11 privacy laws;

12 (4) be interfaced, wherever appropriate, with existing state systems;  
13 and

24 operate the insurance verification system.

25 New Sec. 4. The commissioner may conduct a competitive bid and  
26 contract with a private service provider that has successfully implemented  
27 similar systems in other states to assist in establishing, implementing and  
28 maintaining the insurance verification system.

29 New Sec. 5. The department shall provide funding for the  
30 implementation, ongoing maintenance and enhancement of the insurance  
31 verification system created by this act from the insurance department  
32 regulation service fund, established under K.S.A. 40-112, and amendments  
33 thereto.

34 New Sec. 6. (a) Insurers shall cooperate with the commissioner and

43 that are reasonably outside its control as determined by KDOR.

1 (c) Each property and casualty insurance company that is licensed to  
2 issue motor vehicle liability insurance or is authorized to do business in  
3 Kansas shall provide verification of liability insurance for every motor  
4 vehicle insured in Kansas by such company as required by this act.

5 (d) This act shall not apply to vehicles insured under commercial  
6 motor vehicle coverage, except that insurers of such vehicles may  
7 participate on a voluntary basis.

8 (e) Insurers shall not be required to verify evidence of insurance for

13 services of a third-party vendor to facilitate the insurance verification  
14 program required by this act.

15 New Sec. 7. The commissioner may establish, through rules and  
16 regulations, an alternative method for verifying motor vehicle liability  
17 insurance for insurers that insure 1,000 or fewer vehicles within Kansas.

25 New Sec. 9. The insurance verification system shall be fully  
26 operational not later than July 1, 2026, following an appropriate testing  
27 period of not less than nine months. No enforcement action shall be taken

29 such system has successfully completed the testing period.
