8 occupational therapy licensure compact.

9 ARTICLE 1 – PURPOSE

10 (a) The purpose of this compact is to facilitate interstate practice of  
11 occupational therapy with the goal of improving public access to  
12 occupational therapy services. The practice of occupational therapy occurs  
13 in the state where the patient or client is located at the time of the  
14 occupational therapy encounter. The compact preserves the regulatory  
15 authority of states to protect public health and safety through the current  
16 system of state licensure.

17 (b) This compact is designed to achieve the following objectives:

18 (1) Increase public access to occupational therapy services by  
19 providing for the mutual recognition of other member state licenses;

20 (2) enhance the states' ability to protect the public's health and safety;

21 (3) encourage the cooperation of member states in regulating multi-  
22 state occupational therapy practice;

23 (4) support spouses of relocating military members;

24 (5) enhance the exchange of licensure, investigative and disciplinary  
25 information between member states;

26 (6) allow a remote state to hold a provider of services with a compact  
27 privilege in that state that is accountable to that state's practice standards;  
28 and

29 (7) facilitate the use of telehealth technology in order to increase

17 criminal history record information from the federal bureau of  
18 investigation and the agency responsible for retaining that state's criminal  
19 records;

20 (A) A member state shall, within a time frame established by the  
21 commission, require a criminal background check for a licensee seeking or  
22 applying for a compact privilege whose primary state of residence is in  
23 that member state, by receiving the results of the federal bureau of

39 (c) Member states may charge a fee for granting the compact  
40 privilege.

41 (d) A member state shall provide for the state's delegate to attend all  
42 occupational therapy compact commission meetings.

43 (e) Individuals not residing in a member state shall continue to be

1 able to apply for a member state's single-state license as provided under  
2 the laws of each member state. However, the single-state license granted to  
3 these individuals shall not be recognized as granting the compact privilege  
4 in any other member state.

5 (f) Nothing in this compact shall affect the requirements established  
6 by a member state for the issuance of a single-state license.

#### 7 ARTICLE 4 – COMPACT PRIVILEGE

8 (a) To exercise the compact privilege under the terms and provisions  
9 of the compact, the licensee shall:

27 state where the licensee is seeking a compact privilege; and

28 (10) report to the commission adverse action taken by any  
29 nonmember state within 30 days from the date the adverse action is taken.

30 (b) The compact privilege is valid until the expiration date of the  
31 home state license. The licensee shall comply with the requirements of  
32 article 4(a) in order to maintain the compact privilege in the remote state.

33 (c) A licensee providing occupational therapy in a remote state under

42 compact privilege in the remote state for a specific period of time, impose  
43 fines or take any other necessary actions to protect the health and safety of

1 its citizens. The licensee may be ineligible for the compact privilege in any  
2 state until the specific time for removal has passed and all fines have been

4 (f) If a home state license is encumbered, the licensee shall lose the  
5 compact privilege in any remote state until the following occur:

6 (1) The home state license is no longer encumbered; and

7 (2) two years have elapsed from the date that the home state license is  
8 no longer encumbered in accordance with article 4(f)(1).

9 (g) Once an encumbered license in the home state is restored to good  
10 standing, the licensee shall meet the requirements of article 4(a) to obtain a  
11 compact privilege in any remote state.

12 (h) If a licensee's compact privilege in any remote state is removed,  
13 the individual may lose the compact privilege in any other remote state  
14 until the following occur:

15 (1) The specific period of time when the compact privilege was  
16 removed has ended;

17 (2) all fines have been paid and all conditions have been met;

18 (3) two years have elapsed from the date of completing requirements  
19 for paragraphs (1) and (2);

20 (4) the compact privileges are reinstated by the commission; and

21 (5) the compact data system is updated to reflect reinstatement.

22 (i) If a licensee's compact privilege in any remote state is removed  
23 due to an erroneous charge, privileges shall be restored through the  
24 compact data system.

25 (j) Once the requirements of article 4(h) have been met, the licensee  
26 shall meet the requirements in article 4(a) to obtain a compact privilege in  
27 a remote state.

