(a) A correction order may be issued by the secretary or the secretary's designee to a licensee whenever the state fire marshal or the marshal's representative or a duly authorized representative of the secretary inspects or investigates a center, facility, hospital or provider and determines that the center, facility, hospital or provider is not in compliance with the provisions of this act or article 59 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto, or rules and regulations ~~promulgated thereunder~~ adopted by the secretary pursuant to such authority and such non-compliance is likely to adversely affect the health, safety, nutrition or sanitation of the individuals or the public. The correction order shall be served upon the licensee either personally or by certified mail, return receipt requested. The correction order shall be in writing, shall state the specific deficiency, cite the specific statutory provision or rule and regulation alleged to have been violated and shall specify the time allowed for correction.

(b) If upon re-inspection by the state fire marshal or the marshal's representative or a duly authorized representative of the secretary, it is found that the licensee has not corrected the deficiency or deficiencies specified in the correction order, the secretary may assess a civil penalty in an amount not to exceed \$500 per day, per deficiency, against the licensee for each subsequent ~~subsequent to the day~~ day following the time allowed for correction of the deficiency as specified in the correction order, the maximum assessment shall not exceed \$2,500. (d) All civil penalties assessed shall be due and payable within 10 days after written notice of assessment is served on the licensee, unless a longer period of time is granted by the secretary. If a civil penalty is not paid within the applicable time period, the secretary may file a certified copy of the notice of assessment with the clerk of the district court in the county where the center, facility, hospital or provider is located. The notice of assessment shall be enforced in the same manner as a judgment of the district court.

(e) Any licensee against whom a civil penalty has been assessed, may appeal such

assessment to the secretary within 10 days after receiving a written notice of assessment by filing a written notice of appeal with the office of administrative hearings specifying why such civil penalty should not be assessed. Such appeal shall not operate to stay the payment of the civil penalty. Upon receipt of the notice of appeal, the office of administrative hearings shall conduct a hearing in accordance with the provisions of the Kansas administrative procedure act. If the initial order issued by the office of administrative hearings finds in favor of the appellant and the secretary affirms the initial order, any civil penalties collected shall be refunded to the appellant licensee. Either party may appeal the final order in accordance with the Kansas judicial review act.

(f) All civil penalties collected pursuant to the provisions of this act shall be deposited with the state treasurer in accordance with K.S.A. 75-4215, and amendments thereto. Upon receipt the state treasurer shall deposit the entire amount in the state general fund.

(6) Nothing in this subsection shall allow the disclosure of reports, records or documents concerning the child and such child's biological parents that were created prior to such child's adoption. Nothing herein is intended to require that an otherwise privileged communication lose its privileged character.

Sec. 7. K.S.A. 2023 Supp. 38-2243 is hereby amended to read as follows: 38-2243.

(a) Upon notice and hearing, the court may issue an order directing who shall have temporary custody and may modify the order during the pendency of the proceedings as will best serve the child's welfare.

(b) A hearing pursuant to this section shall be held within 72 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible, following a child having been taken into protective custody.

(c) Whenever it is determined that a temporary custody hearing is required, the court shall immediately set the time and place for the hearing. Notice of a temporary custody hearing shall be given to all parties and interested parties.

(d) Notice of the temporary custody hearing shall be given at least 24 hours prior to the hearing. The court may continue the hearing to afford the 24 hours prior notice or, with the consent of the party or interested party, proceed with the hearing at the designated time. If an order of temporary custody is entered and the parent or other person having custody of the child has not been notified of the hearing, did not appear or waive appearance and requests a rehearing, the court shall rehear the matter without unnecessary delay.

(e) Oral notice may be used for giving notice of a temporary custody hearing where there is insufficient time to give written notice. Oral notice is completed upon filing a certificate of oral notice.

(f) The court may enter an order of temporary custody after determining there is probable cause to believe that the:

- (1) Child is dangerous to self or to others;
- (2) child is not likely to be available within the jurisdiction of the court for future proceedings;
- (3) health or welfare of the child may be endangered without further care;
- (4) child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by K.S.A. 21-6422, and amendments thereto;
- (5) child is experiencing a ~~mental~~ behavioral health crisis and is in need of treatment; or

(6) child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 21-6419, and amendments thereto.

(g) (1) Whenever the court determines the necessity for an order of temporary custody the court may place the child in the temporary custody of:

(A) A parent or other person having custody of the child and may enter a restraining order pursuant to subsection (h);

(B) a person, other than the parent or other person having custody, who shall not be required to be licensed under article 5 of chapter 65 of the Kansas Statutes Annotated, and amendments thereto;

(G) the secretary, if the child is 15 years of age or younger, or 16 or 17 years of age if the child has no identifiable parental or family resources or shows signs of physical, mental, emotional or sexual abuse.

(2) If the secretary presents the court with a plan to provide services to a child or family which the court finds will assure the safety of the child, the court may only place the child in the temporary custody of the secretary until the court finds the services are in place. The court shall have the authority to require any person or entity agreeing to participate in the plan to perform as set out in the plan. When the child is placed in the temporary custody of the secretary, the secretary shall have the discretionary authority to place the child with a parent or to make other suitable placement for the child. When the child is placed in the temporary custody of the secretary and the child has been subjected to human trafficking or aggravated human trafficking, as defined by K.S.A. 21-5426, and amendments thereto, or commercial sexual exploitation of a child, as defined by K.S.A. 21-6422, and amendments thereto, or the child committed an act which, if committed by an adult, would constitute a violation of K.S.A. 21-6419, and amendments thereto, the secretary shall have the discretionary authority to place the child in a staff secure facility, notwithstanding any other provision of law. When the child is presently alleged, but not yet adjudicated to be a child in need of care solely pursuant to K.S.A. 38-2202(d)(9) or (d)(10), and amendments thereto, the child may be placed in a secure facility, but the total amount of time that the child may be held in such facility under this section and K.S.A. 38-2242, and amendments thereto, shall not exceed 24 hours, excluding Saturdays, Sundays, legal holidays, and days on which the office of the clerk of the court is not accessible. The order of temporary custody shall remain in effect until modified or rescinded by the court or an adjudication order is entered but not exceeding 60 days, unless good cause is shown and stated on the record.

(h) If the court issues an order of temporary custody, the court may also enter an order restraining any alleged perpetrator of physical, sexual, mental or emotional abuse of the child from residing in the child's home; visiting, contacting, harassing or intimidating the child; or attempting to visit, contact, harass or intimidate the child, other family members or witnesses. Such restraining order shall be served by personal service pursuant to K.S.A. 38-2237(a), and amendments thereto, on any alleged perpetrator to whom the order is directed.

(i) (1) The court shall not enter the initial order removing a child from the custody of a parent pursuant to this section unless the court first finds probable cause that:

(A) (i) The child is likely to sustain harm if not immediately removed from the home;

(ii) allowing the child to remain in home is contrary to the welfare of the child; or
(iii) immediate placement of the child is in the best interest of the child; and
(B) reasonable efforts have been made to maintain the family unit and prevent the unnecessary removal of the child from the child's home or that an emergency exists which threatens the safety to the child.

(2) Such findings shall be included in any order entered by the court. If the child is placed in the custody of the secretary, upon making the order the court shall provide the secretary with a written copy.

(j) If the court enters an order of temporary custody that provides for placement of the child with a person other than the parent, the court shall make a child support determination pursuant to K.S.A. 38-2277, and amendments thereto.

(k) For the purposes of this section, "harassing or intimidating" and "harass or intimidate" includes, but is not limited to, utilizing any electronic tracking system or acquiring tracking information to determine the targeted person's location, movement or travel patterns.

Sec. 8. K.S.A. 44-706, as amended by section 12 of 2024 House Bill No. 2760, is hereby amended to read as follows: 44-706. The secretary shall examine whether an individual has separated from employment for each week claimed. The secretary shall apply the provisions of this section to the individual's most recent employment prior to the week claimed. An individual shall be disqualified for benefits:

(a) If the individual left work voluntarily without good cause attributable to the work or the employer, subject to the other provisions of this subsection. For purposes of this subsection, "good cause" is cause of such gravity that would impel a reasonable, not supersensitive, individual exercising ordinary common sense to leave employment. Good cause requires a showing of good faith of the individual leaving work, including the presence of a genuine desire to work. Failure to return to work after expiration of approved personal or medical leave, or both, shall be considered a voluntary resignation. After a temporary job assignment, failure of an individual to affirmatively request an additional assignment on the next succeeding workday, if required by the employment agreement, after completion of a given work assignment, shall constitute leaving work voluntarily. The disqualification shall begin the day following the separation and shall continue until after the individual has become reemployed and has had earnings from insured work of at least three times the individual's weekly benefit amount. An individual shall not be disqualified under this subsection if:

(1) The individual was forced to leave work because of illness or injury upon the advice of a licensed and practicing healthcare provider and, upon learning of the necessity for absence, immediately notified the employer thereof, or the employer consented to the absence, and after recovery from the illness or injury, when recovery was certified by a practicing health care provider, the individual returned to the employer and offered to perform services and the individual's regular work or comparable and suitable work was not available. As used in this paragraph "healthcare provider" means any person licensed by the proper licensing authority of any state to engage in the practice of medicine and surgery, osteopathy, chiropractic, dentistry, optometry, podiatry or psychology;

(2) the individual left temporary work to return to the regular employer;

(3) the individual left work to enter active service in the armed forces of the United States but was rejected or delayed from entry;

(4) The spouse of an individual who is a member of the armed forces of the United States who left work because of the voluntary or involuntary transfer of the individual's spouse from one job to another job that is for the same employer or for a different employer, at a geographic location that makes it unreasonable for the individual to continue work at the individual's job. For the purposes of this provision "member of the armed forces" means a person performing active service in the army, navy, marine corps, air force, space force, coast guard or any component of the military reserves of the United States;

(5) the individual left work because of hazardous working conditions; in determining whether or not working conditions are hazardous for an individual, the degree of risk involved to the individual's health, safety and morals, the individual's physical fitness and prior training and the working conditions of workers engaged in the same or similar work for the same and other employers in the locality shall be considered; as used in this paragraph, "hazardous working conditions" means working conditions that could result in a danger to the physical or mental well-being of the individual; each determination as to whether hazardous working conditions exist shall include, but shall not be limited to, a consideration of: (A) The safety measures used or the lack thereof; and (B) the condition of equipment or lack of proper equipment; no work shall be considered hazardous if the working conditions surrounding the individual's work are the same or substantially the same as the working conditions generally prevailing among individuals performing the same or similar work for other employers engaged in the same or similar type of activity;

