The chief judge or the chief judge's designee may use the information obtained from fingerprinting and the criminal history record check for purposes of verifying the identification of the individual and for making an official determination of the qualifications for authorization in the judicial district. If the judicial district does not require an annual application, each compensated surety or bail agent shall provide a certificate of continuing education compliance in accordance with subsection ~~(f)~~ (g) to the judicial district each year.

(3) A judicial district shall not decline authorization for a compensated surety solely on the basis of type of compensated surety.

(3) If an authorized compensated surety does not comply with the continuing education requirements in subsection ~~(f)~~ (g), the chief judge of the judicial district, or the chief judge's designee, may allow a conditional authorization to continue acting as a surety for 90 days. If such compensated surety does not comply with the continuing education requirements in subsection ~~(f)~~ (g) within 90 days, such conditional authorization shall be terminated and such compensated surety shall not act as a surety in such judicial district.

(2) The Kansas bail agents association shall either provide or contract for a minimum of eight hours of continuing education classes to be held at least once annually in each congressional district and may provide additional classes in its discretion. The chief judge in each judicial district may provide a list of topics to be covered during the continuing education classes. A schedule of such classes shall be publicly available. eight hours of continuing education ~~shall~~ may be prorated accordingly. Any fee charged for attending continuing education classes shall not be increased or decreased based upon a compensated surety's membership or lack of membership in the association.

(3) Upon completion of at least eight hours of continuing education credits during each 12-month period by a compensated surety, the Kansas bail agents association shall issue a certificate of continuing education compliance to such surety. The certificate shall be prepared and delivered to the compensated surety within 30 days of such surety's completion of the continuing education requirements. The certificate shall show in detail the dates and hours of each course attended, along with the signature of the Kansas bail agents association official attesting that all continuing education requirements have been completed.

Journal of the House

FIFTIETH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Wednesday, March 20, 2024, 11:00 a.m.

The House met pursuant to adjournment with Speaker Hawkins in the chair.

The roll was called with 123 members present.

Rep. Houser was excused on verified illness.

Rep. Neighbor was excused on excused absence by the Speaker.

Prayer by Chaplain Holmes:

Good morning Father. There is much facing us today. We are acutely aware that many are relying on us to make good and well-informed decisions. Give us the strength of our convictions to forge a path of peace and prosperity for those we represent.

You remind us in Your Word, “God is our refuge and strength. A very present help in trouble. Therefore we will not fear, though the earth should change. And though the mountains slip into the heart of the sea, though it’s waters roar and foam. The Lord of Hosts is with us; the God of Jacob is our stronghold.”

Because You are the core of our strength, we ask You to help us focus on the important and ignore that which is unimportant. Might our attention be toward the things which truly matter. Because You are our refuge and strength, we know You will not ignore our pleas for help. We find security and hope in knowing You are a very present help in our times of deliberations and especially when we are uncertain of which way to turn.

Help us to see through Your eyes, the direction we should take when we have difficulty seeing beyond our own well conceived ideas. Because You can see ahead of anything we decide, we pray for Your Divine intervention in the words we speak and the actions we become a part of.

We pray for those You have put in places of authority over us. You have said, “obey your leaders and submit to them, for they keep watch over your souls, as those who will give an account.” And Father, if we happen to be one of those leaders, allow us to approach our responsibilities with humility and faithfulness.

I Pray this in Jesus Name. Amen.

The Pledge of Allegiance was led by Rep. Houglan.

The Junction City High School JROTC Raider team competed in the United States Army Cadet Command Raider National Championships at Fort Knox, KY, in the 'Challenge Division,' from November 3rd, 2023, thru November 4th, 2023. Their JROTC Raider team competed in the co-ed category of these championships. The event consisted of five events, of which, the JCHS Raider team won four of the five events and placed 6th in the other. INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Moser are spread upon the Journal:

Together Everyone Achieves More. Teamwork makes the Dream work. There is no "I" in TEAM.

All of these are common phrases when referring to winning programs. How many girls does it take to win a State Track Championship? Six. With total podium appearances numbering nine, three state championship performances, and six Washington County School track records broken by the young ladies to my left and to my right, these student athletes created a winning combination at the 2023 High School Track & Field State Championships at Wichita State University.

- Sophomore Jesse Hoover placed 4th in the javelin with a throw of 129'4".
- Sophomore Addy Goeckel won the 100m hurdles with a time of 15.42, which set a new school record, then turned around and won the 300m hurdles with a time of 46.20, also a new school record.

- Junior Lillie Richard won the pole vault, going 10'6" and setting a new school record by 3".
- Junior Kiersten Tholstrup ran a new school record of 60.35 seconds in the 400m and placed 2nd. Then, she ran the 200m and placed 5th with a time of 27.72.
- Sophomore Kenzie Baker ran the 800m with some great runners and fought her way to 7th place and set a new school record in the process (2:27.94).
- The girls' 4 x 100 relay team of Tholstrup, Hoover, Goeckel and freshman, Alyssa Jueneman missed the Saturday finals placing 11th overall.

In the final race of the meet, the girls' relay team of Tholstrup, Hoover, Baker, and Goeckel placed 3rd, setting a new school record in the 4x400m relay (4:12.10). That final race clinched the 1A D1 overall team championship by 4 points over South Gray, the first girls' track championship since Washington High in 1997, and first as Washington County USD 108. Coaches are: Misty Baker, Jerry Baker, Robert Smith and Tommy Tryon.

Please join me in congratulating the USD 108 Washington County Lady Tiger Track Team, the Class 1A D1 State Champions for 2023!

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Landwehr are spread upon the Journal:

In 1944, a 19 year old began working at the Boeing Company. She would take the bus daily from Newton to the south Wichita campus and begin her work as a Riveter on a highly classified project. This project was the B-29 Superfortress. Connie Palacios would work for two years with Boeing before going on to a successful career as a hairdresser, wife and mother. When Doc was returned to Wichita, Connie was ready to continue the work she had started nearly 60 years prior on the restoration of a plane she originally started. Connie now spends a day each week at the B-29 Doc hanger welcoming visitors, signing autographs, and telling her story. At 99, Connie is still as active as ever. Thank you Connie and all our Rosie the Riveters for their work in helping with Word War II. It's my honor to recognize her for not only the person she is, but for the person who played such a pivotal role in our great state and in our nation The United States of America.

Rep. Landwehr presented her guest with a framed House certificate in honor of her many accomplishments.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Dodson and Carlin are spread upon the Journal:

Rep. Dodson began: We rise to recognize the service of Ron R. Fehr in recognition of his extraordinary and 42 years of service to Manhattan, Kansas culminating in his service as city manager for and unprecedented 23 years.

He started as the Department of Parks and Recreation's forestry and parks supervisor in 1982. He continued working for the city while he received his master's degree from K-State. Ron served as acting city manager twice, first in 1995 and then just prior to his permanent appointment in 2000.

His service has provided vision, stability and leadership for the continued growth of Manhattan. During his tenure, several very large developments have been guided to completion. These included the initiation, development and finalization of the national bio and agro-defense facility (NBAF), the Manhattan Town Center Mall, the redevelopment of the downtown Manhattan, the Flint Hills Discovery Center, the ongoing redevelopment of Aggieville, the North Campus Corridor, and the Manhattan Museum of Art and Light.

These developments have been accompanied by continuous improvements in quality of life and the elevation of those less fortunate into a community that values inclusion.

He continued to attract high-performing city employees which enabled high quality service to the citizens of Manhattan. In every area there were skilled leadership teams, who understood the long-term vision for the city. Ron has formed effective partnerships with elected officials, Manhattan City Commissioners, Riley County Commissioners, the Manhattan Chamber of Commerce, Kansas State University, USD 383, and Fort Riley.

He also served on many committees and boards including the Manhattan Area Chamber of Commerce Board of Directors, the Knowledge-Based Economic Development, the International City/County Management Association and the board of directors for the Flint Hills Breadbasket.

His exceptional service resulted in his award of the Buford M. Watson Jr. Award for Excellence in Public Management. Most recently he was recognized as the 2023 Manhattan Citizen of the Year.

His vision and leadership and his ability to build high performing teams has made Manhattan and the Flint Hills region a better place to live and work in a community that values quality of life.

Rep. Carlin continued: I first worked with Ron when I was a member of the Manhattan Parks and Recreation Board and later as a City Commissioner when he worked in Forestry at the Parks and Recreation Department. Ron rose to the office of interim City Manager during my time on the city Commission. He has always been available to hear my concerns and discuss important matters with me that affect local governments and/or the city of Manhattan.

Manhattan has been named in the 10 Top Cities in the United States in many different categories over these years. Working with Kansas State University, USD 383, and Riley County he led the intergovernmental meetings to discuss the various issues that our community is dealing with in a public setting.

He has been particularly helpful to me in bringing actions to the Kansas House such as leading the Community's commitment to the National Bio Agri Defense Facility, NBAF which has given the city of Manhattan, Kansas State University, Manhattan Area Technical College, and the state of Kansas a new national mission and recognition in the scientific world.

Congratulations Ron and Renee for your exceptional service to Manhattan, and to Kansas.

Reps. Dodson and Carlin presented Mr. Fehr a framed House certificate in honor of his accomplishments.

EXPLANATIONS OF VOTE

MR. SPEAKER: – I vote yes for the budget bill, **Substitute for HB 2273**. While I wish the body could be more fiscally responsible with taxpayer dollars, there are many good things in the bill. I want to thank the body for saying yes to the identical language in the Senate budget, protecting 340B pricing for Critical Access Hospitals and Community Health Centers, allowing us to help these vital assets to our state and its citizens. – MICHAEL MURPHY, CARRIE BARTH, JOE SEIWERT, DUANE DROGE, REBECCA SCHMOE, WILLIAM CLIFFORD, ROBIN ESSEX, LEWIS “BILL” BLOOM, JESSE BORJON, KEN CORBET, BOB LEWIS, NATHAN BUTLER, CLARKE SANDERS, LISA M. MOSER, TIMOTHY JOHNSON, JOHN RESMAN, DAVID YOUNGER, WEBSTER ROTH, ERIC SMITH

MR. SPEAKER: I vote no on **Sub HB 2273**. My No Vote on the budget is in response to frustration with the process. In the short time available on the floor, I am unable to have made an informed decision, as the amendments made on the floor were many and were not given to me in writing, thus I could not in good conscience vote yes. – NIKKI McDONALD

MR. SPEAKER: I voted NO on **Sub HB 2273**. This is an all funds increase of \$1.1 billion in FY 2024 above FY 2023. The FY 2025 expenditures totaling \$25.1 billion, including \$10.4 State General Funds increase of \$412.0 Million above Fiscal Year 2024. We should be creating a Legislative budget based on the previous years budget and not just comparing out budget committee work on a Governors budget. When we do budget

subcommittee presentations of agencies, it should be a joint hearing with the Senate budget subcommittee, so we are not hearing the information twice. – BILL RHILEY

MR. SPEAKER: I cast a NO vote for **Sub HB 2273**. Taxes and spending are two sides of the same coin. We can't keep spending at record levels without also taxing at record levels. Kansas SGF spending is up \$3.0 billion in four years. It far exceeds inflation and is not sustainable. While we are not forced to immediately raise taxes, this budget precludes us from cutting taxes as boldly as we should. Kansas governmental spending has to be reigned in. And if not now, when? If not us, Who? – PAUL WAGGONER

HB 2800, AN ACT concerning conservation districts; relating to the financing of operating conservation districts; increasing the cap on the amount of moneys disbursed by the division of conservation to conservation districts; providing an increased matching basis for state moneys disbursed to conservation districts based on amounts allocated by the board of county commissioners for such districts; amending K.S.A. 2-1907c and repealing the existing section, was considered on final action.

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **HB 2800**. Conservation Districts are an encroachment on Personal Property Rights, some of which have eminent domain authority, and all of which bring more Federal Oversight into Kansas. Therefore, I am unable to support additional funding. – SAMANTHA POETTER PARSHALL, CARRIE BARTH, TREVOR JACOBS

HB 2816, AN ACT concerning agriculture; relating to the farm animal and field crop and research facilities protection act; prohibiting entering or remaining on and knowingly making false statements to gain access to animal facilities and field crop production areas; providing penalties for violations therefor; removing the intent to destroy property; amending K.S.A. 47-1826 and 47-1827 and repealing the existing

sections, was considered on final action.

Our Father in Heaven – As residents and friends of the great state of Kansas we pause and bow our heads before thee. While we each come from different backgrounds, faiths and life experiences, it is our desire, at this moment, to be united in expressing unto thee our thanks and to seek thy blessings.

We are grateful for all the good that comes from the State of Kansas, for its fertile fields and livestock, its rich industry and businesses, for its noble schools and universities, for its hospitals, clinics and health systems, for its businesses and industry and many resources, for the courthouses and a system of laws that protect and give order, value, safety and peace, and for its churches, synagogues, mosques and places of worship. But we are grateful most of all for all the people of this great State of Kansas. We recognize that it is the people, from all walks of life, that give purpose, value and meaning to all these institutions, fields and trades.

We ask a blessing upon the people of Kansas, all who live and work here, please bless them with peace, health, prosperity and success. Please bless those who are suffering to find solutions to their problems and rise above their adversity, and please send us to each other so we can be part of the solution and answer to the prayers offered by those in need.

Please bless our mothers, fathers, farmers, ranchers, doctors, nurses, lawyers, judges, scientists, engineers, tradesmen, educators, religious leaders, first responders, business owners, employees and laborers in every field with vision to see further and strength to be better.

We ask a blessing of safety to be upon our soldiers and first responders. Please protect them and keep them safe while in the line of duty and bless their families with peace.

Now, as we stand here together on the floor of the People's House, we recognize the great trust and responsibility placed upon these representatives of the people. Father in Heaven, we ask a blessing to be upon these women and men, these representatives of the people of Kansas, please bless them and their families as they serve. Please bless them for their sacrifice with what they need in their personal lives so they can continue to serve. Please also bless them with wisdom and humility in their service. Fill their hearts, open their mouths and loosen their tongues that they can speak the things that are in their heart. Please equally open their ears so they can hear each other and truly communicate. Help them to seek to understand as they seek to be understood so they can bring true solutions to the challenges of our times.

Please help them to forgive each other where forgiveness is needed and to change where change is needed. Bless them as they hold tightly to those principles they value and see as true to still be able to find common ground where truth and justice will prevail for the good of the People. Please help these leaders, chosen by the voice of the people, to lead with virtue and wisdom and to be a blessing to the people who sent them here to represent and lead, in the Peoples House.

These things we say and offer up to thee, in the name of Jesus Christ, Amen

The Pledge of Allegiance was led by Rep. Dodson.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Borjon are spread upon the Journal:

Today, I rise on a point of personal privilege to celebrate an extraordinary achievement by a group of talented young individuals from my district. It is with immense pride and joy that I recognize the Washburn Rural High School debate team for their remarkable accomplishment in winning the 4-speaker KSHSAA State debate championship.

This is Washburn Rural High School's 8th straight 4-Speaker KSHSAA State debate championship, a record for the 6A classification. This is the school's 17th overall state championship in debate, which includes thirteen 4-Speaker championships and four 2-Speaker championships, most recently in 2022.

In addition to their successes at the KSHAA State Championships, the Washburn Rural debate team has also found success at the national level, finishing in the top 20 at several national tournaments over the last five years.

I would like to recognize each member of this outstanding team:

- Harris Chaudry
- Kavi Chidambaranathan
- Campbell Hight
- Aditi Nimishakavi

- Coaches Tim Ellis and Sean Duff

We are also joined in the gallery by Dr. Scott McWilliams, our Superintendent, and several school board members.

On behalf of the Kansas House of Representatives, I offer a sincere congratulations and extend our very best wishes for this memorable achievement. Your hard work, dedication, and talent have truly paid off, and you have made us all very proud.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Goetz are spread upon the Journal:

World Down Syndrome Day (WDS), 21 March, is a global awareness day which has been officially observed by the United Nations since 2012. In March of 2019 the Kansas House of Representatives recognized WDS in statute.

The date for WDS being the 21st day of the 3rd month, was selected to signify the uniqueness of the triplication (trisomy) of the 21st chromosome which causes Down syndrome.

For centuries, people with Down syndrome have been alluded to in art, literature, and science. It wasn't until the late nineteenth century, however, that John Langdon Down, an English physician, published an accurate description of a person with Down syndrome. It was this scholarly work, published in 1866, that earned Down the recognition as the "father" of the syndrome. Although other people had previously recognized the characteristics of the syndrome, it was Down who described the condition as a distinct and separate entity.

Why mark WDS? On this one day we have a chance to make a change. All around the world, people with Down syndrome are treated badly...

- They are denied a quality education.
- They are denied good health care.
- They are denied the chance to work and earn their own money.
- They are not allowed to make decisions about their own lives.
- Their voices are not heard!

So, every year on March 21st we created a single global voice advocating for the rights and well-being of people with Down Syndrome.

Each year for World Down Syndrome Day (WDS) we work with the global Down syndrome community to choose a global campaign message.

For World Down Syndrome Day 2024, we are calling for people and organizations around the world to be "End the Stereotype".

What does this mean? What is a Stereotype? A stereotype is a set idea that people have about what someone or something is like. Stereotypes can be positive, negative or neutral, but they are often inaccurate, or simply wrong!

Stereotypes are often based on limited information or personal experience. They can be reinforced by the way something is represented in the media or by cultural messages. Once formed, a stereotype can be difficult to change. Stereotypes are harmful! – Stereotypes can stop us from being treated like other people. – We get treated like children, we are underestimated and we are excluded. – Sometimes we are treated very

badly or even abused.

We will be sharing real examples of how stereotypes can harm people who have Down syndrome and intellectual disabilities. We hope you will share your examples with us too.

The Truth! – People are all different. Each person with Down syndrome is different. Each person with an intellectual disability is different. We don't all act the same way or like the same things. We each have our individual identity, interests, likes and dislikes, gifts and talents, just like everyone else. Having Down syndrome or an intellectual disability is just one part of who we are! We are people. Please treat us like people.

Down Syndrome Innovations, an organization I wanted to highlight today, is a non-profit 501 (c)(3) organization located in Mission, KS, which serves and champions people with Down syndrome across the Midwest region, and all across our great state.

Their mission is to provide life-changing support and services that enable people with Down syndrome to live to their fullest potential.

They support people with Down syndrome – and their families – throughout the lifespan, from prenatal diagnosis all the way through late adulthood. Down Syndrome Innovations was founded in 1984 and serves as the expert resource and lead community mobilizer, sharing knowledge and creating solutions for people with Down syndrome.

CALL TO ACTION: End the Stereotype is a personal responsibility and the greatest teacher of all time addressed this issue by saying...

“Why do you look at the speck of sawdust in your brother's eye and pay no attention to the plank in your own eye? ⁴How can you say to your brother, ‘Let me take the speck out of your eye,’ when all the time there is a plank in your own eye? ⁵You hypocrite, first take the plank out of your own eye, and then you will see clearly to remove the speck from your brother's eye. Matthew 7:3-5

The removal of the plank in our own eye is the personal responsibility of each member of the human race. As we each seek to cleanse our eyes, stereotypes will fall and truthful compassion will rise.

Special Guests at the Capitol for World Down Syndrome Day:

- Sarah Mai, Vice President of Lifespan Services, Down Syndrome Innovations staff

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. McNorton are spread upon the Journal:

I would like to recognize the 3A, girls' basketball state champions, Silver Lake High School.

Silver Lake has a long tradition of outstanding athletes and quality teams. This is the 7th State Championship for the girls' basketball team, the last time was in 2016, and the 69th State Championship in school history. This year's team went undefeated with a perfect record of 26 – 0 for the 4th undefeated season in school history. This season their average margin of victory was a whopping 30.8 points.

In the state tournament they beat Haven, then Hayden before meeting Cheney in the final with a 66 – 61 victory. They are back-to-back-to-back Mid-East league champions and back to back Burlington Invitational champions. This was their 4th straight trip to the 3A state tournament and had 73 wins in the last three seasons.

I would like to introduce the seniors representing the team with me on the floor today: McKinley Kruger, Makenzie McDaniel, Kaibryn Kruger, Kaylee Deiter, and Sarah Wehrli along with their head coach, Kyle Porter, who also won a State Championship with Royal Valley High School in 2019.

Also joining us today in the gallery are the rest of the team, coaches, parents and fans. I want to congratulate all of them for their accomplishments on and off the court.

Please join me in congratulating the 2024, 3A girls' basketball State Champions, Silver Lake Eagles.

Rep. McNorton presented the team with a framed House certificate in honor of their accomplishments.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. McNorton are spread upon the Journal:

I would like to recognize the 5A state volleyball champions and the 5A state girls' basketball champions from my alma mater, Seaman High School.

The state championship volleyball team had a dedicated group of athletes that concluded their season with an outstanding record of 38 – 6, finishing the season with the first state volleyball championship in school history. In the Championship game they played the state defending champion, St. Thomas Aquinas winning 25 -19 and 25 - 22. They did not lose a single set during pool or bracket play in the State tournament during their historic state title run.

Representing the team on the floor with me today are the seniors from this amazing group of ladies: Taylin Stallbaumer, Brooklyn Gormley, Ashton Meier and head coach Tatiana Dowling.

The rest of the team and coaches, along with parents and fans are joining us today in the gallery.

I also want to recognize the accomplishments of their head coach, Tatiana Dowling. She was honored by receiving the UKC, 5A State, KS Coaching Assn State Volleyball coach of the year and American Volleyball Coaches Assn. Regional coach of the year.

I would also like to introduce to you the 2024, 5A girls' state basketball champions from Seaman High School. This team finished the year with an impressive 23-2 record and was 44-4 over the last two years. They had a bit to prove this year since starting the state tournament last year as the #1 seed but unfortunately lost in the first round. Every member of this team recognized their role and did whatever it took for the team to have success. Together, as a true team, they put in the hard work and dedication to win the state title. This was only the second state championship for girls' basketball in our school's history, the other one was 33 years ago in 1991.

This team was back-to-back UKC champs and had many individual honors. On the way to the State Championship they defeated DeSoto and Andover before meeting Maize South in the Championship game, winning 54 - 41.

Representing the team and joining me on the floor today are the two seniors from the team: Taylin Stallbaumer, Elinore Stallbaumer and head coach Matt Tinsley.

The rest of the team and coaches, along with parents and fans are joining us today in the gallery.