28 ARTICLE 5 – OBTAINING A NEW HOME STATE  
29 LICENSE BY VIRTUE OF COMPACT PRIVILEGE

30 (a) An occupational therapist or occupational therapy assistant may  
31 hold a home state license that allows for compact privileges in member  
32 states in only one member state at a time.

33 (b) If an occupational therapist or occupational therapy assistant  
34 changes primary state of residence by moving between two member states:

35 (1) The occupational therapist or occupational therapy assistant shall  
36 file an application for obtaining a new home state license by virtue of a  
37 compact privilege, pay all applicable fees and notify the current and new  
38 home state in accordance with applicable rules adopted by the  
39 commission;

40 (2) upon receipt of an application for obtaining a new home state  
41 license by virtue of compact privilege, the new home state shall verify that  
42 the occupational therapist or occupational therapy assistant meets the  
43 pertinent criteria outlined in article 4 via the data system without need for

1 primary source verification, except for:

2 (A) A federal bureau of investigation fingerprint-based criminal  
 3 background check if not previously performed or updated pursuant to  
 4 applicable rules adopted by the commission in accordance with public law  
 5 92-544; and

6 (B) other criminal background check as required by the new home  
 7 state;

8 (3) the occupational therapist or occupational therapy assistant shall  
 9 submit to any requisite jurisprudence requirements of the new home state;

10 (4) the former home state shall convert the former home state license  
 11 into a compact privilege once the new home state has activated the new  
 12 home state license in accordance with applicable rules adopted by the  
 13 commission;

14 (5) notwithstanding any other provision of this compact, if the  
 15 occupational therapist or occupational therapy assistant cannot meet the  
 16 criteria in article 4, the new home state shall apply its requirements for  
 17 issuing a new single-state license; and

18 (6) the occupational therapist or the occupational therapy assistant  
 19 shall pay all applicable fees to the new home state to be issued a new home  
 20 state license.

21 (c) If an occupational therapist or occupational therapy assistant  
 22 changes primary state of residence by moving from a member state to a  
 23 nonmember state or from a nonmember state to a member state, the state  
 24 criteria shall apply for the issuance of a single-state license in the new  
 25 state.

26 (d) Nothing in this compact shall interfere with a licensee's ability to  
 27 hold a single-state license in multiple states, except that, for the purposes  
 28 of this compact, a licensee shall have only one home state license.

29 (e) Nothing in this compact shall affect the requirements established  
 30 by a member state for the issuance of a single-state license.

31 **ARTICLE 6 – ACTIVE-DUTY MILITARY**

32 **PERSONNEL OR THEIR SPOUSES**

33 Active-duty military personnel or their spouse shall designate a home  
 34 state where the individual has a current license in good standing. The  
 35 individual may retain the home state designation during the period the  
 36 service member is on active duty. Subsequent to designating a home state,  
 37 the individual shall only change their home state through application for  
 38 licensure in the new state or through the process described in article 5.

39 **ARTICLE 7 – ADVERSE ACTIONS**

40 (a) A home state shall have exclusive power to impose adverse action  
 41 against an occupational therapist's or occupational therapy assistant's  
 42 license issued by the home state.

43 (b) In addition to the other powers conferred by state law, a remote

1 state shall have the authority, in accordance with existing state due process  
2 law, to:

3 (1) Take adverse action against an occupational therapist's or  
4 occupational therapy assistant's compact privilege within that member  
5 state; and

6 (2) issue subpoenas for both hearings and investigations that require  
7 the attendance and testimony of witnesses as well as the production of  
8 evidence. Subpoenas issued by a licensing board in a member state for the  
9 attendance and testimony of witnesses or the production of evidence from  
10 another member state shall be enforced in the latter state by any court of  
11 competent jurisdiction, according to the practice and procedure of that  
12 court applicable to subpoenas issued in proceedings pending before it. The  
13 issuing authority shall pay any witness fees, travel expenses, mileage and  
14 other fees required by the service statutes of the state where the witnesses  
15 or evidence are located.

16 (c) For purposes of taking adverse action, the home state shall give  
17 the same priority and effect to reported conduct received from a member  
18 state as it would if the conduct had occurred within the home state. In so  
19 doing, the home state shall apply its own state laws to determine  
20 appropriate action.