(6) the individual left work to enter training approved under section 236(a)(1) of the federal trade act of 1974, provided the work left is not of a substantially equal or higher skill level than the individual's past adversely affected employment, as defined for purposes of the federal trade act of 1974, and wages for such work are not less than 80% of the individual's average weekly wage as determined for the purposes of the federal trade act of 1974;

(7) the individual left work because of unwelcome harassment of the individual by the employer or another employee of which the employing unit had knowledge and that would impel the average worker to give up such worker's employment;

(8) the individual left work to accept better work; each determination as to whether or not the work accepted is better work shall include, but shall not be limited to, consideration of: (A) The rate of pay, the hours of work and the probable permanency of the work left as compared to the work accepted; (B) the cost to the individual of getting to the work left in comparison to the cost of getting to the work accepted; and (C) the distance from the individual's place of residence to the work accepted in comparison to the distance from the individual's residence to the work left;

(9) the individual left work as a result of being instructed or requested by the employer, a supervisor or a fellow employee to perform a service or commit an act in the scope of official job duties that is in violation of an ordinance or statute;

(10) the individual left work because of a substantial violation of the work agreement by the employing unit and, before the individual left, the individual had exhausted all remedies provided in such agreement for the settlement of disputes before terminating. For the purposes of this paragraph, a demotion based on performance does not constitute a violation of the work agreement;

(11) after making reasonable efforts to preserve the work, the individual left work

due to a personal emergency of such nature and compelling urgency that it would be contrary to good conscience to impose a disqualification; or

(12) (A) the individual left work due to circumstances resulting from domestic violence, including:

(i) The individual's reasonable fear of future domestic violence at or en route to or from the individual's place of employment;

(ii) the individual's need to relocate to another geographic area in order to avoid future domestic violence;

(iii) the individual's need to address the physical, psychological and legal impacts of domestic violence;

(iv) the individual's need to leave employment as a condition of receiving services or shelter from an agency that provides support services or shelter to victims of domestic violence; or

(v) the individual's reasonable belief that termination of employment is necessary to avoid other situations that may cause domestic violence and to provide for the future safety of the individual or the individual's family.

(B) An individual may prove the existence of domestic violence by providing one of the following:

(i) A restraining order or other documentation of equitable relief by a court of competent jurisdiction;

(ii) a police record documenting the abuse;

(iii) documentation that the abuser has been convicted of one or more of the offenses enumerated in articles 34 and 35 of chapter 21 of the Kansas Statutes Annotated, prior to their repeal, or articles 54 or 55 of chapter 21 of the Kansas Statutes Annotated, or K.S.A. 21-6104, 21-6325, 21-6326 or 21-6418 through 21-6422, and amendments thereto, where the victim was a family or household member;

(iv) medical documentation of the abuse;

(v) a statement provided by a counselor, social worker, health care provider, clergy, shelter worker, legal advocate, domestic violence or sexual assault advocate or other professional who has assisted the individual in dealing with the effects of abuse on the individual or the individual's family; or

(vi) a sworn statement from the individual attesting to the abuse.

(C) No evidence of domestic violence experienced by an individual, including the individual's statement and corroborating evidence, shall be disclosed by the department of labor unless consent for disclosure is given by the individual.

(b) If the individual has been discharged or suspended for misconduct connected with the individual's work. The disqualification shall begin the day following the separation and shall continue until after the individual becomes reemployed and in cases where the disqualification is due to discharge for misconduct has had earnings from insured work of at least three times the individual's determined weekly benefit amount, except that if an individual is discharged for gross misconduct connected with the individual's work, such individual shall be disqualified for benefits until such individual again becomes employed and has had earnings from insured work of at least eight times such individual's determined weekly benefit amount. In addition, all wage credits attributable to the employment from which the individual was discharged for gross misconduct connected with the individual's work shall be canceled. No such cancellation of wage credits shall affect prior payments made as a result of a prior

separation.

(1) As used in this subsection, "misconduct" means a violation of a duty or obligation reasonably owed the employer as a condition of employment including, but not limited to, a violation of a company rule, including a safety rule, if: (A) The individual knew or should have known about the rule; (B) the rule was lawful and reasonably related to the job; and (C) the rule was fairly and consistently enforced.

(2) (A) Failure of the employee to notify the employer of an absence and an individual's leaving work prior to the end of such individual's assigned work period without permission shall be considered prima facie evidence of a violation of a duty or obligation reasonably owed the employer as a condition of employment.

(B) For the purposes of this subsection, misconduct shall include, but not be limited to, violation of the employer's reasonable attendance expectations if the facts show:

- (i) The individual was absent or tardy without good cause;
- (ii) the individual had knowledge of the employer's attendance expectation; and
- (iii) the employer gave notice to the individual that future absence or tardiness may or will result in discharge.

(C) For the purposes of this subsection, if an employee disputes being absent or tardy without good cause, the employee shall present evidence that a majority of the employee's absences or tardiness were for good cause. If the employee alleges that the employee's repeated absences or tardiness were the result of health related issues, such evidence shall include documentation from a licensed and practicing healthcare provider as defined in subsection (a)(1).

(3) (A) The term "gross misconduct" as used in this subsection shall be construed to mean conduct evincing extreme, willful or wanton misconduct as defined by this subsection. Gross misconduct shall include, but not be limited to: (i) Theft; (ii) fraud; (iii) intentional damage to property; (iv) intentional infliction of personal injury; or (v) any conduct that constitutes a felony.

(B) For the purposes of this subsection, the following shall be conclusive evidence of gross misconduct:

(i) The use of alcoholic liquor, cereal malt beverage or a nonprescribed controlled substance by an individual while working;

weekly benefit amount. In determining whether or not any work is suitable for an individual, the secretary of labor, or a person or persons designated by the secretary, shall consider the degree of risk involved to health, safety and morals, physical fitness and prior training, experience and prior earnings, length of unemployment and prospects for securing local work in the individual's customary occupation or work for which the individual is reasonably fit by training or experience, and the distance of the available work from the individual's residence. Notwithstanding any other provisions of this act, an otherwise eligible individual shall not be disqualified for refusing an offer of suitable employment, or failing to apply for suitable employment when notified by an employment office, or for leaving the individual's most recent work accepted during approved training, including training approved under section 236(a)(1) of the trade act of 1974, if the acceptance of or applying for suitable employment or continuing such work would require the individual to terminate approved training and no work shall be deemed suitable and benefits shall not be denied under this act to any otherwise eligible individual for refusing to accept new work under any of the following conditions:

For the purposes of this subsection, failure or refusal to cross a picket line or refusal for any reason during the continuance of such labor dispute to accept the individual's available and customary work at the factory, establishment or other premises where the individual is or was last employed shall be considered as participation and interest in the labor dispute.

If the individual has made such repayment, the individual shall be disqualified for a period of one year for the first occurrence or five years for any subsequent occurrence, beginning with the first day following the date the department of labor confirmed the individual has successfully repaid the full amount of the overpayment. In addition to the penalties set forth in K.S.A. 44-719, and amendments thereto, an individual who has knowingly made a false statement or representation or who has knowingly failed to disclose a material fact to obtain or increase benefits under this act or any other unemployment compensation law administered by the secretary of labor shall be liable for a penalty in the amount equal to 25% of the amount of benefits unlawfully received. Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits. In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to such individual are not payable because of such individual's alien status shall be made except upon a preponderance of the evidence.

(n) For any week in which an individual is receiving a governmental or other pension, retirement or retired pay, annuity or other similar periodic payment under a plan maintained by a base period employer and to which the entire contributions were provided by such employer, except that:

(1) If the entire contributions to such plan were provided by the base period employer but such individual's weekly benefit amount exceeds such governmental or other pension, retirement or retired pay, annuity or other similar periodic payment attributable to such week, the weekly benefit amount payable to the individual shall be reduced, but not below zero, by an amount equal to the amount of such pension, retirement or retired pay, annuity or other similar periodic payment that is attributable to such week; or

(2) if only a portion of contributions to such plan were provided by the base period employer, the weekly benefit amount payable to such individual for such week shall be reduced, but not below zero, by the prorated weekly amount of the pension, retirement or

retired pay, annuity or other similar periodic payment after deduction of that portion of the pension, retirement or retired pay, annuity or other similar periodic payment that is directly attributable to the percentage of the contributions made to the plan by such individual; or

(3) if the entire contributions to the plan were provided by such individual, or by the individual and an employer, or any person or organization, who is not a base period employer, no reduction in the weekly benefit amount payable to the individual for such week shall be made under this subsection; or

(4) whatever portion of contributions to such plan were provided by the base period employer, if the services performed for the employer by such individual during the base period, or remuneration received for the services, did not affect the individual's eligibility for, or increased the amount of, such pension, retirement or retired pay, annuity or other similar periodic payment, no reduction in the weekly benefit amount payable to the individual for such week shall be made under this subsection. No reduction shall be made for payments made under the social security act or railroad retirement act of 1974.

Within 14 days after admission, the head of the juvenile crisis intervention center shall develop a plan of treatment for the juvenile in collaboration with the managed care organization.

(2) Nothing in this subsection shall prohibit the department of health and environment from administering or reimbursing state medicaid services to any juvenile admitted to a juvenile crisis intervention center pursuant to a waiver granted under section 1915(c) of the federal social security act, provided that such services are not administered through a managed care delivery system.

(4) Nothing in this subsection shall impair or otherwise affect the validity of any contract in existence on July 1, 2018, between a managed care organization and the department of health and environment to provide state medicaid services.