I also want to point out some of the accomplishments of head coach Matt Tinsley, UKC Coach of the year in 2023 and 2024, Shawnee County and 5A State coach of the year in 2024.

I am not just proud of both teams winning state titles, they are also excelling in the classroom and are highly respected in our community.

Please join me in congratulating the 2023, 5A volleyball state champions and the 2024, 5A girls' basketball state champions, Seaman High School - Lady Vikes.

Rep. McNorton presented the teams with framed House certificates to the in honor of their accomplishments.

The roll was called with 122 members present.

Prayer by Chaplain Holmes:

Dear Father, Last year at this time, few of us had any idea of the work we would need to undertake for the people of Kansas, but You did! You knew of each one who would sit in this chamber and deliberate and pass laws affecting thousands upon thousands of lives. What a gigantic and awesome task has been allocated to these legislators!

In the midst of our deliberations and decisions, keep us humble and mindful of our responsibilities. In the coming years, many may forget us, but they will most certainly remember the things we accomplished, which will be enshrined into the very fabric of our State. If given the opportunity to look back upon these days of decision making, might we be pleased with what has been accomplished.

As we work with our friends and colleagues today, remind us to be “quick to listen and slow to speak.” Help us to actually hear differing thoughts and opinions, and not just endure them. And, if it would please You, and the people we serve, might we at times be surprised at how insightful someone’s thoughts and opinions are outside of our own!

We are reminded of the Words of St. Paul when he said, “And let us not lose heart in doing good, for in due time we shall reap if we do not grow weary.” Help us to stay the course of becoming the people of truth, honesty and integrity in which You have directed us to pursue.

We pray for our military personnel, especially those deployed to difficult parts of our world. Bless their families with a sense of peace and assurance as they trust You for their loved one’s safety.

In Jesus Name I Pray. Amen.

The Pledge of Allegiance was led by Rep. Droge.

Prayer by Chaplain Holmes:

Dear Father; In the Book of Lamentations, your Word says “This I recall to my mind, Therefore I have hope. The Lord’s loving kindnesses indeed never cease, for His compassions never fail, they are new every morning; great is Thy faithfulness.”

Would You be so kind as to bestow hope upon this chamber today. Hope for shared outcomes. Hope for Your desired direction. Hope for deliberations and debate to be conducted in such a way that each feels they have been heard. Hope which says we can do this together for the good of all. Hope which reminds each of us, we are about a good thing.

Because Your compassions are new every morning, I ask for a deep awareness of the hurting of our individual communities. Give us eyes of awareness and a fundamental desire to help as we observe the sorrow, distress and misfortune of others. Please use the positions You have placed us in to be a positive benefit for those in need and struggling.

These next few days will present some unique situations and opportunities as we strive to develop a clear roadmap of help and intercession for those who have placed their trust in us. Help us to be transformative in our thinking and direction as we steer our State into a better tomorrow.

Please O’Lord give our families patience, as we move through these days of challenge. Remind them that they are never far from our mind. And, when this session closes and we put the final touches on our work, help us to show them our gratitude for their understanding and faithfulness.

In Jesus Name I Pray.Amen

The Pledge of Allegiance was led by Rep. Hoye.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Titus are spread upon the Journal:

Today we recognize the 50th Anniversary of the AmeriCorps Seniors RSVP (Retired Seniors Volunteer Program.) The Older Americans Act under Title VI was passed in 1969 and the RSVP was launched in 1971 and the Riley County volunteers were organized in 1974. RSVP (Retired Senior Volunteer Program) is part of Senior Corps, America's largest volunteer network for people aged 55 and over, with more than 300,000 volunteers serving nationwide. AmeriCorps Seniors RSVP is the only national program that can place large numbers of older volunteers in high quality positions. For many years, research has shown that volunteering improves the quality of life for older volunteers. It not only slows the cognitive decline, but also decreases loneliness, leaves them feeling physically healthier, and helps them feel a sense of fulfillment.

Since its inception, RSVP has remained one of the largest volunteer efforts in the nation, tapping into the broad wealth of skills, talents, and experience of older Americans and matching these skill sets with local needs to bring about effective change within our communities. They lend their support to nearly every non-profit organization and provide support for food, clothing, tax preparation, transportation, and connections to medical providers. Just this past year, 302 volunteers have delivered nearly 30,000 volunteer hours. 50 of the volunteers are veterans and the oldest volunteer will be 100 in November. RSVP has established a lasting legacy of service to the community and the entire membership of the Kansas House extends its pride in your ongoing achievements.

Please join us in recognizing AmeriCorps RSVP for 50 years of outstanding contribution to our community.

Rep. Titus was joined by Rep. Dodson who presented the representatives of AmeriCorps RSVP with a framed House certificate in honor of their anniversary.

EXPLANATION OF VOTE

MR. SPEAKER: My no vote on **House Sub for SB 287** is in response to the overly broad wording of the bill that could have unintended consequences by preventing children from getting appropriate care by school nurses when parents are unable to be located to consent to treatment. The interpretation of what constitutes medical treatment is not defined clearly enough in this legislation. It undermines school nurses who are working within their scope of practice. I appreciate the amendments that were added to make this bill less egregious, but in the end, I cannot support it. – NIKKI McDONALD, TOBIAS SCHLINGENSIEPEN, LYNN MELTON, KIRK HASKINS

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **H Sub for SB 291**. There isn't a clear fiscal note on the bill, and the proponents of the bill acknowledge that we have no idea how much this bill is going to cost. Since the fiscal note on the bill is perhaps infinite, I don't feel comfortable voting in favor of the bill. — BRETT FAIRCHILD

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **SB 345**. This bill interferes in contractual agreements between brokers and businesses. The bill prohibits brokers from accessing, collecting, or soliciting an advanced fee from a business to provide broker services. If a broker requests to receive an advanced fee from a business, and a business consents to this request, there's no reason for the government to interfere in this contractual arrangement between the two parties. – BRET FAIRCHILD

EXPLANATIONS OF VOTE

MR. SPEAKER: While I'm concerned about children accessing pornography, online and otherwise, my NO vote on **SB 394** reflects my major concerns regarding **privacy, cyber security, freedom of speech** and **censorship**. This bill is broadly worded & open to interpretation. The method(s) that will be used to verify age online are not specific. Bad actors in foreign countries will be beyond the reach of KS investigators when gaining access to driver's licenses and passports of law-abiding Kansan adults. It's government overreach. Additionally, passage of this bill will just send people to the dark web, which

will expose people to far more dangerous imagery. – NIKKI McDONALD, TOBIAS SCHLINGENSIEPEN, KIRK HASKINS, DAN OSMAN, ALLISON HOUGLAND, JOHN CARMICHAEL, SILAS MILLER

MR. SPEAKER: I stand in opposition of **SB 394** based on the following unintended consequences:

- Security issues of data collection-most of those collecting the data are located outside of the U.S.
- Government overreach
- Possible avenue leading to book banning
- First amendment concerns
- Targeting certain groups

Based on these things and on closing remarks by the carrier of the bill, “This bill is powerful to us,” I vote no on **SB 394**. – LYNN MELTON, MELISSA OROPEZA, ANGELA MARTINEZ

MR. SPEAKER: While I do believe that pornography can be harmful to underage children I cannot in good conscience vote in favor of **Senate Bill 394**. I have a concern that while the bill does prohibit material that is “harmful to minors,” it leaves subjectivity as to what this bill bans. I also have concerns that the information used to verify a person's age could fall into the hands of entities who could use it for fraudulent purposes. – KEN COLLINS

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **SB 406**. The bill in general increases regulations, and specifically in Section 3 of the bill, the commissioner has the authority to promulgate rules and regulations to implement the bill, and has the authority to access fees to administer the act. This is problematic because I believe rules and regulations should be passed by the legislature and not agencies, and because there's no cap on the amount of fees that can be accessed. It's also problematic to give one person so much power. –

EXPLANATIONS OF VOTE

MR. SPEAKER: I VOTE NO ON **SENATE BILL 434**. Board of Cosmetology regulations are consumer protection. Kansas does not have age or parental consent requirements for sugaring hair removal. Most sugaring clients receive Brazilian and bikini pubic hair removal. Clients remove their pants and underwear and lie on their backs with fully exposed genitals as hair is ripped from the follicles causing pain. Who

do you want offering this intimate and risky service? A trained, licensed professional with background checks, continued education, and routine facility inspections or anyone who read a brochure and took a self-test with no health and safety accountability? I choose the professional. I vote NO. – JO ELLA HOYE, NIKKI McDONALD, SILAS MILLER

Mr. Speaker: The subject of hair removal is particularly hurtful to people who look like me. Nevertheless, I vote yes on **Senate Bill 434** – LES MASON, SCOTT HILL, JASON GOETZ

MR. SPEAKER, I vote No on **Senate Bill 434**. This bill allows unlicensed individuals with criminal records or who are registered sex offenders to provide sugaring services to underage children and adolescents without parental consent or knowledge. These services often involve treating clients in a state of partial nudity. Separate and apart from my concerns about the lack of training in sterile technique and infection control, which is a serious risk to both children and adults as well, allowing criminals and sex offenders to provide these services to children is dangerous. I therefore vote No on **Senate Bill 434**. – VIC MILLER

EXPLANATION OF VOTE

MR. SPEAKER, I vote yes on **Senate Bill 458**. I do so with the understanding the revisions in SB 458 are not intended to and will not impact the pre-conviction bonding procedures found in the Kansas animal cruelty statute (K.S.A. 21-6412), dog fighting statute (K.S.A. 21-6414) or any other law that provides for the expedited disposition of live animals seized during an investigation. In other words, those provisions necessary to allow the state to mitigate the costs of care incurred for live evidence will supersede any contrary provision in **SB 458** and remain enforceable as written. I therefore vote Yes on Senate Bill 458. — JOHN CARMICHAEL

(d) (1) "Homestead" means the dwelling, or any part thereof, owned and occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a manufactured home or mobile home and the land upon which it is situated. The provisions of this paragraph shall apply to: (A) Claims under K.S.A. 79-4508, and amendments thereto, for tax years prior to tax year 2024; and (B) all claims under K.S.A. 79-4508a, and amendments thereto.

(2) Commencing with tax year 2024, for purposes of claims under K.S.A. 79-4508, and amendments thereto, "homestead" means the dwelling, or any part thereof, whether owned or rented, that is occupied as a residence by the household and so much of the land surrounding it, as defined as a home site for ad valorem tax purposes, and may consist of a part of a multi-dwelling or multi-purpose building and a part of the land upon which it is built or a manufactured home or mobile home and the land upon which it is situated.

(3) "Owned" includes a vendee in possession under a land contract, a life tenant, a beneficiary under a trust and one or more joint tenants or tenants in common.

(e) "Claimant" means a person who has filed a claim under the provisions of this act and was, during the entire calendar year preceding the year in which such claim was filed for refund under this act, except as provided in K.S.A. 79-4503, and amendments thereto, both domiciled in this state and was: (1) For purposes of a claim under K.S.A. 79-4508, and amendments thereto: (A) A person having a disability; (B) a person who is 55 years of age or older; (C) a disabled veteran; (D) the surviving spouse of active duty military personnel who died in the line of duty; or (E) a person other than a person included under subparagraph (A), (B), (C) or (D) having one or more dependent children under 18 years of age residing at the person's homestead during the calendar year immediately preceding the year in which a claim is filed under this act; or (2) for purposes of a claim under K.S.A. 2023 Supp. 79-4508a, and amendments thereto: (A) A person who is 65 years of age or older; or (B) a disabled veteran. The surviving spouse of a disabled veteran who was receiving benefits pursuant to subsection (e)(1)(C) at the time of the veterans' death, shall be eligible to continue to receive benefits until such time the surviving spouse remarries.

When a homestead is occupied by two or more individuals and more than one of the individuals is able to qualify as a claimant, the individuals may determine between them as to whom the claimant will be. If they are unable to agree, the matter shall be referred to the secretary of revenue whose decision shall be final.

(f) "Property taxes accrued" means property taxes, exclusive of special assessments, delinquent interest and charges for service, levied on a claimant's homestead in 1979 or any calendar year thereafter by the state of Kansas and the

political and taxing subdivisions of the state. When a homestead is owned by two or more persons or entities as joint tenants or tenants in common and one or more of the persons or entities is not a member of claimant's household, "property taxes accrued" is that part of property taxes levied on the homestead that reflects the ownership percentage of the claimant's household. For purposes of this act, property taxes are "levied" when the tax roll is delivered to the local treasurer with the treasurer's warrant for collection. When a claimant and household own their homestead part of a calendar year, "property taxes accrued" means only taxes levied on the homestead when both owned and occupied as a homestead by the claimant's household at the time of the levy, multiplied by the percentage of 12 months that the property was owned and occupied by the household as its homestead in the year. When a household owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall be the sum of the taxes allocable to those several properties while occupied by the household as its homestead during the year. Whenever a homestead is an integral part of a larger unit such as a multi-purpose or multi-dwelling building, property taxes accrued shall be that percentage of the total property taxes accrued as the value of the homestead is of the total value. For the purpose of this act, the word "unit" refers to that parcel of property covered by a single tax statement of which the homestead is a part.

(g) "Disability" means:

(1) Inability to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or has lasted or can be expected to last for a continuous period of not less than 12 months, and an individual shall be determined to be under a disability only if the physical or mental impairment or impairments are of such severity that the individual is not only unable to do the individual's previous work but cannot, considering age, education and work experience, engage in any other kind of substantial gainful work which exists in the national economy, regardless of whether such work exists in the immediate area in which the individual lives or whether a specific job vacancy exists for the individual, or whether the individual would be hired if application was made for work. For purposes of the preceding sentence (with respect to any individual), "work which exists in the national economy" means work which exists in significant numbers either in the region where the individual lives or in several regions of the country; for purposes of this subsection, a "physical or mental impairment" is an impairment that results from anatomical, physiological or psychological abnormalities which are demonstrable by medically acceptable clinical and laboratory diagnostic techniques; or

(2) blindness and inability by reason of blindness to engage in substantial gainful activity requiring skills or abilities comparable to those of any gainful activity in which the individual has previously engaged with some regularity and over a substantial period of time.

(h) "Blindness" means central visual acuity of $20/200$ or less in the better eye with the use of a correcting lens. An eye which is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees shall be considered for the purpose of this paragraph as having a central visual acuity of $20/200$ or less.

(i) "Disabled veteran" means a person who is a resident of Kansas and has been honorably discharged from active service in any branch of the armed forces of the United States or Kansas national guard and who has been certified by the United States

department of veterans affairs or its successor to have a 50% or greater permanent disability sustained through military action or accident or resulting from disease contracted while in such active service.

(j) "Rent constituting property taxes accrued" means 15% of the gross rent actually paid in cash or its equivalent in 2024 or any taxable year thereafter by a claimant and claimant's household solely for the right of occupancy of a Kansas homestead on which ad valorem property taxes were levied in full for that year. When a household occupies two or more different homesteads in the same calendar year, "rent constituting property taxes accrued" shall be computed by adding the "rent constituting property taxes accrued" for each property rented by the household while occupied by the household as its homestead during the year.

(k) "Gross rent" means the rent paid at arm's length solely for the right of occupancy of a homestead or space rent paid to a landlord for the parking of a mobile home, exclusive of charges for any utilities, services, furniture and furnishings or personal property appliances furnished by the landlord as a part of the rental agreement, whether or not expressly set out in the rental agreement. Whenever the director of taxation finds that the landlord and tenant have not dealt with each other at arm's length and that the "gross rent" charge was excessive, the director may adjust the "gross rent" to a reasonable amount for the purposes of the claim.

Sec. 21. K.S.A. 2023 Supp. 79-4508 is hereby amended to read as follows: 79-4508. (a) Commencing in the tax year beginning after December 31, 2005, the amount of any claim pursuant to this act and under this section shall be computed by deducting the amount computed under column (2) from the amount of claimant's property tax accrued.

	(1)		(2)
	Claimant's household income		Deduction from property tax accrued
		But not more than	
At least			
\$0		\$6,000	\$0
6,001		7,000	4%
7,001		16,000	4% plus 4% of every \$1,000, or fraction thereof, of income in excess of \$7,001

27,001		27,600	95%

Commencing with tax year 2024, column "(2) Deduction from property tax accrued" means deduction from property tax accrued and/or rent constituting property tax accrued, and the amount of any claim under this section shall be computed by deducting the amount computed under column (2) from the amount of claimant's property tax accrued and/or rent constituting property tax accrued.

(b) The director of taxation shall prepare a table under which claims under this act and this section shall be determined. The amount of claim for each bracket shall be

computed only to the nearest \$1.

(c) The claimant may elect not to record the amount claimed on the claim. The claim allowable to persons making this election shall be computed by the department which shall notify the claimant by mail of the amount of the allowable claim.

(d) In the case of all tax years commencing after December 31, 2004, the upper limit threshold amount prescribed in this section, shall be increased by an amount equal to such threshold amount multiplied by the cost-of-living adjustment determined under section 1(f)(3) of the federal internal revenue code for the calendar year in which the taxable year commences.

Sec. 22. K.S.A. 2023 Supp. 79-4509 is hereby amended to read as follows: 79-4509. (a) In the event property taxes accrued, rent constituting property taxes accrued or their sum exceeds \$700 for a household in any one year, the amount thereof shall, for purposes of this act, be deemed to have been \$700.

(b) The provisions of subsection (a) shall not apply to a claim for refund pursuant to K.S.A. 2023 Supp. 79-4508a, and amendments thereto.

Sec. 23. K.S.A. 79-4511 is hereby amended to read as follows: 79-4511. (a) Every claimant under this act shall supply to the division, in support of a claim, reasonable proof of age or disability, and changes of homestead, household membership, household income, and size and nature of property claimed as the homestead. A claim alleging disability shall be supported by a report of the examining physician of the claimant with a statement or certificate that the applicant has a disability within the meaning of subsection (g) of K.S.A. 79-4502, and amendments thereto.

(b) Every claimant who is a homestead owner, or whose claim is based wholly or partly upon homestead ownership at some time during the calendar year, shall supply to the division, in support of a claim, the amount of property taxes levied upon the property claimed as a homestead and a statement that the property taxes accrued used for purposes of this act have been or will be paid by the claimant. Upon request by the division, such claimant shall provide a copy of the statement of property taxes levied upon the property claimed as a homestead. The amount of personal property taxes levied on a manufactured home or mobile home shall be set out on the personal property tax statement showing the amount of such tax as a separate item.

(c) Every claimant who is a homestead renter, or whose claim is based wholly or partly upon homestead rent at some time during the calendar year, shall supply to the division, in support of a claim, a statement prescribed by the director certifying the amount of gross rent paid and that ad valorem property taxes were levied in full for that year on the property, all or a part of which was rented by the claimant. When such claimant reports household income that is 150% or less of the homestead rent amount and such claimant has failed to provide any documentation or information requested by the division to verify such household income in support of a claim as required pursuant to subsection (a), within 30 days of such request, such homestead property tax refund claim shall be denied.

(d) The information required to be furnished under subsection (b) or (c) shall be in addition to that required under subsection (a).

Sec. 24. K.S.A. 79-4522 is hereby amended to read as follows: 79-4522. A person owning or occupying a homestead that is not rental property and for which the appraised valuation for property tax purposes exceeds \$350,000 in any year shall not be entitled to claim a refund of property taxes under the homestead property tax refund act

for any such year. The provisions of this section shall be part of and supplemental to the homestead property tax refund act.";

"Sec. 11. K.S.A. 2023 Supp. 79-2959 is hereby amended to read as follows: 79-2959. (a) There is hereby created the local ad valorem tax reduction fund. All moneys transferred or credited to such fund under the provisions of this act or any other law shall be apportioned and distributed in the manner provided herein.

(b) On January 15 and on July 15 of each year, the director of accounts and reports shall make transfers in equal amounts that in the aggregate equal 3.63% of the total retail sales and compensating taxes credited to the state general fund pursuant to articles 36 and 37 of chapter 79 of the Kansas Statutes Annotated, and amendments thereto, during the preceding calendar year from the state general fund to the local ad valorem tax reduction fund, ~~except that: (1) No moneys shall be transferred from the state general fund to the local ad valorem tax reduction fund during state fiscal years 2023, 2024 and 2025; and (2) the amount of the transfer on each such date shall be \$27,000,000 during fiscal year 2026 and all fiscal years thereafter.~~ All such transfers are subject to reduction under K.S.A. 75-6704, and amendments thereto. All transfers made in accordance with the provisions of this section shall be considered to be revenue transfers from the state general fund.

(c) The state treasurer shall apportion and pay the amounts transferred under subsection (b) to the several county treasurers on January 15 and on July 15 in each year as follows: (1) 65% of the amount to be distributed shall be apportioned on the basis of the population figures of the counties certified to the secretary of state pursuant to K.S.A. 11-201, and amendments thereto, on July 1 of the preceding year; and (2) 35% of such amount shall be apportioned on the basis of the equalized assessed tangible valuations on the tax rolls of the counties on November 1 of the preceding year as certified by the director of property valuation.

Sec. 12. K.S.A. 79-2960 is hereby amended to read as follows: 79-2960. Each year, the county treasurer shall estimate the amount of money each political subdivision in such county ~~(including the county as one such political subdivision)~~, will receive from the local ad valorem tax reduction fund. The state treasurer shall use the most recent available information to advise each county treasurer, prior to June 1 of each year, of the amount of the local ad valorem tax reduction fund of the state that the state treasurer estimates ~~(using the most recent available information)~~ will be paid to such county on January 15 and July 15 of the following year. The county treasurer shall, before June 15 of each year, notify the treasurer of each political subdivision of the estimated amount in dollars of the distributions to be made from the local ad valorem tax reduction fund. Such estimate shall be made in accordance with K.S.A. 79-2961, and amendments thereto. ~~Each tangible property tax levying political subdivision shall set out a local ad valorem tax reduction fund item of income for one or more tangible property tax funds of general application (excepting bond and interest funds), in its budget for the current year tax levies, the amount which the county treasurer has estimated as the share of such local ad valorem tax reduction funds to be so credited. The director of accounts and reports shall make suitable provision in the budget forms to be used by such subdivisions for listing local ad valorem tax reduction fund income items.~~

Sec. 13. K.S.A. 79-2961 is hereby amended to read as follows: 79-2961. (a) ~~The county clerk shall certify to the county treasurer when budgets are made pursuant to K.S.A. 79-2960 and amendments thereto and tax levies are filed with the county clerk. Prior to crediting the proper amounts under subsection (e) and except as provided in subsection (d) (b), the county treasurer shall divide the amount paid by the state~~

treasurer from the local ad valorem tax reduction fund to the county treasurer among the county and all other taxing subdivisions of the county except school districts and any incorporated city within which any portion of the Fort Riley military reservation is located and ~~which that~~ would otherwise be a participant in the Riley county allocation, ~~which comply with the requirements of this act~~, in the proportion that the product of the last preceding total tangible tax rate of each subdivision, times its equalized tangible assessed valuation for the preceding year, is to the sum of such products of all the tangible tax-levying political subdivisions, except school districts and any incorporated city within which any portion of the Fort Riley military reservation is located and which would otherwise be a participant in the Riley county allocation, exclusive of the levy by the county for any deficiency for state purposes.