21 (d) The home state shall complete any pending investigations of an  
22 occupational therapist or occupational therapy assistant who changes  
23 primary state of residence during the course of the investigations. The  
24 home state, where the investigations were initiated, shall also have the  
25 authority to take appropriate action and shall promptly report the  
26 conclusions of the investigations to the occupational therapy compact  
27 commission data system. The occupational therapist compact commission  
28 data system administrator shall promptly notify the new home state of any  
29 adverse actions.

30 (e) A member state, if otherwise permitted by state law, may recover  
31 from the affected occupational therapist or occupational therapy assistant  
32 the costs of investigations and disposition of cases resulting from any  
33 adverse action taken against that occupational therapist or occupational  
34 therapy assistant.

35 (f) A member state may take adverse action based on the factual  
36 findings of the remote state if the member state follows its own procedures  
37 for taking the adverse action.

38 (g) Joint investigations:

39 (1) In addition to the authority granted to a member state by its  
40 respective state occupational therapy laws and regulations or other  
41 applicable state law, any member state may participate with other member  
42 states in joint investigations of licensees.

43 (2) Member states shall share any investigative, litigation or

1 compliance materials in furtherance of any joint or individual investigation  
2 initiated under the compact.

3 (h) If an adverse action is taken by the home state against an  
4 occupational therapist's or occupational therapy assistant's license, the  
5 occupational therapist's or occupational therapy assistant's compact  
6 privilege in all other member states shall be deactivated until all  
7 encumbrances have been removed from the state license. All home state  
8 disciplinary orders that impose adverse action against an occupational  
9 therapist's or occupational therapy assistant's license shall include a  
10 statement that the occupational therapist's or occupational therapy  
11 assistant's compact privilege is deactivated in all member states during the  
12 pendency of the order.

13 (i) If a member state takes adverse action, it shall promptly notify the  
14 administrator of the data system. The administrator of the data system shall  
15 promptly notify the home state of any adverse actions by remote states.

16 (j) Nothing in this compact shall override a member state's decision  
17 that participation in an alternative program may be used in lieu of adverse  
18 action.

19 ARTICLE 8 – ESTABLISHMENT OF THE OCCUPATIONAL  
20 THERAPY COMPACT COMMISSION

21 (a) The compact member states hereby create and establish a joint  
22 public agency known as the occupational therapy compact commission.

23 (1) The commission is an instrumentality of the compact states.

24 (2) Venue is proper and judicial proceedings by or against the  
25 commission shall be brought solely and exclusively in a court of  
26 competent jurisdiction where the principal office of the commission is  
27 located. The commission may waive venue and jurisdictional defenses to  
28 the extent it adopts or consents to participate in alternative dispute  
29 resolution proceedings.

30 (3) Nothing in this compact shall be construed to be a waiver of  
31 sovereign immunity.

34 selected by that member state's licensing board.

25 (J) matters specifically exempted from disclosure by federal or  
26 member state statute.

27 (3) If a meeting or portion of a meeting is closed pursuant to this

31 or liability caused by the intentional or willful or wanton misconduct of  
32 that person.

33 (2) The commission shall defend any member, officer, executive  
34 director, employee or representative of the commission in any civil action  
35 seeking to impose liability arising out of any actual or alleged act, error or  
36 omission that occurred within the scope of commission employment,  
37 duties or responsibilities or that the person against whom the claim is  
38 made had a reasonable basis for believing occurred within the scope of  
39 commission employment, duties or responsibilities, except that nothing

43 misconduct.

1 (3) The commission shall indemnify and hold harmless any member,

15 (b) A member state shall submit a uniform data set to the data system  
16 on all individuals to whom this compact is applicable, utilizing a unique

26 compact, as determined by the rules of the commission; and

27 (7) current significant investigative information.

28 (c) Current significant investigative information and other  
29 investigative information pertaining to a licensee in any member state shall  
30 only be available to other member states.

31 (d) The commission shall promptly notify all member states of any  
32 adverse action taken against a licensee or an individual applying for a  
33 license. Adverse action information pertaining to a licensee in any member  
34 state shall be available to any other member state.