Sec. 13. On and after July 1, 2024, K.S.A. 79-1479 is hereby amended to read as follows: 79-1479. (a) On or before January 15, 1992, and quarterly thereafter, the county or district appraiser shall submit to the director of property valuation a progress report indicating actions taken during the preceding quarter calendar year to implement the appraisal of property in the county or district. Whenever the director of property valuation shall determine that any county has failed, neglected or refused to properly provide for the appraisal of property or the updating of the appraisals on an annual basis in substantial compliance with the provisions of law and the guidelines and timetables prescribed by the director, the director shall file with the state board of tax appeals a complaint stating the facts upon which the director has made the determination of noncompliance as provided by K.S.A. 79-1413a, and amendments thereto. If, as a result of such proceeding, the state board of tax appeals finds that the county is not in substantial compliance with the provisions of law and the guidelines and timetables of the director of property valuation providing for the appraisal of all property in the county or the updating of the appraisals on an annual basis, it shall order the immediate assumption of the duties of the office of county appraiser by the director of the division of property valuation until such time as the director of property valuation determines that the county is in substantial compliance with the provisions of law. ~~In addition, the board shall order the state treasurer to withhold all or a portion of the county's entitlement to moneys from either or both of the local ad valorem tax reduction fund and the city and county revenue sharing fund for the year following the year in which the order is issued.~~ Upon service of any such order on the board of county commissioners, the appraiser shall immediately deliver to the director of property valuation, or the director's designee, all books, records and papers pertaining to the appraiser's office.

Any county for which the director of the division of property valuation is ordered by the state board of tax appeals to assume the responsibility and duties of the office of county appraiser shall reimburse the state for the actual costs incurred by the director of the division of property valuation in the assumption and carrying out of such responsibility and duties, including any contracting costs in the event it is necessary for the director of property valuation to contract with private appraisal firms to carry out such responsibilities and duties.

(b) On or before June 1 of each year, the director of property valuation shall review the appraisal of property in each county or district to determine if property within the county or district is being appraised or valued in accordance with the requirements of law. If the director determines the property in any county or district is not being appraised in accordance with the requirements of law, the director of property valuation shall notify the county or district appraiser and the board of county commissioners of any county or counties affected that the county has 30 days within which to submit to the director a plan for bringing the appraisal of property within the county into compliance.

If a plan is submitted and approved by the director the county or district shall proceed to implement the plan as submitted. The director shall continue to monitor the program to insure that the plan is implemented as submitted. If no plan is submitted or if the director does not approve the plan, the director shall petition the state board of tax appeals for a review of the plan or, if no plan is submitted, for authority for the division

of property valuation to assume control of the appraisal program of the county and to proceed to bring the same into compliance with the requirements of law.

If the state board of tax appeals approves the plan, the county or district appraiser shall proceed to implement the plan as submitted. If no plan has been submitted or the plan submitted is not approved, the board shall fix a time within which the county may submit a plan or an amended plan for approval. If no plan is submitted and approved within the time prescribed by the board, the board shall order the division of property valuation to assume control of the appraisal program of the county ~~and shall certify its order to the state treasurer who shall withhold distributions of the county's share of moneys from the county and city revenue sharing fund and the local ad valorem tax reduction fund and credit the same to the general fund of the state for the year following the year in which the board's order is made.~~ The director of property valuation shall certify the amount of the cost incurred by the division in bringing the program in compliance to the state board of tax appeals. The board shall order the county commissioners to reimburse the state for such costs.

(c) The state board of tax appeals shall within 60 days after the publication of the Kansas assessment/sales ratio study review such publication to determine county compliance with K.S.A. 79-1439, and amendments thereto. If in the determination of the board one or more counties are not in substantial compliance and the director of property valuation has not acted under subsection (b), the board shall order the director of property valuation to take such corrective action as is necessary or to show cause for noncompliance.

Sec. 14. On and after July 1, 2024, K.S.A. 2023 Supp. 79-2988 is hereby amended to read as follows: 79-2988. (a) On or before June 15 each year, the county clerk shall calculate the revenue neutral rate for each taxing subdivision and include such revenue neutral rate on the notice of the estimated assessed valuation provided to each taxing subdivision for budget purposes. The director of accounts and reports shall modify the prescribed budget information form to show the revenue neutral rate.

(b) No tax rate in excess of the revenue neutral rate shall be levied by the governing body of any taxing subdivision unless a resolution or ordinance has been approved by the governing body according to the following procedure:

(1) At least 10 days in advance of the public hearing, the governing body shall publish notice of its proposed intent to exceed the revenue neutral rate by publishing notice:

(A) On the website of the governing body, if the governing body maintains a website; and

(B) in a weekly or daily newspaper of the county having a general circulation therein. The notice shall include, but not be limited to, its proposed tax rate, its revenue neutral rate and the date, time and location of the public hearing.

(2) On or before July 20, the governing body shall notify the county clerk of its proposed intent to exceed the revenue neutral rate and provide the date, time and location of the public hearing and its proposed tax rate. For all tax years commencing after December 31, 2021, the county clerk shall notify each taxpayer with property in the taxing subdivision, by mail directed to the taxpayer's last known address, of the proposed intent to exceed the revenue neutral rate at least 10 days in advance of the public hearing. Alternatively, the county clerk may transmit the notice to the taxpayer by electronic means at least 10 days in advance of the public hearing, if such taxpayer

and county clerk have consented in writing to service by electronic means. The county clerk shall consolidate the required information for all taxing subdivisions relevant to the taxpayer's property on one notice. The notice shall be in a format prescribed by the director of accounts and reports. The notice shall include, but not be limited to:

(A) The revenue neutral rate of each taxing subdivision relevant to the taxpayer's property;

(B) the proposed property tax revenue needed to fund the proposed budget of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(C) the proposed tax rate based upon the proposed budget and the current year's total assessed valuation of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate;

(D) the percentage by which the proposed tax rate exceeds the revenue neutral rate;

(E) the tax rate and property tax of each taxing subdivision on the taxpayer's property from the previous year's tax statement;

(F) the appraised value and assessed value of the taxpayer's property for the current year;

(G) the estimates of the tax for the current tax year on the taxpayer's property based on the revenue neutral rate of each taxing subdivision and any proposed tax rates that exceed the revenue neutral rates;

(H) the difference between the estimates of tax based on the proposed tax rate and the revenue neutral rate on the taxpayer's property described in subparagraph (G) for any taxing subdivision that has a proposed tax rate that exceeds its revenue neutral rate; and

(I) the date, time and location of the public hearing of the taxing subdivision, if the taxing subdivision notified the county clerk of its proposed intent to exceed its revenue neutral rate.

Although the state of Kansas is not a taxing subdivision for purposes of this section, the notice shall include a statement of the statutory mill levies imposed by the state and the estimate of the tax for the current year on the taxpayer's property based on such levies.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held not sooner than August 20 and not later than September 20. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers and shall be a roll call vote. If the governing body approves exceeding the revenue neutral rate, the governing

body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section. A copy of the resolution or ordinance to approve exceeding the revenue neutral rate and a certified copy of any roll call vote reporting, at a minimum, the name and vote of each member of the governing body related to exceeding the revenue neutral rate, whether approved or not, shall be included with the adopted budget, budget certificate and other budget forms filed with the county clerk and the director of accounts and reports and shall be published on the website of the department of administration.

(c) (1) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate.

(2) Any taxpayer of the taxing subdivision that is the subject of the complaint or such taxpayer's duly authorized representative may file a complaint with the state board of tax appeals by filing a written complaint, on a form prescribed by the board, that contains the facts that the complaining party believes show that a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and that a reduction or refund of taxes is appropriate. The complaining party shall provide a copy of such complaint to the governing body of the taxing subdivision making the levy that is the subject of the complaint. Notwithstanding K.S.A. 74-2438a, and amendments thereto, no filing fee shall be charged by the executive director of the state board of tax appeals for a complaint filed pursuant to this paragraph. The governing body of the taxing subdivision making the levy that is the subject of the complaint shall be a party to the proceeding. Notice of any summary proceeding or hearing shall be served upon such governing body, the county clerk, the director of accounts and reports and the complaining party. It shall be the duty of the governing body to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity of such levy. If upon a summary proceeding or hearing, it shall be made to appear to the satisfaction of the board that the governing body of the taxing subdivision did not comply with subsection (b), the state board of tax appeals shall order such governing body to refund to taxpayers the amount of property taxes over collected or reduce the taxes levied, if uncollected. The provisions of this paragraph shall not be construed as prohibiting any other remedies available under the law.

(d) On and after January 1, 2022, in the event that the ~~20 mills tax~~ levied by a school district pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax revenue generated for the purpose of calculating the revenue neutral rate from the previous tax year and such amount of increase in revenue generated from ~~the 20 mills such tax levied~~ is the only reason that the school district would exceed the total property tax revenue from the prior year, the school district shall be deemed to not have exceeded the revenue neutral rate in levying a tax rate in excess of the revenue neutral rate to take into account the increase in revenue from only the 20 mills such tax levied.

(e) (1) Notwithstanding any other provision of law to the contrary, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied.

(2) If a governing body of a taxing subdivision did not comply with the provisions

of subsection (b) and certifies to the county clerk an amount of ad valorem tax to be levied that would result in a tax rate in excess of its revenue neutral rate, the county clerk shall reduce the ad valorem tax to be levied to the amount resulting from such taxing subdivision's revenue neutral rate.

(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

(g) In the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to K.S.A. 2023 Supp. 79-2989, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Such costs shall be shared proportionately by all taxing subdivisions that were included on the same notice based on the total property tax levied by each taxing subdivision. Payment of such costs shall be due to the county clerk by December 31.

(h) The department of administration or the director of accounts and reports shall make copies of adopted budgets, budget certificates, other budget documents and revenue neutral rate documents available to the public on the department of administration's website on a permanently accessible web page that may be accessed via a conspicuous link to that web page placed on the front page of the department's website. The department of administration or the director of accounts and reports shall also make the following information for each tax year available on such website:

- (1) A list of taxing subdivisions by county;
- (2) whether each taxing subdivision conducted a hearing to consider exceeding its revenue neutral rate;
- (3) the revenue neutral rate of each taxing subdivision;
- (4) the tax rate resulting from the adopted budget of each taxing subdivision; and
- (5) the percent change between the revenue neutral rate and the tax rate for each taxing subdivision.

(d) If the governing body of the governmental entity determines that the owner is eligible for such rebate, such governmental entity shall provide the rebate from the general fund of such governmental entity.

Sec. 4. K.S.A. 79-213 is hereby amended to read as follows: 79-213. (a) Any property owner requesting an exemption from the payment of ad valorem property taxes assessed, or to be assessed, against their property shall be required to file an initial request for exemption, on forms approved by the state board of tax appeals and provided by the county appraiser.

(b) The initial exemption request shall identify the property for which the exemption is requested and state, in detail, the legal and factual basis for the exemption claimed.

(c) The request for exemption shall be filed with the county appraiser of the county where such property is principally located.