(b) ~~No political subdivision shall be entitled to participate in the distribution of any money appropriated to carry out K.S.A. 79-2960 and amendments thereto and this section unless and until such political subdivision has adopted and certified a budget for the ensuing year which shows as a separate item the amount of the distribution to one or more tax levy funds of general application within such subdivision except bond and interest funds and has certified a tax levy for each such fund that will produce a sum of money less than the amount which a maximum levy would produce for each such fund, in an amount equal to or in excess of the amount of such distribution. The budget of each political subdivision also shall show that the aggregate levies made by such tangible property tax-levying political subdivisions will produce a sum less than the amount which the aggregate levy would produce in an amount equal to or in excess of the aggregate amount of the budget items of such distribution shown in the aggregate levy.~~

~~(c) In crediting the amount that has been divided pursuant to subsection (a) or subsection (d), The county treasurer shall proceed as follows: Upon receipt of the payment from the state treasurer each year, credit the appropriate fund or funds of each political subdivision complying with the provisions of this act with its proportionate share of such payment and the county treasurer shall notify such political subdivision of the amounts so credited. This section and K.S.A. 79-2960, and amendments thereto, shall not apply to school districts. After the crediting of the July 15 payment, the entire amount credited during the calendar year to such appropriate fund of each political subdivision shall be credited by each such political subdivision to residential property taxpayers in the form of a rebate. Such rebate amount shall be reflected as a credit on the next ensuing property tax statement of each residential property taxpayer. Such rebate amount shall be determined by:~~

~~(1) Dividing the total amount of such payments received by the political subdivision during the calendar year by the total assessed valuation of all residential property in such political subdivision for the current tax year; and~~

~~(2) multiplying the quotient determined under paragraph (1) by the assessed valuation of the taxpayer's residential property for the current tax year.~~

~~(c) As used in this section, "residential property" means property classified for property tax purposes within subclass (1) of class 1 or subclass (1) of class 2 of section 1 of article 11 of the constitution of the state of Kansas.~~

~~(d) The amount paid by the state treasurer to the county treasurer of each county under subsection (d) of K.S.A. 79-2959 and amendments thereto, shall be divided only among the one or more community colleges or municipal universities, or both, which~~

~~received amounts under this section from the payment made from the local ad valorem tax reduction fund on January 15, 1983. The amount received by each such community college or municipal university under this subsection shall bear the same proportion to the total amount paid to such county under subsection (d) of K.S.A. 79-2959 and amendments thereto, as the amount received by such community college or municipal university under this section from the payment made to such county from the local ad valorem tax reduction fund on January 15, 1983, bears to the total amount received by all such community colleges and municipal universities under this section from such payment."~~

Prayer by Chaplain Holmes:

Dear Father, the days seem to be getting a little longer and our patience a bit shorter. Help us to keep our objective clear and our minds engaged. In fact, we would even appreciate an extra helping of energy and stamina.

Your Word declares, "Do you not know? Have you not heard? The everlasting God, the Lord, the creator of the ends of the earth does not become weary or tired. His understanding is inscrutable. He gives strength to the weary, and to him who lacks might he increases power. Though youths grow weary and tired, and vigorous young men stumble badly, yet those who wait for the Lord will gain new strength; They will mount up with wings like eagles. They will run and not get tired. They shall walk and not become weary."

Today, we claim those promises You have made. We will trust You for understanding, when we grapple with the difficult. As weariness sets into our bodies and mind, we will trust You for the power to forge ahead. And as our nerves become somewhat frayed, we will trust You for patience.

O' Lord You know what is right. Help us to discern what You already know. If there is any doubt about an issue or issues, make it clear to us I pray. Help us to be stubborn if we must, but compliant when it is best and necessary. Might we choose our words carefully, that important work does not become obscured by pettiness or self promotion.

Bless our families, as they have been so patient with our long hours. Thank you for all the support personnel we are blessed to work with. Without their diligence and hard work, what we are attempting to accomplish, would be so much more difficult. I ask this In Jesus Name. Amen.

The Pledge of Allegiance was led by Rep. Ellis.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Dodson and Carlin are spread upon the Journal:

Rep. Dodson began: We are here today to recognize the Manhattan Men's Wrestling Team's championship season, culminating in being crowned Kansas State Division 6A Champions for 2024. The team was 362-117, a 75.5% winning percentage. They had 326 pins and 973 take-downs. They took 13 to the state meet and produced 2 state champions. Importantly, they are two time academic state champions.

Wrestling is one of the toughest of all of our sports. It takes complete commitment of the wrestlers 24 hours a day for the entire season. It also requires dedicated coaches and supportive parents. Even though this is an individual sport, it is also a sport of teams. This is usually well recognized in sports but is equally true in most competitive environments in life. I know teamwork is critical in the military. Each team member supports the actions of the one competing.

These teammates that have come together to form this team have known each other for a long time, have competed together and have been together both on and off the mat.

These coaches have led them through rigorous training and have provided encouragement and emotional strength.

The people of Kansas are very proud of your accomplishments and of your sportsmanship. You have established a lasting legacy for yourselves, your school and your community. The entire membership of the Kansas House extends its pride in your significant achievement.

Rep Carlin continued: It is my pleasure today to introduce to you the 6A Boys Kansas Wrestling Championship Team from Manhattan High School and USD 383. A season that was driven by the idea of TEAMWORK and wrestling for each other was capped with an amazing 185 team points this past February in Park City, Kansas. These athletes really came together as a team and worked for the good of all, rather than focusing on individual awards, and it shows in their team score!

The 2024 MHS wrestling team brought home the school's 5th Team State title since 2004. Led by Head Coach Shawn Bammes and Assistant Coach Danny Grater, the 2024 State title was a whole team effort as all 13 qualifiers scored points toward the team title. This year's team was led by 9 State placers with 2 of them winning individual state titles on the Men's side. In total, MHS had 3 individual state champions, Senior Ezekiel Witt and Sophomore Caeleb Hutchinson both won their second individual titles and on the Women's side, Junior Sage Rosario won her 3rd straight individual title. The Boys Varsity were League Runner up; Regional Runner Up; 6A State Champions; had a 17-2 Dual Record and were two time 6A Academic State champions.

Rep. Carlin introduced the following guests. State placers: Cameron Coonrod, Jameal Agnew, Logan Lagerman, Ben Uher, Landon Dobson, Raymond Gary-Hernandez, and Clayton Frehn. Two Time State Champions: Ezekiel Witt and Caeleb Hutchinson. State Qualifiers in the gallery: Brecken Crist-Funk, Jackson Radi, Kadin Dibbini and Max Evan's-Pryor.

The Manhattan High's Women's Wrestling Team placed 10th overall in the 6A Tournament with 61 points. They were lead by Sage Rosario who is the 6A State Champion in her weight class, and brought home her 3rd straight state championship and is undefeated in her high school career. Alayna Slifer and Kayla Cramer also placed in their respective classes. Unfortunately, they are unable to join us here in the Chamber today.

Please join me in recognizing the accomplishments of some amazing Manhattan High School student athletes and their State Championships.

Reps. Dodson and Carlin presented the team with a framed House certificate in honor of their 6-A Championship and a framed House certificate to Coach Bammes in honor of him being named Coach of the Year.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Eric Smith are spread upon the Journal:

I want to take this opportunity and introduce a tremendous group of talented student athletes. For the 2023 football season they went undefeated In Division 1 - 8 man, eventually defeating the defending State Champions, to bring home the State Championship trophy.

This team set and broke many school records too numerous to count. Two of these young men have signed with D-1 Schools. Tanner Heckel has signed and will play for Illinois. Kaden Massey has signed and will be playing for the Kansas State University Wildcats. In addition Jalen Massey has signed and will play for Washburn University, and Casten Wirth will be playing for the Butler County Grizzlies. Congratulations to Head Coach Michael Massey and assistant coaches Toby Baker, Scott Jones, Todd Griffin and Ryan Haskins. It does not stop there. One week after winning the State football championship, many of these same student athletes traded in their football Jerseys and joined their teammates for 2-A Basketball season. They recorded a school record of 25 wins and one loss. That loss was to the defending State Champions.

Congratulations to Head Coach Michael Massey and assistant coach Ryan Haskins. Also, thank you to Brad Marcotte, District Superintendent, for his unwavering support. Ladies and Gentlemen, these are the kind of Kansas student athletes who make us proud to be citizens of our great State! Would you join me in congratulating the Lyndon Tigers and their terrific athletic achievements.

Rep. Eric Smith presented the team with a framed House certificate in honor of their Championship.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Waymaster are spread upon the Journal:

It is my pleasure to recognize Jaden Ney from Russell High School today. She has had an amazing three years of wrestling that came with many firsts. In Jaden's freshman year she became the first girl to medal at the wrestling state championship from Russell and returned to the state championship as a sophomore. This season became historic when Jaden became the first female state champion from Russell, becoming just the fourth Bronco to win a state championship, and the first since 1965. This season was even more remarkable as Jaden finished the season undefeated, going thirty-eight and zero, which makes her just one of five girls in 4-1A who finished their season undefeated. In the championship match, she never trailed. In her senior season she will look to capstone her wrestling career as a Bronco, by becoming Russell's first repeat champion and the first girl from Mid-Continent League school to do so. Please join me in congratulating Jaden Ney on her first state championship.

Rep. Waymaster presented Miss Ney with a framed House certificate in honor of her many accomplishments.

INTRODUCTION OF GUESTS

As Social Workers, Rep. Susan Ruiz, LSCSW & Rep. Heather Meyer, BSW, are honored to recognize March as National Social Work Month, and to celebrate Kansas Social Workers for the positive impact they continue to have on so many Kansas individuals, families, and communities.

There being no objection, the following remarks of Reps. Meyer and Ruiz are spread upon the Journal:

This year Kansas social workers celebrate a historic landmark with the 50th anniversary of the state's Social Work Practice Act. In 1974, social workers joined together under the auspices of the Kansas Council of the National Association of Social Workers (NASW) and persuaded the Kansas Legislature to require that social workers be licensed to provide mental health services.

Social workers are the largest provider of mental health services in Kansas and across the nation. There are currently over 8,000 licensed social workers in Kansas, and even more have served our communities since the 1974 law was enacted. We encourage you--during Social Work Month and beyond--to learn more about the social work profession, to advocate for an increase in social workers across the state, and to take the time to thank a social worker in your community, who most likely has impacted countless individuals across Kansas in many positive ways.

Please join us in recognizing National Social Work Month, celebrating the 50th anniversary of the Kansas Social Work Practice Act, and applauding all Kansas social workers for their compassion, service, and advocacy for Kansas' most vulnerable individuals.

Reps. Meyer and Ruiz introduced their guests and presented them with a framed House certificate in honor of their contributions.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Reps. Goddard and L. Williams are spread upon the Journal:

Rep. Goddard: began: Thank you, Mr. Speaker, and Body, for the opportunity to honor and recognize the remarkable contributions of Nelly Don and Terence O'Malley to the state of Kansas.

First, I'll share some brief highlights of the contributions of Nell Quinlan Donnelly Reed-also remembered as Nelly Don. She was born in my hometown of Parsons, Kansas, on March 6, 1889 where she began her passion for clothing design at a very young age. From her Parson's beginnings, she moved to the greater Kansas City area and became a global fashion trailblazer, selling 75 million dresses worldwide from 1916 to 1978.

The Nelly Don label grew into a multi-million dollar company. During World War II, Nelly Don was one of the largest manufacturers of women's military and work clothing. Then...

In the late 1940's, she built one of the largest dress manufacturing plants in Kansas City. By the time of her departure from her clothing empire, Nelly Don, in 1956, she had become one of the first and most successful self-made women millionaires in American business.

Rep. Laura Williams continued: Next, we have with us Nelly Don's grandnephew Terence O'Malley. Terence is a talented historian who has devoted his life's work to the preservation of Nelly Don's legacy through a book, documentary, musical, and recent feature film. His feature film, Nelly Don the Musical Movie continues to captivate moviegoers and was the highest-grossing film in 2023 at the Glenwood Arts Theatre in Overland Park, Kansas – underscoring the demand for these historical, regional stories. The movie was partially filmed at Shawnee Towne 1929 Museum in Shawnee, Kansas. Terence's work has provided a historical lens for women's achievements and has inspired future generations to pursue their dreams.

Thank you, Mr. Terence O'Malley for preserving the legacy of Nelly Don and sharing her legacy with the world. From Parsons to Kansas City - we are proud to honor you today.

Reps. Goddard and L. Willams presented their guests with a framed House certificate in honor of Nelly Don and her accomplishments and their continued efforts to preserve her place in history.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote No on **HB 2653**. K.S.A. 23-2215 states, "The court may order the payment of all or a portion of the necessary medical expenses incident to the child's birth." Child support for pregnancy medical expenses is already available in Kansas. The Federal Office of Child Support Enforcement provides funding for child support services. The federal government establishes a parental relationship after there is a live birth. This bill puts federal funding at risk, and mothers could be left on their own to seek child support orders without state assistance that currently exists. I vote No. – JO ELLA HOYE, LINDA FEATHERSTON, SUSAN RUIZ, DAN OSMAN, ANGELA MARTINEZ, KIRK HASKINS, SYDNEY CARLIN, VALDENIA WINN, LYNN MELTON, NIKKI McDONALD, MARI-LYNN POSKIN, CINDY NEIGHBOR, BARBARA BALLARD

MR. SPEAKER: I VOTE NO ON **HB 2653**. I have not forgotten that Kansans sent an overwhelming message that they support reproductive rights. Fetal personhood definitions are underhanded attempts to advance an anti-abortion agenda. This bill purports to address the financial burdens of pregnancy and parenthood, but without Roe v. Wade to protect us, we would be one step closer to criminalizing any behavior that is deemed to threaten a pregnancy. I vote NO. – CHRISTINA HASWOOD, ALLISON HOUGLAND, VIC MILLER, JOHN ALCALA, FORD CARR, LOUIS RUIZ, STEPHANIE SAWYER-CLAYTON, JERRY STOGSDILL, SILAS MILLER

MR. SPEAKER: I voted NO on **HB 2653**. Let's be clear, during those 40 weeks is when the money is needed as stated yesterday. Passing this bill gives false hope to pregnant women who need help with medical expenses, while waiting on blood test results and court proceedings, meanwhile bills pile without guaranteed money. This bill will weigh down already over-loaded court systems in all Counties in Kansas. Nowhere in this bill is it stated that pregnant women will be fast tracked thru the court systems or that men would be required to provide blood samples to prove paternity. – MELISSA OROPEZA, BRANDON WOODARD

HB 2757, AN ACT concerning adoption; relating to the expenses thereof; enacting the adoption savings account act; allowing individuals to establish adoption savings accounts with certain financial institutions; providing eligible expenses, requirements and restrictions for such accounts; requiring the secretary of revenue to adopt certain rules and regulations; granting nonexclusive marketing authority to the state treasurer; establishing addition and subtraction modifications for contributions to such accounts under the Kansas income tax act; amending K.S.A. 2023 Supp. 79-32,117 and repealing the existing section, was considered on final action.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote YES **HCR 5026**. Even though this is a resolution that will not affect on the decisions of the Congress, it is important to voice a Rural opinion. Over 80 million people in the U.S. listen to AM radio each month, there are more than 6,000 AM radio stations. The radio frequency of AM travels for hundreds of miles making it a strong media for stations to get information out to less populated areas. FM radio frequencies are clearer, but their range is only in line of sight miles. AM radio unlike satellite radio broadcasts local advertising, weather, news and sports. — BILL RHILEY

MR. SPEAKER: I vote no on **HCR 5026**. I certainly support AM radio, and I've always been a big fan of conservative talk radio on AM radio. However, this resolution encourages Congress to pass a bill which would require all vehicle manufacturers to include AM radio in every vehicle they manufacture. I believe this violates free market principles and limited government principles. I don't like that some vehicle manufacturers are choosing to not include AM radio in their vehicles, but I'm just not a fan of government mandates. — BRETT FAIRCHILD

EXPLANATION OF VOTE

MR. SPEAKER: I vote yes on **House Substitute for SB 37**. I firmly believe it is inappropriate for our state to allocate resources to countries that present substantial obstacles to human rights, international stability, and our national security. I am also opposed to our state engaging in business with nations such as Iran where women are subjected to stoning merely for being seen in public with male who is not a relative: in Russia, where political opponents are imprisoned or assassinated; and in China, where ethnic minorities like the Uighur population are currently being enslaved. We're better than this. – NICK HOHEISEL, JASON GOETZ

EXPLANATIONS OF VOTE

MR. SPEAKER: Information presented to the interim committee on Foreign Adversary Land Acquisition showed that there was no present threat to Kansas from land acquisition by foreign citizens, with Chinese nationals owning only one acre of Kansas farmland. To the extent that there is a problem, much of it could be addressed by our existing prohibition on corporate ownership of farmland, which the Attorney General is not enforcing. I vote No on **H Sub for SB 172**. - DENNIS "BOOG" HIGHBERGER

Mr. Speaker: I vote no on H Sub for SB 172 The bill likely does nothing to actually help protect our state from foreign interests. To the extent that this bill affects anyone, it affects everyday people, those who are trying to live the American dream. There were too many unanswered questions to the bill's effects. This bill is unnecessary. – Melissa Oropeza, Lynn Melton, Susan Ruiz

H Sub for SB 271, AN ACT concerning infrastructure; relating to drone technology; prohibiting any governmental agency from purchasing, acquiring or otherwise using any drone with critical components produced in any country of concern or produced or owned by any foreign principal; establishing the Kansas drone reimbursement expense fund to be administered by the attorney general; authorizing transfers of moneys from the state general fund to such fund; allowing governmental agencies to seek reimbursement for the cost of purchasing a replacement drone, transfer restricted drones to the office of the attorney general or, if no reimbursement is received, dispose of drones or sell drones for private use, was considered on final action.

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote no on **H Sub for SB 271**. The bill creates “the drone rehabilitation fund,” which would require a 2.5 million dollar transfer from the State General Fund to the KDRF. National defense is primarily a federal issue, and I don’t believe the state government needs to be spending money on drones when we have so many other spending priorities. When we have so many key funding priorities at the state level such as education, transportation, and corrections, it’s a bad idea to create a new government program that focuses on something that’s meant to be a federal issue. –
BRETT FAIRCHILD

EXPLANATIONS OF VOTE

MR. SPEAKER: I vote yes on **H Sub for SB 300**. Yet this vote needs explanation because better is possible. We could, have and should have, passed a single rate tax plan that lowered every Kansans' taxes and been harder to raise in the future. For smaller-government, growth-oriented conservatives, let's continue to work together toward a path to economic growth that would send a signal to retirees, businesses, and investors that Kansas wants to compete and we want to match our hard-working, honest, and faith-filled values with better policy. If this is the best we can do today, we'll take it. We are on the right path — SUSAN HUMPHRIES, BARBARA WASINGER, STEPHEN OWENS, ERIC SMITH, PATRICK A. PENN, SEAN TARWATER, KRISTEY WILLIAMS, CARL MAUGHAN, BRIAN BERGKAMP, CARRIE BARTH, PAUL WAGGONER

MR. SPEAKER: I vote YES on House Substitute for Senate Bill 300. This comprehensive tax relief proposal provides responsible, sustainable tax relief to Kansas taxpayers. With the current substantial state surplus, this bill front-loads the fiscal impact while retaining long-term sustainability. Families save at the grocery store earlier than scheduled. Seniors are immediately exempt from tax on Social Security benefits. Working class taxpayers keep more of their hard-earned money through income tax changes. Homeowners receive significant savings by increasing the residential exemption by nearly 250 percent and all property owners receive tax relief by reducing the statewide mill levy. I encourage everyone to vote Yes on this tax relief compromise bill. MR. SPEAKER: I vote AYE on **House Substitute for SB 300**. This bill provides much needed sales tax, income tax, social security tax and property tax relief. I do feel badly we did not do more in the way of additional property tax relief for homeowners. And I feel particularly saddened this bill eliminates the opportunity to fund the Local *Ad Valorem* Tax Reduction Fund any time in the future. — VIC MILLER

EXPLANATIONS OF VOTE

MR. SPEAKER: My no vote on **H Sub SB 387** reflects grave concerns I have about the special education provisions and the at-risk portions of this bill. I am opposed to the practice of attaching policy onto appropriation bills. Additionally, I object to bundling many bills into one bill. The controversial *gut and go* procedure was used to craft this mega bill which bundles the good with the very bad and for this reason I cannot vote yes on this bill. – NIKKI McDONALD, LYNN MELTON, TOBIAS SCHLINGENSIEPEN, CINDY NEIGHBOR, ALLISON HOUGLAND, DENNIS MILLER, VALDENIA WINN, DENNIS “BOOG” HIGHBERGER, MIKE AMYX, DAN OSMAN, CHRISTINA HASWOOD, VIC MILLER, KC OHAEBOSIM, JERRY STOGSDILL

MR. SPEAKER: I oppose **H Sub SB 387** due to its incorrect and biased information. While we prioritize national security & the free market, we must also protect the free minds of our children. Despite hearing education veterans' warnings, disrespect towards education leaders persists. We mock frontline educators pleading for us to listen to their recommendations. The bill misleads teachers by boasting \$77 million in new SPED funding without disclosing its impact on local autonomy. SB 387 restricts districts' flexibility, undermining the protection of our children's education and special gifts. Let's prioritize securing the well-being of our KS youth so they can soar higher than any enemy drone. – KIRK HASKINS, DAVID YOUNGER, LYNN MELTON, SUSAN RUIZ, MELISSA OROPEZA, LINDA FEATHERSTON, JERRY STOGSDILL, SILAS MILLER

MR. SPEAKER: I vote NO on **SB 387**. I refuse to take part in the legislature shirking its duty to fully fund SPED with the audited formula with these findings:

“Special education funding has been correctly calculated and distributed in the years we reviewed, but the Legislature has provided less funding than required by state law” (KSLPA, 2018).

