EXPLANATIONS OF VOTE

MR. SPEAKER: I vote no on **SB 28** because of the deletion of \$75,000 for breast cancer diagnostic coverage in the State Employees Health Insurance Program. Kansas breast cancer rates are 5.3% higher than the national average, and have been climbing since 2014. The fact that we cannot agree that women's health should be a priority, is appalling. This chamber overwhelmingly supported this measure, and for that I say thank you to my colleagues. But that we will cave to the Senate regarding employee lives, is unforgivable. — LINDA FEATHERSTON, CINDY NEIGHBOR, MIKE AMYX, STEPHANIE SAWYER CLAYTON, CHRISTINA HASWOOD, JOHN CARMICHAEL, KIRK HASKINS, DENNIS “BOOG” HIGHBERGER, ALLISON HOUGLAND, JO ELLA HOYE, ANGELA MARTINEZ, NIKKI McDONALD, LYNN MELTON, HEATHER MEYER, DENNIS MILLER, SILAS MILLER, VIC MILLER, CINDY NEIGHBOR, JARROD OUSLEY, MELISSA OROPEZA, MARI-LYNN POSKIN, JASON PROBST, LOUIS RUIZ, SUSAN RUIZ, TOM SAWYER, TOBIAS SCHLINGENSIEPEN, JERRY STOGSDILL, LINDSAY VAUGHN, VALDENIA WINN

MR. SPEAKER: I vote NO on **SB 28**. However, I do appreciate that the State of Kansas has now set a floor for home values with ground water contamination. Two homes in Butler County are being condemned and reimbursed at \$250,000 apiece. I look forward to my bill being heard next session that will apply this same formula for ground water contamination, and ask the State to appropriate \$425 million to allow the homeowners of the 29th and Grove area in Wichita to be able to find new housing that will not poison them. — FORD CARR

MR. SPEAKER: **SB 28** is not a bill we believe we can legitimately support. There is little control on state spending, with a 64% increase in the SGF since FY2021 (\$3.32b vs \$5.45b FY25.) Kansas has virtually no population growth, high rates of outmigration, and the second highest income tax rate in the region. In the most recent data available our per capita state spending was 25% higher than Colorado, and 45-50% higher than Oklahoma and Missouri. We must do better than this! We need systemic reform of our budget making process. Until then we vote NO on **SB 28**. — PAUL WAGGONER, SCOTT HILL

New Sec. 3. (a) On and after July 1, 2025, any individual may open an account with a financial institution and designate the account, in its entirety, as an adoption savings account to be used to pay or reimburse a designated beneficiary's eligible expenses for the adoption of a child. An individual may be the account holder of multiple accounts and an individual may jointly own the account with another individual if such individuals file a joint income tax return. An account holder shall comply with the requirements of this act to be eligible for the modifications set forth in K.S.A. 79-32,117, and amendments thereto.

(b) (1) An account holder shall designate, not later than April 15 of the year following the taxable year during which the account is established, a prospective adoptive parent as the designated beneficiary of the account. Nothing in this section shall prohibit an account holder from designating such account holder as the designated beneficiary of an account. An account holder may change the designated beneficiary at any time, but no account shall have more than one designated beneficiary at any time. (3) Moneys may remain in an account for an unlimited duration without the interest or income being subject to recapture or penalty.

(d) The account holder shall not use moneys in an account to pay expenses of administering the account, except that a service fee may be deducted from the account by a financial institution. If any moneys are subject to recapture, the account holder shall pay a penalty in the following amounts:

(1) If the withdrawal of moneys occurred 10 or less years after the first deposit in the account, 5% of the amount subject to recapture; and

(d) The penalties provided in subsection (c) shall not apply if the withdrawn moneys are from an account after the death of the designated beneficiary, and the account holder did not designate a new designated beneficiary during the same tax year.

(e) If the account holder dies or, if the account is jointly owned and the account owners die, and the account does not have a surviving payable on death beneficiary, then all of the moneys in the account resulting from contributions or income earned from assets in the account shall be subject to recapture in the tax year of the death or deaths pursuant to K.S.A. 79-32,117, and amendments thereto, but no penalty shall be assessed pursuant to subsection (c).

(3) reporting or remitting taxes or penalties related to the use of account moneys.

(c) A financial institution may rely on such financial institution's account records for determining a payable on death beneficiary for an adoption savings account. If the

Sec. 9. K.S.A. 2023 Supp. 79-32,117 is hereby amended to read as follows: 79-32,117. (a) The Kansas adjusted gross income of an individual means such individual's federal adjusted gross income for the taxable year, with the modifications specified in this section.

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. Interest income on obligations of this state or a political subdivision thereof issued after December 31, 1987, shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income.

For purposes hereof, a tax benefit shall be deemed to have resulted if the amount of the tax had been deducted in determining income subject to a Kansas income tax for a prior year regardless of the rate of taxation applied in such prior year to the Kansas taxable income, but only that portion of the refund shall be included as bears the same proportion to the total refund received as the federal taxes deducted in the year to which such refund is attributable bears to the total federal income taxes paid for such year. For

purposes of the foregoing sentence, federal taxes shall be considered to have been deducted only to the extent such deduction does not reduce Kansas taxable income below zero.

(v) The amount of any depreciation deduction or business expense deduction claimed on the taxpayer's federal income tax return for any capital expenditure in making any building or facility accessible to the handicapped, for which expenditure the taxpayer claimed the credit allowed by K.S.A. 79-32,177, and amendments thereto.

(xi) The amount of any contribution made to the same extent the same is claimed as the basis for the credit allowed pursuant to K.S.A. 74-50,154, and amendments thereto.

(xii) For taxable years commencing after December 31, 2004, amounts received as withdrawals not in accordance with the provisions of K.S.A. 74-50,204, and amendments thereto, if, at the time of contribution to an individual development account, such amounts were subtracted from the federal adjusted gross income pursuant to subsection (c)(xiii), or if such amounts are not already included in the federal adjusted gross income.

EXPLANATION OF VOTE

MR. SPEAKER: I vote NO on **HB 2465**. While I advocate for providing meaningful support to Kansas families, I do not believe it is a proper use of state dollars to fund "Pregnancy Crisis Centers." They have been found to operate unethically by the American Medical Association, with studies published by the AMA Journal of Ethics that establish many of them lack of quality of care standards and engage in deceptive practices: <https://journalofethics.ama-assn.org/article/why-crisis-pregnancy-centers-are-legal-unethical/2018-03> I cannot give \$10 M, to organizations who lack ethical standards and accountability. – MARI-LYNN POSKIN, HEATHER MEYER, LINDA FEATHERSTON, JOHN CARMICHAEL, CINDY NEIGHBOR, JO ELLA HOYE, ALLISON HOUGLAND, DENNIS "BOOG" HIGHBERGER, SILAS MILLER, VIRGIL WEIGEL, SUSAN RUIZ, TOBAIS SCHLINGINSIEPEN, FORD CARR, JERRY STOGSDILL, MELISSA OROPEZA, VIC MILLER, LYNN MELTON, ANGELA MARTINEZ, DENNIS MILLER, CHRISTINA HASWOOD, NIKKI McDONALD, KIRK HASKINS, DAN OSMAN, VALDENIA WINN, SYDNEY CARLIN, BARBARA BALLARD, STEPHANIE SAWYER CLAYTON

EXPLANATION OF VOTE

MR. SPEAKER: We are proud to support our 59 Kansas based Pregnancy Resource centers by voting YES on **HB 2465**. These local pregnancy centers provide compassionate support, practical aid, and life-affirming counsel to women facing unexpected pregnancies. We reject the extremist rhetoric and outright lies spread by the abortion industry and their allies in the House in attacking this bill. HB 2465 is big-hearted and broad-minded in its support for life, whether of children needing adoption or of those yet to be born. Pregnancy care centers are open to everyone! Take a tour and learn the facts! No more lies! – PAUL WAGGONER, BARB WASINGER, LISA M. MOSER, EMIL BERGQUIST, SCOTT HILL, SUSAN ESTES

No STAR bond project district shall include real property which has been part of another STAR bond project district unless such STAR bond project and STAR bond project district have been approved by the secretary of commerce pursuant to K.S.A. 12-17,164 and 12-17,165, and amendments thereto, prior to March 1, 2016. For purposes of this subsection, the base year shall be the 12-month period immediately prior to the month in which the STAR bond project district is established. The department of revenue shall determine base year revenue by reference to the revenue collected during the base year from taxpayers doing business within the specific area in which a STAR bond project district is subsequently established. The base year of a STAR bond project district, following the addition of area to the STAR bond project district, shall be the base year for the original area, and with respect to the additional area, the base year shall be any 12-month period immediately prior to the month in which additional area is added to the STAR bond project district. For purposes of this subsection, revenue collected from taxpayers doing business within a STAR bond project district, or within a specific area in which a STAR bond project district is subsequently established shall not include local sales and use tax revenue that is sourced to jurisdictions other than those in which the project is located. (a) (1) Any city or county shall have the power to issue special obligation bonds in one or more series to finance the undertaking of any STAR bond project in accordance with the provisions of this act. Rural redevelopment projects, as defined in K.S.A. 12-17,162, and amendments thereto, may also be financed without the issuance of special obligation bonds up to an amount not to exceed ~~\$10,000,000~~ \$25,000,000 for each project. Such special obligation bonds or rural redevelopment project costs shall be made payable, both as to principal and interest:

(B) from any private sources, contributions or other financial assistance from the state or federal government;

(C) from a pledge of 100% of the tax increment revenue received by the city from any local sales and use taxes, including the city's share of any county sales tax, which are collected from taxpayers doing business within that portion of the city's STAR bond project district established pursuant to K.S.A. 12-17,165, and amendments thereto, occupied by a STAR bond project, except for amounts committed to other uses by election of voters or pledged to bond repayment prior to the approval of the STAR bond project;

(E) in a county STAR bond project district, from a pledge of 100% of the tax increment revenue received by the county from any county sales and use tax, but excluding any portions of such taxes that are allocated to the cities in such county pursuant to K.S.A. 12-192, and amendments thereto, which are collected from taxpayers doing business within that portion of the county's STAR bond project district established pursuant to K.S.A. 12-17,165, and amendments thereto, occupied by a STAR bond project;

(F) from a pledge of all or a portion of the tax increment revenue received from any state sales taxes which are collected from taxpayers doing business within that portion of the city's or county's STAR bond project district occupied by a STAR bond project, except that for any STAR bond project district established and approved by the secretary on or after January 1, 2017, such tax increment shall not include any sales tax revenue from retail automobile dealers, and except that for any STAR bond project district established after July 1, 2021, with existing sales tax revenue at the time the district was established, such pledge shall not exceed 90% of the new tax increment revenue that is in excess of the base existing sales tax revenue received from any state sales taxes;

(G) at the option of the city or county and with approval of the secretary, from all or a portion of the transient guest tax of such city or county;

(H) at the option of the city or county and with approval of the secretary: (i) From a pledge of all or a portion of increased revenue received by the city or county from franchise fees collected from utilities and other businesses using public right-of-way within the STAR bond project district; or (ii) from a pledge of all or a portion of the revenue received by a city or county from local sales taxes or local transient guest and local use taxes; or

(I) by any combination of these methods.

