17 examine and determine the amount of eligible production or eligible

28 production company's income tax liability for the taxable year in which the  
29 qualified expenditures are made by the production company. If the amount  
30 of the tax credit allowed exceeds the production company's income tax  
31 liability for the taxable year, the production company may carry over the  
32 amount of the tax credit that exceeds such tax liability for deduction from  
33 the production company's income tax liability in the next succeeding

35 with the agreement executed pursuant to section 3, and amendments  
36 thereto. The tax credit may be transferred as provided by subsection (k).

42 shall not exceed 40% of the total qualified production expenditures or  
43 qualified postproduction expenditures made by the production company

1 for that certified project during that taxable year.

2 (i) For purposes of determining the payment of credit claims pursuant  
3 to this section, the secretary of revenue may require that credit claims of  
4 affiliates be combined into one claim if necessary to accurately reflect  
5 closely integrated activities of affiliates.

17 such form and manner and with all information as may be required by the  
18 secretary of revenue, including, but not limited to, all information  
19 requested regarding the transferee. The transferor shall make the transfer  
20 within the calendar year in which the transferor's claim is made to the  
21 secretary of revenue. The credit shall only be transferred once. The  
22 transferor may transfer the credit to any individual or entity subject to  
23 income tax under the Kansas income tax act. The transferred credit shall

26 transferred credit that exceeds the transferee's tax liability for such year  
27 may be carried over for deduction from the transferee's income tax liability  
28 in the next succeeding taxable year or years until the total amount of the  
29 tax credit has been deducted from the transferee's tax liability, except that