It's an election year ruse to count local dollars towards OUR state obligation. I appreciate the additional funding, I will not lie to my constituents and tell them “We fully funded SPED,” when it's just magic math to make it appear so. Students, teachers and families deserve better. – MARI-LYNN POSKIN

EXPLANATION OF VOTE

MR. SPEAKER: I vote no on **SB 233**. Medical professionals and associations across the country recognize gender-affirming care as a critical tool available to transgender kids. House Republicans today again inserted themselves into the very private, very intimate relationships between parents, physicians, and children. For many kids and parents, gender-affirming care is a life or death step. I cannot possibly be any more clear: The state legislature has no right to take away the decision-making power from parents and doctors. I'm sick and tired of this 'parental rights' rhetoric only being used when it is convenient for the opposition party." – VIC MILLER

FIFTY-SEVENTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,

The roll was called with 105 members present.

Prayer by Chaplain Holmes:

Good Morning Father; I thank You for the celebrations of this past Holy Week. All humanity has once again been reminded that love and grace always prevails, even in the midst of man's attempt to at times subvert it. Indeed, as the Apostle Paul says "love never fails."

There is much facing this body within the next few days. I pray Your grace and wisdom would abound.

Your word declares "A person will be satisfied with good by the fruit of their words, and the deeds of a person's hands will return to them. The way of a fool is right in their own eyes, but a wise person is the one who listens to counsel."

I pray the words spoken in this chamber today will be of such that all who participate will be pleased when reminded of the words chosen for debate. O'Lord allow those words and subsequent actions, to produce a harvest of good fruit for the people of Kansas. I pray the minutia of the moment will be eclipsed by the good and wise counsel of the informed.

As the days get longer and patience shorter, I pray for Your Spirit to hover over each individual. Might any harsh words contemplated be traded for one's of grace and dignity.

Your Word reminds us, "A gentle answer turns away wrath, but a harsh word stirs up anger. The tongue of the wise makes knowledge acceptable." Help us to use gentle words of wisdom rather than harsh words of folly.

I pray for those who are experiencing physical difficulties. We often believe we know the right answers toward healing, but we also know You know things we do not. Reveal a path towards health as only You can!

I pray these things in Jesus Name. Amen.

The Pledge of Allegiance was led by Rep. Eplee.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Schreiber are spread upon the Journal:

For 54 years, Special Olympics Kansas has offered year-round sports training and athletic competition in 20 Olympic-type sports for children and adults with intellectual disabilities. Typical traditional sports include skiing, basketball, cheerleading, volleyball, golf, tennis and track and field to name just a few. Kansas boasts 105 local teams; with 5,400 athletes representing most, if not all, of Kansas' 105 counties. It is the belief that Special Olympics give them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills, and friendship with citizens of Kansas.

Recently, Special Olympics Kansas has started a partnership with the Kansas State High School Activities Association to introduce the Unified Champion Schools strategy to local high schools through Unified Bowling. Hundreds of school age children with and without an intellectual disability are partnered together, practicing and competing as Unified Pairs. In 2023, the State Championship school was Liberal High School. As those who participate graduate, they find Unified Sports waiting for them in most Kansas Universities and Colleges and through local Special Olympics Programs.

We are honored to have Kansas' Unified Volleyball Team from the Manhattan Sport Club here with us today. In the summer of 2023, they traveled to the Special Olympics World Games in Munich, Germany. They brought back to Kansas the bronze medal in the final game against Kazakhstan!

Today we are joined by: Michael Carpenter, Dirk Andrade, Tamara Hagemann, Brad Haverstein, Luke Schulte and their coaches Jamie and Kim Schnee.

To hear more about Special Olympics Kansas and the tremendous growth throughout Kansas going on, please come to the Legislative Shrimp Peel at the Ag Hall at the Kansas Expocentre grounds tonight. Doors open at 6:00PM with all you can eat country low boil, drinks, auction, and short program about the Unified movement. Your support in this event and Special Olympics overall truly is changing the communities you represent.

Join me in congratulating members of this team and welcoming them to the Kansas House.

Prayer by Chaplain Holmes:

Dear Father; This current Session was begun with absolute focus and intent. The mission was clear and the objective compelling. Each one gathered here today desired then and desires now to make The State of Kansas an appealing place to live, work and raise a family. I pray the things accomplished in this chamber the past few months will prove to be a blessing to the people of Kansas.

We still have much to complete. Bless that which is set before us I pray. Allow the decisions we make to bless the good people of our State.

Help us to choose words of kindness and grace as we address one another and our work. Guide our minds in such a way that good and productive things are accomplished, and those observing can see we desire to be accountable to them and our tasks.

Many are tired in body and spirit. Renew them with energy that only You can provide. Your Word says, "Come to Me, all who are weary and heavy laden, and I will give you rest." I claim that promise for these legislatures as they work to finish well.

Many of our families have paid a price as we have diligently invested for the people of Kansas. They have endured long hours of absence without us. At times they may have felt we were more concerned about passing laws than spending time with them. O'Lord, would You encourage each family member today. Might the vitality of their relationships be enhanced as things return to somewhat of a reasonable reality.

Bless our local police and first responders. Thank you for giving them to us as instruments of assurance and protection.

In Jesus name I pray. Amen.

The Pledge of Allegiance was led by Rep. Martinez.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Haskins are spread upon the Journal:

Colleagues and guests, it is with immense pride to recognize the accomplishments of the Washburn Rural High School Chess Club and fellow Auburn-Washburn middle school and elementary 2024 Kansas State Chess Champions hosted by the Kansas Scholastic Chess Association. Their remarkable performance not only showcases their talent and competitive spirit but also underscores the countless benefits of chess for our youth and community.

Chess fosters critical thinking, strategic planning, and problem-solving skills crucial for success in academics and life. It cultivates qualities like patience, resilience, and perseverance in the face of challenges. Moreover, research demonstrates that chess players often exhibit improved academic performance and mental agility akin to Olympic athletes. The International Olympic Committee and 100 other countries would call these students – athletes.

Today, we proudly acknowledge the achievements of the twenty Washburn Rural High School chess athletes who participated in six tournaments this year. Together, they secured an impressive tally of three first-place, two second-place, and one third-place team finishes.

Joining us in the gallery are freshman Miles Chapman, juniors Harris Chaudhry and Max Kuhlmann, and Club sponsor Mr. Timothy McVey. On the floor today, we have the senior athletes of the Washburn Rural High 2024 Kansas State Chess Championship team:

- Sam Byrne - Plans to study biology in college.
- Finn Byrne - Finn earned second place in the State competition (K-12 Division). Will be studying Computer Science at KU.
- Eli Chapman - Will be studying Computer Science at KU.
- Chase Eichholz – Will be studying Computer Science at KU.
- Nathan Haskins - Will be studying Computer Science at KU.
- Yecinta Ngure – Plans to study Biomedical Engineering at UMKC.
- Tej Patel - Studying Data Science & Neural Behavior after graduation.
- Pierce Romine- Studying History after graduation.
- Brennen Ross- Studying business administration with a finance emphasis at Washburn University.
- Anshumann Zutshi-Studying economics and international relations in college.

Studies have revealed that chess not only enhances cognitive skills but also fosters a sense of community and a spirit of service. Beyond competing in tournaments, members of our chess team dedicated their time to tutoring middle and elementary school students within the Auburn-Washburn community. Additionally, they played a

pivotal role in initiating chess clubs at Pauline South, Pauline Central, Farley, Indian Hills, Jay Shideler, and Topeka Collegiate.

Joining us in the gallery today are these young chess athletes, who exemplify dedication and service.

I am pleased to announce that Washburn Rural High School was not the sole bearer of glory this year. Both Washburn Rural Middle School and Jay Shideler Elementary School showcased exceptional skills by clinching the 2024 state title in their respective divisions. Furthermore, Indian Hills Elementary School secured the position of state runners-up.

Renowned American chess prodigy and world champion, Bobby Fischer, famously remarked, 'Chess is Life... You must take your opponent into a deep, dark forest where $2+2=5$, and the path leading out is only wide enough for one... You have to have a fighting spirit. You have to force moves and take chances.' This quote encapsulates the essence of both these remarkable athletes and the spirit of being a Kansan.

I invite all members of the Auburn-Washburn Chess Club to please stand. Colleagues, based on the state's current statistics of retaining our college graduates after six years, six of these 10 exceptional minds will leave our state. I ask that you rise to not only recognize their accomplishments but also demonstrate our steadfast commitment to do everything we can to keep these exceptional athletes to ensure the future of Kansas will be a checkmate.

Rep. Haskins presented the team with a framed House certificate in recognition of their many accomplishments.

Prayer by Chaplain Holmes:

Dear Father. We want to thank You for all the good and positive things which has occurred in this chamber during the current session. You have been so kind as to offer wisdom, insight and knowledge as the work for the people of Kansas has moved forward. I pray Your blessings upon each of these who have helped to make our State an even better place to call home.

Father, as this part of our session begins to wind down, help us to end well! Your Word teaches, "Let no unwholesome word proceed from your mouth, but only such a word as is good for edification, according to the need of the moment, that it may give grace to those who hear. Let all bitterness and wrath and anger and clamor and slander be put away from you, along with all malice. And be kind to one another, tender hearted, forgiving each other." Might we strive to imitate You as we work to leave a legacy of achievement for the people of Kansas.

We want to thank You once again for the wonderful support we have received from those who have helped to make our load a little lighter; janitors, clerks, pages, security personnel and all of our wonderful helpers, in areas too numerous to count.

We would be remiss in not mentioning our families to You! It has been through their faithfulness that we have been able to accomplish so many good things for those who elected us. Thank You for their faithfulness and patience!

After this session closes, remind us people are still watching us! They so want to respect and trust us. Help us to never be the one who violates that trust.

In Jesus Name I pray. Amen.

The Pledge of Allegiance was led by Rep. Essex.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Ballard are spread upon the Journal:

In 1941, US Representative Edith Nourse Rogers of Massachusetts introduced a bill that would give women a larger role in the armed forces. President Roosevelt signed a version of that bill into law, establishing the Women's Army Auxiliary Corps (WAAC) "for the purpose of making available to the national defense the knowledge, skill and special training of women of the nation." The pioneering Black educator Mary McLeod Bethune, working alongside her close friend first lady Eleanor Roosevelt, argued for a more prominent role for Black women in the military. "We must not fail America," Bethune urged her fellow African Americans, "and as Americans, we must not let America fail us." In 1943, the WAAC dropped the word "Auxiliary" and allowed women to become members of the regular Army.

Altogether, about 6,500 Black women enlisted in the Women's Army Corps during World War II. Charity Edna Adams, a young woman from South Carolina, was recommended by a dean at Wilberforce University, where she'd graduated with a triple major in math, physics and Latin, and a minor in history.

All U.S. service members stationed in Europe had individual file cards noting where they were at any given time. But the troops had been moving quickly, and the mail had fallen far behind. It didn't help that so many service members had the same name; for instance, there were 7,500 Robert Smiths (many listed under variations like Bob, Rob and Bobby.)

This Women's Army group of 855 Black women traveled to Birmingham, England, where they moved into King Edward's School building. Their accommodations were primitive, with showers outside in the courtyard in the freezing February air. Their work environment was worse. One of the battalion's first tasks was to clear six airplane hangars filled to the brim with mail, including huge piles of Christmas parcels that had arrived during the recent Battle of the Bulge. Rats and other vermin were feasting on the baked goods. Windows were blacked out to deter air raids.

The unit worked round the clock, seven days a week, in three eight-hour shifts each of which processed an average of more than 65,000 pieces of mail. Some packages had been damaged beyond repair, so a special unit had to reassemble their scattered contents by matching up dates and packing materials. The Six Triple Eight – as they were called – also had the task of censoring letters, making sure no sensitive information would compromise the war effort.

By May 1945, the women had achieved in three months what no one before them had managed to do in two years. They'd cleared the mail backlog in England. From there, they were transferred to Rouen, France, to tackle more mail issues.

The Six Triple Eight finished their work in early 1946, clearing the last backlogs of mail in Paris. A booklet called *The WAC*, published in late 1945, declared that the Six

Triple Eight had broken all existing records for mail delivery. These women delivered 17 million pieces of mail between soldiers and loved ones back home.

Colonel Edna Cummings was reading online one day in 2015 when she stumbled upon a story about another African American Colonel named Edna: Charity Edna Adams.

Cummings helped lead an effort for a monument to the Six Triple Eight at Fort Leavenworth, KS. On a chilly November day in 2018, five members of the Six Triple Eight attended an unveiling ceremony in wheelchairs, their laps covered with blankets. “My dad is a WWII veteran,” said Jerry Moran, the senior US Senator from Kansas, addressing the women. “I never thought about it on a personal level until I was with you today – what role you and others played in my family’s life, to make sure that my mom and dad communicated with each other for the long period of World War II. So, from my family, a personal thank you to you, for keeping two people who loved each other together. When we unveil this memorial, what we are really saying is this: Thank you for your service. We respect you. And we love you. God bless you.”

James Theres, the historian who directed the Six Triple Eight documentary, suggested to Cummings that the women should be awarded the Congressional Gold Medal. Senator Moran co-sponsored the bi-partisan legislation with my friend, Representative Gwen Moore of Wisconsin, but a Congressional Gold medal needs a two-thirds vote from Congress.

Word went out among veterans, churches and other networks of people who might be able to persuade politicians. In the end the bill passed unanimously in both the Senate and the House of Representatives. President Joe Biden signed it into law March 14, 2022 – 77 years after World War II.

As far as Congress is concerned, the Six Triple Eight were simply great Americans who crossed oceans and cultural barriers to serve their country brilliantly. They kept troops connected with their loved ones back home and made America a more perfect union. When the Congressional Gold Medal is minted, it will hang in the Smithsonian for everyone to see -a mirror for our better selves and a beacon for all the brave girls still to come.

You can see this new film on Netflix later this year. It was written, directed, and produced by Tyler Perry. “Six Triple Eight” tells the inspiring true story of the 6888th Postal Directory Battalion. Kerry Washington is the film’s star and an executive producer.

“...to honor the long-ignored worth of the 6888 has been the greatest privilege of my career thus far.” – Tyler Perry

“It is the honor and privilege of a lifetime to step into these women’s shoes. They are the epitome of strength, perseverance, and resilience. I can’t wait for you to see them in action!” – Kerry Washington

On emergency motion of Rep. Poskin, **HR 6046**, as follows, was introduced and adopted:

HR 6046—A RESOLUTION congratulating SevenDays on its 10th anniversary of teaching kindness and making a ripple to change the world.

By Representative Poskin

WHEREAS, We overcome hate by promoting kindness and understanding through education and dialogue; and

WHEREAS, SevenDays is an organization that provides opportunities to encourage all people to participate in activities that promote the practice of kindness; and

WHEREAS, SevenDays continues its daily themes of "Love, Discover, Others, Connect, You, Go and Onward," as it brings people from all walks of life together to overcome hate with acts of kindness; and

WHEREAS, The memories of three wonderful and unique people, Reat Underwood, Dr. William Corporon and Terri LaManno, whose lives were tragically taken during a shooting at the Jewish Community Center of Greater Kansas City and Village Shalom in Overland Park, Kansas, on April 13, 2014, will be honored through kindness and understanding; and

WHEREAS, SevenDays expands its acts of compassion, acceptance and understanding to those who gather to celebrate; and

WHEREAS, We fully support and encourage all in Kansas, including residents,

businesses, organizations and visitors to come together during the SevenDays event, to act more kindly and be more understanding of differences, thereby making the world a better place, one ripple at a time: Now, therefore,

Be it further resolved: That we encourage all Kansans to engage in acts of kindness throughout the week and remember the events of April 13, 2014, not only for the losses of that day but also for the significance of the powerful and enduring vow to overcome hate with kindness; and

Be it further resolved: That the Chief Clerk of the House of Representatives shall send three enrolled copies of this resolution to SevenDays and one copy to Representative Poskin.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Poskin are spread upon the Journal:

I bring forward House Resolution 6046, in honor of kindness and understanding. May there be ever more of both in this world! 10 years ago on April 14, 2014, House District 20 was shattered by the tragic shooting deaths at the Jewish Community Center and Village Shalom retirement village. Fueled by antisemitic hate, the gunman took the lives of 14 year old Reat Underwood, his grandfather, Dr. William Corporon, both members of my church, and Terri LaManno, who was making her weekly visit to her mother in the village.

In the aftermath, two families and our community joined hands and hearts to shine a light on the darkness of hate and the SevenDays organization was born. The SevenDays® experience provides opportunities encouraging all people to increase kindness through knowledge, mindset and behavior. Today, our House Resolution congratulates Seven Days on its 10th anniversary of teaching kindness and understanding through education and dialogue...and making a ripple to change the world.

Today, I introduce Seven Days board member Lisa Schifman, and Media and Community Relations Director, Ruth Bigus, and thank them for their tireless efforts as they begin their 10th anniversary celebratory events on April 10th to which everyone is invited. Please see the flyers on your desks for detailed information.

Please join me in full support and encouragement of all in Kansas including residents, businesses, organizations and visitors to come together during the SevenDays to act more kindly and be more understanding of differences, thereby making the world a better place one ripple at a time.

(A) To operate at a low-capacity factor; or

(B) that are offline during normal operating conditions and providing capacity only.

(i) The commission shall prepare and submit to the legislature by December 1 of each year an annual report based on the preceding calendar year that provides:

(D) commencing July 1, 2027, and each year thereafter, 5% of the utility's historic highest annual peak demand since 2014.

(2) The commission may increase the total rated generating capacity of all net metered systems to an amount above ~~one percent~~ 5% after conducting a hearing pursuant to K.S.A. 66-101d, and amendments thereto;

(b) provide an appropriate class bidirectional meter to the customer-generator at no charge, but may charge the customer-generator for the cost of any additional metering or distribution equipment necessary to accommodate the customer-generator's facility;

(c) disclose annually the availability of the net metering program to each of its customers with the method and manner of disclosure being at the discretion of the utility;

(d) for any customer-generator ~~which~~ that began operating its renewable energy resource under an interconnect agreement with the utility prior to July 1, 2014, offer to the customer-generator a tariff or contract that is identical in electrical energy rates, rate structure and monthly charges to the contract or tariff that the customer would be assigned if the customer were not an eligible customer-generator and shall not charge

the customer-generator any additional standby, capacity, interconnection or other fee or charge that would not otherwise be charged if the customer were not an eligible customer-generator; and

(c) for any customer-generator ~~which that~~ began operating its renewable energy resource under an interconnect agreement with the utility on or after July 1, 2014, have the option to propose, within an appropriate rate proceeding, the application of time-of-use rates, minimum bills, incentive programs or other rate structures that would apply to all such customer-generators prospectively.

Sec. 7. K.S.A. 66-1266 is hereby amended to read as follows: 66-1266. (a) Prior to January 1, 2030, for any customer-generator that began operating a renewable energy resource under an interconnect agreement with the utility prior to July 1, 2014:

(1) If the electricity supplied by the utility exceeds the electricity ~~generated-exported~~ by the customer-generator during a billing period, the customer-generator shall be billed for the net electricity supplied by the utility in accordance with normal practices for customers in the same rate class.

(2) If such customer-generator ~~generates~~ exports electricity in excess of the ~~customer-generator's monthly consumption~~ electricity supplied by the utility, all such net excess ~~energy (NEG) generation~~, expressed in kilowatt-hours, shall be carried forward from month-to-month and credited at a ratio of one-to-one against the ~~customer-generator's energy consumption~~ electricity supplied by the utility, expressed in kilowatt-hours, in subsequent months.

(3) Any interconnect agreement between such customer-generator and a utility and all such ~~NEG generated net excess generation exported~~ under such agreement shall be ~~transferable~~ transferable and continue in place until January 1, 2030, regardless of whether there is a change in ownership of the property ~~on which where~~ the renewable energy resource is located.

(4) Any ~~NEG resulting net excess generation exported~~ from renewable energy resources that are installed on and after July 1, 2014, but are part of an installation of a renewable energy resource that was operating prior to July 1, 2014, shall be carried forward and credited to the customer as if such resources had begun operation prior to July 1, 2014.

(5) Any net excess generation credit remaining in a net-metering customer's account on March 31 of each year shall expire.

(b) For any customer-generator that began operating a renewable energy resource under an interconnect agreement with the utility on and after July 1, 2014:

(1) If the electricity supplied by the utility exceeds the electricity ~~generated-exported~~ by the customer-generator during a billing period, the customer-generator shall be billed for the net electricity supplied by the utility.

(2) If such customer-generator ~~generates~~ exports electricity in excess of the ~~customer-generator's monthly consumption~~ electricity supplied by the utility, all such ~~NEG net excess generation~~ remaining in such customer-generator's account at the end of each billing period shall be credited to the customer at a rate of at least 100% of the utility's monthly system average cost of energy per kilowatt hour.

(c) Except as otherwise provided in subsection (d), on and after January 1, 2030, for all customer-generators, regardless of when such customer-generators entered into an interconnect agreement with the utility:

(1) If the electricity supplied by the utility exceeds the electricity ~~generated-~~

exported by the customer-generator during a billing period, the customer-generator shall be billed for the net electricity supplied by the utility; and

(2) if such customer-generator ~~generates~~ exports electricity in excess of the ~~customer-generator's monthly consumption~~ electricity supplied by the utility, all such ~~NEG net excess generation~~ remaining in a customer-generator's account at the end of each billing period shall be credited to the customer at a rate of at least 100% of the utility's monthly system average cost of energy per kilowatt hour.

(d) For any customer-generator that began operating a renewable energy resource under an interconnect agreement with the utility on and after July 1, 2024, and receives service on an optional time-varying rate:

(1) The utility shall measure the net electrical energy exported or supplied during the billing period for each of the time of use periods established by the applicable time-varying rate schedule that applies to the customer-generator's rate class in accordance with normal metering practices for customers that take service on time-varying rates in that same rate class;

(2) electricity supplied by the utility shall be netted against the electricity exported by the customer-generator during each applicable time of use period;

(3) if the electricity supplied by the utility exceeds the electricity exported by the customer-generator during any time of use period, the customer-generator shall be billed for the net electricity supplied by the utility in each such time of use period as well as all other charges as such charges are applied to non-customer-generators in the same rate class; and

(4) if the electricity exported by the customer-generator exceeds the electricity supplied by the utility during any time of use period, the customer-generator shall be credited at a rate of at least 100% of the utility's monthly system average cost of energy per kilowatt hour, with any net credit, and net of all other charges as such charges are applied to non-customer-generators in the same rate class, applied to the next billing period.