The city or county may pledge such revenue to the repayment of such special obligation bonds prior to, simultaneously with, or subsequent to the issuance of such special obligation bonds.

(2) Bonds issued under subsection (a)(1) shall not be general obligations of the city or the county, nor in any event shall they give rise to a charge against its general credit or taxing powers, or be payable out of any funds or properties other than any of those set forth in subsection (a)(1) and such bonds shall so state on their face.

(3) Bonds issued under the provisions of subsection (a)(1) shall be special obligations of the city or county and are declared to be negotiable instruments. Such bonds shall be executed by the mayor and clerk of the city or the chairperson of the board of county commissioners and the county clerk and sealed with the corporate seal of the city or county. All details pertaining to the issuance of such special obligation bonds and terms and conditions thereof shall be determined by ordinance of the city or by resolution of the county.

All special obligation bonds issued pursuant to this act and all income or interest therefrom shall be exempt from all state taxes. Such special obligation bonds shall contain none of the recitals set forth in K.S.A. 10-112, and amendments thereto. Such special obligation bonds shall, however, contain the following recitals: (i) The authority under which such special obligation bonds are issued; (ii) such bonds are in conformity with the provisions, restrictions and limitations thereof; and (iii) that such special obligation bonds and the interest thereon are to be paid from the money and revenue received as provided in subsection (a)(1).

(4) Any city or county issuing special obligation bonds under the provisions of this act may refund all or part of such issue pursuant to the provisions of K.S.A. 10-116a, and amendments thereto.

(b) (1) Subject to the provisions of subsection (b)(2), any city shall have the power to issue full faith and credit tax increment bonds to finance the undertaking, establishment or redevelopment of any major motorsports complex, as defined in K.S.A. 12-17,162, and amendments thereto. Such full faith and credit tax increment bonds shall be made payable, both as to principal and interest: (A) From the revenue sources identified in subsection (a)(1) or by any combination of these sources; and (B) subject to the provisions of subsection (b)(2), from a pledge of the city's full faith and credit to use its ad valorem taxing authority for repayment thereof in the event all other authorized sources of revenue are not sufficient.

(2) Except as provided in subsection (b)(3), before the governing body of any city proposes to issue full faith and credit tax increment bonds as authorized by this subsection, the feasibility study required by K.S.A. 12-17,166(b), and amendments thereto, shall demonstrate that the benefits derived from the project will exceed the cost and that the income therefrom will be sufficient to pay the costs of the project. No full faith and credit tax increment bonds shall be issued unless the governing body states in the resolution required by K.S.A. 12-17,166(e), and amendments thereto, that it may issue such bonds to finance the proposed STAR bond project. The governing body may issue the bonds unless within 60 days following the conclusion of the public hearing on the proposed STAR bond project plan a protest petition signed by 3% of the qualified voters of the city is filed with the city clerk in accordance with the provisions of K.S.A. 25-3601 et seq., and amendments thereto. If a sufficient petition is filed, no full faith and credit tax increment bonds shall be issued until the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law. The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not

prevent the city from issuing special obligation bonds in accordance with this section. No such election shall be held in the event the board of county commissioners or the board of education determines, as provided in K.S.A. 12-17,165, and amendments thereto, that the proposed STAR bond project district will have an adverse effect on the county or school district.

(3) As an alternative to subsection (b)(2), any city which adopts a STAR bond project plan for a major motorsports complex, but does not state its intent to issue full faith and credit tax increment bonds in the resolution required by K.S.A. 12-17,166(e), and amendments thereto, and has not acquired property in the STAR bond project area may issue full faith and credit tax increment bonds if the governing body of the city adopts a resolution stating its intent to issue the bonds and the issuance of the bonds is approved by a majority of the voters voting at an election thereon. Such election shall be called and held in the manner provided by the general bond law. The failure of the voters to approve the issuance of full faith and credit tax increment bonds shall not prevent the city from issuing special obligation bonds pursuant to subsection (a)(1). Any project plan adopted by a city prior to the effective date of this act in accordance with K.S.A. 12-1772, and amendments thereto, shall not be invalidated by any requirements of this act.

(4) During the progress of any major motorsports complex project in which the project costs will be financed, in whole or in part, with the proceeds of full faith and credit tax increment bonds, the city may issue temporary notes in the manner provided in K.S.A. 10-123, and amendments thereto, to pay the project costs for the major motorsports complex project. Such temporary notes shall not be issued and the city shall not acquire property in the STAR bond project area until the requirements of subsection (b)(2) or (b)(3), whichever is applicable, have been met.

(5) Full faith and credit tax increment bonds issued under this subsection shall be general obligations of the city and are declared to be negotiable instruments. Such bonds shall be issued in accordance with the general bond law. All such bonds and all income or interest therefrom shall be exempt from all state taxes. The amount of the full faith and credit tax increment bonds issued and outstanding which exceeds 3% of the assessed valuation of the city shall be within the bonded debt limit applicable to such city.

(6) Any city issuing full faith and credit tax increment bonds under the provisions of this subsection may refund all or part of such issue pursuant to the provisions of K.S.A. 10-116a, and amendments thereto.

(c) (1) For each project financed with special obligation bonds payable from the revenues described in subsection (a)(1), the city or county shall prepare and submit to the secretary by October 1 of each year, a report describing the status of any projects within such STAR bond project area, any expenditures of the proceeds of special obligation bonds that have occurred since the last annual report and any expenditures of the proceeds of such bonds expected to occur in the future, including the amount of sales tax revenue, how such revenue has been spent, the projected amount of such revenue, the anticipated use of such revenue and the names of the owners, partners, officers or principals of any developer and of any associated business partners of any developer that are involved in the STAR bond project. The department of commerce shall compile this information and submit a report annually to the governor and the legislature by February 1 of each year.

(2) (A) In addition to the report referenced in paragraph (1), the department of commerce, in cooperation with the department of revenue, shall submit a report to the senate commerce committee and the house of representatives commerce, labor and economic development committee by January 31 of each session. The report shall include the following information for the last three calendar years and the most current year-to-date information available with respect to each STAR bond district:

(i) The gross annual sales, gross annual sales projected pursuant to the STAR bond project plan and feasibility study, gross annual sales required to meet bond debt service requirements and other expenses, amount of sales tax collected and the amount of any "base" sales taxes being allocated to the district;

(ii) the total amount of bond payments and other expenses incurred;

(iii) the total amount of bonds issued and the balance of the bonds, by district and by project in the district;

(iv) the remaining cash balance in the project to pay future debt service and other expenses;

(v) any new income producing properties being brought into a district and the base revenue going to the state general fund and incremental sales tax increases going to the district with respect to such properties;

(vi) the amount of bonds issued to repay private investors in the project with calculations showing the private and state share of indebtedness;

(vii) the percentage of local effort sales tax actually committed to the district compared to the state's share of sales tax percentage committed to the district;

(viii) the number of out-of-state visitors to a project and description of the data gathered pursuant to the visitor tracking plan, including, but not limited to, residence zip code data, a discussion of the visitor attraction properties of projects in the districts, and a comparison of the number of out-of-state visitors with the number of in-state visitors; and

(ix) if any information or data is not available, an explanation as to why it is not available.

(B) Either the senate commerce committee or the house committee on commerce, labor and economic development may amend the information required in the report with additional requests and clarification on a going forward basis.

(3) Cities, counties and developers shall provide all information requested by the secretary for the secretary's database as provided by K.S.A. 2022 Supp. 74-50,227, and amendments thereto. If the city or county has a website, a conspicuous link directly to the information pertaining to the city or county's STAR bond project on the secretary's database shall be placed on the city's or county's website. A separate link shall be provided for each STAR bond project of the city or county.

(d) The reports pursuant to subsection (c)(1) and (2) shall include a description of all state, federal and local tax incentives that apply within the STAR bond district or to any business located in the district.

(e) A city or county may use the proceeds of special obligation bonds or any uncommitted funds derived from sources set forth in this section to pay the bond project costs as defined in K.S.A. 12-17,162, and amendments thereto, to implement the STAR bond project plan.

(f) With respect to a STAR bond project district established prior to January 1, 2003, for which, prior to January 1, 2003, the secretary made a finding as provided in

subsection (a) that a STAR bond project would create a major tourism area for the state, such special obligation bonds shall be payable both as to principal and interest, from a pledge of all of the revenue from any transient guest, state and local sales and use taxes collected from taxpayers as provided in subsection (a) whether or not revenues from such taxes are received by the city.

Sec. 5. K.S.A. 12-3402 is hereby amended to read as follows: 12-3402. (a) It is the purpose of this act to promote, stimulate and develop the general welfare, economic development and prosperity of the state of Kansas by fostering the growth of intrastate and interstate commerce within the state; to promote the advancement and retention of ports within the state; to encourage and assist in the location of new business and industry in this state and the expansion, relocation or retention of existing business and industry when so doing will help maintain existing levels of commerce within the state or increase the movement of commodities, goods and products produced, manufactured or grown within or without the state through existing ports within the state or lead to the development of new ports within the state; and to promote the economic stability of the state by maintaining and providing employment opportunities, thus promoting the general welfare of the citizens of this state, by authorizing port authorities to be established in each city and in each county of the state.

