(j) Any testing, continuing education or training requirements
administered under subsection (d), (h) or (i) shall be limited to Kansas law
that regulates the occupation and that are materially different from or
additional to the law of another state, or shall be limited to any materially
different or additional body of knowledge or skill required for the
occupational license, registration or certification in Kansas.

(k) A licensing body may grant licensure, registration, certification or
a temporary permit to any person who meets the requirements under this

conditions.

34 (1) Nothing in this section shall be construed to apply in conflict with 35 or in a manner inconsistent with federal law or a multistate compact, or a 36 rule or regulation or a reciprocal or other applicable statutory provision 37 that would allow an applicant to receive a license. Nothing in this section 38 shall be construed as prohibiting a licensing body from denying any 39 application for licensure, registration or certification, or declining to grant 40 a temporary or probationary license, if the licensing body determines that 41 granting the application may jeopardize the health and safety of the public.

42 (m) Nothing in this section shall be construed to be in conflict with 43 any applicable Kansas statute defining the scope of practice of an occupation. The scope of practice as provided by Kansas law shall apply to
 applicants under this section.

3 (n) Notwithstanding any other provision of law, during a state of emergency declared by the legislature, a licensing body may grant a 4 5 temporary emergency license to practice any profession licensed, certified, 6 registered or regulated by the licensing body to an applicant whose 7 qualifications the licensing body determines to be sufficient to protect 8 health and safety of the public and may prohibit any unlicensed person 9 from practicing any profession licensed, certified, registered or regulated 10 by the licensing body.