(d) After a review of the exemption request, and after a preliminary examination of the facts as alleged, the county appraiser shall recommend that the exemption request either be granted or denied, and, if necessary, that a hearing be held. If a denial is recommended, a statement of the controlling facts and law relied upon shall be included on the form.

(e) The county appraiser, after making such written recommendation, shall file the request for exemption and the recommendations of the county appraiser with the state board of tax appeals. With regard to a request for exemption from property tax pursuant to the provisions of K.S.A. 79-201g and 82a-409, and amendments thereto, not filed with the board of tax appeals by the county appraiser on or before the effective date of this act, if the county appraiser recommends the exemption request be granted, the exemption shall be provided in the amount recommended by the county appraiser and the county appraiser shall not file the request for exemption and recommendations of the county appraiser with the state board of tax appeals. The county clerk or county assessor shall annually make such adjustment in the taxes levied against the real property as the owner may be entitled to receive under the provisions of K.S.A. 79-201g, and amendments thereto, as recommended by the county appraiser, beginning with the first period, following the date of issue of the certificate of completion on which taxes are regularly levied, and during the years which the landowner is entitled to such adjustment.

(f) Upon receipt of the request for exemption, the board shall docket the same and notify the applicant and the county appraiser of such fact.

(g) After examination of the request for exemption and the county appraiser's recommendation related thereto, the board may fix a time and place for hearing, and shall notify the applicant and the county appraiser of the time and place so fixed. A request for exemption pursuant to: (1) Section 13 of article 11 of the constitution of the state of Kansas; or (2) K.S.A. 79-201a *Second*, and amendments thereto, for property constructed or purchased, in whole or in part, with the proceeds of revenue bonds under the authority of K.S.A. 12-1740 through 12-1749, and amendments thereto, prepared in

accordance with instructions and assistance which shall be provided by the department of commerce, shall be deemed approved unless scheduled for hearing within 30 days after the date of receipt of all required information and data relating to the request for exemption, and such hearing shall be conducted within 90 days after such date. Such time periods shall be determined without regard to any extension or continuance allowed to either party to such request. In any case where a party to such request for exemption requests a hearing thereon, the same shall be granted. Hearings shall be conducted in accordance with the provisions of the Kansas administrative procedure act. In all instances where the board sets a request for exemption for hearing, the county shall be represented by its county attorney or county counselor.

(h) Except as otherwise provided by subsection (g), in the event of a hearing, the same shall be originally set not later than 90 days after the filing of the request for exemption with the board.

In the event that taxes have been assessed against the subject property, no interest shall accrue on any unpaid tax for the year or years in question nor shall the unpaid tax be considered delinquent from the date the request is filed with the county appraiser until the expiration of 30 days after the board issued its order thereon. In the event the board determines an application for exemption is without merit and filed in bad faith to delay the due date of the tax, the tax shall be considered delinquent as of the date the tax would have been due pursuant to K.S.A. 79-2004 and 79-2004a, and amendments thereto, and interest shall accrue as prescribed therein.

(j) In the event the board grants the initial request for exemption, the same shall be effective beginning with the date of first exempt use except that, with respect to property the construction of which commenced not to exceed 24 months prior to the date of first exempt use, the same shall be effective beginning with the date of commencement of construction.

(k) In conjunction with its authority to grant exemptions, the board shall have the authority to abate all unpaid taxes that have accrued from and since the effective date of the exemption. In the event that taxes have been paid during the period where the subject property has been determined to be exempt, the board shall have the authority to order a refund of taxes for the year immediately preceding the year in which the exemption application is filed in accordance with subsection (a).

Sec. 5. K.S.A. 79-503a is hereby amended to read as follows: 79-503a. "Fair market value" means the amount in terms of money that a well informed buyer is justified in paying and a well informed seller is justified in accepting for property in an open and competitive market, assuming that the parties are acting without undue compulsion. In the determination of fair market value of any real property which is subject to any special assessment, such value shall not be determined by adding the present value of the special assessment to the sales price. For the purposes of this definition it will be assumed that consummation of a sale occurs as of January 1.

Sales in and of themselves shall not be the sole criteria of fair market value but shall be used in connection with cost, income and other factors including but not by way of exclusion:

- (a) The proper classification of lands and improvements;
- (b) the size thereof;
- (c) the effect of location on value;
- (d) depreciation, including physical deterioration or functional, economic or social obsolescence;
- (e) cost of reproduction of improvements;
- (f) productivity taking into account all restrictions imposed by the state or federal government and local governing bodies, including, but not limited to, restrictions on property rented or leased to low income individuals and families as authorized by section 42 of the federal internal revenue code of 1986, as amended;
- (g) earning capacity as indicated by lease price, by capitalization of net income or by absorption or sell-out period;
- (h) rental or reasonable rental values or rental values restricted by the state or federal government or local governing bodies, including, but not limited to, restrictions on property rented or leased to low income individuals and families, as authorized by section 42 of the federal internal revenue code of 1986, as amended;
- (i) sale value on open market with due allowance to abnormal inflationary factors influencing such values;
- (j) restrictions or requirements imposed upon the use of real estate by the state or federal government or local governing bodies, including zoning and planning boards or commissions, and including, but not limited to, restrictions or requirements imposed upon the use of real estate rented or leased to low income individuals and families, as authorized by section 42 of the federal internal revenue code of 1986, as amended; and
- (k) comparison with values of other property of known or recognized value. The

assessment-sales ratio study shall not be used as an appraisal for appraisal purposes.

The appraisal process utilized in the valuation of all real and tangible personal property for ad valorem tax purposes shall conform to generally accepted appraisal procedures and standards which are consistent with the definition of fair market value unless otherwise specified by law.

The sale price or value at which a property sells or transfers ownership in a federal internal revenue code section 1031 exchange shall not be considered an indicator of fair market value nor as a factor in arriving at fair market value. Federal internal revenue code section 1031 exchange transactions shall not be used as comparable sales for valuation purposes nor as valid sales for purposes of sales ratio studies conducted pursuant to K.S.A. 79-1485 et seq., and amendments thereto.

Sec. 6. K.S.A. 2023 Supp. 79-1460 is hereby amended to read as follows: 79-1460.

(a) The county appraiser shall notify each taxpayer in the county annually on or before March 1 for real property and May 1 for personal property, by mail directed to the taxpayer's last known address, of the classification and appraised valuation of the taxpayer's property, except that, the valuation for all real property shall not be increased unless the record of the latest physical inspection was reviewed by the county or district appraiser, and documentation exists to support such increase in valuation in compliance with the directives and specifications of the director of property valuation, and such record and documentation is available to the affected taxpayer. Alternatively, the county appraiser may transmit the classification and appraised valuation to the taxpayer by electronic means if such taxpayer consented to service by electronic means.

(b) The valuation for all real property also shall not be increased solely as the result of normal repair, replacement or maintenance of existing structures, equipment or improvements on the property. For the next two taxable years following the taxable year that the valuation for commercial real property has been reduced due to a final determination made pursuant to the valuation appeals process, the county appraiser shall review the computer-assisted mass-appraisal of the property and if, the valuation in either of those two years exceeds the value of the previous year by more than 5%, excluding new construction, change in use or change in classification, the county appraiser shall either:

(1) Adjust the valuation of the property based on the information provided in the previous appeal; or

(2) order an independent fee simple appraisal of the property to be performed by a Kansas certified real property appraiser.

(c) When the valuation for real property has been reduced due to a final determination made pursuant to the valuation appeals process for the prior year, and the county appraiser has already certified the appraisal rolls for the current year to the county clerk pursuant to K.S.A. 79-1466, and amendments thereto, the county appraiser may amend the appraisal rolls and certify the changes to the county clerk to implement the provisions of this subsection and reduce the valuation of the real property to the prior year's final determination, except that such changes shall not be made after October 31 of the current year.

(d) (1) The notice provided under subsection (a) shall specify:

(A) Separately for the previous tax year and the current tax year, the appraised and assessed values for each property class identified on the parcel;

(B) the uniform parcel identification number prescribed by the director of property

valuation; ~~and~~

(C) a statement of the taxpayer's right to appeal, the procedure to be followed in making such appeal and the availability without charge of the guide devised pursuant to subsection (g); ~~and~~

(D) a valuation history of the parcel that includes, at a minimum, a statement or display of the total appraised values of the parcel for the current tax year and the previous four tax years.

(2) Such notice may, and if the board of county commissioners so require, shall provide the parcel identification number, address and the sale date and amount of any or all sales utilized in the determination of appraised value of residential real property.

(e) In any year in which no change in appraised valuation of any real property from its appraised valuation in the next preceding year is determined, an alternative form of notification which has been approved by the director of property valuation may be utilized by a county.

(f) Failure to timely mail or receive such notice shall in no way invalidate the classification or appraised valuation as changed. The secretary of revenue shall adopt rules and regulations necessary to implement the provisions of this section.

(g) There shall be provided to each taxpayer, upon request, a guide to the property tax appeals process. The director of the division of property valuation shall devise and publish such guide and shall provide sufficient copies thereof to all county appraisers. Such guide shall include, but not be limited to:

(1) A restatement of the law which pertains to the process and practice of property appraisal methodology, including the contents of K.S.A. 79-503a and 79-1460, and amendments thereto;

(2) the procedures of the appeals process, including the order and burden of proof of each party and time frames required by law; and

(3) such other information deemed necessary to educate and enable a taxpayer to properly and competently pursue an appraisal appeal.

(h) As used in this section:

(2) "Normal repair, replacement or maintenance" does not include new construction.

(3) "Taxpayer" means the person in ownership of the property as indicated on the records of the office of register of deeds or county clerk and includes the lessee of such property if the lease agreement has been recorded or filed in the office of the register of deeds and the real property or improvement thereon is subject of a lease agreement.