Obligations of the authority shall not be obligations of the state of Kansas, nor of any city or county which creates the authority, unless the obligations are specifically approved by a majority vote of the electors of such city or county voting on the issue. Notice of such election shall be published in a newspaper of general circulation in the county or counties once each week for two consecutive weeks. The first publication shall be not less than 21 days prior to such election. Such notice shall set forth the time and place of holding the election and the issue which the vote is to determine.";

"Sec. 12. K.S.A. 44-706 is hereby amended to read as follows: 44-706. The secretary shall examine whether an individual has separated from employment for each week claimed. The secretary shall apply the provisions of this section to the individual's most recent employment prior to the week claimed. An individual shall be disqualified for benefits:

Failure to return to work after expiration of approved personal or medical leave, or both, shall be considered a voluntary resignation. After a temporary job assignment, failure of an individual to affirmatively request an additional assignment on the next succeeding workday, if required by the employment agreement, after completion of a given work assignment, shall constitute leaving work voluntarily. The disqualification shall begin the day following the

separation and shall continue until after the individual has become reemployed and has had earnings from insured work of at least three times the individual's weekly benefit amount. An individual shall not be disqualified under this subsection if:

(1) The individual was forced to leave work because of illness or injury upon the advice of a licensed and practicing healthcare provider and, upon learning of the necessity for absence, immediately notified the employer thereof, or the employer consented to the absence, and after recovery from the illness or injury, when recovery was certified by a practicing health care provider, the individual returned to the employer and offered to perform services and the individual's regular work or comparable and suitable work was not available. As used in this paragraph "healthcare provider" means any person licensed by the proper licensing authority of any state to engage in the practice of medicine and surgery, osteopathy, chiropractic, dentistry, optometry, podiatry or psychology;

(2) the individual left temporary work to return to the regular employer;

(4) The spouse of an individual who is a member of the armed forces of the United States who left work because of the voluntary or involuntary transfer of the individual's spouse from one job to another job, ~~which that~~ is for the same employer or for a different employer, at a geographic location ~~which that~~ makes it unreasonable for the individual to continue work at the individual's job. For the purposes of this provision ~~the term~~ "member of the armed forces" means ~~active duty a person performing active service~~ in the army, navy, marine corps, air force, space force, coast guard or any ~~branch component~~ of the military reserves of the United States;

(5) the individual left work because of hazardous working conditions; in determining whether or not working conditions are hazardous for an individual, the degree of risk involved to the individual's health, safety and morals, the individual's physical fitness and prior training and the working conditions of workers engaged in the same or similar work for the same and other employers in the locality shall be considered; as used in this paragraph, "hazardous working conditions" means working conditions that could result in a danger to the physical or mental well-being of the individual; each determination as to whether hazardous working conditions exist shall include, but shall not be limited to, a consideration of: (A) The safety measures used or the lack thereof; and (B) the condition of equipment or lack of proper equipment; no work shall be considered hazardous if the working conditions surrounding the individual's work are the same or substantially the same as the working conditions generally prevailing among individuals performing the same or similar work for other employers engaged in the same or similar type of activity;

(6) the individual left work to enter training approved under section 236(a)(1) of the federal trade act of 1974, provided the work left is not of a substantially equal or higher skill level than the individual's past adversely affected employment, as defined for purposes of the federal trade act of 1974, and wages for such work are not less than 80% of the individual's average weekly wage as determined for the purposes of the federal trade act of 1974;

(7) the individual left work because of unwelcome harassment of the individual by the employer or another employee of which the employing unit had knowledge and that would impel the average worker to give up such worker's employment;

(8) the individual left work to accept better work; each determination as to whether or not the work accepted is better work shall include, but shall not be limited to, consideration of: (A) The rate of pay, the hours of work and the probable permanency of the work left as compared to the work accepted; (B) the cost to the individual of getting to the work left in comparison to the cost of getting to the work accepted; and (C) the distance from the individual's place of residence to the work accepted in comparison to the distance from the individual's residence to the work left;

(9) the individual left work as a result of being instructed or requested by the employer, a supervisor or a fellow employee to perform a service or commit an act in the scope of official job duties ~~which that~~ is in violation of an ordinance or statute;

(10) the individual left work because of a substantial violation of the work agreement by the employing unit and, before the individual left, the individual had exhausted all remedies provided in such agreement for the settlement of disputes before terminating. (b) In adopting such rules, the court shall consider all relevant factors, including, but not limited to:

Interest shall accrue for any such amount of child support at the statutory rate provided under K.S.A. 16-204, and amendments thereto, and shall continue to accrue until the payment of such child support is no longer in arrearage.

(1) The parent or parents agree, by written agreement approved by the court, to pay support beyond the time the child reaches 18 years of age;

(2) the child reaches 18 years of age before completing the child's high school education in which case the support shall not terminate automatically, unless otherwise ordered by the court, until June 30 of the school year during which the child became 18 years of age if the child is still attending high school; or

(3) the child is still a bona fide high school student after June 30 of the school year during which the child became 18 years of age, in which case the court, on motion, may order support to continue through the school year during which the child becomes 19 years of age so long as the child is a bona fide high school student and the parents jointly participated or knowingly acquiesced in the decision which delayed the child's completion of high school. The court, in extending support pursuant to ~~subsection (b)(3)~~ this paragraph, may impose such conditions as are appropriate and shall set the child support utilizing the guideline table category for 12-year through 18-year-old children. For purposes of this section, "bona fide high school student" means a student who is enrolled in full accordance with the policy of the accredited high school in which the student is pursuing a high school diploma or a graduate equivalency diploma (GED).

"New Section 1. On July 1, 2024, the director of accounts and reports shall transfer all moneys in the local ad valorem tax reduction fund to the state general fund. On July 1, 2024, all liabilities of the local ad valorem tax reduction fund are hereby transferred to and imposed on the state general fund, and the local ad valorem tax reduction fund is hereby abolished.

New Sec. 2. On July 1, 2024, the director of accounts and reports shall transfer all moneys in the county and city revenue sharing fund to the state general fund. New Sec. 3. On August 15, 2024, and each August 15 thereafter, the director of the budget, in consultation with the director of property valuation, shall certify to the director of accounts and reports if the tax levied pursuant to K.S.A. 72-5142, and amendments thereto, is decreased from 20 mills or the exemption provided by K.S.A. 79-201x, and amendments thereto, is increased from \$42,049 for any tax year. The director of the budget shall certify to the director of accounts and reports and shall transfer a copy of such certification to the director of legislative research, the amount of revenue that the decrease in property tax would have generated for the tax year if such tax was levied pursuant to K.S.A. 72-5142, and amendments thereto, at the rate of 20 mills and the difference in the amount of revenue that the increase in the exemption provided by K.S.A. 79-201x, and amendments thereto, would have generated for the tax year if the exemption amount was \$42,049. Upon receipt of such certification, or as soon thereafter as moneys are available, the director of accounts and reports shall transfer such certified amount from the state general fund to the state school district finance fund of the department of education.

(4) A majority vote of the governing body, by the adoption of a resolution or ordinance to approve exceeding the revenue neutral rate, shall be required prior to adoption of a proposed budget that will result in a tax rate in excess of the revenue neutral rate. Such vote of the governing body shall be conducted at the public hearing after the governing body has heard from interested taxpayers and shall be a roll call vote. If the governing body approves exceeding the revenue neutral rate, the governing body shall not adopt a budget that results in a tax rate in excess of its proposed tax rate as stated in the notice provided pursuant to this section. A copy of the resolution or ordinance to approve exceeding the revenue neutral rate and a certified copy of any roll call vote reporting, at a minimum, the name and vote of each member of the governing body related to exceeding the revenue neutral rate, whether approved or not, shall be included with the adopted budget, budget certificate and other budget forms filed with the county clerk and the director of accounts and reports and shall be published on the website of the department of administration.

(c) (1) Any governing body subject to the provisions of this section that does not comply with subsection (b) shall refund to taxpayers any property taxes over-collected based on the amount of the levy that was in excess of the revenue neutral rate.

(2) Any taxpayer of the taxing subdivision that is the subject of the complaint or such taxpayer's duly authorized representative may file a complaint with the state board of tax appeals by filing a written complaint, on a form prescribed by the board, that contains the facts that the complaining party believes show that a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and that a reduction or refund of taxes is appropriate. The complaining party shall provide a copy of such complaint to the governing body of the taxing subdivision making the levy that is the subject of the complaint. Notwithstanding K.S.A. 74-2438a, and amendments thereto, no filing fee shall be charged by the executive director of the state board of tax appeals for a complaint filed pursuant to this paragraph. The governing body of the taxing subdivision making the levy that is the subject of the complaint shall be a party to the proceeding. Notice of any summary proceeding or hearing shall be served upon such governing body, the county clerk, the director of accounts and reports and the complaining party. It shall be the duty of the governing body to initiate the production of evidence to demonstrate, by a preponderance of the evidence, the validity of such levy. If upon a summary proceeding or hearing, it shall be made to appear to the satisfaction of the board that the governing body of the taxing subdivision did not comply with subsection (b), the state board of tax appeals shall order such governing body to refund to taxpayers the amount of property taxes over collected or reduce the taxes levied, if uncollected. The provisions of this paragraph shall not be construed as prohibiting any other remedies available under the law.

(d) On and after January 1, 2022, in the event that the ~~20 mills tax~~ levied by a school district pursuant to K.S.A. 72-5142, and amendments thereto, increases the property tax revenue generated for the purpose of calculating the revenue neutral rate from the previous tax year and such amount of increase in revenue generated from ~~the~~

~~20 mills such tax levied~~ is the only reason that the school district would exceed the total property tax revenue from the prior year, the school district shall be deemed to not have exceeded the revenue neutral rate in levying a tax rate in excess of the revenue neutral rate to take into account the increase in revenue from ~~only the 20 mills such tax levied~~.

(e) (1) Notwithstanding any other provision of law to the contrary, if the governing body of a taxing subdivision must conduct a public hearing to approve exceeding the revenue neutral rate under this section, the governing body of the taxing subdivision shall certify, on or before October 1, to the proper county clerk the amount of ad valorem tax to be levied.

(2) If a governing body of a taxing subdivision did not comply with the provisions of subsection (b) and certifies to the county clerk an amount of ad valorem tax to be levied that would result in a tax rate in excess of its revenue neutral rate, the county clerk shall reduce the ad valorem tax to be levied to the amount resulting from such taxing subdivision's revenue neutral rate.

(f) As used in this section:

(1) "Taxing subdivision" means any political subdivision of the state that levies an ad valorem tax on property.

(2) "Revenue neutral rate" means the tax rate for the current tax year that would generate the same property tax revenue as levied the previous tax year using the current tax year's total assessed valuation. To calculate the revenue neutral rate, the county clerk shall divide the property tax revenue for such taxing subdivision levied for the previous tax year by the total of all taxable assessed valuation in such taxing subdivision for the current tax year, and then multiply the quotient by 1,000 to express the rate in mills. The revenue neutral rate shall be expressed to the third decimal place.

(g) In the event that a county clerk incurred costs of printing and postage that were not reimbursed pursuant to K.S.A. 2023 Supp. 79-2989, and amendments thereto, such county clerk may seek reimbursement from all taxing subdivisions required to send the notice. Such costs shall be shared proportionately by all taxing subdivisions that were included on the same notice based on the total property tax levied by each taxing subdivision. Payment of such costs shall be due to the county clerk by December 31.