36 designate information that shall not be shared with the public without the  
37 express permission of the contributing state.

38 (f) Any information submitted to the data system that is subsequently  
39 required to be expunged by the laws of the member state contributing the  
40 information shall be removed from the data system.

#### 41 ARTICLE 10 – RULEMAKING

42 (a) The commission shall exercise its rulemaking powers pursuant to  
43 the criteria set forth in this article and the rules adopted thereunder. Rules

1 and amendments shall become binding as of the date specified in each rule  
2 or amendment.

3 (b) The commission shall promulgate reasonable rules in order to  
4 effectively and efficiently achieve the purposes of the compact.  
5 Notwithstanding the foregoing, in the event that the commission exercises  
6 its rulemaking authority in a manner that is beyond the scope of the  
7 purposes of the compact, or the powers granted hereunder, then such an  
8 action by the commission shall be invalid and have no force and effect.

9 (c) If a majority of the legislatures of the member states rejects a rule,  
10 by enactment of a statute or resolution in the same manner used to adopt  
11 the compact within 4 years of the date of adoption of the rule, then such  
12 rule shall have no further force and effect in any member state.

13 (d) Rules or amendments to the rules shall be adopted at a regular or  
14 special meeting of the commission.

15 (e) Prior to promulgation and adoption of a final rule or rules by the  
16 commission and at least 30 days in advance of the meeting where the rule  
17 will be considered and voted upon, the commission shall file a notice of  
18 proposed rulemaking on the websites of:

19 (1) The commission or other publicly accessible platform; and  
20 (2) each member state's occupational therapy licensing board or other  
21 publicly accessible platform or the publication where each state would  
22 otherwise publish proposed rules.

23 (f) The notice of proposed rulemaking shall include:

24 (1) The proposed time, date and location of the meeting where the  
25 rule will be considered and voted upon;

26 (2) the text of the proposed rule or amendment and the reason for the  
27 proposed rule;

28 (3) a request for comments on the proposed rule from any interested  
29 person; and

30 (4) the manner that interested persons may submit notice to the  
31 commission of their intention to attend the public hearing and any written  
32 comments.

33 (g) Prior to adoption of a proposed rule, the commission shall allow  
34 persons to submit written data, facts, opinions and arguments, which shall  
35 be made available to the public.

36 (h) The commission shall grant an opportunity for a public hearing  
37 before it adopts a rule or amendment if a hearing is requested by:

38 (1) At least 25 persons;

39 (2) a state or federal governmental subdivision or agency; or

40 (3) an association or organization having at least 25 members.

41 (i) If a hearing is held on the proposed rule or amendment, the  
42 commission shall publish the place, time and date of the scheduled public  
43 hearing. If the hearing is held via electronic means, the commission shall

1 publish the mechanism for access to the electronic hearing.

2 (1) All persons wishing to be heard at the hearing shall notify in  
3 writing the executive director of the commission or other designated  
4 member of their desire to appear and testify at the hearing within not less  
5 than five business days before the scheduled date of the hearing.

6 (2) Hearings shall be conducted in a manner providing each person  
7 who wishes to comment a fair and reasonable opportunity to comment  
8 orally or in writing.

9 (3) All hearings shall be recorded. A copy of the recording shall be  
10 made available on request.

11 (4) Nothing in this section shall be construed as requiring a separate  
12 hearing on each rule. Rules may be grouped for the convenience of the  
13 commission at hearings required by this article.

14 (j) Following the scheduled hearing date, or by the close of business  
15 on the scheduled hearing date if the hearing was not held, the commission  
16 shall consider all written and oral comments received.

17 (k) If no written notice of intent to attend the public hearing by  
18 interested parties is received, the commission may proceed with  
19 promulgation of the proposed rule without a public hearing.

20 (l) The commission shall, by majority vote of all members, take final  
21 action on the proposed rule and determine the effective date of the rule, if  
22 any, based on the rulemaking record and the full text of the rule.

