SENATE BILL No. 154

By Committee on Education

2-3

AN ACT concerning education; relating to school districts; requiring boards of education of school districts to adopt policies and procedures to prohibit students from using privately owned electronic communication devices during school hours; authorizing such uses under limited circumstances; requiring school districts to adopt policies and procedures to prohibit students from using school district computers or devices to access social media platforms.

1 2

Be it enacted by the Legislature of the State of Kansas:

- Section 1. (a) Each board of education of a school district shall adopt policies and procedures to govern the use of privately owned electronic communication devices. Such policies and procedures shall:
- (1) Prohibit students from using any privately owned electronic communication device at school during the normal hours of the school day, including during passing periods and in the classroom;
- (2) set forth disciplinary actions and consequences that may occur if a student violates such policies and procedures; and
- (3) authorize a student to use a privately owned electronic communication device during the normal hours of a school day only if the use is:
- (A) Required for the implementation of a student's individualized education program or 504 plan;
- (B) authorized by a teacher or administrator for educational purposes, except that such use shall not be authorized as part of a classroom reward or free time; or
- (C) pre-approved on an individual student basis by a teacher or administrator due to health concerns, emergency concerns or other special circumstances
- (b) Each school district board of education shall adopt policies and procedures to prohibit students from using school computers and devices to access any social media platform.
 - (c) As used in this section:
- (1) "Privately owned electronic communication device" means any wireless electronic communication device that:
- (A) Provides for voice, text or video communication between two or more parties, including, but not limited to, a mobile or cellular phone,