(h) The department of administration or the director of accounts and reports shall make copies of adopted budgets, budget certificates, other budget documents and revenue neutral rate documents available to the public on the department of administration's website on a permanently accessible web page that may be accessed via a conspicuous link to that web page placed on the front page of the department's website. The department of administration or the director of accounts and reports shall also make the following information for each tax year available on such website:

- (2) whether each taxing subdivision conducted a hearing to consider exceeding its revenue neutral rate;
- (3) the revenue neutral rate of each taxing subdivision;

(b) There shall be added to federal adjusted gross income:

(i) Interest income less any related expenses directly incurred in the purchase of state or political subdivision obligations, to the extent that the same is not included in federal adjusted gross income, on obligations of any state or political subdivision thereof, but to the extent that interest income on obligations of this state or a political subdivision thereof issued prior to January 1, 1988, is specifically exempt from income tax under the laws of this state authorizing the issuance of such obligations, it shall be excluded from computation of Kansas adjusted gross income whether or not included in federal adjusted gross income. As used in this subsection, "intermodal facility district" shall consist of an intermodal transportation area as defined by K.S.A. 12-1770a(oo), and amendments thereto, located in Johnson county within the polygonal-shaped area having Waverly Road as the eastern boundary, 191st Street as the southern boundary, Four Corners Road as the western boundary, and Highway 56 as the northern boundary, and the polygonal-shaped area having Poplar Road as the eastern boundary, 183rd Street as the southern boundary, Waverly Road as the western boundary, and the BNSF mainline track as the northern boundary, that includes capital investment in an amount exceeding \$150 million for the construction of an intermodal facility to handle the transfer, storage and distribution of freight through railway and trucking operations.

Sec. 22. K.S.A. 2023 Supp. 79-3703 is hereby amended to read as follows: 79-3703. (a) There is hereby levied and there shall be collected from every person in this state a tax or excise for the privilege of using, storing, or consuming within this state any article of tangible personal property. Such tax shall be levied and collected in an amount equal to the consideration paid by the taxpayer multiplied by the rate of 6.5%.

(b) Commencing on January 1, 2023, and thereafter, the state rate on the amount equal to the consideration paid by the taxpayer from the sale of food and food ingredients as provided in K.S.A. 79-3603, and amendments thereto, shall be as set forth in K.S.A. 2023 Supp. 79-3603d, and amendments thereto.

(c) On and after January 1, 2023, 17% and on and after ~~January 1, 2025~~ July 1, 2024, 18% of the tax rate imposed pursuant to this section and the rate provided in K.S.A. 2023 Supp. 79-3603d, and amendments thereto, shall be levied for the state highway fund, the state highway fund purposes and those purposes specified in K.S.A. 68-416, and amendments thereto, and all revenue collected and received from such tax levy shall be deposited in the state highway fund.

(d) Within a redevelopment district established pursuant to K.S.A. 74-8921, and amendments thereto, there is hereby levied and there shall be collected and paid an additional tax of 2% until the earlier of: (1) The date the bonds issued to finance or refinance the redevelopment project undertaken in the district have been paid in full; or (2) the final scheduled maturity of the first series of bonds issued to finance the redevelopment project.

(e) All property purchased or leased within or without this state and subsequently used, stored or consumed in this state shall be subject to the compensating tax if the same property or transaction would have been subject to the Kansas retailers' sales tax had the transaction been wholly within this state.

Sec. 23. K.S.A. 2023 Supp. 79-3710 is hereby amended to read as follows: 79-3710. (a) All revenue collected or received by the director under the provisions of this act shall be remitted to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state

treasurer shall deposit the entire amount in the state treasury, less amounts set apart as provided in subsection (b) and amounts credited as provided in subsection (c), (d) and (e), to the credit of the state general fund.

(b) A revolving fund, designated as "compensating tax refund fund" not to exceed \$10,000 shall be set apart and maintained by the director from compensating tax collections and estimated tax collections and held by the state treasurer for prompt payment of all compensating tax refunds. Such fund shall be in such amount, within the limit set by this section, as the director shall determine is necessary to meet current refunding requirements under this act.

(c) (1) On January 1, 2023, the state treasurer shall credit 17% of the revenue collected and received from the tax imposed by K.S.A. 79-3703, and amendments thereto, at the rates provided in K.S.A. 79-3703, and amendments thereto, and K.S.A. 2023 Supp. 79-3603d, and amendments thereto, and deposited as provided by subsection (a), exclusive of amounts credited pursuant to subsection (d), in the state highway fund.

(2) On ~~January 1, 2025~~ July 1, 2024, and thereafter, the state treasurer shall credit 18% of the revenue collected and received from the tax imposed by K.S.A. 79-3703, and amendments thereto, at the rates provided in K.S.A. 79-3703, and amendments thereto, and K.S.A. 2023 Supp. 79-3603d, and amendments thereto, and deposited as provided by subsection (a), exclusive of amounts credited pursuant to subsection (d), in the state highway fund.

(d) The state treasurer shall credit all revenue collected or received from the tax imposed by K.S.A. 79-3703, and amendments thereto, as certified by the director, from taxpayers doing business within that portion of a redevelopment district occupied by a redevelopment project that was determined by the secretary of commerce to be of statewide as well as local importance or will create a major tourism area for the state as defined in K.S.A. 12-1770a, and amendments thereto, to the city bond finance fund created by K.S.A. 79-3620(d), and amendments thereto. The provisions of this subsection shall expire when the total of all amounts credited hereunder and under K.S.A. 79-3620(d), and amendments thereto, is sufficient to retire the special obligation bonds issued for the purpose of financing all or a portion of the costs of such redevelopment project.

This subsection shall not apply to a project designated as a special bond project as defined in K.S.A. 12-1770a(z), and amendments thereto.

(e) All revenue certified by the director of taxation as having been collected or received from the tax imposed by K.S.A. 79-3603(c), and amendments thereto, on the sale or furnishing of gas, water, electricity and heat for use or consumption within the intermodal facility district described in this subsection, shall be credited by the state treasurer to the state highway fund. Such revenue may be transferred by the secretary of transportation to the rail service improvement fund pursuant to law. The provisions of this subsection shall take effect upon certification by the secretary of transportation that a notice to proceed has been received for the construction of the improvements within the intermodal facility district, but not later than December 31, 2010, and shall expire when the secretary of revenue determines that the total of all amounts credited hereunder and pursuant to K.S.A. 79-3620(e), and amendments thereto, is equal to \$53,300,000, but not later than December 31, 2045. Thereafter, all revenues shall be collected and distributed in accordance with applicable law. For all tax reporting periods

during which the provisions of this subsection are in effect, none of the exemptions contained in K.S.A. 79-3601 et seq., and amendments thereto, shall apply to the sale or furnishing of any gas, water, electricity and heat for use or consumption within the intermodal facility district. As used in this subsection, "intermodal facility district" shall consist of an intermodal transportation area as defined by K.S.A. 12-1770a(oo), and amendments thereto, located in Johnson county within the polygonal-shaped area having Waverly Road as the eastern boundary, 191st Street as the southern boundary, Four Corners Road as the western boundary, and Highway 56 as the northern boundary, and the polygonal-shaped area having Poplar Road as the eastern boundary, 183rd Street as the southern boundary, Waverly Road as the western boundary, and the BNSF mainline track as the northern boundary, that includes capital investment in an amount exceeding \$150 million for the construction of an intermodal facility to handle the transfer, storage and distribution of freight through railway and trucking operations.

Sec. 24. K.S.A. 2023 Supp. 79-3603, 79-3603d, 79-3620, 79-3703 and 79-3710 are hereby repealed.

Sec. 25. On and after July 1, 2024, K.S.A. 19-2694, 65-163j, 65-3306, 65-3327, 75-2556, 79-1107, 79-1108, 79-1479, 79-2960, 79-2961, 79-2962, 79-2965, 79-2966 and 79-2967 and K.S.A. 2023 Supp. 72-5142, 74-8768, 79-201x, 79-2959, 79-2964, 79-2988, 79-32,110, 79-32,117, 79-32,119 and 79-32,121 are hereby repealed.";

EXPLANATIONS OF VOTE

MR SPEAKER: **HB 2036** is a much needed tax break for Kansans and one we can proudly support. During the last 4 years the state of Kansas has clearly been overtaxing its citizens and businesses. The combination of property tax relief, exemption for social security benefits, higher personal exemptions and lower duo-rate system in this bill provides over \$450 million in annual tax relief. And most importantly, relief that reaches all income levels. This bill is one we can be genuinely proud of. Thank God for all those in the coalition that made **HB 2036** a reality! – PAUL WAGGONER

MR SPEAKER: I vote yes on **HB 2036**. Yesterday, we rose to the occasion. In a united voice, we dared to demand more. Each of us, standing up to someone unsure of where we would land. Who new we would be here a day and a half later with a plan when we were prepared to be here for days, even weeks, for our fellow Kansans. Because of you, each of you can go home and say – because we took a stand, we saved another \$150 million for our constituents. This is an example of what we are capable of when we stand united. I am so proud to be a member of the Kansas House of Representatives. – STEPHEN OWENS, SCOTT HILL

MESSAGE FROM THE GOVERNOR

The following message from the Governor regarding **HB 2105**, which will become law without the governor's signature, was received and read.

While I have concerns about this legislation, I don't believe that the conduct targeted in this legislation occurs in our universities. We need to move forward and focus our efforts on making college more affordable and providing students from all backgrounds with the tools they need to succeed. I am focused on advancing policies that drive economic growth and develop tomorrow's workforce. For that reason, I will allow the bill to become law without my signature.

MESSAGE FROM THE GOVERNOR

The following message from the Governor regarding **HB 2711**, which will become law without the governor's signature, was received and read.

While I support efforts to increase focus on national security, I am concerned about the unintended consequences that could be caused by this well-meaning legislation. Therefore, I will allow this bill to become law without my signature.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **Sub Bill for HB 2436**, AN ACT concerning abortion; relating to unlawful coercion to obtain an abortion; creating the crime of coercion to obtain an abortion; providing the penalties therefor; providing for enhanced criminal penalties for offenses committed with the intent to compel a woman to obtain an abortion; amending K.S.A. 21-6804 and repealing the existing section. was received and read.

While I agree that no one should be coerced into undergoing a medical procedure against their will, it is already a crime to threaten violence against another individual. Additionally, I am concerned with the vague language in this bill and its potential to intrude upon private, often difficult, conversations between a person and their family, friends, and health care providers. This overly broad language risks criminalizing Kansans who are being confided in by their loved ones or simply sharing their expertise as a health care provider. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **Senate Substitute for House Bill 2436**.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2446**, AN ACT concerning cities and counties; prohibiting the regulation of plastic and other containers designed for the consumption, transportation or protection of merchandise, food or beverages. was received and read.

I believe in local control and that local officials should be held accountable by their constituents, stakeholders, and businesses. This bill lacks sufficient protection to ensure local units of government are able to play a meaningful role in decision making on issues impacting their communities. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2446**.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2648**, AN ACT concerning administrative rules and regulations; requirements for adoption of rules and regulations; providing that agency adjudications shall not be used to establish policies that are rules governing future private conduct that have the force of law; relating to economic impact statements; requiring legislative ratification for certain rules and regulations; requiring the director of the budget to review an agency's determination of implementation and compliance costs and disapprove proposed rules and regulations with incomplete or inaccurate economic impact statements; removing a requirement that legislative post audit conduct an audit in 2026 pertaining to economic impact statements; amending K.S.A. 2023 Supp. 77-415, 77-416 and 77-420 and repealing the existing sections. was received and read.