Sec. 7. K.S.A. 2023 Supp. 79-2005 is hereby amended to read as follows: 79-2005. (a) Any taxpayer, before protesting the payment of such taxpayer's taxes, shall be required, either at the time of paying such taxes, or, if the whole or part of the taxes are paid prior to December 20, no later than December 20, or, with respect to taxes paid in whole or in part in an amount equal to at least $\frac{1}{2}$ of such taxes on or before December 20 by an escrow or tax service agent, no later than January 31 of the next year, to file a written statement with the county treasurer, on forms approved by the state board of tax appeals and provided by the county treasurer, clearly stating the grounds on which the whole or any part of such taxes are protested and citing any law, statute or facts on

which such taxpayer relies in protesting the whole or any part of such taxes. When the grounds of such protest is an assessment of taxes made pursuant to K.S.A. 79-332a and 79-1427a, and amendments thereto, the county treasurer may not distribute the taxes paid under protest until such time as the appeal is final. When the grounds of such protest is that the valuation or assessment of the property upon which the taxes are levied is illegal or void, the county treasurer shall forward a copy of the written statement of protest to the county appraiser who shall within 15 days of the receipt thereof, schedule an informal meeting with the taxpayer or such taxpayer's agent or attorney with reference to the property in question. At the informal meeting, it shall be the duty of the county appraiser or the county appraiser's designee to initiate production of evidence to substantiate the valuation of such property, including a summary of the reasons that the valuation of the property has been increased over the preceding year, any assumptions used by the county appraiser to determine the value of the property and a description of the individual property characteristics, property specific valuation records and conclusions. The taxpayer shall be provided with the opportunity to review the data sheets applicable to the valuation approach utilized for the subject property. The county appraiser shall take into account any evidence provided by the taxpayer which relates to the amount of deferred maintenance and depreciation of the property. The county appraiser shall review the appraisal of the taxpayer's property with the taxpayer or such taxpayer's agent or attorney and may change the valuation of the taxpayer's property, if in the county appraiser's opinion a change in the valuation of the taxpayer's property is required to assure that the taxpayer's property is valued according to law, and shall, within 15 business days thereof, notify the taxpayer in the event the valuation of the taxpayer's property is changed, in writing of the results of the meeting. The county appraiser shall not increase the appraised valuation of the property as a result of the informal meeting. In the event the valuation of the taxpayer's property is changed and such change requires a refund of taxes and interest thereon, the county treasurer shall process the refund in the manner provided by subsection (1).

(b) No protest appealing the valuation or assessment of property shall be filed pertaining to any year's valuation or assessment when an appeal of such valuation or assessment was commenced pursuant to K.S.A. 79-1448, and amendments thereto, nor shall the second half payment of taxes be protested when the first half payment of taxes has been protested. Notwithstanding the foregoing, this provision shall not prevent any subsequent owner from protesting taxes levied for the year in which such property was acquired, nor shall it prevent any taxpayer from protesting taxes when:

(1) The valuation or assessment of such taxpayer's property has been changed pursuant to an order of the director of property valuation;

(2) the taxpayer withdrew such taxpayer's appeal commenced pursuant to K.S.A. 79-1448, and amendments thereto; or

(3) the taxpayer wishes to present new evidence relating to the valuation or assessment of such property.

(c) A protest shall not be necessary to protect the right to a refund of taxes in the event a refund is required because the final resolution of an appeal commenced pursuant to K.S.A. 79-1448, and amendments thereto, occurs after the final date prescribed for the protest of taxes.

(d) If the grounds of such protest shall be that the valuation or assessment of the property upon which the taxes so protested are levied is illegal or void, such statement

shall further state the exact amount of valuation or assessment which the taxpayer admits to be valid and the exact portion of such taxes which is being protested.

(e) If the grounds of such protest shall be that any tax levy, or any part thereof, is illegal, such statement shall further state the exact portion of such tax which is being protested.

(f) Upon the filing of a written statement of protest, the grounds of which shall be that any tax levied, or any part thereof, is illegal, the county treasurer shall mail a copy of such written statement of protest to the state board of tax appeals and the governing body of the taxing district making the levy being protested.

(g) Within 30 days after notification of the results of the informal meeting with the county appraiser pursuant to subsection (a), the protesting taxpayer may, if aggrieved by the results of the informal meeting with the county appraiser, appeal such results to the state board of tax appeals.

(h) After examination of the copy of the written statement of protest and a copy of the written notification of the results of the informal meeting with the county appraiser in cases where the grounds of such protest is that the valuation or assessment of the property upon which the taxes are levied is illegal or void, the board shall conduct a hearing in accordance with the provisions of the Kansas administrative procedure act, unless waived by the interested parties in writing. If the grounds of such protest is that the valuation or assessment of the property is illegal or void the board shall notify the county appraiser thereof.

(i) In the event of a hearing, the same shall be originally set not later than 90 days after the filing of the copy of the written statement of protest and a copy, when applicable, of the written notification of the results of the informal meeting with the county appraiser with the board. With regard to any matter properly submitted to the board relating to the determination of valuation of residential property or real property used for commercial and industrial purposes for taxation purposes, it shall be the duty of the county appraiser to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity and correctness of such determination except that no such duty shall accrue to the county or district appraiser with regard to leased commercial and industrial property unless the property owner has furnished to the county or district appraiser a complete income and expense statement for the property for the three years next preceding the year of appeal. No presumption shall exist in favor of the county appraiser with respect to the validity and correctness of such determination. In all instances where the board sets a request for hearing and requires the representation of the county by its attorney or counselor at such hearing, the county shall be represented by its county attorney or counselor. The board shall take into account any evidence provided by the taxpayer which relates to the amount of deferred maintenance and depreciation for the property. In any appeal from the reclassification of property that was classified as land devoted to agricultural use for the preceding year, the taxpayer's classification of the property as land devoted to agricultural use shall be presumed to be valid and correct if the taxpayer provides an executed lease agreement or other documentation demonstrating a commitment to use the property for agricultural use, if no other actual use is evident. With regard to any matter properly submitted to the board relating to the determination of valuation of property for taxation purposes, the board shall not increase the appraised valuation of the property to an amount greater than the appraised value reflected in the notification

of the results of the informal meeting with the county appraiser from which the taxpayer appealed.

(j) When a determination is made as to the merits of the tax protest, the board shall render and serve its order thereon. The county treasurer shall notify all affected taxing districts of the amount by which tax revenues will be reduced as a result of a refund.

(k) If a protesting taxpayer fails to file a copy of the written statement of protest and a copy, when applicable, of the written notification of the results of the informal meeting with the county appraiser with the board within the time limit prescribed, such protest shall become null and void and of no effect whatsoever.

(l) (1) In the event the board orders that a refund be made pursuant to this section or the provisions of K.S.A. 79-1609, and amendments thereto, or a court of competent jurisdiction orders that a refund be made, and no appeal is taken from such order, or in the event a change in valuation which results in a refund pursuant to subsection (a), the county treasurer shall, as soon thereafter as reasonably practicable, refund to the taxpayer such protested taxes and, with respect to protests or appeals commenced after the effective date of this act, interest computed at the rate prescribed by K.S.A. 79-2968, and amendments thereto, minus two percentage points, per annum from the date of payment of such taxes from tax moneys collected but not distributed. Upon making such refund, the county treasurer shall charge the fund or funds having received such protested taxes, except that, with respect to that portion of any such refund attributable to interest the county treasurer shall charge the county general fund. In the event that the state board of tax appeals or a court of competent jurisdiction finds that any time delay in making its decision is unreasonable and is attributable to the taxpayer, it may order that no interest or only a portion thereof be added to such refund of taxes.

(2) No interest shall be allowed pursuant to paragraph (1) in any case where the tax paid under protest was inclusive of delinquent taxes.

(m) Whenever, by reason of the refund of taxes previously received or the reduction of taxes levied but not received as a result of decreases in assessed valuation, it will be impossible to pay for imperative functions for the current budget year, the governing body of the taxing district affected may issue no-fund warrants in the amount necessary. Such warrants shall conform to the requirements prescribed by K.S.A. 79-2940, and amendments thereto, except they shall not bear the notation required by such section and may be issued without the approval of the state board of tax appeals. The governing body of such taxing district shall make a tax levy at the time fixed for the certification of tax levies to the county clerk next following the issuance of such warrants sufficient to pay such warrants and the interest thereon. All such tax levies shall be in addition to all other levies authorized by law.

(n) Whenever a taxpayer appeals to the board of tax appeals pursuant to the provisions of K.S.A. 79-1609, and amendments thereto, or pays taxes under protest related to one property whereby the assessed valuation of such property exceeds 5% of the total county assessed valuation of all property located within such county and the taxpayer receives a refund of such taxes paid under protest or a refund made pursuant to the provisions of K.S.A. 79-1609, and amendments thereto, the county treasurer or the governing body of any taxing subdivision within a county may request the pooled money investment board to make a loan to such county or taxing subdivision as provided in this section. The pooled money investment board is authorized and directed to loan to such county or taxing subdivision sufficient funds to enable the county or taxing subdivision to refund such taxes to the taxpayer. The pooled money investment board is authorized and directed to use any moneys in the operating accounts, investment accounts or other investments of the state

of Kansas to provide the funds for such loan. Each loan shall bear interest at a rate equal to the net earnings rate of the pooled money investment portfolio at the time of the making of such loan. The total aggregate amount of loans under this program shall not exceed \$50,000,000 of unencumbered funds pursuant to article 42 of chapter 75 of the Kansas Statutes Annotated, and amendments thereto. Such loan shall not be deemed to be an indebtedness or debt of the state of Kansas within the meaning of section 6 of article 11 of the constitution of the state of Kansas. Upon certification to the pooled money investment board by the county treasurer or governing body of the amount of each loan authorized pursuant to this subsection, the pooled money investment board shall transfer each such amount certified by the county treasurer or governing body from the state bank account or accounts prescribed in this subsection to the county treasurer who shall deposit such amount in the county treasury. Any such loan authorized pursuant to this subsection shall be repaid within four years. The county or taxing subdivision shall make not more than four equal annual tax levies at the time fixed for the certification of tax levies to the county clerk following the making of such loan sufficient to pay such loan within the time period required under such loan. All such tax levies shall be in addition to all other levies authorized by law.

(o) The county treasurer shall disburse to the proper funds all portions of taxes paid under protest and shall maintain a record of all portions of such taxes which are so protested and shall notify the governing body of the taxing district levying such taxes thereof and the director of accounts and reports if any tax protested was levied by the state.

(p) This statute shall not apply to the valuation and assessment of property assessed by the director of property valuation and it shall not be necessary for any owner of state assessed property, who has an appeal pending before the state board of tax appeals, to protest the payment of taxes under this statute solely for the purpose of protecting the right to a refund of taxes paid under protest should that owner be successful in that appeal.

