

## SENATE BILL No. 263

By Committee on Federal and State Affairs

2-11

---

1 AN ACT concerning schools; relating to crisis drills; establishing  
2 standards and requirements for active shooter drills conducted by  
3 public and accredited nonpublic elementary and secondary schools;  
4 amending K.S.A. 31-133 and repealing the existing section.  
5

6 *Be it enacted by the Legislature of the State of Kansas:*

7 New Section 1. (a) Sections 1 through 5, and amendments thereto,  
8 shall be known and may be cited as the students safe at school act.

9 (b) As used in the students safe at school act:

10 (1) "Active shooter drill" means an emergency preparedness drill  
11 designed to inform and instruct students, teachers, school personnel and  
12 other school staff on how to respond in the event that an armed intruder is  
13 on the school campus or an armed assailant is in the immediate vicinity of  
14 the school. "Active shooter drill" includes practice active shooter drills.  
15 "Active shooter drill" does not include any sensory components, activities  
16 or elements that mimic a real-life shooting. "Active shooter drill" is not an  
17 active shooter simulation.

18 (2) "Active shooter simulation" means an emergency exercise,  
19 including full-scale or functional exercises, designed to inform and instruct  
20 adult teachers, school personnel and other school staff on how to respond  
21 in the event of an armed intruder on the school campus or an armed  
22 assailant in the immediate vicinity of the school. "Active shooter  
23 simulation" includes activities or elements mimicking a real-life shooting,  
24 including, but not limited to, simulation of tactical response by law  
25 enforcement. "Active shooter simulation" does not include active shooter  
26 drills.

27 (3) "Department" means the state department of education.

28 (4) "Evidenced-based" means a program or practice that  
29 demonstrates:

30 (A) A statistically significant effect on relevant outcomes based on:

31 (i) Strong evidence from not fewer than one well-designed and well-  
32 implemented experimental study;

33 (ii) moderate evidence from not fewer than one well-designed and  
34 well-implemented quasi-experimental study; or

35 (iii) promising evidence from not fewer than one well-designed and  
36 well-implemented correlational study with statistical controls for selective

1 bias; or

2 (B) a rationale based on high-quality research findings or positive  
3 evaluations that the program or practice is likely to improve relevant  
4 outcomes and includes ongoing efforts to examine the effects of the  
5 program or practice.

6 (5) "Parent" and "person acting as parent" mean the same as defined  
7 in K.S.A. 72-3127, and amendments thereto.

8 (6) "School" means any elementary or secondary public school  
9 maintained and operated by a school district and any accredited nonpublic  
10 school that provides any of the grades kindergarten through 12.

11 (7) "Vendor" includes not-for-profit entities, for-profit entities and  
12 public agencies.

13 New Sec. 2. (a) (1) Each active shooter drill undertaken at a school  
14 shall meet the following standards:

15 (A) Accessible;

16 (B) developmentally appropriate and age appropriate, including  
17 appropriate safety vocabulary and verbiage;

18 (C) culturally aware;

19 (D) trauma-informed; and

20 (E) inclusive of accommodations for students with mobility  
21 restrictions, sensory needs, developmental or physical disabilities, mental  
22 health needs and auditory or visual limitations.

23 (2) No student shall be required to participate in an active shooter  
24 drill if such drill does not meet the standards set forth in paragraph (1).

25 (b) An active shooter drill shall not be conducted consecutively or  
26 concurrently with another crisis or emergency preparedness drill.

27 (c) (1) The school shall notify each parent or person acting as parent  
28 at least 24 hours prior to an active shooter drill. The notice shall provide  
29 that a parent may opt a student out of participation in such drill. Any  
30 student who is opted out shall have the opportunity to participate in  
31 alternative safety education and shall not receive any negative or punitive  
32 treatment for not participating in such drill.

33 (2) If notice cannot be provided at least 24 hours prior to an active  
34 shooter drill, notice shall be provided within 24 hours of the conclusion of  
35 the active shooter drill.

36 (3) The department shall establish criteria for alternative safety  
37 education for students who do not participate in active shooter drills. Such  
38 criteria shall include essential safety instruction and training that is  
39 appropriate for students with mobility restrictions, sensory needs,  
40 developmental or physical disabilities, mental health needs and auditory or  
41 visual limitations.