House Bill 2648 would insert bureaucratic red tape intended to legislatively interfere with the timely implementation of necessary and important rules and regulations. Many of these regulations are for the protection and safety of Kansans. Kansans voted no to giving the legislature veto power over rules and regulations in the November 2022 election. This is yet again another attempt by the legislature to undermine the will of the voters. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2648**.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2749**, AN ACT concerning abortion; relating to reports on abortions performed in this state; requiring the reporting of the reasons for each abortion performed at a medical care facility or by a healthcare provider; amending K.S.A. 2023 Supp. 65-445 and repealing the existing section. was received and read.

Kansans spoke loud and clear in August 2022. Voters do not want politicians getting between doctors and their patient by interfering in private medical decisions. House Bill 2749 is invasive and unnecessary. There is no valid medical reason to force a woman to disclose to the legislature if they have been a victim of abuse, rape, or incest prior to obtaining an abortion. There is also no valid reason to force a woman to disclose to the legislature why she is seeking an abortion. I refuse to sign legislation that goes against the will of the majority of Kansans who spoke loudly on August 2, 2022: Kansans don't

want politicians involved in their private medical decisions. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2749**.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2465**, AN ACT concerning taxation; relating to adoption expenses; enacting the adoption savings account act; allowing individuals to establish adoption savings accounts with certain financial institutions; providing eligible expenses, requirements and restrictions for such accounts; requiring the secretary of revenue to adopt certain rules and regulations; granting nonexclusive marketing authority to the state treasurer; establishing addition and subtraction modifications for contributions to such accounts under the Kansas income tax act; increasing the income tax credit amount for adoption expenses; relating to pregnancy resource centers and residential maternity facilities; establishing an income, privilege and premium tax credit for contributions to eligible charitable organizations operating pregnancy centers or residential maternity facilities; providing for a sales tax exemption for purchases by pregnancy resource centers and residential maternity facilities; amending K.S.A. 79-32,202a and K.S.A. 2023 Supp. 79-32,117 and 79-3606 and repealing the existing sections. was received and read.

I do not believe it is appropriate to divert taxpayer dollars to largely unregulated crisis pregnancy centers. These entities are not medical centers and do not promote evidence-based methods to prevent unplanned pregnancies. This bill goes against the wishes of Kansans. On August 2, 2022, Kansas voters overwhelmingly signaled to politicians that they should stop inserting themselves between women and their private medical decisions. While some continue to meddle in Kansans' personal lives, I remain committed to upholding the will of Kansas voters. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2465**.

The following message with the Governor's objection to **HB 2532**, AN ACT concerning gaming; relating to parimutuel racing; concerning distribution of the tax on amounts wagered on historic horse races; amending K.S.A. 2023 Supp. 74-8823 and repealing the existing section. was received and read.

This bill would inadvertently cause a tax increase on the currently approved historical horse racing facility in Wichita. While I support the underlying goal of this legislation, I believe a trailer bill is necessary to ensure that this inadvertent tax increase does not occur. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2532**.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2583**, AN ACT concerning crimes, punishment and criminal procedure; relating to crimes against the public morals; increasing the criminal penalty for harming or killing certain dogs and horses; requiring restitution for such crime to include veterinary medical treatment, funeral and burial expenses and replacement of such animal; amending K.S.A. 21-6416 and 21-6604 and repealing the existing sections. was received and read.

The death of any law enforcement animal is a tragedy. There is no question we should hold those responsible accountable for their actions. While the intention of this bill is commendable, this legislation needs further evaluation and study. First, House Bill 2583 imposes mandatory minimum sentences that disregard important factors that should be left to the discretion of a judge through the regular sentencing process. Second, the mandatory sentences are out of line with other, more severe crimes without justification for why that is required. Third, while the requirement for a psychological evaluation and anger management program are important, we do not apply this same standard to many other heinous crimes. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2583**.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2614**, AN ACT concerning elections; relating to election crimes; requiring certain information be provided on advance voting ballot envelopes; directing county election officers to record the name of individuals returning advance voting ballots on behalf of another voter and the number of such ballots returned; requiring county election officers to file complaints if laws regulating the return of such ballots are violated; removing the requirement to provide the name of the treasurer of the sponsoring organization of a political advertisement; amending K.S.A. 25-1121, 25-1128, 25-2407 and 25-4156 and repealing the existing sections. was received and read.

This bill is an attempt to disenfranchise Kansas voters by enacting burdensome and unnecessary requirements that are designed to restrict and suppress advanced voting. Kansans have a right to participate in our democracy, but time and again some politicians have tried to interfere in the voting process. I will continue to oppose efforts that place obstacles between voters casting their ballots and making their voices heard. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2614**.

The following message with the Governor's objection to **HB 2618**, AN ACT concerning elections; relating to the election crime of false representation of an election official; requiring specific intent of the offender as an element of such criminal offense; amending K.S.A. 25-2438 and repealing the existing section. was received and read.

There is no evidence of widespread voter fraud or instances of individuals impersonating election officials in Kansas. Additionally, there is no reason to potentially restrict the use of federal funds for election purposes. Kansas is already one of the lowest-ranking states for use of utilizing federal funding. Accepting these dollars helps Kansas ensure smooth administration of our elections. Restrictive voting legislation of any kind is wrong. Instead of making it more challenging for Kansans to participate in our democracy or focusing on problems that do not exist, I would urge the legislature to focus on real issues impacting Kansans. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2618**.

The following message with the Governor's objection to **S Sub for HB 2036**, AN ACT concerning taxation; relating to income tax; modifying tax rates for individuals; eliminating the income limit to qualify for a subtraction modification for social security income; increasing the Kansas standard deduction and the Kansas personal exemption; relating to privilege tax; decreasing the normal tax rate; relating to property tax; increasing the extent of exemption for residential property from the statewide school levy; decreasing the rate of ad valorem tax imposed by a school district; abolishing the local ad valorem tax reduction fund and the county and city revenue sharing fund and providing for certain transfers to the state school district finance fund; relating to sales and compensating use tax; reducing the state rate of tax on sales of food and food ingredients; modifying the percent credited to the state highway fund from revenue collected; amending K.S.A. 65-163j, 65-3306, 65-3327, 75-2556, 79-1107, 79-1108 and 79-1479 and K.S.A. 2023 Supp. 72-5142, 74-8768, 79-201x, 79-2988, 79-32,110, 79-32,117, 79-32,119, 79-32,121, 79-3603, 79-3603d, 79-3620, 79-3703 and 79-3710 and repealing the existing sections; also repealing K.S.A. 19-2694, 79-2960, 79-2961, 79-2962, 79-2965, 79-2966 and 79-2967 and K.S.A. 2023 Supp. 79-2959 and 79-2964. was received and read.

While I appreciate the bipartisan effort that went into this tax cut package and support many of the provisions included, I cannot sign into law a bill that jeopardizes our state's future fiscal stability. I have said repeatedly that I will do everything in my power to prevent our state from the fiscal mismanagement of the previous administration. Since becoming governor, my administration has been laser-focused on getting us back on track, so we don't go back to the days of four-day school weeks, crumbling roads and bridges, and crippling debt. This bill is too expensive and risks reversing the progress we've made. When working on any fiscal package, including tax cuts, legislators must consider the legislation's affordability beyond their next election. The total fiscal impact of tax relief should stay within the tax plan I released with this

veto. I encourage legislators to send me a tax package that gives Kansans the relief they desperately need while not putting the state on the path to bankruptcy. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **Senate Substitute for House Bill 2036**.

VETO MESSAGE FROM THE GOVERNOR

The following message with the Governor's objection to **HB 2098**, AN ACT concerning sales and compensating use tax; relating to motor vehicles; providing for a deduction for calculating tax owed when selling a motor vehicle that is purchased within 120 days of the sale of another vehicle; providing an exemption for certain purchases by disabled veterans of the armed forces of the United States; excluding manufacturers' coupons from the sales or selling price; providing exemptions for custom meat processing services, purchases for the construction or repair of buildings used for human habitation by the Kansas state school for the blind and the Kansas state school for the deaf, certain purchases by doorstep inc., exploration place, inc., Kansas children's discovery center, inc. and the Kansas fairgrounds foundation; providing for a sales tax exemption for sales of property and services used in the provision of communications services; amending K.S.A. 12-199 and K.S.A. 2023 Supp. 79-3602 and 79-3606 and repealing the existing sections; also repealing K.S.A. 2023 Supp. 79-3602c. was received and read.

The intent of House Bill 2098 is on the right track to provide Kansans with sales tax relief. However, the impact these tax cuts would have on the State General Fund cannot be realized without knowing the total cost of all tax bills, including a fair, sustainable, and fiscally responsible tax relief package. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto **House Bill 2098**.

Journal of the House

SIXTY-THIRD DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Friday, April 26, 2024, 10:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Carpenter in the chair.

The roll was called with 119 members present.

Reps. Blew, Jacobs, Rhiley, Vaughn and Woodard were excused on excused absence by the Speaker.

Excused later: Reps. Carlin, B. Carpenter, Ohaebosim, Poetter Parshall and Xu.

Prayer by Chaplain Holmes:

Dear Father; We have a new day before us. Help us to use it wisely and not squander it needlessly. Today we will engage in meetings, debate and in-depth conversations. Direct our minds into the good which can be accomplished, as we invest ourselves in the work set before us.

When we enter into the opportunities of the day for consideration, give us clarity of thought and purpose.

As St. Paul of the New Testament said “Remind them of these things and solemnly charge them in the presence of God not to wrangle about words, which is useless, and leads to the ruin of the hearers. Be diligent to present yourselves before God as a workman who does not need to be ashamed, handling accurately the word of truth.”

Might the truth of what is right and helpful, as well as that which is moral and good be our desire and purpose. Allow those who hear the words we speak to not hear only words, but thoughtful insight into the challenges we wrestle with.

The next few days could very well be long and exhausting. Give us patience when we most need it, and least want to extend it. Help each to remember everyone is working toward goals which will enhance our State and its people.

Bless our families as they are without us. Give them patience for the moment, reminding them this session will soon be over.

For those of our friends and families who are experiencing sickness, touch them I pray with Your healing hand.

In Jesus Name I pray. Amen.

The Pledge of Allegiance was led by Rep. Silas Miller.