Sec. 8. K.S.A. 79-32,111c is hereby amended to read as follows: 79-32,111c. (a) There shall be allowed as a credit against the tax liability of a resident individual imposed under the Kansas income tax act an amount equal to 12.5% for tax year 2018; an amount equal to 18.75% for tax year 2019; ~~and an amount equal to 25% for tax year~~ years 2020 through 2023; and an amount equal to 100% for tax year 2024, and all tax years thereafter, of the amount of the credit allowed against such taxpayer's federal income tax liability pursuant to 26 U.S.C. § 21 for the taxable year in which such credit was claimed against the taxpayer's federal income tax liability.

(b) The credit allowed by subsection (a) shall not exceed the amount of the tax imposed by K.S.A. 79-32,110, and amendments thereto, reduced by the sum of any other credits allowable pursuant to law.

(c) No credit provided under this section shall be allowed to any individual who fails to provide a valid social security number issued by the social security administration, to such individual, the individual's spouse and every dependent of the individual.

Sec. 9. K.S.A. 2023 Supp. 79-4508a is hereby amended to read as follows: 79-4508a. (a) For tax year 2022, and all tax years thereafter, the amount of any claim pursuant to this section shall be computed by deducting the claimant's base year ad valorem tax amount for the homestead from the claimant's homestead ad valorem tax

amount for the tax year for which the refund is sought. This section shall be known and may be cited as the homeowners' property tax freeze program.

(b) As used in this section:

(1) "Base year" means the year in which an individual becomes an eligible claimant and who is also eligible for a claim for refund pursuant to this section. For any individual who would otherwise be an eligible claimant prior to 2021, such base year shall be deemed to be 2021 for the purposes of this act.

(2) "Claimant" means a person who has filed a claim under the provisions of this act and was, during the entire calendar year preceding the year in which such claim was filed for refund under this act, except as provided in K.S.A. 79-4503, and amendments thereto, both domiciled in this state and was: (A) A person who is 65 years of age or older; or (B) a disabled veteran. The surviving spouse of a person 65 years of age or older or a disabled veteran who was receiving benefits pursuant to this section at the time of the claimant's death shall be eligible to continue to receive benefits until such time the surviving spouse remarries.

(3) "Household income" means the total Kansas adjusted gross income of all persons of a household in a calendar year while members of such household excluding any amounts received as benefits under the federal social security act that are included in Kansas adjusted gross income of such persons.

(c) A claimant shall only be eligible for a claim for refund under this section if:

(1) The claimant's household income for the year in which the claim is filed is ~~\$50,000~~ \$80,000 or less; and

(2) the appraised value of the claimant's homestead for the base year is ~~\$350,000~~ \$500,000 or less.

The provisions of K.S.A. 79-4522, and amendments thereto, shall not apply to a claim pursuant to this section. In the case of all tax years commencing after December 31, 2022, the upper limit household income threshold amount prescribed in this subsection shall be increased by an amount equal to such threshold amount multiplied by the cost-of-living adjustment determined under section 1(f)(3) of the federal internal revenue code for the calendar year in which the taxable year commences.

(d) A taxpayer shall not be eligible for a homestead property tax refund claim pursuant to this section if such taxpayer has received for such property for such tax year either: (1) A homestead property tax refund pursuant to K.S.A. 79-4508, and amendments thereto; or (2) the selective assistance for effective senior relief (SAFESR) credit pursuant to K.S.A. 79-32,263, and amendments thereto.

(e) The amount of any claim shall be computed to the nearest \$1.

(f) The household income and appraised value amendments made to this section by this act shall apply retroactively, and the deadline to file claims for tax years 2022 and 2023 shall be extended to on or before April 15, 2025.

(g) The provisions of this section shall be a part of and supplemental to the homestead property tax refund act.

Sec. 10. K.S.A. 79-5501 is hereby amended to read as follows: 79-5501. (a) ~~On and after Commencing July 1, 2013, and through December 31, 2024,~~ watercraft shall be appraised at fair market value determined therefor pursuant to K.S.A. 79-503a, and amendments thereto, and assessed at the percentage of value as follows: (1) 11.5% in tax year 2014; and (2) 5% in ~~tax-year years~~ 2015 and all tax years thereafter through 2024. On and after January 1, 2014, the levy used to calculate the tax on watercraft shall

be the county average tax rate. In no case shall the assessed value of any watercraft, as determined under the provisions of this section, cause the tax upon such watercraft to be less than \$12.

(b) As used in this section, the term "watercraft" means any watercraft designed to be propelled by machinery, oars, paddles or wind action upon a sail for navigation on the water which, if not for the provisions of this section, would be properly classified under subclass 5 or 6 of class 2 of section 1 of article 11 of the Kansas constitution. This section shall not be construed as taxing any watercraft which otherwise would be exempt from property taxation under the laws of the state of Kansas. Each watercraft may include one trailer which is designed to launch, retrieve, transport and store such watercraft and any nonelectric motor or motors which are necessary to operate such watercraft on the water.

(c) Any watercraft which is designed to be propelled through the water through human power alone shall be exempt from all property or ad valorem taxes levied under the laws of the state of Kansas.

(d) The "county average tax rate" means the total amount of general property taxes levied within the county by the state, county and all other taxing subdivisions divided by the total assessed valuation of all taxable property within the county as of November 1 of the year prior to the year of valuation as certified by the secretary of revenue.

(e) On and after January 1, 2025, all watercraft shall be exempt from all property or ad valorem taxes levied under the laws of the state of Kansas.";

MESSAGES FROM THE GOVERNOR

HB 2176, HB 2392, HB 2530, HB 2531, HB 2784 and S Sub for HB 2047 approved on May 10, 2024.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2551**, AN ACT making and concerning appropriations for the fiscal years ending June 30, 2024, June 30, 2025, June 30, 2026, June 30, 2027, and June 30, 2028, for state agencies; authorizing and directing payment of certain claims against the state; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2023 Supp. 82a-955, as amended by section 193 of 2024 Senate Bill No. 28, and repealing the existing section., was received.

I appreciate the Legislature’s bipartisan work to craft **House Bill 2551** which funds many important initiatives and services, including enhanced funding for essential human services programs, further investment in a new State regional psychiatric hospital in Sedgwick County, and new monies for essential programs at our institutions of higher education. The Omnibus budget also includes enhanced funding for water infrastructure projects, continuing my commitment to address our state’s water resource needs in a meaningful way.

It’s important to note that this bill significantly overspends my proposed Governor’s Budget Amendments and provides for millions of dollars in ongoing spending at a time when the Legislature is considering tax relief proposals that would seriously decrease the annual revenues the state generates. Moving forward, I encourage the Legislature to be more fiscally responsible and thoughtful in crafting appropriations bills that carefully consider the impacts of ongoing funding decisions. While many of these appropriations are worthwhile and will provide important services to Kansas

communities, we must be mindful of our state's long-term fiscal health. We do not want to overextend the state's resources.

I also encourage the Legislature to continue to put forth proposals that have been vetted and approved through the regular appropriations process. The transparency and public input afforded by the state budget process is imperative in ensuring that Kansan's tax dollars are used appropriately and effectively. Proposals added at the last-minute, without sufficient vetting, set a dangerous precedent for how state dollars should be used.

I look forward to continuing to work with the Legislature on bi-partisan, fiscally responsible budgets that provide Kansas communities the resources they need without risking opportunities for future investments.

Therefore, pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return House Bill 2551 with my signature approving the bill, except for the items enumerated below.

Legislative Coordinating Council – Constituent Relationship Management Project Authority

The portion of Sec. 8(a) that reads as follows has been line-item vetoed:

And provided further, That such request for proposal and subsequent contract shall be issued by and managed by the legislative coordinating council: *And provided further*, That the legislative coordinating council shall ensure that all statewide elected officials shall have use of such constituent relationship management software service:

The portion of Sec. 9(a) that reads as follows has been line-item vetoed:

And provided further, That the legislative coordinating council shall approve or reject a contract for such services, on or before August 31, 2024, with the expectation that the service, if approved, shall be implemented on or before December 1, 2024, for use by statewide elected officials:

I appreciate the Legislature's willingness to appropriate funds for new Constituent Relationship Management software for statewide elected officials. This technology is an important tool in ensuring that Kansans can engage with their elected officials. However, it is not appropriate for the Legislature to manage the procurement process for a service that will be used by the Executive branch. Vetoing these provisions will allow the offices of statewide officials to directly manage the procurement process and work with their selected vendor to implement this new software.

Attorney General– Additional FTEs

The portion of Sec. 12(a) that reads as follows has been line-item vetoed:

Office of inspector general (082-00-1000 0300).....\$350,000

One of the top priorities of my administration when I first came to office was to analyze the Medicaid program to ensure the program was using taxpayer dollars efficiently. I believe in the oversight of any program that utilizes taxpayer funding. However, this funding mechanism should have been vetted through the regular legislative budget process, especially since it expands the size of government. I encourage the Attorney General to resubmit this request for consideration in the next budget cycle.

Attorney General – 340B Program Litigation

Sec. 12(b) and Sec. 13 have been line-item vetoed in their entirety.

When Congress enacted the 340B program over thirty years ago, it was intended to allow safety net providers to stretch their resources as much as possible. In turn, patients, particularly the uninsured, have been able to access needed medication at little to no cost. Since then, the 340B program has grown tremendously and has become a lifeline to our rural healthcare system and communities.

While it is true that certain aspects of this program are currently being litigated in multiple jurisdictions, there are currently no cases before the Supreme Court related to the 340B program. Moreover, it is unclear when these conflicting cases will reach the Supreme Court, if ever. This proviso is pre-mature and contradictory to the protections outlined in Senate Bill 28.

State Treasurer – BUILD Kansas Reform

Sec. 15, Sec. 16, Sec. 17, and Sec. 18 have been line-item vetoed in their entirety.

The Build Kansas fund is an important tool for drawing down federal infrastructure dollars for Kansas communities. Currently, the program is limited to providing state matching funds to local governments for grant opportunities provided by the federal Bipartisan Infrastructure Law (BIL) The reforms proposed in House Bill 2551 would open the matching funds to any federal grant related to infrastructure.

I remain committed to bringing as many federal dollars to Kansas as possible. However, it is not ideal to open the Build Kansas Fund to additional federal grant opportunities when communities are still working through existing BIL programs. I will consider changes to the Build Kansas program as part of the next budget cycle once we have a better understanding of the results of the current iteration of the BUILD Kansas program and Kansas communities' ability to access federal funds.

Department of Administration – State Employee Health Plan Mammography Coverage Report

Sec. 23(g) has been line-item vetoed in its entirety.