42 (d) Active shooter drill protocols shall include a reasonable amount of  
43 time immediately following the drill for teachers to debrief with students.

1 The debriefing shall be provided to students before regular classroom  
2 activity resumes. Students who participate in an active shooter drill shall  
3 have access to on site mental health services, including, but not limited to,  
4 access to school counselors, psychologists or social workers.

5 (e) Active shooter drills shall be announced as a practice prior to the  
6 commencement of the practice active shooter drill in a manner that is  
7 concise and age appropriate and informs students that there is no  
8 immediate danger to life and safety.

9 (f) Once per year, each board of education or governing body of a  
10 nonpublic school shall review the:

11 (1) Efficacy and effect of active shooter drills and practice active  
12 shooter drills; and

13 (2) impact of active shooter drills on the safety and mental health of  
14 students, teachers and other school personnel and staff.

15 (g) The department shall publish on its website a list of vendors who  
16 teach school personnel and staff, including school safety officers, on how  
17 to conduct active shooter drills. Such list shall include the name and  
18 website of the vendor. The department shall update such list at least once  
19 every two years.

20 (h) The department shall partner with the department of health and  
21 environment to create guidelines for measuring the effectiveness of active  
22 shooter drills. Such guidelines shall be provided to every school that  
23 conducts an active shooter drill and made available to the public for  
24 review.

25 New Sec. 3. (a) No student shall be required to participate in an  
26 active shooter simulation. No active shooter simulation shall occur during  
27 regular school hours while students are present or expected to be present at  
28 the school.

29 (b) Parents of students in grades nine through 12 may opt their  
30 student into participation in active shooter simulations by providing  
31 written notice to the school on a form and in a manner determined by the  
32 school. Any such notice shall, at a minimum, clearly state that the student  
33 has parental permission to participate in active shooter simulations.

34 New Sec. 4. (a) Every school shall provide students in grades six  
35 through 12 at least one hour or one standard class period of evidence-  
36 based violence prevention training annually. Such training shall teach  
37 students:

38 (1) How to identify observable warning signs and signals of an  
39 individual who may be at risk of harming themselves or others;

40 (2) the importance of taking threats seriously and seeking help; and

41 (3) the steps students can take to report dangerous, violent,  
42 threatening, harmful or potentially harmful activity.

43 (b) On or before October 1, 2026, the department shall develop and

1 publish on its website a list of evidence-based training options schools  
2 may use to fulfill the requirements of this section. Such list shall include  
3 any available no-cost programming. The department shall update such list  
4 at least once every two years.

5 (c) Schools may use any evidence-based violence prevention training  
6 regardless of whether such training is not on the list developed pursuant to  
7 subsection (b) if such training otherwise meets the requirements of this  
8 section.

9 New Sec. 5. Each board of education and governing body of a  
10 nonpublic school shall ensure that students have the opportunity to  
11 contribute to such students' school's safety and violence-prevention  
12 planning. Such opportunities shall incorporate the recommendations of the  
13 federal emergency management agency's multi-hazard planning for  
14 schools, including providing:

15 (a) Student opportunities for prevention safety leadership roles;

16 (b) encouragement and support to students in establishing clubs and  
17 programs focused on safety; and

18 (c) the opportunity for students to learn about and seek help from  
19 adults regarding prevention for bullying, sexual harassment, sexual assault  
20 and suicide.

21 Sec. 6. K.S.A. 31-133 is hereby amended to read as follows: 31-133.

22 (a) The state fire marshal shall adopt reasonable rules and regulations,  
23 consistent with the provisions of this act, for the safeguarding of life and  
24 property from fire, explosion and hazardous materials. Such rules and  
25 regulations shall include, but not be limited to, the following:

26 (1) The keeping, storage, use, sale, handling, transportation or other  
27 disposition of highly flammable materials, including crude petroleum or  
28 any of its products, natural gas for use in motor vehicles, and of  
29 explosives, including gunpowder, dynamite, fireworks and firecrackers.  
30 Any such rules and regulations may prescribe the materials and  
31 construction of receptacles and buildings to be used for any of such  
32 purposes;

33 (2) the transportation of liquid fuel over public highways in order to  
34 provide for the public safety in connection therewith;