EXPLANATIONS OF VOTE

MR. SPEAKER: The people's work should not be done at 2:00 AM. It is disrespectful to our constituents and irresponsible for our state. I am thankful that the governor and her team have had plenty of time to examine this bill in the light of day. As I told my constituents from day one, I trust the governor's assessment, and I am voting to sustain her veto of **HB 2036**. – LINDA FEATHERSTON

MR. SPEAKER: I vote NO on the veto override of **HB 2036**. Governor Kelly asked us to consider this legislation's affordability beyond the next election. We voted on this tax plan in the middle of the night with little forecast on the impact to future budgets and before we even passed a K-12 budget. I cannot leave a legacy that puts our budget in jeopardy. There is still time to pass an affordable plan that accomplishes most of what we have already come together to support. My vote reflects an attempt to provide tax relief while maintaining an additional \$90 million annually to support education, transportation, and safety net services. – JO ELLA HOYE

MR. SPEAKER: I vote No on the override of **HB 2036**. While I am committed to reducing taxes for ALL Kansans this year, my vote reflects concerns about the cost of this tax bill and our ability to sustain this level of tax cuts. We must fully fund public education, INCLUDING special education. The ramifications of passing an unsustainable tax bill could jeopardize our ability to honor this important commitment. I'm also committed to moving KPERS employees from Tier III to Tier II, which will be an expensive, but important task. I support Governor Kelly's plan because it is fiscally conservative & gives tax relief to all. – NIKKI McDONALD

MR. SPEAKER: "I join my colleagues in voting for this override of the Governor's veto of **HB 2036**. I am here to represent my constituents and all Kansans. This is the people's money, and they deserve it back." – BILL CLIFFORD, TIM JOHNSON, LEO DELPERDANG, CHUCK SMITH, MIKE THOMPSON, CARRIE BARTH, JOHN EPLEE, PATRICK PENN, GARY WHITE

The secretary of corrections may refuse to admit the person to the designated facility and place the person in a different state facility, or admit the person and subsequently transfer the person to a different state facility, if the secretary determines: ~~(A)(i)~~ That substance abuse treatment resources or the capacity of the facility designated by the secretary for the incarceration and treatment of the person is not available; ~~(B)(ii)~~ the person has failed to meaningfully participate in the treatment program of the designated facility; ~~(C)(iii)~~ the person is disruptive to the security or

(B) In addition to the provisions of subsection (b)(1), for any conviction pursuant to subsection (b)(1)(D) or (b)(1)(E), if the person is granted probation, the court shall determine whether the person shall be supervised by community correctional services or court services based on the risk and needs of the person. The risk and needs of the person shall be determined by use of a risk assessment tool specified by the Kansas sentencing commission. During the probation supervision, the person shall be required to participate in a multidisciplinary model of services for substance use disorders facilitated by a Kansas department for aging and disability services designated care coordination agency to include assessment and, if appropriate, referral to a community based substance use disorder treatment including recovery management and mental health counseling as needed. The multidisciplinary team shall include the designated care coordination agency, the supervision officer, the Kansas department for aging and disability services designated treatment provider and the person.

The court shall determine whether the ~~offender person~~, upon release from imprisonment, shall be supervised by community correctional services or court services based upon the risk and needs of the ~~offender person~~. The risk and needs of the ~~offender person~~ shall be determined by use of a risk assessment tool specified by the Kansas sentencing commission. The law enforcement agency maintaining custody and control of a ~~defendant person~~ for imprisonment shall cause a certified copy of the judgment form or journal entry to be sent to the supervision office designated by the court and upon expiration of the term of imprisonment shall deliver the ~~defendant person~~ to a location designated by the supervision office designated by the court. After the term of imprisonment imposed by the court, the person shall be placed on supervision to community correctional services or court services, as determined by the court, for a mandatory one-year period of supervision, which such period of supervision shall not be reduced. During such supervision, the person shall be required to participate in a multidisciplinary model of services for substance use disorders facilitated by a Kansas department for aging and disability services designated care coordination agency to include assessment and, if appropriate, referral to a community based substance use disorder treatment including recovery management and mental health counseling as needed. The multidisciplinary team shall include the designated care coordination agency, the supervision officer, the Kansas department for aging and disability services designated treatment provider and the ~~offender person~~. ~~An offender~~ A person for whom a warrant has been issued by the court alleging a violation of this supervision shall be considered a fugitive from justice if it is found that the warrant cannot be served. served on supervision. Any violation of the conditions of such supervision may subject such person to revocation of supervision and imprisonment in jail for the remainder of the period of imprisonment, the remainder of the supervision period, or any combination or portion thereof. The term of supervision may be extended at the court's discretion beyond one year, and any violation of the conditions of such extended term of supervision may subject such person to the revocation of supervision and imprisonment in jail of up to the remainder of the original sentence, not the term of the extended supervision.

(4) In addition to the provisions of subsection (b)(1), prior to sentencing for any conviction pursuant to subsection (b)(1)(A) or (b)(1)(B), the court shall order the person to participate in an alcohol and drug evaluation conducted by a provider in accordance with K.S.A. 8-1008, and amendments thereto. The person shall be required to follow any recommendation made by the provider after such evaluation, unless otherwise ordered by the court.

(c) Any person 18 years of age or older convicted of violating this section or an ordinance which prohibits the acts that this section prohibits who had one or more children under the age of 18 years in the vehicle at the time of the offense shall have such person's punishment enhanced by one month of imprisonment. This imprisonment must be served consecutively to any other minimum mandatory penalty imposed for a violation of this section or an ordinance which prohibits the acts that this section prohibits. Any enhanced penalty imposed shall not exceed the maximum sentence allowable by law. During the service of the enhanced penalty, the judge may order the person on house arrest, work release or other conditional release.

(d) If a person is charged with a violation of subsection (a)(4) or (a)(5), the fact that the person is or has been entitled to use the drug under the laws of this state shall not constitute a defense against the charge.

(e) The court may establish the terms and time for payment of any fines, fees, assessments and costs imposed pursuant to this section. Any assessment and costs shall be required to be paid not later than 90 days after imposed, and any remainder of the fine shall be paid prior to the final release of the ~~defendant~~ person by the court.

(f) (1) In lieu of payment of a fine imposed pursuant to this section, the court may order that the person perform community service specified by the court. The person shall receive a credit on the fine imposed in an amount equal to \$5 for each full hour spent by the person in the specified community service. The community service ordered by the court shall be required to be performed not later than one year after the fine is imposed or by an earlier date specified by the court. If by the required date the person performs an insufficient amount of community service to reduce to zero the portion of the fine required to be paid by the person, the remaining balance of the fine shall become due on that date.

(2) The court may, in its discretion, waive any portion of a fine imposed pursuant to this section, except the \$250 required to be remitted to the state treasurer pursuant to subsection (q)(2), upon a showing that the person successfully completed court-ordered education or treatment.

(g) Prior to filing a complaint alleging a violation of this section, a prosecutor shall request and shall receive from the:

(1) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and

(2) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(h) The court shall electronically report every conviction of a violation of this section and every diversion agreement entered into in lieu of further criminal proceedings on a complaint alleging a violation of this section to the division including any finding regarding the alcohol concentration in the ~~offender's~~ person's blood or breath. Prior to sentencing under the provisions of this section, the court shall request and shall receive from the division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state.

(i) For the purpose of determining whether a conviction is a first, second, third, fourth or subsequent conviction in sentencing under this section:

(1) Convictions for a violation of this section, or a violation of an ordinance of any city or resolution of any county that prohibits the acts that this section prohibits, or entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging any such violations, shall be taken into account, but only convictions or diversions occurring on or after July 1, 2001. Nothing in this provision shall be construed as preventing any court from considering any convictions or diversions occurring during the person's lifetime in determining the sentence to be imposed within the limits provided for a first, second, third, fourth or subsequent offense;

(2) any convictions for a violation of the following sections occurring during a person's lifetime shall be taken into account:

(A) Driving a commercial motor vehicle under the influence, K.S.A. 8-2,144, and amendments thereto;

(D) aggravated battery as described in K.S.A. 21-5413(b)(3) or (b)(4), and amendments thereto; and

(E) aggravated vehicular homicide, K.S.A. 21-3405a, prior to its repeal, or vehicular battery, K.S.A. 21-3405b, prior to its repeal, if the crime was committed while committing a violation of K.S.A. 8-1567, and amendments thereto;

(3) "conviction" includes:

(A) Entering into a diversion agreement in lieu of further criminal proceedings on a complaint alleging an offense described in subsection (i)(2); and

(B) conviction of a violation of an ordinance of a city in this state, a resolution of a county in this state or any law of another jurisdiction that would constitute an offense that is comparable to the offense described in subsection (i)(1) or (i)(2);

(4) multiple convictions of any crime described in subsection (i)(1) or (i)(2) arising from the same arrest shall only be counted as one conviction;

(5) it is irrelevant whether an offense occurred before or after conviction for a previous offense; and

(6) a person may enter into a diversion agreement in lieu of further criminal proceedings for a violation of this section, and amendments thereto, or an ordinance which prohibits the acts of this section, and amendments thereto, only once during the person's lifetime.

(j) For the purposes of determining whether an offense is comparable, the following shall be considered:

- (1) The name of the out-of-jurisdiction offense;
- (2) the elements of the out-of-jurisdiction offense; and
- (3) whether the out-of-jurisdiction offense prohibits similar conduct to the conduct prohibited by the closest approximate Kansas offense.

(k) Upon conviction of a person of a violation of this section or a violation of a city ordinance or county resolution prohibiting the acts prohibited by this section, the division, upon receiving a report of conviction, shall suspend, restrict or suspend and restrict the person's driving privileges as provided by K.S.A. 8-1014, and amendments thereto.

(l) (1) Nothing contained in this section shall be construed as preventing any city from enacting ordinances, or any county from adopting resolutions, declaring acts prohibited or made unlawful by this act as unlawful or prohibited in such city or county and prescribing penalties for violation thereof.

(2) The minimum penalty prescribed by any such ordinance or resolution shall not be less than the minimum penalty prescribed by this section for the same violation, and the maximum penalty in any such ordinance or resolution shall not exceed the maximum penalty prescribed for the same violation.

(3) On and after July 1, 2007, and retroactive for ordinance violations committed on or after July 1, 2006, an ordinance may grant to a municipal court jurisdiction over a violation of such ordinance which is concurrent with the jurisdiction of the district court over a violation of this section, notwithstanding that the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony.

(4) Any such ordinance or resolution shall authorize the court to order that the convicted person pay restitution to any victim who suffered loss due to the violation for which the person was convicted.

(m) (1) Upon the filing of a complaint, citation or notice to appear alleging a person has violated a city ordinance prohibiting the acts prohibited by this section, and prior to conviction thereof, a city attorney shall request and shall receive from the:

(A) Division a record of all prior convictions obtained against such person for any violations of any of the motor vehicle laws of this state; and

(B) Kansas bureau of investigation central repository all criminal history record information concerning such person.

(2) If the elements of such ordinance violation are the same as the elements of a violation of this section that would constitute, and be punished as, a felony, the city attorney shall refer the violation to the appropriate county or district attorney for prosecution.