23 (m) Upon determination that an emergency exists, the commission  
24 may consider and adopt an emergency rule without prior notice,  
25 opportunity for comment or hearing, except that the usual rulemaking  
26 procedures provided in the compact and in this section shall be  
27 retroactively applied to the rule as soon as reasonably possible but in no  
28 event later than 90 days after the effective date of the rule. For the  
29 purposes of this provision, an emergency rule is one that shall be adopted  
30 immediately in order to:

31 (1) Meet an imminent threat to public health, safety or welfare;

32 (2) prevent a loss of commission or member state funds;

33 (3) meet a deadline for the promulgation of an administrative rule that  
34 is established by federal law or rule; or

35 (4) protect public health and safety.

36 (n) The commission or an authorized committee of the commission  
37 may direct revisions to a previously adopted rule or amendment for  
38 purposes of correcting typographical, formatting, consistency or  
39 grammatical errors. Public notice of any revisions shall be posted on the  
40 website of the commission. The revision shall be subject to challenge by  
41 any person for a period of 30 days after posting. The revision may be  
42 challenged only on grounds that the revision results in a material change to  
43 a rule. A challenge shall be made in writing and delivered to the chair of

1 the commission prior to the end of the notice period. If no challenge is  
2 made, the revision shall take effect without further action. If the revision is  
3 challenged, the revision shall not take effect without the approval of the  
4 commission.

5 ARTICLE 11 – OVERSIGHT, DISPUTE  
6 RESOLUTION AND ENFORCEMENT

7 (a) Oversight:

8 (1) The executive, legislative and judicial branches of state  
9 government in each member state shall enforce this compact and take all  
10 actions necessary and appropriate to effectuate the compact's purposes and  
11 intent. The provisions of this compact and the rules promulgated hereunder  
12 shall have standing as statutory law.

13 (2) All courts shall take judicial notice of the compact and the rules in  
14 any judicial or administrative proceeding in a member state pertaining to  
15 the subject matter of this compact that may affect the powers,  
16 responsibilities or actions of the commission.

17 (3) The commission shall be entitled to receive service of process in  
18 any such proceeding and shall have standing to intervene in such a  
19 proceeding for all purposes. Failure to provide service of process to the  
20 commission shall render a judgment or order void as to the commission,  
21 this compact or promulgated rules.

22 (b) Default, technical assistance and termination:

23 (1) If the commission determines that a member state has defaulted in  
24 the performance of its obligations or responsibilities under this compact or  
25 the promulgated rules, the commission shall:

26 (A) Provide written notice to the defaulting state and other member  
27 states of the nature of the default, the proposed means of curing the default  
28 or any other action to be taken by the commission; and

29 (B) provide remedial training and specific technical assistance  
30 regarding the default.

31 (2) If a state in default fails to cure the default, the defaulting state  
32 may be terminated from the compact upon an affirmative vote of a  
33 majority of the member states, and all rights, privileges and benefits  
34 conferred by this compact may be terminated on the effective date of  
35 termination. A cure of the default does not relieve the offending state of  
36 obligations or liabilities incurred during the period of default.

37 (3) Termination of membership in the compact shall be imposed only  
38 after all other means of securing compliance have been exhausted. Notice  
39 of intent to suspend or terminate shall be given by the commission to the  
40 governor, the majority and minority leaders of the defaulting state's  
41 legislature and each of the member states.

42 (4) A state that has been terminated is responsible for all assessments,  
43 obligations and liabilities incurred through the effective date of

1 termination, including obligations that extend beyond the effective date of  
2 termination.

3 (5) The commission shall not bear any costs related to a state that is  
4 found to be in default or that has been terminated from the compact, unless  
5 agreed upon in writing between the commission and the defaulting state.

6 (6) The defaulting state may appeal the action of the commission by  
7 petitioning the United States District Court for the District of Columbia or  
8 the federal district where the commission has its principal offices. The  
9 prevailing member shall be awarded all costs of such litigation, including  
10 reasonable attorney fees.

11 (c) Dispute resolution:

12 (1) Upon request by a member state, the commission shall attempt to  
13 resolve disputes related to the compact that arise among member states and  
14 between member and nonmember states.