Sec. 8. K.S.A. 66-1267 is hereby amended to read as follows: 66-1267. (a) For customer-generators that began operating a renewable energy resource under an interconnect agreement with the utility prior to July 1, 2014:

(1) Such utility shall allow:

(A) Residential customer-generators to ~~generate export~~ electricity subject to net metering up to 25 kilowatts; and

(B) commercial, industrial, school, local government, state government, federal government, agricultural and institutional customer-generators to ~~generate export~~ electricity subject to net metering up to 200 kilowatts.

(2) Nothing in this act shall be construed to prevent such customer-generators from installing additional renewable energy resources after July 1, 2014, that will generate electricity pursuant to the restrictions contained in paragraph (1).

(b) For customer-generators that begin operating a renewable energy resource under an interconnect agreement with the utility after July 1, 2014, such utility shall allow:

~~(1) All residential customer-generators to generate electricity subject to net metering up to 15 kilowatts;~~

~~(2) commercial, industrial, religious institution, local government, state government, federal government, agricultural and industrial customer-generators to~~

~~generate electricity subject to net metering up to 100 kilowatts, unless otherwise agreed to by the utility and the customer-generator; and~~

~~(3) school customer-generators to generate electricity subject to net metering up to 150 kilowatts. For the purpose of this section, "school" means any postsecondary educational institution as defined in K.S.A. 74-3201b, and amendments thereto, or any public or private school which provides instruction for students enrolled in grade kindergarten or grades one through 12 customer-generators to export electricity subject to net metering up to 150 kilowatts alternating current.~~

~~(c) Customer-generators shall appropriately size their-generation export capacity to their expected load as follows:~~

~~(1) (A) (i) Divide the customer-generator's historic consumption in kilowatt-hours for the previous 12-month period by 8,760; and~~

~~(ii) divide the quotient calculated pursuant to paragraph (1)(A)(i) by a capacity factor of 0.144; or~~

~~(B) if the customer-generator does not have historic consumption data that adequately reflects the customer's consumption at such premises, the customer-generator's historic consumption for the previous 12-month period shall be 7.15 kilowatt-hours per square foot of conditioned space; and~~

~~(2) round up the quotient calculated pursuant to paragraph (1)(A)(i) or the amount determined pursuant to paragraph (1)(B) to the nearest standard size as follows:~~

~~(A) Between two kilowatts alternating current power and 20 kilowatts alternating current power, round up to the nearest two kilowatts alternating current power increment; and~~

~~(B) between 20 kilowatts alternating current power and 150 kilowatts alternating current power, round up to the nearest five kilowatts alternating current power increment.~~

~~(d) For customer-generators that operate a renewable energy resource under an interconnect agreement with the affected utility on or after January 1, 2026:~~

~~(1) The generating capacity of a customer-generator's renewable energy resource as approved by the affected utility shall not exceed export capacity by more than 50%; and~~

~~(2) energy storage capacity, including electric vehicles or other portable energy storage devices, shall not be included in any sizing formulas unless the energy storage device has the ability to add export capacity and is not part of an export limited system.~~

~~(e) For customer-generators that operate a generation resource designed to export an amount of power that differs from the system's generating capacity:~~

~~(1) The customer-generator shall own and maintain any necessary export limiting device;~~

~~(2) protections shall be in place to restrict the export limiting device settings to qualified persons;~~

~~(3) the utility shall have the option to require a witness test of the export limiting device's function or set points prior to granting permission to operate;~~

~~(4) the export capacity of the system shall not be increased without prior approval from the utility;~~

~~(5) the customer-generator shall allow the utility to perform periodic witness testing of the export limiting device's function or settings upon request;~~

~~(6) if the export limiting device's settings are incorrect or if the device fails to limit the export of power below the designed export capacity for more than 15 minutes in any~~

single event, the customer-generator shall cease operation of the system until repair or reprogramming of the limiting device is completed; and

(7) the utility shall not restrict the brand or model of the limiting device if the device is approved by the generator's manufacturer or is underwriter laboratories listed to perform such operations in conjunction with the customer-generator's system.";

CONFERENCE COMMITTEE REPORT

MR. SPEAKER and MR. PRESIDENT: Your committee on conference on Senate amendments to **HB 2588** submits the following report:

The House accedes to all Senate amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 1, by striking all in lines 10 through 35;

By striking all on pages 2 through 6;

On page 7, by striking all in lines 1 through 7; following line 7 by inserting:

"Section 1. (a) The Kansas legislature finds and declares that:

(1) The permitting, construction, modification, maintenance and operation of telecommunications facilities are critical to ensuring that all citizens in the state have true access to broadband and other advanced technology and information;

(2) telecommunications facilities are critical to ensuring that businesses and schools throughout the state remain competitive in the global economy;

(3) telecommunications facilities that enable broadband services have a significant economic benefit; and

(4) the permitting, construction, modification, maintenance and operation of telecommunications facilities, to the extent specified in this section, are declared to be matters of statewide concern and interest.

(b) As used in this section:

(1) "Public right-of-way" means only the area of real property in which a county has a dedicated or acquired right-of-way interest in the real property. "Public right-of-way" includes the area on, below or above the present and future streets, roads, highways, parkways or boulevards dedicated or acquired as right-of-way by a county. "Public right-of-way" does not include:

(A) The airwaves above a "public right-of-way" with respect to wireless telecommunications or other non-wire telecommunications or broadcast services;

(B) easements obtained by utilities or private easements; or

(C) any real property, structures or facilities under the ownership, control or jurisdiction of the secretary of transportation.

(2) "Provider" means a local exchange carrier or telecommunications carrier as such terms are defined in K.S.A. 66-1,187 and amendments thereto, or a video service provider as defined in K.S.A. 12-2022, and amendments thereto. "Provider" does not include an applicant as defined in K.S.A. 66-2019, and amendments thereto.

(c) Without abrogating any rights held by a video service provider pursuant to a state-issued video service authorization, any provider shall have the right pursuant to this section to construct, maintain and operate poles, conduit, cable, switches and

related appurtenances and facilities along, across, upon and under any public right-of-way in this state. Such poles, conduit, cable, switches and related appurtenances and facilities shall be so constructed and maintained as not to obstruct or hinder the usual travel or public safety on such public ways or the legal use by other utilities or providers.

(d) A county shall impose any and all public right-of-way access and permit processes in a nondiscriminatory and competitively neutral manner to all similarly situated providers, including, but not limited to:

- (1) The permit fees charged by the county;
- (2) the forms and filings required by the county for a permit application;
- (3) the time with which a county may approve or deny a permit; and
- (4) options for waivers regarding such permit fees, forms and filings.

(e) No county shall create, enact or erect any discriminatory, unreasonable condition, requirement or barrier for entry into or use of the public right-of-way by a provider.

(f) A county may only assess the following non-discriminatory and competitively neutral fees against a provider, for the administration and orderly use of the public right-of-way, provided that such fees reimburse the county for the county's reasonable, actual and verifiable costs of managing the public right-of-way:

(1) A construction permit fee charged in connection with issuing a construction permit to set fixtures in the public right-of-way that compensates the county for the reasonable administrative expenses incurred by the county for issuing, processing and verifying the permit application;

(2) an excavation permit fee for each pavement cut to recover the direct and reasonable costs associated with construction and repair activity of the provider. Any excavation permit fee imposed by the county shall be based upon a regional specific or other appropriate study establishing the basis for such costs that takes into account the life of the county road or highway prior to the construction or repair activity and the remaining life of the road or highway. Such excavation permit fee shall be expressly limited to the proportion of the cost attributable to the activity of the provider that results in an actual pavement cut; and

(3) inspection fees to recover all reasonable costs associated with a county's inspection of the work of the provider in the right-of-way.

(g) A county shall authorize any video service provider as defined in K.S.A. 12-2022, and amendments thereto, to offset any fees and charges imposed pursuant to this section against payment of any video service provider fee imposed pursuant to K.S.A. 12-2024, and amendments thereto.

(h) A county may assess against a provider costs associated with repairing and restoring the public right-of-way because of damage caused by the provider, its assigns, contractors or subcontractors, or both, in the public right-of-way. A county may require a provider to furnish a performance bond, in a form acceptable to the county, from a surety licensed to conduct surety business in the state of Kansas, to ensure appropriate

and timely performance in the construction and maintenance of facilities located in the public right-of-way.

(i) A county may not assess any additional fees or costs against providers for use or occupancy of the public right-of-way other than those specified in this section. Any fees or costs imposed pursuant to this section shall be imposed upon all such providers in a nondiscriminatory and competitively neutral manner.

(j) Upon request by a provider, a county shall, in a timely manner, provide an accounting for the reasonable, actual and verifiable costs that are the basis for any fee permitted in subsection (f).

(k) This section may not be construed to affect any valid taxation of a provider's facilities or services.

(l) Any ordinance enacted prior to the effective date of this act governing the use and occupancy of the public right-of-way by a provider shall not conflict with the provisions of this section.

(m) No provider shall enter into a contract or any other agreement with a county to sell or provide a product or service that the provider's business does not actually sell or provide.

(n) Any county or provider may bring an action in a court of competent jurisdiction to enforce the provisions of this act.";

And by renumbering sections accordingly;

On page 1, in the title, in line 1, by striking all after "concerning"; by striking all in lines 2 through 6; in line 7, by striking all before the period and inserting "counties; relating to the public right-of-way; authorizing telecommunication, broadband and video service providers to operate in county public right-of-way; limiting the fees and costs that a county may impose upon such providers for such activities";

And your committee on conference recommends the adoption of this report.

Journal of the House

SIXTIETH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Thursday, April 4, 2024, 10:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Carpenter in the chair.

The roll was called with 122 members present.

Rep. Houser was excused on verified illness.

Reps. Alcala and Highberger were excused on excused absence by the Speaker.

Excused later: Reps. Delperdang, Garber, Poetter Parshall and L. Ruiz.

Present later: Reps. Delperdang and Highberger.

Prayer by Chaplain Holmes:

Dear Father, In the Book of Psalms, we read, "In Thee O' Lord I have taken refuge: let me never be ashamed. In Thy righteousness deliver me, and rescue me; incline Thine ear to me, and save me. Be Thou to me a rock of habitation, to which I may continually come; Thou hast given commandment to save me, For Thou art my rock and my fortress. Rescue me, O' my God, out of the hand of the wicked, out of the grasp of the wrong doer and ruthless man."

Today, as we look at the myriad of things facing us, we truly want to find a refuge in You. We are about to enter into debate and deliberation. When the votes are recorded and we are able to look back, help us to have acted in such a manner as to not be ashamed. I pray that every discussion I participate in and every vote that is recorded with my name attached, will find my decisions based on what is right and just.

Sharpen our minds as we look closely at that which will be put before us. Might everything we do be shrouded in Your righteousness.

For the person who just might be getting on our nerves a bit, help us to extend grace, even when it is not returned or even acknowledged. Might our satisfaction come from knowing that You know our hearts and why we do what we do.

We pray for the sick and vulnerable in our individual communities. Bring resources to their aid I pray. I pray for the families of each one gathered here in this chamber of decision. Give them patience with the long days and seemingly endless meetings that demand our attention, the attention which many times rightly belongs to them.

I pray this In Jesus Name. Amen.

The Pledge of Allegiance was led by Rep. Francis.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Buehler are spread upon the Journal:

Rep. Buehler invited members of the Veterans Caucus and Vietnam Veterans to join him at the well.

Thank you for your attention this morning and on this special occasion as we recognize a truly great Kansan, the late COL Roger H. C. Donlon, the first recipient of the Medal of Honor during the Vietnam War. I am joined at the well by:

- Mrs. Norma Donlon, the widow of COL Donlon
- COL (Ret) Mike and June Neer.
- Justine Donlon-Jeschke (Granddaughter)
- Jordon Donlon (Granddaughter)
- Jackie Florez (family friend)
- Debra Crater (Topeka VA Caregiver Program)
- Kevin Regan (Attorney)
- Art Fillmore (Attorney)
- Pat Warren (President of the KS Speedway and CASA)

And in the gallery, I would like to recognize Terry Buckler, the President of Special Forces Association Chapter 29, Frank Goss and his guest Betty, and Amy Nutsch.

Before I begin reading the citation, the Medal of Honor is the United States' highest award for military valor in action. The first Medal of Honor was awarded in 1861, and since then, there have been 3,536 Medals of Honor awarded, 618 of which were awarded posthumously. During the Vietnam War, there have been 235 recipients of the Medal of Honor. Today, we are here to welcome Mrs. Donlon, her family and friends to the Kansas State Capitol, and to honor the legacy of her husband, the late COL Roger H. C. Donlon, the first recipient of the Medal of Honor during the Vietnam War, and a truly remarkable Kansas citizen from Leavenworth. And, COL Donlon was also the first Special Forces member to be a recipient of the Medal of Honor.

Today as we pay tribute to COL Donlon, I would like to read an excerpt from his Medal of Honor presentation ceremony:

December 05, 1964

Mrs. Donlon, Senator Hayden, Senator Keating, Senator-elect Kennedy, Secretary McNamara, ladies and gentlemen:

This is a proud moment for all Americans. We are here today to present this Nation's highest honor to Captain Roger H. C. Donlon, United States Army.

On July 6th of this year, Captain Donlon was the Commanding Officer of the United States Army Special Forces Team A-726, at Camp Nam Dong in the Republic of Viet-Nam.

Under cover of night, a reinforced Viet Cong battalion launched a full-scale attack on the camp. A violent battle took place lasting 5 hours. The Viet Cong enemy used mortars, grenades, and very heavy gunfire.

Captain Donlon was wounded four times--in the stomach, in the leg, in the shoulder, and in the face. Wounded though he was, Captain Donlon directed a successful defense of the camp. He moved from post to post and man to man within the camp perimeter. Despite his multiple wounds, Captain Donlon, with great courage and coolness, inspired the American personnel and the friendly Vietnamese troops to a successful defense of their camp.

No one who has seen military service will fail to appreciate and understand the magnitude of Captain Donlon's heroic performance under enemy fire in the darkness.

This Medal of Honor awarded in the name of the Congress is the first such honor to be bestowed upon an American military man for conspicuous gallantry above and beyond the call of duty in our present efforts in the Republic of Viet-Nam.

Next week, Governor Kelly has proclaimed that April 10th, 2024, will be COL Roger H. C. Donlon Day. Today, I present this House certificate to Mrs. Roger Donlon, and it reads as follows:

State of Kansas, House of Representatives: In recognition and grateful memory for his exceptional gallantry, inspirational leadership and courage under heavy enemy fire on July 6, 1964, while successfully leading the defense of his forces at Camp Nam Dong in the Republic of Vietnam.

The entire membership extends its appreciation for his exemplary service to the United States.

CONFERENCE COMMITTEE REPORT

MR. PRESIDENT and MR. SPEAKER: Your committee on conference on House amendments to **SB 384** submits the following report:

The House recedes from all of its amendments to the bill, and your committee on conference further agrees to amend the bill as printed with Senate Committee amendments, as follows:

On page 1, following line 9, by inserting:

"New Section 1. (a) The provisions of sections 1 through 6, and amendments

thereto, shall be known and may be cited as the Riley county unincorporated area nuisance abatement act.

(b) Before any nuisance abatement process shall be commenced under the Riley county unincorporated area nuisance abatement act, Riley county first shall have obtained a conviction for a county code violation resulting from such nuisance within the 12-month period prior to the issuance of any order as provided in section 2, and amendments thereto.

(c) (1) The board of county commissioners may order the removal or abatement of any nuisance from any lot or parcel of ground within the unincorporated area of the county. The board may order the repair or demolition of any structure or the removal or abatement of any other type of nuisance.

(2) The order shall provide that all costs associated with the abatement shall be paid by the owner of the property on which the nuisance is located.

New Sec. 2. (a) Whenever the board of county commissioners or other agency designated by the board files with the Riley county clerk a statement in writing describing a nuisance and declaring that such nuisance is a menace and dangerous to the health of the inhabitants of the county, the board of county commissioners, by resolution, may make such determination and issue an order requiring the nuisance be removed or abated.

(b) Except as provided by subsection (c), the board of county commissioners shall order the owner of the property to remove and abate the nuisance within not less than 10 days, to be specified in the order. The board or its designated representative may grant extensions of the time period indicated in the order. The order shall state that, before the expiration of the waiting period or any extension, the recipient may request a hearing before the board or its designated representative. The order shall be served on the owner by personal service in accordance with K.S.A. 60-303, and amendments thereto.

(c) If the owner of the property has failed to accept delivery or otherwise failed to effectuate receipt of a notice sent pursuant to this section during the preceding 24-month period, the board of county commissioners may provide notice of the issuance of any further orders to abate or remove a nuisance from the property in the manner provided by subsection (d) or as provided in this subsection. The board may provide notice of the order by such methods including, but not limited to, door hangers conspicuously posting notice of the order on the property, personal notification, telephone communication or first-class mail. If the property is unoccupied and the owner is a nonresident, notice provided by this section shall be given by telephone communication or first-class mail.

(d) If the owner of the property fails to comply with the order for a period longer than that named in the order or any extensions of such time period, the board of county commissioners may proceed to order the repair or demolition of any structure and have the items described in the order removed and abated from the lot or parcel of ground. If the county abates or removes the nuisance, the county shall give notice to the owner by certified mail, return receipt requested, of the total cost of the abatement or removal incurred by the county. The notice also shall state that payment of the cost is due and

payable within 60 days following the mailing of the notice.

(e) If the cost of the removal or abatement is not paid within the 60-day period, the cost shall be assessed and charged against the lot or parcel of land on which the nuisance was located. If the cost is to be assessed, the county clerk, at the time of certifying other county taxes, shall certify the costs, and the county clerk shall extend the cost on the tax roll of the county against the lot or parcel of land. Such cost shall be collected by the county treasurer.

(f) In assessing the cost of removal and abatement of a nuisance, the county shall subtract from the total cost of the abatement or removal incurred by the county the value of the property removed or abated. If the value of the property removed or abated is greater than the cost of the removal or abatement incurred by the county, the county shall pay the owner the difference. If the value of the property is contested, the property owner may request a hearing before the board or its designated representative prior to the 60 days following receipt of notice of costs due and payable under subsection (d).

(g) All orders and notices shall be served on the owner of record or, if there is more than one owner of record, then on at least one such owner.

(h) Any decision of the board of county commissioners or its designated representative is subject to review in accordance with the Kansas judicial review act.

New Sec. 3. Riley county may remove and abate from property, other than public property or property open to use by the public, a motor vehicle determined to be a nuisance. Disposition of such vehicles shall be in compliance with the procedures for impoundment, notice and public auction provided by K.S.A. 8-1102(a)(2), and amendments thereto. Following any sale by public auction of a vehicle determined to be a nuisance, the purchaser may file proof with the division of vehicles, and the division shall issue a certificate of title to the purchaser of the motor vehicle. If a public auction is conducted but no responsible bid is received, the county may file proof with the division of vehicles, and the division shall issue a certificate of title of the motor vehicle to the county. Any person whose motor vehicle has been disposed of pursuant to this section shall be eligible for a refund of the tax imposed pursuant to K.S.A. 79-5101 et seq., and amendments thereto. The amount of the refund shall be determined in the manner provided by K.S.A. 79-5107, and amendments thereto.

New Sec. 4. The board of county commissioners may adopt a resolution to establish any policies, procedures, designated body or other related matters for hearings that property owners or their agents may request pursuant to the Riley county unincorporated area nuisance abatement act.

New Sec. 5. (a) The legislature declares it is the policy of this state to protect and encourage the production and processing of food and other agricultural products. As nonagricultural uses of property continue to move into agricultural and agribusiness areas, normal agricultural and agribusiness activities can find themselves subjected to public and private claims of nuisance. Therefore, it is the legislative intent of this act to protect agricultural and agribusiness activities from nuisance actions. As such, nothing in the Riley county unincorporated area nuisance abatement act shall apply to land, structures, machinery and equipment or motor vehicles used for an agricultural activity or oil and gas exploration and development activity.

(b) For purposes of this section, the term "agricultural activity" means the same as defined in K.S.A. 2-3203, and amendments thereto, except such term shall also include real and personal property, machinery, equipment, stored grain and agricultural input products owned or maintained by commercial grain elevators and agribusiness facilities.

New Sec. 6. The Riley county unincorporated area nuisance abatement act, sections 1 through 6, and amendments thereto, shall expire on July 1, 2027.

New Sec. 7. (a) The provisions of sections 7 through 12, and amendments thereto, shall be known and may be cited as the Crawford county unincorporated area nuisance abatement act.

(b) Before any nuisance abatement process shall be commenced under the Crawford county unincorporated area nuisance abatement act, Crawford county first shall have obtained a conviction for a county code violation resulting from such nuisance within the 12-month period prior to the issuance of any order as provided in section 8, and amendments thereto.

(c) (1) The board of county commissioners may order the removal or abatement of any nuisance from any lot or parcel of ground within the unincorporated area of the county. The board may also order the repair or demolition of any structure or the removal or abatement of any other type of nuisance.

(2) The order shall provide that all costs associated with the abatement shall be paid by the owner of the property on which the nuisance is located.

New Sec. 8. (a) Whenever the board of county commissioners or other agency designated by the board files with the Crawford county clerk a statement, in writing, describing a nuisance and declaring that such nuisance is a menace and dangerous to the health of the inhabitants of the county, the board of county commissioners, by resolution, may make such determination and issue an order requiring the nuisance be removed or abated.

(b) Except as provided by subsection (c), the board of county commissioners shall order the owner of the property to remove and abate the nuisance within not less than 10 days, to be specified in the order. The board or its designated representative may grant extensions of the time period indicated in the order. The order shall state that, before the expiration of the waiting period or any extension, the recipient may request a hearing before the board or its designated representative. The order shall be served on the owner by personal service in accordance with K.S.A. 60-303, and amendments thereto.