35 (3) the construction, maintenance and regulation of exits and fire  
36 escapes from buildings and all other places in which people work, live or  
37 congregate from time to time for any purpose, including apartment houses,  
38 as defined by K.S.A. 31-132a, and amendments thereto. Such rules and  
39 regulations shall not apply to buildings used wholly as dwelling houses  
40 containing no more than two families;

41 (4) the installation and maintenance of equipment intended for fire  
42 control, detection and extinguishment in all buildings and other places in  
43 which persons work, live or congregate from time to time for any purpose,

1 including apartment houses as defined by K.S.A. 31-132a, and  
2 amendments thereto. Such rules and regulations shall not apply to  
3 buildings used wholly as dwelling houses containing no more than two  
4 families;

5 (5) requiring administrators of public and private schools and  
6 educational institutions, except community colleges, colleges and  
7 universities, to conduct at least four fire drills each school year at some  
8 time during school hours, aside from the regular dismissal at the close of  
9 the day's session, and prescribing the manner in which such fire drills are  
10 to be conducted;

11 (6) procedures for the reporting of fires and explosions occurring  
12 within the state and for the investigation thereof;

13 (7) procedures for reporting by healthcare providers of treatment of  
14 second and third degree burn wounds involving 20% or more of the  
15 victim's body and requiring hospitalization of the victim, ~~which~~. *Such*  
16 reporting is hereby authorized notwithstanding any provision of K.S.A.  
17 60-427, and amendments thereto, to the contrary;

18 (8) requiring administrators of public and private schools and  
19 educational institutions, except community colleges, colleges and  
20 universities, to establish tornado procedures. Such procedures shall:

21 (A) Provide for at least two tornado drills to be conducted each  
22 school year, of which one shall be conducted in September and one shall  
23 be conducted in March, at some time during school hours, aside from the  
24 regular dismissal at the close of the day's session;

25 (B) describe the manner in which such tornado drills are to be  
26 conducted; and

27 (C) shall be subject to approval by the state fire marshal;

28 (9) requiring administrators of community colleges, colleges and  
29 universities to establish tornado procedures, ~~which~~. *Such* procedures shall  
30 be subject to approval by the director of the disaster agency of the county;

31 (10) the development and implementation of a statewide system of  
32 hazardous materials assessment and response;

33 (11) the use of pyrotechnics, pyrotechnic devices and pyrotechnic  
34 materials;

35 (12) requiring administrators of public and private schools and  
36 educational institutions, except community colleges, colleges and  
37 universities, to conduct at least three crisis drills each school year at some  
38 time during school hours, aside from the regular dismissal at the close of  
39 the day's session. The manner in which such crisis drills are conducted  
40 may be subject to approval by the safe and secure schools unit of the  
41 Kansas department of education; and

42 (13) other safeguards, protective measures or means adapted to  
43 render inherently safe from the hazards of fire or the loss of life by fire any

1 building or other place in which people work, live or congregate from time  
2 to time for any purpose, except buildings used wholly as dwelling houses  
3 containing no more than two families.

4 (b) Any rules and regulations of the state fire marshal adopted  
5 pursuant to this section may incorporate by reference specific editions, or  
6 portions thereof, of nationally recognized fire prevention codes.

7 (c) The rules and regulations adopted pursuant to this section shall  
8 allow facilities in service prior to the effective date of such rules and  
9 regulations, and not in strict conformity therewith, to continue in service,  
10 so long as such facilities are not determined by the state fire marshal to  
11 constitute a distinct hazard to life or property. Any such determination  
12 shall be subject to the appeal provisions contained in K.S.A. 31-140, and  
13 amendments thereto.

14 (d) The state fire marshal may grant an exemption pursuant to K.S.A.  
15 31-136, and amendments thereto, that authorizes a variance for the number  
16 or manner of drills conducted pursuant to subsection (a)(5), (8) or (12) for  
17 students receiving special education or related services.

18 (e) (1) *As used in this section, "crisis drills" includes intruder*  
19 *response drills, lockdown drills and active shooter drills, as defined in*  
20 *section 1, and amendments thereto.*

21 (2) *Any public or private school that conducts an active shooter drill*  
22 *shall conduct such drill in accordance with section 1 et seq., and*  
23 *amendments thereto.*

24 Sec. 7. K.S.A. 31-133 is hereby repealed.

25 Sec. 8. This act shall take effect and be in force from and after its  
26 publication in the statute book.
