7 *Be it enacted by the Legislature of the State of Kansas:*

8 Section 1. K.S.A. 59-30,176 is hereby amended to read as follows:
9 59-30,176. (a) A conservator is a fiduciary and has duties of prudence,
10 loyalty, reasonable care and diligence to the individual subject to
11 conservatorship.

12 (b) A conservator shall promote the self-determination of the
13 individual subject to conservatorship and, to the extent feasible, encourage
14 the individual to participate in decisions, act on the individual's own
15 behalf, and develop or regain the capacity to manage the individual's
16 personal affairs. A conservator shall strive to assure that the personal, civil
17 and human rights of the individual subject to conservatorship are
18 protected.

19 (c) In making a decision for an individual subject to conservatorship,
20 the conservator shall make the decision that the conservator reasonably
21 believes the individual would make if able, unless doing so would fail to
22 preserve the resources needed to maintain the individual's well-being and
23 lifestyle or otherwise unreasonably harm or endanger the welfare or
24 personal or financial interests of the individual. To determine the decision
25 the individual would make if able, the conservator shall consider the
26 individual's prior or current directions, preferences, opinions, values and
27 actions, to the extent actually known or reasonably ascertainable by the
28 conservator.

29 (d) If a conservator cannot make a decision under subsection (c)
30 because the conservator does not know and cannot reasonably determine
31 the decision the individual subject to conservatorship probably would
32 make if able, or the conservator reasonably believes the decision the
33 individual would make would fail to preserve resources needed to
34 maintain the individual's well-being and lifestyle or otherwise

1 unreasonably harm or endanger the welfare or personal or financial
2 interests of the individual, the conservator shall act in accordance with the
3 best interest of the individual. In determining the best interest of the
4 individual, the conservator shall consider:

5 (1) Information received from professionals and persons that
6 demonstrate sufficient interest in the welfare of the individual;

7 (2) other information the conservator believes the individual would
8 have considered if the individual were able to act; and

9 (3) other factors a reasonable person in the circumstances of the
10 individual would consider, including consequences for others.

11 (e) Except when inconsistent with the conservator's duties under
12 subsections (a) through (d), a conservator shall invest and manage the
13 conservatorship estate as a prudent investor would, by considering:

14 (1) The circumstances of the individual subject to conservatorship
15 and the conservatorship estate;

16 (2) general economic conditions;

17 (3) the possible effect of inflation or deflation;

18 (4) the expected tax consequences of an investment decision or
19 strategy;

20 (5) the role of each investment or course of action in relation to the
21 conservatorship estate as a whole;

22 (6) the expected total return from income and appreciation of capital;

23 (7) the need for liquidity, regularity of income and preservation or
24 appreciation of capital; and

25 (8) the special relationship or value, if any, of specific property to the
26 individual subject to conservatorship.

27 (f) The propriety of a conservator's investment and management of
28 the conservatorship estate is determined in light of the facts and
29 circumstances existing when the conservator decides or acts and not by
30 hindsight.

31 (g) A conservator shall make a reasonable effort to verify facts
32 relevant to the investment and management of the conservatorship estate.

33 (h) A conservator that has special skills or expertise, or is named
34 conservator in reliance on the conservator's representation of special skills
35 or expertise, has a duty to use the special skills or expertise in carrying out
36 the conservator's duties.

37 (i) In investing, selecting specific property for distribution, and
38 invoking a power of revocation or withdrawal for the use or benefit of the
39 individual subject to conservatorship, a conservator shall consider any
40 estate plan of the individual known or reasonably ascertainable to the
41 conservator and may examine the will or other donative, nominative or
42 appointive instrument of the individual.

43 (j) A conservator shall maintain insurance on the insurable real and

1 personal property of the individual subject to conservatorship, unless the
2 conservatorship estate lacks sufficient funds to pay for insurance or the
3 court finds:

4 (1) The property lacks sufficient equity; or

5 (2) insuring the property would unreasonably dissipate the
6 conservatorship estate or otherwise not be in the best interest of the
7 individual.

8 (k) A conservator has access to and authority over a digital asset of
9 the individual subject to conservatorship to the extent provided by the
10 revised uniform fiduciary access to digital assets act or court order.

11 (l) A conservator for an adult shall notify the court immediately if the
