

SESSION OF 2025

**SUPPLEMENTAL NOTE ON SENATE SUBSTITUTE FOR
HOUSE BILL NO. 2172**

As Recommended by Senate Committee on
Agriculture and Natural Resources

Brief*

Senate Sub. for HB 2172, as amended, would create a 13-member Water Program Task Force (Task Force) and a 5-member Water Planning Work Group (Work Group) to study and make recommendations to the Legislature on water policy and funding.

Task Force Membership (13)

The Task Force membership would include:

- The chairperson of the House Committee on Water or designee (1);
- The chairperson of the House Committee on Agriculture and Natural Resources or designee (1);
- The chairperson of the Senate Committee on Agriculture and Natural Resources or designee (1);
- The ranking minority member of the House Committee on Water or designee (1);
- The ranking minority member of the Senate Committee on Agriculture and Natural Resources or designee (1);

*Supplemental notes are prepared by the Legislative Research Department and do not express legislative intent. The supplemental note and fiscal note for this bill may be accessed on the Internet at <https://klrd.gov/>

- One member of the House of Representatives appointed by the Speaker of the House of Representatives (Speaker of the House) who does not sit on the House Committee on Water or House Committee on Agriculture and Natural Resources (1);
- One member of the Senate appointed by the President of the Senate (President) who does not sit on the Senate Committee on Agriculture and Natural Resources (1); and
- Six members jointly appointed by the Speaker and President (6).

Task Force Requirements

Stakeholder Representation

The bill would require each non-legislative member of the Task Force to represent at least one of the following stakeholders:

- Kansas employer with a vested water right;
- Commercial user of a municipal or industrial water right;
- Agricultural producer;
- Economic development organization;
- Water utility;
- Resident Kansas Indian tribe, Potawatomi, Kickapoo, Iowa, or Sac and Fox;
- Rural water district;
- Local conservation district;
- Organization that focuses on environmental or wildlife protection or conservation;
- Local water management district;
- Kansas agricultural banking or appraisal industry;

- Student at a state educational institution engaged in a course of study related to water;
- Kansas municipality;
- Provider of natural resources education;
- Kansas agricultural commodity associations;
- Kansas Water Authority or regional advisory committee;
- Kansas livestock industry; or
- Kansas grain and feed industry.

Membership Requirements

The bill would require each Task Force member to be a Kansas resident, the Task Force to consist of at least one member from each of the five conservation regions of the state, and no more than two members of the Task Force could represent the same stakeholder listed above.

The bill would require the Speaker of the House and President to ensure these requirements are met.

Appointments; Vacancies

The bill would require members of the Task Force to be appointed by April 30, 2025. Any vacancy in membership of the Task Force would be filled in the same manner as provided for in the original appointment.

Co-chairpersons

The bill would require the Speaker of the House to select one member of the House of Representatives who is a member of the Task Force, and require the President to select one member of the Senate who is a member of the Task Force. Each selected person would serve as co-chairperson of the Task Force.

Task Force Meetings; Actions

The bill would authorize the Task Force to meet at any time and any place within the state upon call of either co-chairperson.

The bill would define a quorum of the Task Force to be the majority of voting members, and all actions of the Task Force could be taken by a majority of members present when there is a quorum.

Payment

The bill would authorize Task Force members to be paid amounts for expenses, mileage, and subsistence as provided in state law, if approved by the Legislative Coordinating Council.

Staffing

The bill would require the Division of Legislative Administrative Services, Kansas Legislative Research Department, and the Office of Revisor of Statutes to provide assistance as requested by the Task Force.

Task Force Charge

The bill would require the Task Force to:

- Evaluate major risks to the quality and quantity of the state's water supply, including any impact on current and future economic growth and population stability;
- Determine steps the state must take to define and achieve a future supply of water for Kansans; and

- Evaluate current funding for water in the state and determine whether such funding is sufficient to address the water issues included in the State Water Plan, including the state's current and future water infrastructure needs.

Report to the Legislature

The bill would require the Task Force to prepare and submit a report to the Legislature and the Governor on or before January 31, 2026. The report would be required to include:

- The water program's long-term structure to address the state's current and future water needs, including, but not limited to:
 - The roles and responsibilities of the state, municipalities, and regional entities;
 - How the program's investments and successes should be evaluated, including gathering any stakeholder input; and
 - Criteria to determine program investments, including geographic diversity of such investments; and
- Funding for the water program, including, but not limited to:
 - New dedicated moneys or investments for the State Water Plan Fund;
 - Changes to any existing fees or moneys dedicated to the State Water Plan Fund; and
 - Any additional funding sources or tools necessary to ensure that the financial resources are adequate to address the state's water issues.