(n) No plea bargaining agreement shall be entered into nor shall any judge approve a plea bargaining agreement entered into for the purpose of permitting a person charged with a violation of this section, or a violation of any ordinance of a city or resolution of any county in this state which prohibits the acts prohibited by this section, to avoid the mandatory penalties established by this section or by the ordinance. For the purpose of this subsection, entering into a diversion agreement pursuant to K.S.A. 12-4413 et seq. or 22-2906 et seq., and amendments thereto, shall not constitute plea bargaining. This subsection shall not be construed to prohibit an amendment or dismissal of any charge

where the admissible evidence is not sufficient to support a conviction beyond a reasonable doubt on such charge.

(o) The alternatives set out in subsection (a) may be pleaded in the alternative, and the state, city or county may, but shall not be required to, elect one or more of such alternatives prior to submission of the case to the fact finder.

(p) As used in this section:

(1) "Alcohol concentration" means the number of grams of alcohol per 100 milliliters of blood or per 210 liters of breath;

(3) "drug" includes toxic vapors as such term is defined in K.S.A. 21-5712, and amendments thereto.

(q) (1) The amount of the increase in fines as specified in this section shall be remitted by the clerk of the district court to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of remittance of the increase provided in this act, the state treasurer shall deposit the entire amount in the state treasury and the state treasurer shall credit 50% to the community alcoholism and intoxication programs fund and 50% to the department of corrections alcohol and drug abuse treatment fund, which is hereby created in the state treasury.

(2) On and after July 1, 2011, the amount of \$250 from each fine imposed pursuant to this section shall be remitted by the clerk of the district court to the state treasurer in accordance with the provisions of K.S.A. 75-4215, and amendments thereto. Upon receipt of each such remittance, the state treasurer shall credit the entire amount to the community corrections supervision fund established by K.S.A. 75-52,113, and amendments thereto.

The provisions of this section shall not apply to persons convicted of violating municipal ordinance provisions that prohibit the acts prohibited by K.S.A. 8-235 or 40-3104, and amendments thereto.

(2) The municipal court judge shall ensure that all persons arrested or charged with a violation of a city ordinance prohibiting the acts prohibited by K.S.A. 8-2,144 or 8-1567, and amendments thereto, are fingerprinted and processed at the time of booking or first appearance, whichever occurs first.

(b) The municipal court judge shall order the individual to be fingerprinted at an appropriate location as determined by the municipal court judge. (E) The period of postrelease supervision provided in subparagraphs (A) and (B) may be reduced by up to 12 months and the period of postrelease supervision provided in subparagraph (C) may be reduced by up to six months based on the offender's compliance with conditions of supervision and overall performance while on postrelease supervision. (F) In cases where sentences for crimes from more than one severity level have been imposed, the offender shall serve the longest period of postrelease supervision as provided by this section available for any crime upon which sentence was imposed irrespective of the severity level of the crime. Supervision periods will not aggregate.

(G) (i) Except as provided in subsection ~~(u)~~(v), persons sentenced to imprisonment for a sexually violent crime committed on or after July 1, 2006, when the offender was 18 years of age or older, and who are released from prison, shall be released to a mandatory period of postrelease supervision for the duration of the person's natural life.

(6) As used in this subsection, "sexually motivated" means that one of the purposes for which the defendant committed the crime was for the purpose of the defendant's sexual gratification.

(e) If an inmate is sentenced to imprisonment for a crime committed while on parole or conditional release, the inmate shall be eligible for parole as provided by subsection (c), except that the prisoner review board may postpone the inmate's parole eligibility date by assessing a penalty not exceeding the period of time which could have been assessed if the inmate's parole or conditional release had been violated for reasons other than conviction of a crime.

(f) If a person is sentenced to prison for a crime committed on or after July 1, 1993, while on probation, parole, conditional release or in a community corrections program, for a crime committed prior to July 1, 1993, and the person is not eligible for retroactive application of the sentencing guidelines and amendments thereto pursuant to K.S.A. 21-4724, prior to its repeal, the new sentence shall not be aggregated with the old sentence, but shall begin when the person is paroled or reaches the conditional release date on the old sentence. If the offender was past the offender's conditional release date at the time the new offense was committed, the new sentence shall not be aggregated with the old sentence but shall begin when the person is ordered released by the prisoner review board or reaches the maximum sentence expiration date on the old sentence, whichever is earlier. The new sentence shall then be served as otherwise provided by law. The period of postrelease supervision shall be based on the new sentence, except that those offenders whose old sentence is a term of imprisonment for life, imposed pursuant to K.S.A. 1993 Supp. 21-4628, prior to its repeal, or an indeterminate sentence with a maximum term of life imprisonment, for which there is no conditional release or maximum sentence expiration date, shall remain on postrelease supervision for life or until discharged from supervision by the prisoner review board.

(g) Subject to the provisions of this section, the prisoner review board may release on parole those persons confined in institutions who are eligible for parole when: (1) The board believes that the inmate should be released for hospitalization, deportation or to answer the warrant or other process of a court and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate; or (2) the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of

such agreement, and the board believes that the inmate is able and willing to fulfill the obligations of a law abiding citizen and is of the opinion that there is reasonable probability that the inmate can be released without detriment to the community or to the inmate. Parole shall not be granted as an award of clemency and shall not be considered a reduction of sentence or a pardon.

(h) The prisoner review board shall hold a parole hearing at least the month prior to the month an inmate will be eligible for parole under subsections (a), (b) and (c). At least one month preceding the parole hearing, the county or district attorney of the county where the inmate was convicted shall give written notice of the time and place of the public comment sessions for the inmate to any victim of the inmate's crime who is alive and whose address is known to the county or district attorney or, if the victim is deceased, to the victim's family if the family's address is known to the county or district attorney. Except as otherwise provided, failure to notify pursuant to this section shall not be a reason to postpone a parole hearing. In the case of any inmate convicted of an off-grid felony or a class A felony, the secretary of corrections shall give written notice of the time and place of the public comment session for such inmate at least one month preceding the public comment session to any victim of such inmate's crime or the victim's family pursuant to K.S.A. 74-7338, and amendments thereto. If notification is not given to such victim or such victim's family in the case of any inmate convicted of an off-grid felony or a class A felony, the board shall postpone a decision on parole of the inmate to a time at least 30 days after notification is given as provided in this section. Nothing in this section shall create a cause of action against the state or an employee of the state acting within the scope of the employee's employment as a result of the failure to notify pursuant to this section. If granted parole, the inmate may be released on parole on the date specified by the board, but not earlier than the date the inmate is eligible for parole under subsections (a), (b) and (c). At each parole hearing and, if parole is not granted, at such intervals thereafter as it determines appropriate, the board shall consider: (1) Whether the inmate has satisfactorily completed the programs required by any agreement entered under K.S.A. 75-5210a, and amendments thereto, or any revision of such agreement; and (2) all pertinent information regarding such inmate, including, but not limited to, the circumstances of the offense of the inmate; the presentence report; the previous social history and criminal record of the inmate; the conduct, employment, and attitude of the inmate in prison; the reports of such physical and mental examinations as have been made, including, but not limited to, risk factors revealed by any risk assessment of the inmate; comments of the victim and the victim's family including in person comments, contemporaneous comments and prerecorded comments made by any technological means; comments of the public; official comments; any recommendation by the staff of the facility where the inmate is incarcerated; proportionality of the time the inmate has served to the sentence a person would receive under the Kansas sentencing guidelines for the conduct that resulted in the inmate's incarceration; and capacity of state correctional institutions.

(i) In those cases involving inmates sentenced for a crime committed after July 1, 1993, the prisoner review board will review the inmate's proposed release plan. The board may schedule a hearing if they desire. The board may impose any condition they deem necessary to insure public safety, aid in the reintegration of the inmate into the community, or items not completed under the agreement entered into under K.S.A. 75-5210a, and amendments thereto. The board may not advance or delay an inmate's

release date. Every inmate while on postrelease supervision shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary.

(j) (1) Before ordering the parole of any inmate, the prisoner review board shall have the inmate appear either in person or via a video conferencing format and shall interview the inmate unless impractical because of the inmate's physical or mental condition or absence from the institution. Every inmate while on parole shall remain in the legal custody of the secretary of corrections and is subject to the orders of the secretary. Whenever the board formally considers placing an inmate on parole and no agreement has been entered into with the inmate under K.S.A. 75-5210a, and amendments thereto, the board shall notify the inmate in writing of the reasons for not granting parole. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the inmate has not satisfactorily completed the programs specified in the agreement, or any revision of such agreement, the board shall notify the inmate in writing of the specific programs the inmate must satisfactorily complete before parole will be granted. If parole is not granted only because of a failure to satisfactorily complete such programs, the board shall grant parole upon the secretary's certification that the inmate has successfully completed such programs. If an agreement has been entered under K.S.A. 75-5210a, and amendments thereto, and the secretary of corrections has reported to the board in writing that the inmate has satisfactorily completed the programs required by such agreement, or any revision thereof, the board shall not require further program participation. However, if the board determines that other pertinent information regarding the inmate warrants the inmate's not being released on parole, the board shall state in writing the reasons for not granting the parole. If parole is denied for an inmate sentenced for a crime other than a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than one year after the denial unless the board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next three years or during the interim period of a deferral. In such case, the board may defer subsequent parole hearings for up to three years but any such deferral by the board shall require the board to state the basis for its findings. If parole is denied for an inmate sentenced for a class A or class B felony or an off-grid felony, the board shall hold another parole hearing for the inmate not later than three years after the denial unless the board finds that it is not reasonable to expect that parole would be granted at a hearing if held in the next 10 years or during the interim period of a deferral. In such case, the board may defer subsequent parole hearings for up to 10 years, but any such deferral shall require the board to state the basis for its findings.

(2) Inmates sentenced for a class A or class B felony who have not had a board hearing in the five years prior to July 1, 2010, shall have such inmates' cases reviewed by the board on or before July 1, 2012. Such review shall begin with the inmates with the oldest deferral date and progress to the most recent. Such review shall be done utilizing existing resources unless the board determines that such resources are insufficient. If the board determines that such resources are insufficient, then the provisions of this paragraph are subject to appropriations therefor.

(k) (1) Parolees and persons on postrelease supervision shall be assigned, upon release, to the appropriate level of supervision pursuant to the criteria established by the secretary of corrections.

(2) Parolees and persons on postrelease supervision are, and shall agree in writing

to be, subject to searches of the person and the person's effects, vehicle, residence and property by a parole officer or a department of corrections enforcement, apprehension and investigation officer, at any time of the day or night, with or without a search warrant and with or without cause. Nothing in this subsection shall be construed to authorize such officers to conduct arbitrary or capricious searches or searches for the sole purpose of harassment.