Access to diagnostic and supplemental breast examinations for our state employees is crucial and should be covered under the state employee healthcare plan. While I appreciate the Legislature's desire for a report on this issue, the state employees potentially impacted by this provision need this service as soon as possible. The State Employees Health Care Commission (HCC) has the ability to recommend that this coverage is included in the state employee healthcare plan, and I encourage the HCC to make this policy decision and add diagnostic and supplemental breast examinations as a component that is covered under the state employee healthcare plan.

Department of Commerce – Unallowable Transfer of Federal Funding for Airport Authority Payment

Sec. 30(b) has been line-item vetoed in its entirety.

This provision would have transferred federal funds to the State General Fund, which is unallowable under federal rules. Additionally, the agency's State General Funds were already lapsed for this purpose, so this provision would have unnecessarily reduced the agency's resources.

Department of Commerce – Duplicative Transfer to Horse Racing Remodel Fund

Sec. 31(e) has been line-item vetoed in its entirety.

The transfer enacted by this language is duplicative of a transfer already approved in Senate Bill 28. This veto will ensure that a single transfer is made to the Horse Racing Remodel Fund so that the appropriate funding amount is directed to the fund.

Kansas Department of Health and Environment - Adult Inpatient Behavioral

Health Services

The portion of Sec. 34(a) that reads as follows has been line-item vetoed:

Provided, That expenditures shall be made from the adult inpatient behavioral health services account in the amount of \$5,000,000 for providing adult and adolescent inpatient behavioral and mental health services at ascension Via Christi St. Joseph campus and NMC health and such expenditures shall be distributed based on the number of behavioral and mental health beds available at each facility.

Access to behavioral health treatment is critical for all areas of the state. This veto will allow this funding to be allocated to eligible entities across the state pursuant to the provisions outlined in Senate Bill 28.

Kansas Department for Aging and Disability Services – No-Bid Appropriations

The portion of Sec 39(a) that reads as follows has been line-item vetoed:

Provided, That expenditures shall be made by such agency from such account in an amount of \$47,000 for drug abuse and addiction prevention services for youth at the Kansas City full circle program, inc.

The portion of Sec. 40(a) that reads as follows has been line-item vetoed:

Provided, That expenditures shall be made by such agency from such account in an amount of \$250,000 for the EmberHope Youthville program to expand family on-site visitation services and support family engagement with residents of the psychiatric residential treatment facility: *Provided further*, That expenditures shall be made by such agency from such account in an amount of \$185,000 for drug abuse and addiction prevention services for youth at the Kansas City full circle program, inc.

Every year, my budget includes substantial funding for behavioral health services for those who have little to no access to treatment. I am and will always be supportive of access to care for the most vulnerable. However, I cannot allow state funding to go to specific entities that have not undergone a competitive procurement process. This practice of allocating funding to specified organizations or businesses is unfair and I encourage the legislature to allow all eligible entities the opportunity to access state funds through competitive processes.

Kansas Department for Aging and Disability Services – Valley Hope

The portion of Sec. 40(a) that reads as follows has been line-item vetoed:

Valley hope substance use disorder.....\$2,500,000 *Provided*, That expenditures shall be made from the valley hope substance use disorder account for infrastructure to expand valley hope located in Atchison, Kansas: *Provided, however*, That as a condition of receiving moneys from such account and subject to the provisions of section 41, valley hope shall provide that 10% of the total capacity of beds in the Atchison facility shall be used for medicaid eligible substance abuse treatment inpatient beds.

Sec. 41 has been line-item vetoed in its entirety.

I appreciate the Legislature’s intent to ensure that substance use disorder treatment providers serve all Kansans, including those on the Medicaid program. However, it is unclear if the identified provider could meet the Medicaid bed requirements included in

this language. If the provider determines they can maintain a negotiated number of Medicaid beds they should resubmit this request for consideration in next year's budget process.

Kansas State Department of Education – Duplicative Youth Career Exploration Program Funding

Sec. 45(d) has been line-item vetoed in its entirety.

The Kansas State Board of Education has already approved \$500,000 years 2025 and 2026 for a youth career exploration program. Thus, this provision is unwarranted. Additionally, federal elementary and secondary school emergency relief funds have been provided to the State Board of Education to allocate, not the Legislature.

Kansas State University – Dairy Facility Bonding Authority and Debt Service

Sec. 49(b) and Sec. 49(c) have been line-item vetoed in their entirety.

These sections would have provided bonding authority and debt service payments for the creation of a new Dairy Facility at Kansas State University. While this may be a worthwhile project, the University did not request it nor was it considered through the normal budgeting process. Stakeholders should work with the University to bring this proposal back through the Board of Regent's standard budget process for consideration next year.

Board of Regents – Kansas Promise Scholarship

Sec. 54(e) has been line-item vetoed in its entirety.

Expanding access to the Kansas Promise Scholarship program to additional educational institutions should be considered through the normal legislative process, rather than through budget provisos that choose winners and losers. The Legislature chose to provide these funds to three intentionally chosen institutions. If the Legislature desires to turn the Kansas Promise Scholarship into a form of support for private, for-profit institutions, it should attempt to enact this policy through the normal process and allow input from stakeholders. I continue to have concerns about the precedent that would be set by providing state funding to for-profit private institutions that are not accountable to the state or taxpayers.

LAURA KELLY

Governor

CONSIDERATION OF VETOES

The Legislature having adjourned sine die on April 30, 2024, there was no opportunity to reconsider the line item vetoes of **HB 2551** and the vetoes are sustained.

VETO MESSAGES FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2097**, AN ACT concerning taxation; enacting the Kansas film and digital media production development act; establishing an income tax credit and sales tax exemption program to be administered by the secretary of commerce for the purpose of developing film, video or digital production in Kansas; relating to income, privilege and premium tax credits; establishing a tax credit for employers that employ members of the Kansas army and air national guard and establishing an income tax credit for employees who are members thereof; requiring notices to be sent to inform such members of possible eligibility for the tax credit; relating to sales tax; providing a sales tax exemption for purchases by certain not-for-profit community theaters and purchases and sales made by the friends of cedar crest association; amending K.S.A. 2023 Supp. 79-3606 and repealing the existing section. was received.

Kansans need responsible, comprehensive tax relief. As I said in my last veto statement of the Legislature's nearly identical tax bill, 'I cannot sign into law a bill that jeopardizes our state's future fiscal stability.

I have given the Legislature several roadmaps to fiscally responsible tax cuts since January. Instead, they played political games with reckless tax policies, and I vetoed them. I said irresponsible tax policies would lead to a special session.

So here we are. While I applaud the spirit of bipartisanship, this tax cut package, passed at the 11th hour of the last day of the Legislative session, misses the mark. Its proposed cuts and the excessive spending by the Legislature endanger all the progress we've made in restoring services for Kansans, funding our public schools, and investing in our infrastructure.

Additionally, to favor a specific business, a tax abatement scheme was floated to put taxpayer dollars into that business' pocket at the expense of local government services. That's wrong. Taxpayer dollars should not be diverted to political donors under the guise of tax cuts.

Kansans expect us to map a responsible future because we have come a long way, together. Our financial ratings have been upgraded. We have paid down debt. We paid \$224 million for new projects in cash, saving Kansans \$90 million in interest that would have otherwise accumulated through bonds. Education is being funded. We went from zero to a reasonable rainy-day fund for the inevitable emergencies we will face. Kansas is being noticed for its sense of responsibility. Don't toss all that.

The lack of a fiscally responsible tax cut bill jeopardizes other tax policy passed before

adjournment, such as legislation to support Kansas' film and digital media industry. The Legislature cannot overpromise tax cuts without considering the overall cost to the state for future years. We cannot start with our expenses and then look at our income. Families and businesses do not budget like that; neither should Kansas.

Therefore, pursuant to Article 2, Section 14(a) of the Kansas Constitution, I hereby veto **House Substitute for Senate Bill 37, House Bill 2096, and House Bill 2097.**

LAURA KELLY

Governor

Dated: May 16, 2024

CONSIDERATION OF VETO

CONSIDERATION OF VETO

The Legislature having adjourned sine die on April 30, 2024, there was no opportunity to reconsider **HB 2097** and the veto is sustained.

MESSAGE FROM THE SENATE

Announcing the Senate here with transmits the veto message from the Governor on **SB 271, AN ACT** concerning infrastructure; relating to drone technology; prohibiting the acquisition of critical components of drone technology from counties of concern; relating to state contracts; prohibiting state-level agencies from procuring final or finished goods or services from a foreign principal., received on April 24, 2024 and read on April 29, 2024.

MESSAGE FROM THE GOVERNOR REGARDING VETO OF HOUSE SUBSTITUTE FOR SENATE BILL 271

Senate Bill 271 restricts the purchase of drone technology and “critical components” – including replacement parts – from countries of concern by government agencies and law enforcement entities. While the legislation is well-intentioned, it uses overly broad definitions, which will end up placing significant burdens on these government consumers, including law enforcement organizations that depend on drone technology to provide essential services and keep Kansans safe. The legislation requires these consumers to know what goes into each targeted item, down to the individual component, microchip, and processor. There are, however, ways to achieve the goals of this legislation without placing undue burdens on agencies, local units of government, and law enforcement through avenues like the regular procurement process. This work is underway and will address the underlying concerns of this bill. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Substitute for Senate Bill 271. By the Governor Laura Kelly Dated April 24, 2024

A motion was made that **SB 271** be passed notwithstanding the Governor's veto. By a vote of 21 Yeas and 16 Nays, the motion failed to receive the required two-thirds constitutional majority of the elected members or appointed to the Senate and the veto was sustained.

MESSAGE FROM THE SENATE

Announcing action by the Senate on **HB 2618**, AN ACT concerning elections; relating to the election crime of false representation of an election official; requiring specific intent of the offender as an element of such criminal offense; amending K.S.A. 25-2438 and repealing the existing section.

The veto message from the Governor having been received, a motion was made that notwithstanding the Governor's objection to **HB 2618**, the bill be passed. By a vote of 26 Yeas and 11 Nays, the motion not having received the required two-thirds constitutional majority of the members elected or appointed to the Senate, voting in the affirmative, the bill did not pass and the veto was sustained.