Water Planning Work Group

Membership

The bill would require on or before June 30, 2025, the co-chairs of the Task Force to jointly appoint five individuals to the Work Group. The individuals could be members of the Task Force, but would not be required to be members of the Task Force. The bill would require the individuals to be attorneys, engineers, hydrologists, natural resource planners, or others with relevant experience with Kansas water issues.

Meetings; Purpose

The bill would require the Work Group to meet regularly as necessary to conduct a study of the State Water Resources Planning Act and develop draft legislation that proposes modernization of the Act.

Work Group Charge

The bill would charge the Work Group to work jointly with the Task Force and consider recommendations made by the Task Force relating to:

- How the State Water Plan is created;
- What the State Water Plan should prioritize;
- How the State Water Plan is implemented;
- How recommendations for State Water Plan appropriations are made to the Legislature;
- Any future studies that might be undertaken; and
- Any other related or relevant matters.

Payment

The bill would authorize payment for members of the Work Group for expenses, mileage, and subsistence as provide in law if approved by the Legislative Coordinating Council.

Staffing

The bill would require the Office of Revisor of Statutes, Legislative Research Department, and Division of Legislative Services to provide assistance as requested by the Work Group.

State Agencies

The bill would require any state agency or entity that is involved in the management or study of water in Kansas to provide information and support to the Work Group upon request.

Report to the Legislature

The bill would require the Work Group to present a report on the first day of the 2026 Legislative Session to the House Committee on Agriculture and Natural Resources, House Committee on Water, and Senate Committee on Agriculture and Natural Resources.

Task Force and Work Group Sunset

The provisions of the bill would sunset on July 1, 2027.

Effective Date

The bill would be in effect upon publication in the *Kansas Register*.

Background

The bill was introduced by the House Committee on Agriculture and Natural Resources at the request of Representative Rahjes.

House Committee on Agriculture and Natural Resources

In the House Committee hearing, **proponent** testimony was provided by former legislator Carolyn McGinn, on behalf of herself and former legislator Rich Proehl; a former Secretary of Transportation; and representatives of the Kansas Livestock Association; Kansas Municipal Utilities; Kansas Rural Water Association; League of Kansas Municipalities; and The Water Assurance Districts of Kansas. The proponents generally discussed the importance of water policy, stakeholder input, and funding for water projects moving forward.

Written-only proponent testimony was provided by representatives of Kansans for Conservation; Kansas Agribusiness Retailers Association and Kansas Grain and Feed Association; Kansas Association of Counties; Kansas Chamber; Kansas Cooperative Council; Kansas Farm Bureau; Kansas Society of Professional Engineers; and WaterOne.

The House Committee amended the bill to:

- Reduce the number of members of the Task Force from 29 to 23;
- Replace the Kansans for Conservation with the Kansas Association of Conservation Districts;
- Replace “state conservation district” with “local conservation district”; and

- Clarify that the Task Force shall consist of at least one member from each of the five conservation regions of the state.

House Committee of the Whole

The House Committee of the Whole adopted a technical amendment to address a spelling error in the bill.

Senate Committee on Agriculture and Natural Resources

In the Senate Committee hearing, **proponent** testimony was provided by former legislator Rich Proehl, on behalf of himself and former legislator Carolyn McGinn, and representatives of the Barry Flinchbaugh Center for Ag and Food Policy, Kansas Municipal Utilities, League of Kansas Municipalities, and Water Assurance Districts of Kansas. The proponents generally stated that water is critical to the future of Kansas, and more work should be done to ensure the state is investing resources in vetted and effective programs that will lead to long-term water security.

Written-only proponent testimony was provided by a former Kansas Secretary of Transportation and representatives of Kansas Association of Conservation Districts, Kansas Association of Counties, Kansas Chamber, Kansas Cooperative Council, Kansas Farm Bureau, Kansas Livestock Association, Kansas Rural Water Association, and WaterOne.

No other testimony was provided.

The Senate Committee amended the bill to:

- Reduce the number of members of the Task Force from 23 to 13;

- Allow for chairpersons and ranking minority members of certain legislative committees to appoint a designee for the Task Force;
- Authorize the Speaker of the House to appoint one member of the House of Representatives who does not serve on the House Committee on Agriculture and Natural Resources or House Committee on Water to the Task Force;
- Authorize the President to appoint one member of the Senate who does not serve on the Senate Committee on Agriculture and Natural Resources to the Task Force;
- Authorize the Speaker of the House and President to jointly appoint six members to the Task Force; and
- Establish the Water Planning Work Group, including membership, meetings, purpose, recommendations, staffing, and reporting requirements to the 2026 Legislature.

The Senate Committee recommended a substitute bill.

Fiscal Information

An updated fiscal note on the substitute bill was not immediately available.