(c) If the owner of the property has failed to accept delivery or otherwise failed to effectuate receipt of a notice sent pursuant to this section during the preceding 24-month period, the board of county commissioners may provide notice of the issuance of any further orders to abate or remove a nuisance from the property in the manner provided by subsection (d) or as provided in this subsection. The board may provide notice of the order by such methods, including, but not limited to, door hangers conspicuously posting notice of the order on the property, personal notification, telephone communication or first-class mail. If the property is unoccupied and the owner is a nonresident, notice provided by this section shall be given by telephone communication or first-class mail.

(d) If the owner of the property fails to comply with the order for a period longer than that named in the order or any extensions of such time period, the board of county commissioners may proceed to order the repair or demolition of any structure and have the items described in the order removed and abated from the lot or parcel of ground. If the county abates or removes the nuisance, the county shall give notice to the owner, by certified mail, with return receipt requested, of the total cost of the abatement or removal incurred by the county. The notice also shall state that payment of the cost is due and payable within 60 days following the mailing of the notice.

(e) If the cost of the removal or abatement is not paid within the 60-day period, the cost shall be assessed and charged against the lot or parcel of land on which the nuisance was located. If the cost is to be assessed, the county clerk, at the time of certifying other county taxes, shall certify the costs, and the county clerk shall extend the cost on the tax roll of the county against the lot or parcel of land. Such cost shall be collected by the county treasurer.

(f) In assessing the cost of removal and abatement of a nuisance, the county shall subtract from the total cost of the abatement or removal incurred by the county the value of the property removed or abated. If the value of the property removed or abated is greater than the cost of the removal or abatement incurred by the county, the county shall pay the owner the difference. If the value of the property is contested, the property owner may request a hearing before the board or its designated representative prior to the 60 days following receipt of notice of costs due and payable under subsection (d).

(g) All orders and notices shall be served on the owner of record or, if there is more than one owner of record, then on at least one such owner.

(h) Any decision of the board of county commissioners or its designated representative is subject to review in accordance with the Kansas judicial review act.

New Sec. 9. Crawford county may remove and abate from property, other than public property or property open to use by the public, a motor vehicle determined to be a nuisance. Disposition of such vehicles shall be in compliance with the procedures for impoundment, notice and public auction provided by K.S.A. 8-1102(a)(2), and amendments thereto. Following any sale by public auction of a vehicle determined to be a nuisance, the purchaser may file proof with the division of vehicles, and the division shall issue a certificate of title to the purchaser of the motor vehicle. If a public auction is conducted but no responsible bid is received, the county may file proof with the division of vehicles, and the division shall issue a certificate of title of the motor vehicle to the county. Any person whose motor vehicle has been disposed of pursuant to this section shall be eligible for a refund of the tax imposed pursuant to K.S.A. 79-5101 et seq., and amendments thereto. The amount of the refund shall be determined in the manner provided by K.S.A. 79-5107, and amendments thereto.

New Sec. 10. The board of county commissioners may adopt a resolution to establish any policies, procedures, designated body or other related matters for hearings that property owners or their agents may request pursuant to the Crawford county unincorporated area nuisance abatement act.

New Sec. 11. (a) The legislature declares it is the policy of this state to protect and encourage the production and processing of food and other agricultural products. As

nonagricultural uses of property continue to move into agricultural and agribusiness areas, normal agricultural and agribusiness activities can find themselves subjected to public and private claims of nuisance. Therefore, it is the legislative intent of this act to protect agricultural and agribusiness activities from nuisance actions. As such, nothing in the Crawford county unincorporated area nuisance abatement act shall apply to land, structures, machinery and equipment or motor vehicles used for an agricultural activity or oil and gas exploration and development activity.

(b) For purposes of this section, the term "agricultural activity" means the same as defined in K.S.A. 2-3203, and amendments thereto, except such term shall also include real and personal property, machinery, equipment, stored grain and agricultural input products owned or maintained by commercial grain elevators and agribusiness facilities.

(2) after the expiration of the policy, the insurer shall archive its expired policies and endorsements for five years and make them available upon request;

(6) the insurer shall provide notice of any changes to the forms or endorsements, and of the insured's right to obtain, upon request and without charge, a paper or electronic copy of such forms or endorsements.

(k) Except as otherwise provided by law, if an oral communication or a recording of an oral communication from a party can be reliably stored and reproduced by an insurer, the oral communication or recording may qualify as a notice or document delivered by electronic means for purposes of this section. If a provision of this title or applicable law requires a signature or notice or document to be notarized, acknowledged, verified or made under oath, the requirement is satisfied if the electronic signature of the person authorized to perform those acts, together with all other information required to be included by the provision, is attached to or logically associated with the signature, notice or document.

(l) This section shall not affect any obligation of the insurer to provide notice to any person other than the insured of any notice provided to the insured.

(m) This section shall not be construed to modify, limit or supersede the provisions of the federal electronic signatures in global and national commerce act, public law 106-229, or the provisions of the uniform electronic transactions act, K.S.A. 16-1601 et seq., and amendments thereto.

(5) take such legal action as may be necessary to avoid or recover payment of improper claims; or

(6) exercise, for the purposes of this act and to the extent approved by the commissioner, the powers of a domestic life ~~or insurer,~~ health insurer or health maintenance organization, but in no case may the association issue ~~insurance~~ insurance policies or ~~annuity~~ annuity contracts other than those issued to perform its obligations under this act;

(7) organize itself as a corporation or in other legal form permitted by the laws of the state;

~~(q)~~(s) The association may join an organization of one or more other state associations of similar purposes to further the purposes and administer the powers and duties of the association.

~~(r) The association shall pay any and all persons who, as a provider, may have claims as a result of a member insurer being found insolvent between March 1, 1999 and June 1, 1999.~~

(t) (1) (A) At any time within 180 days of the date of the order of liquidation, the association may elect to succeed to the rights and obligations of the ceding member insurer that relate to policies, contracts or annuities covered, in whole or in part, by the association, in each case under any one or more reinsurance contracts entered into by the insolvent insurer and its reinsurers and selected by the association. Any such assumption shall be effective as of the date of the order of liquidation. The election shall be effected by the association or the national organization of life and health insurance guaranty associations (NOLHGA), on its behalf, sending written notice with return receipt requested to the affected reinsurers.

(B) To facilitate the earliest practicable decision about whether to assume any of the contracts of reinsurance, and in order to protect the financial position of the estate, the receiver and each reinsurer of the ceding member insurer shall make available upon request to the association or to NOLHGA on its behalf as soon as possible after commencement of formal delinquency proceedings:

(i) Copies of in-force contracts of reinsurance and all related files and records relevant to the determination of whether such contracts should be assumed; and

(ii) notices of any defaults under the reinsurance contracts or any known event or condition that with the passage of time could become a default under the reinsurance contracts.

(C) The following subparagraphs shall apply to reinsurance contracts so assumed by the association:

(i) The association shall be responsible for all unpaid premiums due under the reinsurance contracts for periods both before and after the date of the order of liquidation and shall be responsible for the performance of all other obligations to be performed after the date of the order of liquidation, in each case relating to policies, contracts or annuities covered, in whole or in part, by the association. The association may charge policies, contracts or annuities covered in part by the association, through reasonable allocation methods, the costs for reinsurance in excess of the obligations of the association and shall provide notice and an accounting of these charges to the liquidator;

(ii) the association shall be entitled to any amounts payable by the reinsurer under the reinsurance contracts with respect to losses or events that occur in periods after the date of the order of liquidation and that relate to policies, contracts or annuities covered, in whole or in part, by the association, provided that, upon receipt of any such amounts, the association shall be obliged to pay to the beneficiary under the policy, contract or annuity on account of which the amounts were paid a portion of the amount equal to the lesser of:

(a) The amount received by the association; and

(b) the excess of the amount received by the association over the amount equal to the benefits paid by the association on account of the policy, contract or annuity less the retention of the insurer applicable to the loss or event.

(iii) Within 30 days following the association's election, the "election date," the association and each reinsurer under contracts assumed by the association shall calculate the net balance due to or from the association under each reinsurance contract

as of the election date with respect to policies, contracts or annuities covered, in whole or in part, by the association. Such calculation shall give full credit to all items paid by either the member insurer or its receiver or the reinsurer prior to the election date. The reinsurer shall pay the receiver any amounts due for losses or events prior to the date of the order of liquidation, subject to any set-off for premiums unpaid for periods prior to the date, and the association or reinsurer shall pay any remaining balance due the other, in each case within five days of the completion of the aforementioned calculation. Any disputes over the amounts due to either the association or the reinsurer shall be resolved by arbitration pursuant to the terms of the affected reinsurance contracts or, if the contract contains no arbitration clause, as otherwise provided by law. If the receiver has received any amounts due the association pursuant to subparagraph (C)(ii), the receiver shall remit such amounts to the association as promptly as practicable.

(iv) If the association or receiver, on the association's behalf, within 60 days of the election date, pays the unpaid premiums due for periods both before and after the election date that relate to policies, contracts or annuities covered, in whole or in part, by the association, the reinsurer shall not be entitled to terminate the reinsurance contracts for failure to pay premiums insofar as the reinsurance contracts relate to policies, contracts or annuities covered, in whole or in part, by the association, and shall not be entitled to set off any unpaid amounts due under other contracts or unpaid amounts due from parties other than the association against amounts due the association.

(2) During the period from the date of the order of liquidation until the election date, or, if the election date does not occur, until 180 days after the date of the order of liquidation:

(A) (i) Neither the association nor the reinsurer shall have any rights or obligations under reinsurance contracts that the association has the right to assume under paragraph (1), whether for periods prior to or after the date of the order of liquidation; and

(ii) the reinsurer, the receiver and the association shall, to the extent practicable, provide each other data and records reasonably requested;

(B) provided that once the association has elected to assume a reinsurance contract, the parties' rights and obligations shall be governed by paragraph (1).

(3) If the association does not elect to assume a reinsurance contract by the election date pursuant to paragraph (1), the association shall have no rights or obligations, in each case for periods both before and after the date of the order of liquidation, with respect to the reinsurance contract.

(4) When policies, contracts or annuities, or covered obligations with respect thereto are transferred to an assuming insurer, reinsurance on the policies, contracts or annuities may also be transferred by the association, in the case of contracts assumed under subsection (t)(1), subject to the following:

(A) Unless the reinsurer and the assuming insurer agree otherwise, the reinsurance contract transferred shall not cover any new policies of insurance, contracts or annuities in addition to those transferred;

(B) the obligations described in subsection (t)(1) shall no longer apply with respect to matters arising after the effective date of the transfer; and

(C) notice shall be given in writing, with return receipt requested, by the transferring party to the affected reinsurer not less than 30 days prior to the effective date of the transfer.

(5) The provisions of this subsection shall supersede the provisions of any state law or any affected reinsurance contract that provides for or requires any payment of reinsurance proceeds, on account of losses or events that occur in periods after the date of the order of liquidation, to the receiver of the insolvent insurer or any other person. The receiver shall remain entitled to any amounts payable by the reinsurer under the reinsurance contracts with respect to losses or events that occur in periods prior to the date of the order of liquidation, subject to applicable setoff provisions.

(6) Except as otherwise provided in this subsection, nothing in this subsection shall alter or modify the terms and conditions of any reinsurance contract. Nothing in this section shall abrogate or limit any rights of any reinsurer to claim that such reinsurer is entitled to rescind a reinsurance contract. Nothing in this section shall give a policyholder, contract owner, enrollee, certificate holder or beneficiary an independent cause of action against a reinsurer that is not otherwise set forth in the reinsurance contract. Nothing in this section shall limit or affect the association's rights as a creditor of the estate against the assets of the estate. Nothing in this section shall apply to reinsurance agreements covering property or casualty risks.

(u) The board of directors of the association shall have discretion and may exercise reasonable business judgment to determine the means by which the association is to provide the benefits of this act in an economical and efficient manner.

(v) Where the association has arranged or offered to provide the benefits of this act to a covered person under a plan or arrangement that fulfills the association's obligations under this act, the person shall not be entitled to benefits from the association in addition to or other than those provided under the plan or arrangement.

(w) Venue in a suit against the association arising under this act shall be in Shawnee County. The association shall not be required to give an appeal bond in an appeal that relates to a cause of action arising under this act.

~~(s) Regarding covered policies for which the association becomes obligated after an entry of an order of liquidation, to the extent such contract provides coverage for losses occurring after the date of the order of liquidation, the association may elect to succeed to the rights of the insolvent insurer arising after the order of liquidation under any contract of reinsurance to which the insolvent insurer was a party. As a condition to making such election, the association must pay all unpaid premiums due under the contract for coverage relating to periods before and after the date on which the order of liquidation was entered.~~

~~(t)(x)~~ In carrying out its duties in connection with guaranteeing, assuming, reissuing or reinsuring policies or contracts under subsections (a) or (b), ~~subject to approval of the receivership court,~~ the association may issue substitute coverage for a policy or contract that provides an interest rate, crediting rate or similar factor determined by use of an index or other external reference stated in the policy or contract employed in calculating returns or changes in value by issuing an alternative policy or contract in accordance with the following provisions:

(1) In lieu of the index or other external reference provided for in the original policy or contract, the alternative policy or contract provides for:

~~(i)~~(A) A fixed interest rate;

~~(ii)~~(B) payment of dividends with minimum guarantees; or

~~(iii)~~(C) a different method for calculating interest or changes in value.

(2) There is no requirement for evidence of insurability, waiting period or other

exclusion that would not have applied under the replaced policy or contract; and

(3) the alternative policy or contract is substantially similar to the replaced policy or contract in all other material terms.

Sec. 12. K.S.A. 40-3009 is hereby amended to read as follows: 40-3009. (a) For the purpose of providing the funds necessary to carry out the powers and duties of the association, the board of directors shall assess the member insurers, separately for each account, at such time and for such amounts as the board finds necessary. Assessments shall be due not less than 30 days after prior written notice to the member insurers and shall accrue interest at 15% per annum on and after the due date.

(b) There shall be two classes of assessments, as follows: (1) Class A assessments shall be made for the purpose of meeting administrative and legal costs and other expenses and examinations conducted under the authority of subsection (e) of K.S.A. 40-3012, and amendments thereto. Class A assessments may be made whether or not related to a particular impaired or insolvent insurer.

(2) Class B assessments shall be made to the extent necessary to carry out the powers and duties of the association under K.S.A. 40-3008, and amendments thereto, with regard to an impaired or an insolvent insurer.

(c) (1) The amount of any class A assessment shall be determined by the board and may be made on a pro rata or non-pro rata basis. If pro rata, the board may provide that it be credited against future class B assessments. ~~A non-pro rata assessment shall not exceed \$300 per member insurer in any one calendar year.~~ The amount of any class B assessment, except for assessments related to long-term care insurance, shall be allocated for assessment purposes among the accounts pursuant to an allocation formula ~~which that~~ may be based on the premiums or reserves of the impaired or insolvent insurer or any other standard deemed by the board in its sole discretion as being fair and reasonable under the circumstances.

(2) The amount of the class B assessment for long-term care insurance written by the impaired or insolvent insurer shall be allocated according to a methodology included in the plan of operation and approved by the commissioner. The methodology shall provide for 50% of the assessment to be allocated to accident and health member insurers and 50% to be allocated to life and annuity member insurers.

(3) Class B assessments against member insurers for each account shall be in the proportion that the premiums received on business in this state by each assessed member insurer on policies or contracts covered by each account for the three most recent calendar years for which information is available preceding the year in which the member insurer became impaired or insolvent, as the case may be, bears to such premiums received on business in this state for such calendar years by all assessed member insurers.

~~(3)~~(4) Assessments for funds to meet the requirements of the association with respect to an impaired or insolvent insurer shall not be made until necessary to implement the purposes of this act. Classification of assessments under subsection (b) and computation of assessments under this subsection shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible.

(d) The association may abate or defer, in whole or in part, the assessment of a member insurer if, in the opinion of the board, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. In the event an assessment against a member insurer is abated, or deferred in whole or in part,

the amount by which such assessment is abated or deferred may be assessed against the other member insurers in a manner consistent with the basis for assessments set forth in this section. Once the conditions that caused a deferral have been removed or rectified, the member insurer shall pay all assessments that were deferred pursuant to a repayment plan approved by the association.

(e) (1) The total of all assessments upon a member insurer for each account shall not in any one calendar year exceed 2% of such member insurer's average premiums received in this state on the policies and contracts covered by the account during the three calendar years preceding the years in which the member insurer became an impaired or insolvent insurer.

(2) If two or more assessments are authorized in one calendar year with respect to member insurers that become impaired or insolvent in different calendar years, the average annual premiums for purposes of the aggregate assessment percentage limitation referenced in this subsection shall be equal and limited to the higher of the three-year average annual premiums for the applicable account as calculated pursuant to this section.

(3) If the maximum assessment, together with the other assets of the association in any account does not provide in any one year in either account an amount sufficient to carry out the responsibilities of the association, the necessary additional funds shall be assessed as soon thereafter as permitted by this act.

(4) The board may provide in the plan of operation a method of allocating funds among claims, whether relating to one or more impaired or insolvent insurers, when the maximum assessment will be insufficient to cover anticipated claims.

(f) The board, by an equitable method as established in the plan of operation, may refund to member insurers, in proportion to the contribution of each insurer to that account, the amount by which the assets of the account exceed the amount the board finds is necessary to carry out during the coming year the obligations of the association with regard to that account, including assets accruing from assignment, subrogation, net realized gains and income from investments. A reasonable amount may be retained in any account to provide funds for the continuing expenses of the association and for future losses.

(g) It shall be proper for any member insurer, in determining its premium rates and ~~policyowner~~ policyholder or contract holder dividends as to any kind of insurance or health maintenance organization business within the scope of this act, to consider the amount reasonably necessary to meet its assessment obligations under this act.

(h) The association shall issue to each member insurer paying an assessment under this act, other than a class A assessment, a certificate of contribution, in a form prescribed by the commissioner, for the amount of the assessment paid. All outstanding certificates shall be of equal dignity and priority without reference to amounts or dates of issue. A certificate of contribution may be shown by the member insurer in its financial statement as an asset in such form and for such amount, if any, and period of time as the commissioner may approve.

(i) (1) A member insurer that wishes to protest all or part of an assessment shall pay, when due, the full amount of the assessment as set forth in the notice provided by the association. The payment shall be available to meet association obligations during the pendency of the protest or any subsequent appeal. Payment shall be accompanied by a written statement that the payment is made under protest and shall set forth a brief

statement of the grounds for the protest.

(2) Within 60 days following the payment of an assessment under protest by a member insurer, the association shall notify the member insurer, in writing, of its determination with respect to the protest unless the association notifies the member insurer that additional time is required to resolve the issues raised by the protest.

(3) Within 30 days after a final decision has been made, the association shall notify the protesting member insurer in writing of that final decision. Within 60 days of receipt of notice of the final decision, the protesting member insurer may appeal that final action to the commissioner.

(4) As an alternative to rendering a final decision with respect to a protest based on a question regarding the assessment base, the association may refer protests to the commissioner for a final decision, with or without a recommendation from the association.

(5) If the protest or appeal on the assessment is upheld, the amount paid in error or excess shall be returned to the member insurer. Interest on a refund due a protesting member insurer shall be paid at the rate actually earned by the association.

(j) The association may request information of member insurers in order to aid in the exercise of its power under this section, and member insurers shall promptly comply with a request.

Sec. 13. K.S.A. 40-3010 is hereby amended to read as follows: 40-3010. (a) (1) The association shall submit to the commissioner a plan of operation and any amendments thereto necessary or suitable to assure the fair, reasonable and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon the commissioner's written approval or unless the commissioner has not disapproved it within 30 days.

(2) If the association fails to submit a suitable plan of operation within 120 days following the effective date of this act, or, if at any time thereafter the association fails to submit suitable amendments to the plan, the commissioner, after notice and hearing, shall adopt and promulgate such reasonable rules and regulations as are necessary or advisable to effectuate the provisions of this act. Such rules and regulations shall continue in force until modified by the commissioner or superseded by a plan submitted by the association and approved by the commissioner.

(b) All member insurers shall comply with the plan of operation.

(c) The plan of operation shall, in addition to requirements enumerated elsewhere in this act:

(1) Establish procedures for handling the assets of the association;

(2) establish the amount and method of reimbursing members of the board of directors under K.S.A. 40-3007, and amendments thereto;

(3) establish regular places and times for meetings, including telephone conference calls, of the board of directors;

(4) establish procedures for records to be kept of all financial transactions of the association, its agents and the board of directors;

(5) establish the procedures whereby selections for the board of directors will be made and submitted to the commissioner;

(6) establish any additional procedures for assessments under K.S.A. 40-3009, and amendments thereto;~~and~~

(7) contain additional provisions necessary or proper for the execution of the

powers and duties of the association;

(8) establish procedures whereby a director may be removed for cause, including in the case where a member insurer director becomes an impaired or insolvent insurer; and
(9) require the board of directors to establish a policy and procedures for addressing conflicts of interests.

(d) The plan of operation may provide that any or all powers and duties of the association, except those under ~~subsection (p)(3)~~ of K.S.A. 40-3008 and 40-3009, and amendments thereto, are delegated to a corporation, association or other organization ~~which that~~ performs or will perform functions similar to those of this association, or its equivalent, in two or more states. Such a corporation, association or organization shall be reimbursed for any payments made on behalf of the association and shall be paid for its performance of any function of the association. A delegation under this subsection shall take effect only with the approval of both the board of directors and the commissioner, and may be made only to a corporation, association or organization ~~which that~~ extends protection not substantially less favorable and effective than that provided by this act.

Sec. 14. K.S.A. 40-3011 is hereby amended to read as follows: 40-3011. In addition to the duties and powers enumerated in this act:

(a) The commissioner shall:

(1) Upon request of the board of directors, provide the association with a statement of the premiums in this and any other appropriate state for each member insurer;

(2) when an impairment is declared and the amount of the impairment is determined, serve a demand upon the impaired insurer to make good the impairment within a reasonable time; notice to the impaired insurer shall constitute notice to its shareholders, if any; the failure of the impaired insurer to promptly comply with such demand shall not excuse the association from the performance of its powers and duties under this act;

(3) in any liquidation or rehabilitation proceeding involving a domestic insurer, be appointed as the liquidator or rehabilitator.