15 (2) The commission shall promulgate a rule providing for both  
16 mediation and binding dispute resolution for disputes as appropriate.

17 (d) Enforcement:

18 (1) The commission, in the reasonable exercise of its discretion, shall  
19 enforce the provisions and rules of this compact.

20 (2) By majority vote, the commission may initiate legal action in the  
21 United States District Court for the District of Columbia or the federal  
22 district where the commission has its principal offices against a member  
23 state in default to enforce compliance with the provisions of the compact  
24 and its promulgated rules and bylaws. The relief sought may include both  
25 injunctive relief and damages. In the event that judicial enforcement is  
26 necessary, the prevailing member shall be awarded all costs of such  
27 litigation, including reasonable attorney fees.

28 (3) The remedies herein shall not be the exclusive remedies of the  
29 commission. The commission may pursue any other remedies available  
30 under federal or state law.

31 ARTICLE 12 – DATE OF IMPLEMENTATION OF THE INTERSTATE  
32 COMMISSION FOR OCCUPATIONAL THERAPY PRACTICE AND  
33 ASSOCIATED RULES, WITHDRAWAL AND AMENDMENT

35 statute is enacted into law in the 10<sup>th</sup> member state. The provisions, which  
36 become effective at that time, shall be limited to the powers granted to the  
37 commission relating to assembly and the promulgation of rules. Thereafter,  
38 the commission shall meet and exercise rulemaking powers necessary to  
39 the implementation and administration of the compact.

40 (b) Any state that joins the compact after the commission's initial  
41 adoption of the rules shall be subject to the rules as they exist on the date  
42 on that the compact becomes law in that state. Any rule that has been  
43 previously adopted by the commission shall have the full force and effect

1 of law on the day the compact becomes law in that state.

2 (c) Any member state may withdraw from this compact by enacting a  
3 statute repealing the same.

4 (1) A member state's withdrawal shall not take effect until six months  
5 after enactment of the repealing statute.

6 (2) Withdrawal shall not affect the continuing requirement of the  
7 withdrawing state's occupational therapy licensing board to comply with  
8 the investigative and adverse action reporting requirements of this act prior  
9 to the effective date of withdrawal.

10 (d) Nothing contained in this compact shall be construed to invalidate  
11 or prevent any occupational therapy licensure agreement or other  
12 cooperative arrangement between a member state and a nonmember state  
13 that does not conflict with the provisions of this compact.

14 (e) This compact may be amended by the member states. No  
15 amendment to this compact shall become effective and binding upon any  
16 member state until it is enacted into the laws of all member states.

#### 17 ARTICLE 13 – CONSTRUCTION AND SEVERABILITY

18 This compact shall be liberally construed so as to effectuate the  
19 purposes thereof. The provisions of this compact shall be severable and if  
20 any phrase, clause, sentence or provision of this compact is declared to be  
21 contrary to the constitution of any member state or of the United States or  
22 the applicability thereof to any government, agency, person or  
23 circumstance is held invalid, the validity of the remainder of this compact  
24 and the applicability thereof to any government, agency, person or  
25 circumstance shall not be affected thereby. If this compact shall be held  
26 contrary to the constitution of any member state, the compact shall remain  
27 in full force and effect as to the remaining member states and in full force  
28 and effect as to the member state affected as to all severable matters.

#### 29 ARTICLE 14 – BINDING EFFECT OF COMPACT AND OTHER LAWS

30 (a) A licensee providing occupational therapy in a remote state under  
31 the compact privilege shall function within the laws and regulations of the  
32 remote state.

33 (b) Nothing herein shall prevent the enforcement of any other law of  
34 a member state that is not inconsistent with the compact.

35 (c) Any laws in a member state in conflict with the compact shall be  
36 superseded to the extent of the conflict.

37 (d) Any lawful actions of the commission, including all rules and

41 shall be binding in accordance with their terms.

42 (f) In the event that any provision of the compact exceeds the  
43 constitutional limits imposed on the legislature of any member state, the

2 constitutional provision in question in that member state.

3 Sec. 2. This act shall take effect and be in force from and after its  
4 publication in the ~~statute book~~ ***Kansas register***.
