. 21-3405a, prior to its repeal, or vehicular battery, K.S.A. 21-3405b, prior to its repeal, if the

crime was committed while committing a violation of K.S.A. 8-1567, and amendments thereto;

(3) "conviction" includes:

(A) Entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging an offense described in subsection (i)(2); and

(B) conviction of a violation of an ordinance of a city in this state, a resolution of a county in this state or any law of another jurisdiction that would constitute an offense that is comparable to the offense described in subsection (i)(1) or (i)(2);

(4) multiple convictions of any crime described in subsection (i)(1) or (i)(2) arising from the same arrest shall only be counted as one conviction;

(5) it is irrelevant whether an offense occurred before or after conviction for a previous offense; and

(6) a person may enter into a diversion agreement in lieu of further criminal proceedings for a violation of this section, and amendments thereto, or an ordinance which prohibits the acts of this section, and amendments thereto, only once during the person's lifetime.

(j) For the purposes of determining whether an offense is comparable, the following shall be considered:

(1) The name of the out-of-jurisdiction offense;

(2) the elements of the out-of-jurisdiction offense; and

(3) whether the out-of-jurisdiction offense prohibits similar conduct to the conduct prohibited by the closest approximate Kansas offense.

(k) Upon conviction of a person of a violation of this section or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, the division, upon receiving a report of conviction, shall suspend, restrict or suspend and restrict the person's driving privileges as provided by K.S.A. 8-1014, and amendments thereto.

(l) (1) Nothing contained in this section shall be construed as preventing any city from enacting ordinances, or any county from adopting resolutions, declaring acts prohibited or made unlawful by this act as unlawful or prohibited in such city or county and prescribing penalties for violation thereof.

(2) The minimum penalty prescribed by any such ordinance or resolution shall not be less than the minimum penalty prescribed by this section for the same violation, and the maximum penalty in any such ordinance or resolution shall not exceed the maximum penalty prescribed for the same violation.

(3) On and after July 1, 2007, and retroactive for ordinance violations committed on or after July 1, 2006, an ordinance may grant to a municipal court jurisdiction over a violation of such ordinance which is concurrent with the jurisdiction of the district court over a violation of this section, notwithstanding that the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony.

(4) Any such ordinance or resolution shall authorize the court to order that the convicted person pay restitution to any victim who suffered loss due to the violation for which the person was convicted.

(m) (1) Upon the filing of a complaint, citation or notice to appear alleging a person has violated a city ordinance prohibiting the acts prohibited by this section, and prior to conviction thereof, a city attorney shall request and shall receive from the:

(A) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and

(B) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(2) If the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony, the city attorney shall refer the violation to the appropriate county or district attorney for prosecution.

(n) No plea bargaining agreement shall be entered into nor shall any judge approve a plea bargaining agreement entered into for the purpose of permitting a person charged with a violation of this section, or a violation of any ordinance of a city or resolution of any county in this state which prohibits the acts prohibited by this section, to avoid the mandatory penalties established by this section or by the ordinance. For the purpose of this subsection, entering into a diversion agreement pursuant to K.S.A. 12-4413 et seq. or 22-2906 et seq., and amendments thereto, shall not constitute plea bargaining. This subsection shall not be construed to prohibit an amendment or dismissal of any charge where the admissible evidence is not sufficient to support a conviction beyond a reasonable doubt on such charge.

(o) The alternatives set out in subsection (a) may be pleaded in the alternative, and the state, city or county may, but shall not be required to, elect one or more of such alternatives prior to submission of the case to the fact finder.

(p) As used in this section:

(1) "Alcohol concentration" means the number of grams of alcohol per 100 milliliters of blood or per 210 liters of breath;

(q) (1) The amount of the increase in fines as specified in this section shall be remitted by the clerk of the district court to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto.