MESSAGE FROM THE SENATE

Announcing the Senate herewith transmits a veto message from the Governor on **SB 434**. AN ACT concerning public health; relating to the practice of cosmetology; exempting the practice of hair removal by sugaring from the definition of cosmetology; amending K.S.A. 2023 Supp. 65-1901 and 65-1928 and repealing the existing sections., which was received on April 12, 2024 and was read before the Senate on April 29, 2024.

**MESSAGE FROM THE GOVERNOR
REGARDING VETO OF SENATE BILL 434**

I have serious concerns that deregulating sugaring — a hair removal technique that may be performed on minors — could lead to safety and sanitation problems. We have a responsibility to protect Kansans — and this deregulation would threaten the health and safety of Kansans — particularly our children. Under the purview of the Kansas Board of Cosmetology, sugaring practitioners are required to adhere to the same health and safety standards as other cosmetologists and estheticians. They are subject to criminal background checks and training prior to the successful completion of exams to earn state licensure. Deregulating sugaring risks contamination, improper infection control, and potential safety issues involving minors. I am not willing to undermine the Kansas Board of Cosmetology's expertise or threaten the long-term health and safety of Kansans who receive sugaring services. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 434. By the Governor Laura Kelly Dated: April 12, 2024

There being no motion to reconsider **SB 434**, the President ruled the veto sustained.

Secretary of State
State of Kansas

PROCLAMATION BY THE GOVERNOR

TO THE PEOPLE OF KANSAS, GREETINGS:

WHEREAS, Kansans need tax relief; and

WHEREAS, a bipartisan tax cuts proposal was introduced in January 2024 that would have provided more than \$1 billion in savings to Kansas taxpayers over three years; and

WHEREAS, those proposed tax cuts would have significantly reduced state property taxes for Kansas homeowners; completely eliminated state taxes on Social Security; increased the standard deduction; immediately eliminated state sales tax on groceries, diapers, and feminine hygiene products; provided substantial relief for child care; and created a back-to-school state sales tax holiday; and the Legislature

decided not to support that proposal; and
 WHEREAS, the Legislature was unable to pass sustainable, comprehensive tax relief during the 2024 session; and
 WHEREAS, it is of utmost urgency that the Legislature act to provide all Kansans with responsible, common-sense tax relief.

NOW, THEREFORE, I, Laura Kelly, GOVERNOR OF THE STATE OF KANSAS, by the authority vested in me by the Constitution of the State of Kansas, do hereby call the

Legislature of the State of Kansas into Special Session

at the Capitol in Topeka, Kansas, on the 18th day of June 2024, at the hour of 9:00 o'clock a.m. to pass sustainable, comprehensive tax relief.

DONE: At the Capitol in Topeka
 under the Great Seal of
 the State this 14th day of
 June, A.D. 2024

BY THE GOVERNOR: LAURA KELLY
 SCOTT SCHWAB
Secretary of State
 JAMESON BECKNER
Assistant Secretary of State

The House met pursuant to adjournment with Speaker Hawkins in the chair.

The roll was called with 123 members present.

Reps. Pickert and Sanders were excused on excused absence by the Speaker.

Excused later: Rep. Robinson.

Prayer by Chaplain Holmes:

Good morning Father,

As we open this Special Session, the necessity of Your leadership and wisdom is paramount.

Thank You for those who have traveled far, set aside personal agendas and made themselves available for the work set before them. May their commitment to the people of Kansas and their call of service be honored with memorable accomplishments this day.

We want to take a moment and honor the memory of our colleague Les Mason and his unique service to our State as well as to this House of Representatives. His leadership will be missed today as we debate issues which could very well impact our State for years to come.

Your Word declares in Proverbs 11:14, "Where there is no guidance the people fall, but in abundance of counselors there is victory." I pray for each Representative in this chamber to be a counselor, providing guidance for the people they represent. May any victory achieved be claimed for the people of Kansas, and not for anyone's personal fame or accreditation.

Bless the families of our Representatives, some who have had to rearrange plans and schedules, so the work and will of the people might move forward. I pray their patience and sacrifice will be rewarded through positive legislation.

Thank you for the staff and support personnel who have shown up today to help make things go smoothly. Their service and dedication to duty is not overlooked.

And now Father, may peace, legislative productivity and positive outcomes mark this day.

I pray this in Jesus Name. Amen

The Pledge of Allegiance was led by Rep. Blex.

MESSAGE FROM THE GOVERNOR

REGARDING SPECIAL LEGISLATIVE SESSION

Kansans need tax relief. Now. My administration's unwavering commitment to sound fiscal management and historic economic growth has created the opportunity to provide sales, income, and property tax relief for all Kansans.

In January, I introduced, with bipartisan support, a tax cut proposal that would have provided more than \$1 billion in tax relief. This proposal significantly reduced state property taxes, eliminated state taxes on Social Security, increased the standard deduction for state income tax, and immediately eliminated the state sales tax on food, among other provisions.

Kansans should be enjoying those tax breaks now. However, instead of embracing my plan, Legislative leadership crafted their own tax relief legislation.

While I appreciate the bipartisan efforts that went into the tax relief bills passed by the Legislature this session, each of those proposals was too costly and endangered the state's fiscal future. I vetoed those bills and asked the Legislature for common-sense, fiscally sustainable alternatives.

We cannot repeat past mistakes. We cannot jeopardize the progress made in rebuilding our state's economy, infrastructure, and education system over the last six years.

As you return, Legislative leadership and I have come to a consensus on a tax relief package that will be presented to the House and Senate during the upcoming special session. This agreement allows significant, long overdue, tax relief to Kansans, while preserving our ability to invest in the state's future. This agreement is not without its flaws. The movement from a three-tiered to two-tiered income tax structure limits the amount of property tax relief that can be provided to Kansans. However, it does meet the affordability criteria I proposed. Thus, should the legislature pass this negotiated agreement, without changes, I intend to sign it.

Now is the time for us to get this done. And together, we can.

THE GOVERNOR'S OFFICE

BY THE GOVERNOR LAURA KELLY

DATED June 14, 2024

HOUSE CONCURRENT RESOLUTION No. **HCR 5001**—

By Representatives S. Miller, Carlin, Carr, Featherston, Hoye, Melton, Meyer, Oropeza, Osman, Poskin, S. Ruiz, Schlingensiepen, Woodard and Xu

HCR 5001—A PROPOSITION to amend section 2 of the bill of rights of the constitution of the state of Kansas to insert the right to vote as a political right.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 2 of the bill of rights of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 2. Political power; privileges. All political power is inherent in the people, *including the right to vote*, and all free governments are founded on their authority, and are instituted for their equal protection and benefit. No special privileges or immunities shall ever be granted by the legislature, which may not be altered,

revoked or repealed by the same body; and this power shall be exercised by no other tribunal or agency."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to ensure that the bill of rights of the constitution of the state of Kansas clearly contains a right to vote as a political right to ensure that any law enacted regulating the right to vote does not violate this basic right.

"A vote for this proposition would add the right to vote as a specific power to all political power inherent in the people as set forth in the bill of rights of the constitution of the state of Kansas.

"A vote against this proposition would continue the status quo that the bill of rights will not contain a right to vote as a specific political power inherent in the people. The constitution of the state of Kansas will continue to contain sections concerning voting, voter qualifications, filling vacancies in elected offices, recall and mode of voting."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2024, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case the proposed amendment shall be submitted to the electors of the state at the special election.

EXPLANATION OF VOTE

MR. SPEAKER: I vote yes on **SB 1**. This governor is tone deaf to the pleadings of Kansans for property tax relief. At best, our citizens are renting their homes, businesses and ag land from the government. At worst, we are forcing seniors out of their homes, closing small businesses and strangling our producers' ability to feed the world. After voting 7 times for tax cuts that the governor opposed, in this election year. I feel obliged to vote "yes" since this is the last train out of town. But, I'll be back to work on real property tax relief that our citizens deserve. - WILLIAM S. CLIFFORD, PATRICK A. PENN, JIM MINNIX, TIMOTHY JOHNSON, JOHN EPLEE, SCOTT HILL, BOB LEWIS

attracting professional sports to Kansas fund for the fiscal year ending June 30, 2025, and each fiscal year thereafter; amending K.S.A. 12-17,162, 12-17,164, 12-17,168, 12-17,169, 12-17,170, 12-17,174 and 79-4801 and K.S.A. 2023 Supp. 79-4108 and 79-41a03 and repealing the existing sections, was considered on final action.

EXPLANATIONS OF VOTE

MR. SPEAKER: The way this bill has been rushed through causes me great concern, and I will not make rushed decisions that could affect Kansans' tax dollars.

If you know me at all, you know I love the Royals. From my second grade George Brett scrapbook to my bobblehead collection and my paver at the K, I bleed Royal blue. However, sometimes you have to be tough with those you love. The stadium tax failed due to a lack of transparency and information, which we are now asking Kansans to accept. I simply can't do that. I vote no on **HB 2001**. – LINDA FEATHERSTON

MR. SPEAKER: I vote NO on **HB 2001**. The KC Chiefs and the KC Royals Star Bonds bill for the following reasons:

- This bill needs to do more to negotiate on behalf of Kansans.
- There is no economic impact study to understand the financial impact.
- Typical Star Bonds are 50% and this one is up to 70%. That is a 70% discount for the developer, and Kansas will have zero ownership.
- I have concerns for property owners in the footprint.
- Once the legislature passes and the Governor signs this bill the baton is handed to the Secretary of Commerce, David Toland, who is also the Lt. Governor, and to me this is a conflict of interest.

Therefore, I vote NO on **HB 2001** as there are too many unknowns. – CARRIE BARTH, REBECCA SCHMOE, SAMANTHA POETTER PARSHALL

MR. SPEAKER: I vote yes on **HB 2001** because of its overwhelming support of citizens of my district in Leavenworth and Wyandotte counties. While I have some questions, I pledged when elected to vote the will of the people. – TIMOTHY JOHNSON

MR. SPEAKER: I strongly oppose **HB 2001** for being a bill that takes a basically ineffective state program, Star Bonds, and accelerates the costs and risks to taxpayers. Economic study after economic study has shown that building sports stadiums is a waste of taxpayers money if the goal is significant economic development. And yet proponents of **HB 2001** make exactly that disproven claim. What gall! There are no “free lunches” in reality and anytime someone starts telling you about a no-risk, no-cost deal to the taxpayers, you should both watch your wallet and show them the door. – PAUL WAGGONER, BRETT FAIRCHILD, BILL RHILEY, SCOTT HILL