(b) The commissioner may suspend or revoke, after notice and hearing in accordance with the provisions of the Kansas administrative procedure act, the certificate of authority to transact insurance business in this state of any member insurer ~~which that~~ fails to pay an assessment when due or fails to comply with the plan of operation. As an alternative the commissioner may levy a forfeiture on any member insurer ~~which that~~ fails to pay an assessment when due. Such forfeiture shall not exceed 5% of the unpaid assessment per month, but ~~no a~~ forfeiture shall be not less than \$100 per month.

(c) Any final action of the board of directors or the association may be appealed to the commissioner by any member insurer if such appeal is taken within 60 days of the final action being appealed. ~~If a member company is appealing an assessment, the amount assessed shall be paid to the association and available to meet association obligations during the pendency of an appeal. If the appeal on the assessment is upheld, the amount paid in error shall be returned to the member insurer.~~ A final action or order of the commissioner shall be subject to judicial review in a court of competent jurisdiction in accordance with the laws of this state that apply to the actions or orders of the commissioner.

(d) The liquidator, rehabilitator or conservator of any impaired insurer may notify

all interested persons of the effect of this act.

Sec. 15. K.S.A. 40-3012 is hereby amended to read as follows: 40-3012. To aid in the detection and prevention of member insurer impairments or insolvencies:

(a) It shall be the duty of the commissioner to:

(1) Notify the commissioners of all other states, territories of the United States and the District of Columbia when the commissioner takes any of the following actions against a member insurer:

(A) Revocation of license or certificate of authority;

(B) suspension of license or certificate of authority; or

(C) makes any formal order that such ~~company~~ member insurer restricts its premium writing, obtain additional contributions to surplus, withdraw from the state, reinsure all or any part of its business, or increase capital, surplus or any other account for the security of policyholders, contract holders, certificate holders or creditors.

Such notice shall be mailed to all commissioners within 30 days following the action taken or the date on which such action occurs;

Such report to the board of directors shall contain all significant details of the action taken or the report received from another commissioner;

(3) report to the board of directors when the commissioner has reasonable cause to believe from any examination, whether completed or in process, of any member company that such ~~company~~ member insurer may be an impaired or insolvent insurer. Such report and information shall be kept confidential by the board of directors until such time as made public by the commissioner or other lawful authority;

(4) furnish to the board of directors the national association of insurance commissioners' insurance regulatory information system ratios and listings of companies not included in the ratios developed by the national association of insurance commissioners, and the board may use the information contained therein in carrying out its duties and responsibilities under this section. Such report and the information contained therein shall be kept confidential by the board of directors until such time as made public by the commissioner or other lawful authority.

Such reports and recommendations shall not be considered public documents.

(d) It shall be the duty of the board of directors, upon majority vote, to notify the commissioner of any information indicating any member insurer may be an impaired or insolvent insurer.

~~(e) The board of directors, upon majority vote, may request that the commissioner order an examination of any member insurer which the board in good faith believes~~

~~may be an impaired or insolvent insurer. The examination may be conducted as a national association of insurance commissioners' examination or may be conducted by such persons as the commissioner designates. The cost of such examination shall be paid by the association and the examination report shall be treated as are other examination reports. In no event shall such examination report be released to the board of directors prior to its release to the public, but this shall not preclude the commissioner from complying with subsection (a).~~

~~The commissioner shall notify the board of directors when the examination is completed. The request for an examination shall be kept on file by the commissioner but it shall not be open to public inspection prior to the release of the examination report to the public.~~

(f) The board of directors, upon majority vote, may make recommendations to the commissioner for the detection and prevention of member insurer insolvencies.

If the director of taxation discovers that a city or county did not comply with any provision of law applicable to the authorization of a local sales tax after collection has commenced, the director shall immediately notify the city or county and cease collection of such sales tax until such noncompliance is remedied. All moneys collected by the director of taxation under the provisions of this section shall be credited to a county and city retailers' sales tax fund which fund is hereby established in the state treasury, except that all moneys collected by the director of taxation pursuant to the authority granted in K.S.A. 12-187(b)(22), and amendments thereto, shall be credited to the Wilson county capital improvements fund. Any refund due on any county or city retailers' sales tax collected pursuant to this act shall be paid out of the sales tax refund fund and reimbursed by the director of taxation from collections of local retailers' sales tax revenue. Except for local retailers' sales tax revenue required to be deposited in the redevelopment bond fund established under K.S.A. 74-8927, and amendments thereto, all local retailers' sales tax revenue collected within any county or city pursuant to this act shall be apportioned and remitted at least quarterly by the state treasurer, on

instruction from the director of taxation, to the treasurer of such county or city.

Revenue that is received from the imposition of a local retailers' sales tax that exceeds the amount of revenue required to pay the costs of a special project for which such revenue was pledged shall be credited to the city or county general fund, as the case requires.

The director of taxation shall provide, upon request by a city or county clerk or treasurer or finance officer of any city or county levying a local retailers' sales tax, monthly reports identifying each retailer doing business in such city or county or making taxable sales sourced to such city or county, setting forth the tax liability and the amount of such tax remitted by each retailer during the preceding month and identifying each business location maintained by the retailer and such retailer's sales or use tax registration or account number. Such report shall be made available to the clerk or treasurer or finance officer of such city or county within a reasonable time after it has been requested from the director of taxation. The director of taxation shall be allowed to assess a reasonable fee for the issuance of such report. Information received by any city or county pursuant to this section shall be confidential, and it shall be unlawful for any officer or employee of such city or county to divulge any such information in any manner. Any violation of this paragraph by a city or county officer or employee is a class A misdemeanor, and such officer or employee shall be dismissed from office. Reports of violations of this paragraph shall be investigated by the attorney general. The district attorney or county attorney and the attorney general shall have authority to prosecute violations of this paragraph.

Sec. 5. K.S.A. 2023 Supp. 12-192 is hereby amended to read as follows: 12-192.

(a) Except as otherwise provided by subsection (b), (d) or (h), all revenue received by the director of taxation from a countywide retailers' sales tax shall be apportioned among the county and each city located in such county in the following manner:

(1) $\frac{1}{2}$ of all revenue received by the director of taxation shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year; and

(2) $\frac{1}{2}$ of all revenue received by the director of taxation from such countywide retailers' sales tax shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county, except that no persons residing within the Fort Riley military reservation shall be included in the determination of the population of any city located within Riley county.

All revenue apportioned to a county shall be paid to its county treasurer and shall be credited to the general fund of the county.

(b) (1) In lieu of the apportionment formula provided in subsection (a), all revenue received by the director of taxation from a countywide retailers' sales tax imposed within Johnson county at the rate of 0.75%, 1% or 1.25% after July 1, 2007, shall be apportioned among the county and each city located in such county in the following manner:

(A) The revenue received from the first 0.5% rate of tax shall be apportioned in the

manner prescribed by subsection (a); and

(B) the revenue received from the rate of tax exceeding 0.5% shall be apportioned as follows:

(i) $\frac{1}{4}$ shall be apportioned among the county and each city located in such county in the proportion that the total tangible property tax levies made in such county in the preceding year for all funds of each such governmental unit bear to the total of all such levies made in the preceding year;

(ii) $\frac{1}{4}$ shall be apportioned among the county and each city located in such county, first to the county that portion of the revenue equal to the proportion that the population of the county residing in the unincorporated area of the county bears to the total population of the county, and second to the cities in the proportion that the population of each city bears to the total population of the county; and

(iii) $\frac{1}{2}$ shall be retained by the county for its sole use and benefit.

(2) In lieu of the apportionment formula provided in subsection (a), all money received by the director of taxation from a countywide sales tax imposed within Montgomery county pursuant to the election held on November 8, 1994, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged. All revenue apportioned and paid from the imposition of such tax to the treasurer of any city prior to the effective date of this act shall be remitted to the county treasurer and expended only for the purpose for which the revenue received from the tax was pledged.

(3) In lieu of the apportionment formula provided in subsection (a), on and after the effective date of this act, all moneys received by the director of taxation from a countywide retailers' sales tax imposed within Phillips county pursuant to the election held on September 20, 2005, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(c) (1) Except as otherwise provided by paragraph (2) of this subsection, for purposes of subsections (a) and (b), the term "total tangible property tax levies" means the aggregate dollar amount of tax revenue derived from ad valorem tax levies applicable to all tangible property located within each such city or county. The ad valorem property tax levy of any county or city district entity or subdivision shall be included within this term if the levy of any such district entity or subdivision is applicable to all tangible property located within each such city or county.

(2) For the purposes of subsections (a) and (b), any ad valorem property tax levied on property located in a city in Johnson county for the purpose of providing fire protection service in such city shall be included within the term "total tangible property tax levies" for such city regardless of its applicability to all tangible property located within each such city. If the tax is levied by a district which extends across city boundaries, for purposes of this computation, the amount of such levy shall be apportioned among each city in which such district extends in the proportion that such tax levied within each city bears to the total tax levied by the district.

(d) (1) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(2), (3)(C), (3)(F), (3)(G), (3)(I), (6), (7), (8), (9), (12), (14), (15), (16), (17), (18), (19), (20), (22), (23), (25), (27), (28), (29), (30), (31), (32), (33), (34) ~~and~~, (35), (36), (37) and (38), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the

revenue received from the tax was pledged.

(2) Except as otherwise provided in K.S.A. 12-187(b)(5), and amendments thereto, all revenues received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(5), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged.

(3) All revenue received from a countywide retailers' sales tax imposed pursuant to K.S.A. 12-187(b)(26), and amendments thereto, shall be remitted to and shall be retained by the county and expended only for the purpose for which the revenue received from the tax was pledged unless the question of imposing a countywide retailers' sales tax authorized by K.S.A. 12-187(b)(26), and amendments thereto, includes the apportionment of revenue prescribed in subsection (a).

(e) All revenue apportioned to the several cities of the county shall be paid to the respective treasurers thereof and deposited in the general fund of the city. Whenever the territory of any city is located in two or more counties and any one or more of such counties do not levy a countywide retailers' sales tax, or whenever such counties do not levy countywide retailers' sales taxes at a uniform rate, the revenue received by such city from the proceeds of the countywide retailers' sales tax, as an alternative to depositing the same in the general fund, may be used for the purpose of reducing the tax levies of such city upon the taxable tangible property located within the county levying such countywide retailers' sales tax.

(f) Prior to March 1 of each year, the secretary of revenue shall advise each county treasurer of the revenue collected in such county from the state retailers' sales tax for the preceding calendar year.

(g) Prior to December 31 of each year, the clerk of every county imposing a countywide retailers' sales tax shall provide such information deemed necessary by the secretary of revenue to apportion and remit revenue to the counties and cities pursuant to this section.

(h) The provisions of subsections (a) and (b) for the apportionment of countywide retailers' sales tax shall not apply to any revenues received pursuant to a county or countywide retailers' sales tax levied or collected under K.S.A. 74-8929, and amendments thereto. All such revenue collected under K.S.A. 74-8929, and amendments thereto, shall be deposited into the redevelopment bond fund established by K.S.A. 74-8927, and amendments thereto, for the period of time set forth in K.S.A. 74-8927, and amendments thereto.

(d) In accordance with the provisions of K.S.A. 74-2438, and amendments thereto, any party may elect to appeal any application or decision referenced in subsection (b) to the state board of tax appeals. Except as provided in subsection (b) regarding single-family residential property, the filing of an appeal with the small claims and expedited hearings division shall not be a prerequisite for filing an appeal with the state board of tax appeals under this section. Final decisions of the small claims and expedited hearings division may be appealed to the state board of tax appeals. An appeal of a decision of the small claims and expedited hearings division to the state board of tax appeals shall be de novo. The county bears the burden of proof in any appeal filed by the county pursuant to this section. With regard to any matter properly submitted to the board relating to the determination of valuation of property for taxation purposes pursuant to this subsection, the board shall not increase the appraised valuation of the property to an amount greater than the final determination of appraised value by the county appraiser from which the taxpayer appealed to the small claims and expedited hearings division.

(e) A taxpayer shall commence a proceeding in the small claims and expedited hearings division by filing a notice of appeal in the form prescribed by the rules of the state board of tax appeals which shall state the nature of the taxpayer's claim. In or~~ any appeal from a final determination by the secretary of revenue, the hearing ~~shall~~ may be conducted ~~in the county in which the taxpayer resides or a county adjacent thereto~~ by teleconference or video conference as directed by the chief hearing officer or a designee.

(f) The hearing in the small claims and expedited hearings division shall be informal. The hearing officer may hear any testimony and receive any evidence the hearing officer deems necessary or desirable for a just determination of the case. A

hearing officer shall have the authority to administer oaths in all matters before the hearing officer. All testimony shall be given under oath. A party may appear personally or may be represented by an attorney, a certified public accountant, a certified general appraiser, a tax representative or agent, a member of the taxpayer's immediate family or an authorized employee of the taxpayer. A county or unified government may be represented by the county appraiser, designee of the county appraiser, county attorney or counselor or other representatives so designated. No transcript of the proceedings shall be kept.

(g) The hearing in the small claims and expedited hearings division shall be conducted within 60 days after the appeal is filed in the small claims and expedited hearings division unless such time period is waived by the taxpayer. A decision shall be rendered by the hearing officer within 30 days after the hearing is concluded and, in cases arising from appeals described by subsections (b) and (c)(2) and (3), shall be accompanied by a written explanation of the reasoning upon which such decision is based. Documents provided by a taxpayer or county or district appraiser shall be returned to the taxpayer or the county or district appraiser by the hearing officer and shall not become a part of the board's permanent records. Documents provided to the hearing officer shall be confidential and may not be disclosed, except as otherwise specifically provided.

(h) With regard to any matter properly submitted to the division relating to the determination of valuation of property for taxation purposes, it shall be the duty of the county appraiser to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity and correctness of such determination. No presumption shall exist in favor of the county appraiser with respect to the validity and correctness of such determination. Such income and expense statement shall be in such format that is regularly maintained by the taxpayer in the ordinary course of the taxpayer's business. If the taxpayer submits a single property appraisal with an effective date of January 1 of the year appealed, the burden of proof shall return to the county appraiser. With regard to any matter properly submitted to the division relating to the determination of valuation of property for taxation purposes, the hearing officer shall not increase the appraised valuation of the property to an amount greater than the final determination of appraised value by the county appraiser from which the taxpayer appealed.

Whenever the director determines that reappraisal of all real property within a county is complete, notification thereof shall be given to the governor and to the state board of tax appeals.~~

(b) Valuations shall be established for each parcel of real property at its fair market value in money in accordance with the provisions of K.S.A. 79-503a, and amendments thereto.

~~In addition thereto,~~ (c) (1) Valuations shall be established for each parcel of land devoted to agricultural use upon the basis of the agricultural income or productivity attributable to the inherent capabilities of such land in its current usage under a degree of management reflecting median production levels in the manner hereinafter provided. A classification system for all land devoted to agricultural use shall be adopted by the director of property valuation using criteria established by the United States department of agriculture natural resources conservation service.

(A) For all taxable years commencing after December 31, 1989, all land devoted to agricultural use that is subject to the federal conservation reserve program shall be classified as cultivated dry land for the purpose of valuation for property tax purposes pursuant to this section, except that for all taxable years commencing after December 31, 2022, all land devoted to agricultural use that is subject to the federal grassland conservation reserve program (CRP grasslands) shall be classified as grassland for the purpose of valuation for property tax purposes pursuant to this section.

(d) The share of net income from land in the various land classes within each county or homogeneous region that is normally received by the landlord shall be used as the basis for determining agricultural income for all land devoted to agricultural use except pasture or rangeland. The net income normally received by the landlord from such land shall be determined by deducting expenses normally incurred by the landlord from the share of the gross income normally received by the landlord. The net rental income normally received by the landlord from pasture or rangeland within each county or homogeneous region shall be used as the basis for determining agricultural income from such land. The net rental income from pasture and rangeland that is normally received by the landlord shall be determined by deducting expenses normally incurred from the gross income normally received by the landlord. Commodity prices, crop yields and pasture and rangeland rental rates and expenses shall be based on an average of the eight calendar years immediately preceding the calendar year that immediately precedes the year of valuation. Net income for every land class within each county or homogeneous region shall be capitalized at a rate determined to be the sum of the contract rate of interest on new federal land bank loans in Kansas on July 1 of each year averaged over a five-year period that includes the five years immediately preceding the calendar year which immediately precedes the year of valuation, plus a percentage not less than 0.75% nor more than 2.75%, as determined by the director of property valuation, except that the capitalization rate calculated for property tax year 2003, and all such years thereafter, shall not be less than 11% nor more than 12%.

(3) The public hearing to consider exceeding the revenue neutral rate shall be held not sooner than August 20 and not later than September 20. The governing body shall provide interested taxpayers desiring to be heard an opportunity to present oral testimony within reasonable time limits and without unreasonable restriction on the number of individuals allowed to make public comment. The public hearing may be conducted in conjunction with the proposed budget hearing pursuant to K.S.A. 79-2929, and amendments thereto, if the governing body otherwise complies with all requirements of this section. Nothing in this section shall be construed to prohibit additional public hearings that provide additional opportunities to present testimony or public comment prior to the public hearing required by this section.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing and on the same day as the commencement of the public hearing after the governing body has heard from interested taxpayers and shall be a roll call vote. If the governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section. A copy of the resolution or ordinance to approve exceeding the revenue neutral rate and a certified copy of any roll call vote reporting, at a minimum, the name and vote of each member of the governing body related to exceeding the revenue neutral rate, whether approved or not, shall be included with the adopted budget, budget certificate and other budget forms filed with the county clerk and the director of accounts and reports and shall be published on the website of the department of administration.

(c) (1) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate.

(2) Any taxpayer of the taxing subdivision that is the subject of the complaint or such taxpayer's duly authorized representative may file a complaint with the state board of tax appeals by filing a written complaint, on a form prescribed by the board, that contains the facts that the complaining party believes show that a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and that a reduction or refund of taxes is appropriate. The complaining party shall provide a copy of such complaint to the governing body of the taxing subdivision making the levy that is the subject of the complaint. Notwithstanding K.S.A. 74-2438a, and amendments thereto, no filing fee shall be charged by the executive director of the state board of tax appeals for a complaint filed pursuant to this paragraph. The governing body of the taxing subdivision making the levy that is the subject of the complaint shall be a party to the proceeding. Notice of any summary proceeding or hearing shall be served upon such governing body, the county clerk, the director of accounts and reports and the complaining party. It shall be the duty of the governing body to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity of such levy. If upon a summary proceeding or hearing, it shall be made to appear to the satisfaction of the board that the governing body of the taxing subdivision did not comply with subsection (b), the state board of tax appeals shall order such governing body to refund to taxpayers the amount of property taxes over collected or reduce the taxes levied, if uncollected. The provisions of this paragraph shall not be construed as prohibiting any other remedies available under the law.

(d) On and after January 1, 2022, in the event that the 20 mills levied by a school district pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax revenue generated for the purpose of calculating the revenue neutral rate from the previous tax year and such amount of increase in revenue generated from the 20 mills is the only reason the school district would exceed the total property tax revenue from the prior year, the school district shall be deemed to not have exceeded the revenue neutral rate in levying a tax rate in excess of the revenue neutral rate to take into account the increase in revenue from only the 20 mills.

(e) (1) Notwithstanding any other provision of law to the contrary, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied.

(2) If a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and certifies to the county clerk an amount of ad valorem tax to be levied that would result in a tax rate in excess of its revenue neutral rate, the county clerk shall reduce the ad valorem tax to be levied to the amount resulting from such taxing subdivision's revenue neutral rate.

(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current

tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

(g) In the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to K.S.A. 2023 Supp. 79-2989, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Such costs shall be shared proportionately by all taxing subdivisions that were included on the same notice based on the total property tax levied by each taxing subdivision. Payment of such costs shall be due to the county clerk by December 31.

(h) The department of administration or the director of accounts and reports shall make copies of adopted budgets, budget certificates, other budget documents and revenue neutral rate documents available to the public on the department of administration's website on a permanently accessible web page that may be accessed via a conspicuous link to that web page placed on the front page of the department's website. The department of administration or the director of accounts and reports shall also make the following information for each tax year available on such website:

- (1) A list of taxing subdivisions by county;
- (2) whether each taxing subdivision conducted a hearing to consider exceeding its revenue neutral rate;
- (3) the revenue neutral rate of each taxing subdivision;
- (4) the tax rate resulting from the adopted budget of each taxing subdivision; and
- (5) the percent change between the revenue neutral rate and the tax rate for each taxing subdivision.

(i) Notwithstanding any provisions to the contrary, in the event any governing body does not comply with the provisions of subsection (b) because such governing body did not intend to exceed its revenue neutral rate but the final taxable assessed valuation of such taxing subdivision used to calculate the actual tax levy is less than the estimated assessed valuation used to calculate the revenue neutral rate, such governing body shall be permitted to levy a tax rate that generates the same amount of property tax revenue as levied the previous year or less.

Sec. 16. K.S.A. 2023 Supp. 79-2989 is hereby amended to read as follows: 79-2989. (a) For calendar years ~~2022 and 2023~~ and 2024, if a county clerk has printing or postage costs pursuant to K.S.A. 2023 Supp. 79-2988, and amendments thereto, the county clerk shall notify and provide documentation of such costs to the secretary of revenue. The secretary of revenue shall certify the amount of moneys attributable to such costs and shall transmit a copy of such certification to the director of accounts and reports. Upon such receipt of such certification, the director of accounts and reports shall transfer an amount of moneys equal to such certified amount from the state general fund to the taxpayer notification costs fund of the department of revenue. The secretary of revenue shall transmit a copy of each such certification to the director of legislative research and the director of the budget.

(b) There is hereby established in the state treasury the taxpayer notification costs fund that shall be administered by the secretary of revenue. All expenditures from the taxpayer notification costs fund shall be for the purpose of paying county printing and postage costs pursuant to K.S.A. 2023 Supp. 79-2988, and amendments thereto. All

expenditures from such fund shall be made in accordance with appropriations acts upon warrants of the director of accounts and reports issued pursuant to vouchers approved by the secretary of revenue or the secretary's designee.

Sec. 17. K.S.A. 79-32,107 is hereby amended to read as follows: 79-32,107. (a) All penalties and interest prescribed by K.S.A. 79-3228, and amendments thereto, for noncompliance with the income tax laws of Kansas shall be applicable for noncompliance with the provisions of the Kansas withholding and declaration of estimated tax act relating to withholding tax which shall be enforced in the same manner as the Kansas income tax act. A penalty at the same rate per annum prescribed by ~~subsection (b) of~~ K.S.A. 79-2968(b), and amendments thereto, for interest upon delinquent or unpaid taxes shall be applied and added to a taxpayer's amount of underpayment of estimated tax due from the date the estimated tax payment was due until the same is paid or until the 15th day of the fourth month following the close of the taxable year for which such estimated tax is a credit, whichever date is earlier, but such penalty shall not be added if the total amount thereof does not exceed \$1. For purposes of this subsection, the amount of underpayment of estimated tax shall be the excess of the amount of the installment which would be required to be paid if the estimated tax were equal to 90% of the tax shown on the return for the taxable year or, if no return was filed, 90% of the tax for such year, over the amount, if any, of the installment paid on or before the last date prescribed for payment. Amounts due from any employer on account of withholding or from any taxpayer for estimated tax may be collected by the director in the manner provided for the collection of state income tax in K.S.A. 79-3235, and amendments thereto. For purposes of this subsection, "underpayment of tax" means the difference between the amount of tax actually paid and the amount of tax which would have been required to be paid to avoid penalty pursuant to subsection (b) or (c).

(b) No penalty or interest shall be imposed upon any individual with respect to any underpayment of any installment if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the least:

(1) The tax shown on the return of the individual for the preceding taxable year, if a return showing a liability for tax was filed by the individual for the preceding taxable year;

(2) zero if no return was required to be filed or if the tax liability on the individual's return was less than \$200 for the preceding taxable year;

(3) an amount equal to $66\frac{2}{3}\%$, in the case of individuals referred to in ~~subsection (b) of~~ K.S.A. 79-32,102(b), and amendments thereto, and 90%, in the case of all other individuals, of the tax for the taxable year computed by placing on an annualized basis, pursuant to rules and regulations adopted by the secretary of revenue, the taxable income for the months in the taxable year ending before the month in which the installment is required to be made.

(c) No penalty or interest shall be imposed upon any corporation with respect to any underpayment of any installment of estimated tax if the total amount of all payments of estimated tax made on or before the last date prescribed for the payment of such installment equals or exceeds the amount which would have been required to be paid on or before such date if the estimated tax were whichever of the following is the

least:

(1) The tax shown on the return of the corporation for the preceding taxable year, if a return showing a liability for tax was filed by the corporation for the preceding taxable year, or zero if no return was required to be filed, or if the tax liability on the corporation's return was less than \$500 for the preceding taxable year; or

(2) (A) an amount equal to 90% of the tax for the taxable year computed by placing on an annualized basis the taxable income:

(i) For the first three months of the taxable year, in the case of the installment required to be paid in the fourth month;

(ii) for the first three months or for the first five months of the taxable year, in the case of the installment required to be paid in the sixth month;

(iii) for the first six months or for the first eight months of the taxable year in the case of the installment required to be paid in the ninth month; and

(iv) for the first nine months or for the first 11 months of the taxable year, in the case of the installment required to be paid in the 12th month of the taxable year.

(B) For purposes of this ~~subsection paragraph~~ (2), the taxable income shall be placed on an annualized basis by:

(i) Multiplying by 12 the taxable income referred to in ~~subsection (2)(A), subparagraph (A); and~~

(ii) dividing the resulting amount by the number of months in the taxable year (three, five, six, eight, nine, or 11, as the case may be) referred to in ~~subsection (2)(A) subparagraph (A).~~

(d) If the employer, in violation of the provisions of this act, fails to deduct and withhold under this chapter, and thereafter the tax against which such withholding may be credited is paid, the amount otherwise required to be deducted and withheld shall not be collected from the employer. This subsection shall in no case relieve the employer from liability for any penalties or additions to the tax otherwise applicable in respect of such failure to deduct and withhold.

(e) Any person required to collect, truthfully account for, and pay over any tax imposed by this act, who willfully fails to collect such tax, or truthfully account for and pay over such tax, or willfully attempts in any manner to evade or defeat any such tax or the payment thereof, shall in addition to the other penalties of this section be liable to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over. As used in this section, "willfully" has the same meaning as such term has for federal tax purposes in 26 U.S.C. § 6672.

(f) (1) In case of failure by any employer required by ~~subsection (b) of K.S.A. 79-3298(b), and amendments thereto, to remit any amount of withheld taxes by the date prescribed therefor, unless it is shown that such failure is due to reasonable cause and not due to willful neglect, there shall be imposed upon such person a penalty of 15% of the amount of the underpayment;~~

(A) 2% of the amount of the underpayment if remitted within one to five days;

(B) 5% of the amount of the underpayment if remitted within six to 15 days;

(C) 10% of the amount of the underpayment if remitted after 15 days; and

(D) 15% of the amount of the underpayment if remitted after 15 days and the department has issued a notice to the person regarding the underpayment but the amount of the underpayment was not remitted within 10 days of issuance of the notice.

(2) For purposes of this subsection, the term "underpayment" means the excess of

the amount of the tax required to be withheld and remitted over the amount, if any, remitted on or before the date prescribed therefor. The failure to remit for any withholding period shall be deemed not to continue beyond the last date prescribed for filing the annual return as required by ~~subsection (d) of K.S.A. 79-3298(d)~~, and amendments thereto. Penalty and interest as prescribed by K.S.A. 79-3228, and amendments thereto, shall not begin to accrue under subsection (a) ~~of this section~~ on the amount of any such underpayment until the due date of the annual return for the calendar year in which such failure to remit occurs.

(g) Whenever the secretary or the secretary's designee determines that the failure of the taxpayer to comply with the provisions of subsections (a), (e); or ~~(f) of this section~~ was due to reasonable causes, the secretary or the secretary's designee may waive or reduce any of ~~said such~~ penalties and may reduce the interest rate to the underpayment rate prescribed and determined for the applicable period under section 6621 of the federal internal revenue code as in effect on January 1, 1994, upon making a record of the reasons therefor.

Sec. 18. K.S.A. 2023 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

(ii) Taxes on or measured by income or fees or payments in lieu of income taxes imposed by this state or any other taxing jurisdiction to the extent deductible in determining federal adjusted gross income and not credited against federal income tax. This paragraph shall not apply to taxes imposed under the provisions of K.S.A. 79-1107 or 79-1108, and amendments thereto, for privilege tax year 1995, and all such years thereafter.

SIXTY-FIRST DAY

The House met pursuant to adjournment with Speaker pro tem Carpenter in the chair.

The roll was called with 123 members present.

Excused later: Rep. Alcalá, Meyer, L. Ruiz and Woodard.

Present later: Rep. Alcalá.

Prayer by Chaplain Holmes:

Dear Father, I thank You for all the blessings You have bestowed upon this deliberative body. Strength in times of tiredness; insight during difficult decisions, patience when chaos seemed to rule; the kind word when discouragement followed actions often misunderstood, and the support of many colleagues and friends.

Thank You for the grace given when desired outcomes clashed. For the character strength of those who did not agree yet showed restraint and respect. For the smile when a frown was expected and for that lighthearted moment when it was so needed.

Help us to now relax with the directions we have taken. Where there was doubt about an issue, let peace prevail in our spirits, knowing we did what we genuinely thought was best.

In the book of Psalms, we were taught “My soul waits in silence for God only, for my hope is in Him. He only is my rock and salvation, my stronghold; I shall not be shaken. On God my salvation and my glory rest. The rock of my strength, my refuge is in God. Trust in Him at all times, O’ people. Pour out your heart before Him; God is a refuge for us.”

As many begin their trek home, I pray there will be a sense of satisfaction for work accomplished. I pray that You O’ God, would be their strength and strong rock to stand upon. Remind them if You would, that You are a refuge where they can find rest for body and soul.

Now, might each receive this blessing found in the Book of Numbers; “The Lord bless you and keep you. The Lord make His face shine on you and be gracious to you. The Lord lift up His countenance on you, and give you peace.”

I ask these things in Jesus name. Amen.

The Pledge of Allegiance was led by Rep. Estes.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Rep. Blew are spread upon the Journal:

In 2014 I visited the Capitol for the first time as a student body senator at Fort Hays. I remember being in complete shock and awe when walking around this gorgeous building already being bias that Kansas has the most beautiful capitol in the nation. I remember sitting in the Gallery watching the House Chamber being called to order. I was instantly annoyed with all of the conversation and nobody paying attention, but I told myself one day I will sit in one of those seats.

Little did I know that day was coming quicker than I thought. I filed for office my senior year of college in 2016. I ask you all think back to when you were 22, can you image running for office at that age? Looking back I wonder, what was I thinking? I also think about how I wouldn't change it.

Throughout my 8 years up here I have left this building smiling, I've left this building in tears, and I've left this building angry, sometimes all in the same day, but one thing I can say is I've left this building learning something new every day.

Here are 4 things I've learned throughout my 4 terms:

- Apparently, porch pirates are an issue in rural Barton County and Speaker Ryckman has spent a ton of money on airfryers.
- Slow down. Breathe. Look at every angle of an issue. Just because you lost the battle doesn't mean you've lost the war.
- Never burn bridges.
- Stand up for what you believe in. Sometimes you might be the only person standing, but it will make you a stronger individual.

I know many in their farewell speeches talk about all the great policy that has been passed throughout their time in the legislature, but this job is so much more to me than that. I look to you all as a family. A dysfunctional family sometimes, but a family that all has one common goal, to make Kansas a better place.

I am going to miss this. As I look back at all the great things that have happened over these 8 years, these memories stick out.

- Being lucky enough to have a legislative mom and dad.
- Creating so many true friendships that I know are going to last a life time.
- Getting married and looking out in the crowd and seeing so many of my legislative friends there to help celebrate.

Friends, I wanted share my farewell speech early, just in case I don't get to come back during veto. As much as I want to, I really want this baby out of me. I don't know what my future holds, it could be working across the rotunda, maybe I will be spending more time at home, or maybe I might finally be able to open up my dream business, either way, I have learned something from each and everyone one of you that I know will help me succeed within my future endeavors, whatever they may be. I want to end with a quote from JB Mauney, arguably the world's best bull rider.

"If you fuel your journey on opinions of others, you're going to run out of gas." Thank you for a great 8 years. Kansas proud, and God bless.

(d) The adoption of an informal agreement authorized by this section shall not be subject to the provisions of the Kansas administrative procedure act or the Kansas judicial review act. Any informal agreement authorized by this subsection shall not be considered an order or other agency action and shall be considered confidential examination material. All such examination material shall be confidential by law and privileged, shall not be subject to the provisions of the open records act, K.S.A. 45-215 et seq., and amendments thereto, shall not be subject to subpoena and shall not be subject to discovery or admissible in evidence in any private civil action. - (6) that the person be barred from subsequently applying for registration under this act.

(b) (1) If the commissioner makes written findings of fact that the public interest will be irreparably harmed by delay in issuing an order under subsection (a), the commissioner may issue an emergency cease and desist order.

(2) Such emergency order, even if not an order within the meaning of K.S.A. 77-502, and amendments thereto, shall be subject to the same procedures as an emergency order issued under K.S.A. 77-536, and amendments thereto.

Upon completion of the hearing the commissioner shall, by written findings of fact and conclusions of law, vacate, modify or make permanent the emergency order.

Any failure to obey the order of the court may be punished by the court as contempt of court.

(b) No person shall be excused from attending, testifying or producing any document or record before the commissioner or in obedience to the subpoena of the

commissioner or the commissioner's designee, or in any proceeding instituted by the commissioner, on the ground that such testimony or evidence, documentary or otherwise, required of the person may tend to incriminate the person or subject the person to a penalty or forfeiture. No individual may be prosecuted or subjected to any penalty or forfeiture for or on account of any transaction, matter or thing concerning which such person is compelled, after claiming privilege against self-incrimination, to testify or produce evidence, documentary or otherwise, except that the individual so testifying shall not be exempt from prosecution and punishment for perjury committed in so testifying.

If a manager does not create such similar fund, the state-managed fund shall divest from such indirect holdings in actively or passively managed investment funds.

On page 12, following line 40, by inserting:

"Sec. 10. K.S.A. 2023 Supp. 74-4921 is hereby amended to read as follows: 74-4921. (1) There is hereby created in the state treasury the Kansas public employees retirement fund. All employee and employer contributions shall be deposited in the state treasury to be credited to the Kansas public employees retirement fund. The fund is a trust fund and shall be used solely for the exclusive purpose of providing benefits to members and member beneficiaries and defraying reasonable expenses of administering the fund. Investment income of the fund shall be added or credited to the fund as provided by law. All benefits payable under the system, refund of contributions and overpayments, purchases or investments under the law and expenses in connection with the system unless otherwise provided by law shall be paid from the fund. The director of accounts and reports is authorized to draw warrants on the state treasurer and against such fund upon the filing in the director's office of proper vouchers executed by the chairperson or the executive director of the board. As an alternative, payments from the fund may be made by credits to the accounts of recipients of payments in banks, savings and loan associations and credit unions. A payment shall be so made only upon the written authorization and direction of the recipient of payment and upon receipt of such authorization such payments shall be made in accordance therewith. Orders for payment of such claims may be contained on:

(a) A letter, memorandum, telegram, computer printout or similar writing; or

(b) any form of communication, other than voice, which is registered upon

magnetic tape, disc or any other medium designed to capture and contain in durable form conventional signals used for the electronic communication of messages.

(2) The board shall have the responsibility for the management of the fund and shall discharge the board's duties with respect to the fund solely in the interests of the members and beneficiaries of the system for the exclusive purpose of providing benefits to members and such member's beneficiaries and defraying reasonable expenses of administering the fund and shall invest and reinvest moneys in the fund and acquire, retain, manage, including the exercise of any voting rights and disposal of investments of the fund within the limitations and according to the powers, duties and purposes as prescribed by this section.

(3) Moneys in the fund shall be invested and reinvested to achieve the investment objective which is preservation of the fund to provide benefits to members and member beneficiaries, as provided by law and accordingly providing that the moneys are as productive as possible, subject to the standards set forth in this act. No moneys in the fund shall be invested or reinvested if any investment objective is for economic development or social purposes or objectives.

(4) In investing and reinvesting moneys in the fund and in acquiring, retaining, managing and disposing of investments of the fund, the board shall exercise the judgment, care, skill, prudence and diligence under the circumstances then prevailing, which persons of prudence, discretion and intelligence acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with like aims by diversifying the investments of the fund so as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so, and not in regard to speculation but in regard to the permanent disposition of similar funds, considering the probable income as well as the probable safety of their capital.

(5) Notwithstanding subsection (4):

(a) Total investments in common stock may be made in the amount of up to 60% of the total book value of the fund;

(b) the board may invest or reinvest moneys of the fund in alternative investments if the following conditions are satisfied:

(i) The total of the annual net commitment to alternative investments does not exceed 5% of the total market value of investment assets of the fund as measured from the end of the preceding calendar year;

(ii) if in addition to the system, there are at least two other qualified institutional buyers, as defined by section (a)(1)(i) of rule 144A, securities act of 1933;

(iii) the system's share in any individual alternative investment is limited to an investment representing not more than 20% of any such individual alternative investment;

(iv) the system has received a favorable and appropriate recommendation from a qualified, independent expert in investment management or analysis in that particular type of alternative investment;

(v) the alternative investment is consistent with the system's investment policies and objectives as provided in subsection (6);

(vi) the individual alternative investment does not exceed more than 2.5% of the total alternative investments made under this subsection. If the alternative investment is made pursuant to participation by the system in a multi-investor pool, the 2.5% limitation contained in this subsection is applied to the underlying individual assets of

such pool and not to investment in the pool itself. The total of such alternative investments made pursuant to participation by the system in any one individual multi-investor pool shall not exceed more than 20% of the total of alternative investments made by the system pursuant to this subsection. Nothing in this subsection requires the board to liquidate or sell the system's holdings in any alternative investments made pursuant to participation by the system in any one individual multi-investor pool held by the system on the effective date of this act, unless such liquidation or sale would be in the best interest of the members and beneficiaries of the system and be prudent under the standards contained in this section. The 20% limitation contained in this subsection shall not have been violated if the total of such investment in any one individual multi-investor pool exceeds 20% of the total alternative investments of the fund as a result of market forces acting to increase the value of such a multi-investor pool relative to the rest of the system's alternative investments; however, the board shall not invest or reinvest any moneys of the fund in any such individual multi-investor pool until the value of such individual multi-investor pool is less than 20% of the total alternative investments of the fund;

(vii) the board has received and considered the investment manager's due diligence findings submitted to the board as required by subsection (6);

(viii) prior to the time the alternative investment is made, the system has in place procedures and systems to ensure that the investment is properly monitored and investment performance is accurately measured; and

(ix) the total of alternative investments does not exceed ~~15%~~ 25% of the total investment assets of the fund. The ~~15%~~ 25% limitation contained in this subsection shall not have been violated if the total of such alternative investments exceeds ~~15%~~ 25% of the total investment assets of the fund, based on the fund total market value, as a result of market forces acting to increase the value of such alternative investments relative to the rest of the system's investments. However, the board shall not invest or reinvest any moneys of the fund in alternative investments until the total value of such alternative investments is less than ~~15%~~ 25% of the total investment assets of the fund based on the market value. If the total value of the alternative investments exceeds ~~15%~~ 25% of the total investment assets of the fund, the board shall not be required to liquidate or sell the system's holdings in any alternative investment held by the system, unless such liquidation or sale would be in the best interest of the members and beneficiaries of the system and is prudent under the standards contained in this section;

(c) for purposes of this section, "alternative investment" includes a broad group of investments that are not one of the traditional asset types of public equities, fixed income, cash or real estate. Alternative investments are generally made through limited partnership or similar structures, are not regularly traded on nationally recognized exchanges and thus are relatively illiquid, and exhibit lower correlations with more liquid asset types such as stocks and bonds. Alternative investments generally include, but are not limited to, private equity, private credit, hedge funds, infrastructure, commodities and other investments that have the characteristics described in this paragraph; and

(d) except as otherwise provided, the board may invest or reinvest moneys of the fund in real estate investments if the following conditions are satisfied:

(i) The system has received a favorable and appropriate recommendation from a qualified, independent expert in investment management or analysis in that particular

type of real estate investment;

(ii) the real estate investment is consistent with the system's investment policies and objectives as provided in subsection (6); and

(iii) the system has received and considered the investment manager's due diligence findings.

(6) (a) Subject to the objective set forth in subsection (3) and the standards set forth in subsections (4) and (5) the board shall formulate policies and objectives for the investment and reinvestment of moneys in the fund and the acquisition, retention, management and disposition of investments of the fund. Such policies and objectives shall include:

(i) Specific asset allocation standards and objectives;

(ii) establishment of criteria for evaluating the risk versus the potential return on a particular investment;

(iii) a requirement that all investment managers submit such manager's due diligence findings on each investment to the board or investment advisory committee for approval or rejection prior to making any alternative investment;

(iv) a requirement that all investment managers shall immediately report all instances of default on investments to the board and provide the board with recommendations and options, including, but not limited to, curing the default or withdrawal from the investment; and

(v) establishment of criteria that would be used as a guideline for determining when no additional add-on investments or reinvestments would be made and when the investment would be liquidated.

(b) The board shall review such policies and objectives, make changes considered necessary or desirable and readopt such policies and objectives on an annual basis.

(7) The board may enter into contracts with one or more persons whom the board determines to be qualified, whereby the persons undertake to perform the functions specified in subsection (2) to the extent provided in the contract. Performance of functions under contract so entered into shall be paid pursuant to rates fixed by the board subject to provisions of appropriation acts and shall be based on specific contractual fee arrangements. The system shall not pay or reimburse any expenses of persons contracted with pursuant to this subsection, except that after approval of the board, the system may pay approved investment related expenses subject to provisions of appropriation acts. The board shall require that a person contracted with to obtain commercial insurance which provides for errors and omissions coverage for such person in an amount to be specified by the board, provided that such coverage shall be at least the greater of \$500,000 or 1% of the funds entrusted to such person up to a maximum of \$10,000,000. The board shall require a person contracted with to give a fidelity bond in a penal sum as may be fixed by law or, if not so fixed, as may be fixed by the board, with corporate surety authorized to do business in this state. Such persons contracted with the board pursuant to this subsection and any persons contracted with such persons to perform the functions specified in subsection (2) shall be deemed to be agents of the board and the system in the performance of contractual obligations.

(8) (a) In the acquisition or disposition of securities, the board may rely on the written legal opinion of a reputable bond attorney or attorneys, the written opinion of the attorney of the investment counselor or managers, or the written opinion of the attorney general certifying the legality of the securities.

(b) The board shall employ or retain qualified investment counsel or counselors or may negotiate with a trust company to assist and advise in the judicious investment of funds as herein provided.

(9) (a) Except as provided in subsection (7) and this subsection, the custody of money and securities of the fund shall remain in the custody of the state treasurer, except that the board may arrange for the custody of such money and securities as it considers advisable with one or more member banks or trust companies of the federal reserve system or with one or more banks in the state of Kansas, or both, to be held in safekeeping by the banks or trust companies for the collection of the principal and interest or other income or of the proceeds of sale. The services provided by the banks or trust companies shall be paid pursuant to rates fixed by the board subject to provisions of appropriation acts.

(b) The state treasurer and the board shall collect the principal and interest or other income of investments or the proceeds of sale of securities in the custody of the state treasurer and pay same when so collected into the fund.

(c) The principal and interest or other income or the proceeds of sale of securities as provided in this subsection shall be reported to the state treasurer and the board and credited to the fund.

(10) The board shall with the advice of the director of accounts and reports establish the requirements and procedure for reporting any and all activity relating to investment functions provided for in this act in order to prepare a record monthly of the investment income and changes made during the preceding month. The record will reflect a detailed summary of investment, reinvestment, purchase, sale and exchange transactions and such other information as the board may consider advisable to reflect a true accounting of the investment activity of the fund.

(11) The board shall provide for an examination of the investment program annually. Option contracts for the purchase of real property are not contracts for deed.

(3) "Property" means real property located in this state upon which there is located or will be located a structure designed principally for occupancy of one to four families that is or will be occupied by the buyer as the buyer's principal place of residence.

(4) "Seller" means any person who makes a sale of property by means of a contract for deed or any legal successor in interest to the seller.

New Sec. 12. (a) A seller shall not execute a contract for deed with a buyer if the seller does not hold title to the property. Except as provided further, a seller shall maintain fee simple title to the property free from any mortgage, lien or other encumbrance for the duration of the contract for deed. This subsection shall not apply to

a mortgage, lien or encumbrance placed on the property:

- (1) Due to the conduct of the buyer;