(3) Parolees and persons on postrelease supervision are, and shall agree in writing to be, subject to searches of the person and the person's effects, vehicle, residence and property by any law enforcement officer based on reasonable suspicion of the person violating conditions of parole or postrelease supervision or reasonable suspicion of criminal activity. Any law enforcement officer who conducts such a search shall submit a written report to the appropriate parole officer no later than the close of the next business day after such search. The written report shall include the facts leading to such search, the scope of such search and any findings resulting from such search.

(l) The prisoner review board shall promulgate rules and regulations in accordance with K.S.A. 77-415 et seq., and amendments thereto, not inconsistent with the law and as it may deem proper or necessary, with respect to the conduct of parole hearings, postrelease supervision reviews, revocation hearings, orders of restitution, reimbursement of expenditures by the state board of indigents' defense services and other conditions to be imposed upon parolees or releasees. On page 13, following line 27, by inserting:

"Sec. 11. On and after July 1, 2026, K.S.A. 2023 Supp. 45-229, as amended by section 10 of this act, is hereby amended to read as follows: 45-229. (a) It is the intent of the legislature that exceptions to disclosure under the open records act shall be created or maintained only if:

- (1) The public record is of a sensitive or personal nature concerning individuals;
- (2) the public record is necessary for the effective and efficient administration of a governmental program; or
- (3) the public record affects confidential information.

The maintenance or creation of an exception to disclosure must be compelled as measured by these criteria. Further, the legislature finds that the public has a right to have access to public records unless the criteria in this section for restricting such access to a public record are met and the criteria are considered during legislative review in connection with the particular exception to disclosure to be significant enough to override the strong public policy of open government. To strengthen the policy of open government, the legislature shall consider the criteria in this section before enacting an exception to disclosure.

(b) Subject to the provisions of subsections (g) and (h), any new exception to disclosure or substantial amendment of an existing exception shall expire on July 1 of the fifth year after enactment of the new exception or substantial amendment, unless the legislature acts to continue the exception. A law that enacts a new exception or substantially amends an existing exception shall state that the exception expires at the end of five years and that the exception shall be reviewed by the legislature before the scheduled date.

(c) For purposes of this section, an exception is substantially amended if the amendment expands the scope of the exception to include more records or information. An exception is not substantially amended if the amendment narrows the scope of the

exception.

(d) This section is not intended to repeal an exception that has been amended following legislative review before the scheduled repeal of the exception if the exception is not substantially amended as a result of the review.

(e) In the year before the expiration of an exception, the revisor of statutes shall certify to the president of the senate and the speaker of the house of representatives, by July 15, the language and statutory citation of each exception that will expire in the following year that meets the criteria of an exception as defined in this section. Any exception that is not identified and certified to the president of the senate and the speaker of the house of representatives is not subject to legislative review and shall not expire. If the revisor of statutes fails to certify an exception that the revisor subsequently determines should have been certified, the revisor shall include the exception in the following year's certification after that determination.

(f) "Exception" means any provision of law that creates an exception to disclosure or limits disclosure under the open records act pursuant to K.S.A. 45-221, and amendments thereto, or pursuant to any other provision of law.

(g) A provision of law that creates or amends an exception to disclosure under the open records law shall not be subject to review and expiration under this act if such provision:

- (1) Is required by federal law;
- (2) applies solely to the legislature or to the state court system;
- (3) has been reviewed and continued in existence twice by the legislature; or
- (4) has been reviewed and continued in existence by the legislature during the 2013 legislative session and thereafter; ~~or~~

~~(5) is a report of the results of an audit conducted by the United States cybersecurity and infrastructure security agency.~~

(h) (1) The legislature shall review the exception before its scheduled expiration and consider as part of the review process the following:

- (A) What specific records are affected by the exception;
- (B) whom does the exception uniquely affect, as opposed to the general public;
- (C) what is the identifiable public purpose or goal of the exception;
- (D) whether the information contained in the records may be obtained readily by alternative means and how it may be obtained;

(2) an exception may be created or maintained only if it serves an identifiable public purpose and may be no broader than is necessary to meet the public purpose it serves. An identifiable public purpose is served if the legislature finds that the purpose is sufficiently compelling to override the strong public policy of open government and cannot be accomplished without the exception and if the exception:

(A) Allows the effective and efficient administration of a governmental program that would be significantly impaired without the exception;

(B) protects information of a sensitive personal nature concerning individuals, the release of such information would be defamatory to such individuals or cause unwarranted damage to the good name or reputation of such individuals or would jeopardize the safety of such individuals. Only information that would identify the individuals may be excepted under this paragraph; or

(C) protects information of a confidential nature concerning entities, including, but not limited to, a formula, pattern, device, combination of devices, or compilation of

information that is used to protect or further a business advantage over those who do not know or use it, if the disclosure of such information would injure the affected entity in the marketplace.

(3) Records made before the date of the expiration of an exception shall be subject to disclosure as otherwise provided by law. SIXTY-FOURTH DAY

HALL OF THE HOUSE OF REPRESENTATIVES,
TOPEKA, KS, Monday, April 29, 2024, 9:00 a.m.

The House met pursuant to adjournment with Speaker pro tem Carpenter in the chair.

The roll was called with 125 members present.

Prayer by guest chaplain, Pastor Andrew Abbott, Calvary Baptist Church, Leavenworth and guest of Rep. Buehler.

Gracious Father, we humbly bow before the one who was and is. The one whose name is above all names. We ask for your loving and gracious guidance, wisdom, and discernment as we seek to steward the responsibilities that you alone have given us.

We ask that you lead us to trust on you and that we would not lean on our understanding. In doing so, you will make our path straight.

Father, we pray for our great state and the men, women, boys, and girls that call her home. Would you, through our decisions, help us create a thriving Kansas. A place where all can live godly and quiet lives.

Unify us in this great task. Help us to be marked by the godly attributes of humility, tenderness, compassion, and joy. Lead us to do nothing out of selfish ambition or vain conceit, but in love value others more than self.

Father, we entreat your guidance and plead for your glory to shine brightly among every corner of this great state. Use us, O Lord.

In the name of Jesus, we pray. Amen.

The Pledge of Allegiance was led by Rep. Garber.

INTRODUCTION OF GUESTS

There being no objection, the following remarks of Rep. Ellis are spread upon the Journal:

Good morning. I have the great honor to recognize a young lady from Oskaloosa High School, Holly Thacher, along with her mother, Shala. Oskaloosa is the school where I taught for 37 years. Holly is with us to receive an award for her achievement in the 2024 State Wrestling Tournament.

Last summer, Holly went to the Fargo National Tournament and injured her knee, requiring surgery from which she had several complications. At the beginning of the season, she got off to a slow start. She missed the first few meets and then lost the first four (4) matches.

She didn't give up. She went on to complete the season successfully, with a win-loss record of 30 wins and 4 losses and winning the state championship in women's wrestling in weight class 115. She is ranked 29th in the nation in her weight class.

This is a great achievement that shows an example to all athletes...that commitment, dedication, hard work, and an attitude of never giving up...are the winning ways to success.

Not only did she win the state championship this year, but in 2023, in weight class 105, she won the state championship as a sophomore...which is amazing. Not only did she win in 2023, but as a freshman in weight class 101, she also won the state championship in women's wrestling in 2022. Such great achievements! Her overall win-loss record is 97 wins and only 7 losses.

Rep. Ellis presented Holly with a framed House certificate in honor of her Outstanding Achievement in Women's state wrestling...3 years in a row.

MESSAGE FROM THE GOVERNOR**REGARDING VETO OF HOUSE SUBSTITUTE FOR SENATE BILL 233**

“This divisive legislation targets a small group of Kansans by placing government mandates on them and dictating to parents how to best raise and care for their children. I do not believe that is a conservative value, and it’s certainly not a Kansas value. To be clear, this legislation tramples parental rights. The last place that I would want to be as a politician is between a parent and a child who needed medical care of any kind. And, yet, that is exactly what this legislation does. If the legislature paid this much attention to the other 99.8% of students, we’d have the best schools on earth. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto House Substitute for Senate Bill 233.” By the Governor: Laura Kelly Dated April 12, 2024

A motion was made that **H Sub SB 233** be passed notwithstanding the Governor's veto. By vote of 27 Yeas and 13 Nays, the motion having received the required two-thirds constitutional majority of the members elected or appointed to the Senate, voting in the affirmative, the bill passed.

On motion of Rep. Croft, the House recessed until 10:35 a.m.

LATE MORNING SESSION

The House met pursuant to recess with Speaker pro tem Carpenter in the chair.

Such terms and conditions shall include, but not be limited to, qualified Kansas promotions to be provided and any limitations the secretary may impose on the amounts of eligible production or postproduction expenditures that may be approved by the secretary as qualified expenditures, whether in total or for specified eligible expenditures or specified eligible expenditure categories.

A production company receiving a sales tax exemption shall provide the secretary or the secretary of revenue with such documentation as requested by the secretary or the secretary of revenue to demonstrate that expenditures have been made as required.

(f) Prior to receipt by a production company of any income tax credit authorized by section 4, and amendments thereto, the secretary shall examine and determine the amount of eligible production or eligible postproduction expenditures that are qualified production expenditures or qualified postproduction expenditures of the production company and that such expenditures are for a certified production. (i) The secretary of commerce and the secretary of revenue may adopt rules and regulations to implement the provisions of this act.

New Sec. 4. (a) For tax years 2024 through 2033, for any production company or its affiliates that make qualified production or qualified postproduction expenditures for a certified production approved by the secretary of commerce as provided by section 3, and amendments thereto, there shall be allowed an income tax credit against the tax imposed under the Kansas income tax act in the amount as determined pursuant to subsection (d) as limited by subsection (h). The tax credit shall be applied against the production company's income tax liability for the taxable year in which the qualified expenditures are made by the production company. If the amount of the tax credit allowed exceeds the production company's income tax liability for the taxable year, the production company may carry over the amount of the tax credit that exceeds such tax liability for deduction from the production company's income tax liability in the next succeeding taxable year or years until the total amount of the tax credit has been deducted from the production company's tax liability, except that no such tax credit shall be carried over for deduction after the 10th taxable year succeeding the year in which the qualified expenditures were made by the production company. If the production company is a corporation having an election in effect under subchapter S of the federal internal revenue code, a partnership or a limited liability company, the credit shall be claimed by the shareholders of such corporation, the partners of such partnership or members of such limited liability company in the same manner as such shareholders, partners or members account for their proportionate shares of the income or loss of the corporation, partnership or limited liability company and in accordance with the agreement executed pursuant to section 3, and amendments thereto. The tax credit may be transferred as provided by subsection (k).

(b) A claim for a tax credit shall be filed with the secretary of revenue as part of a return filed by the production company pursuant to the Kansas income tax act. The order that agreements are executed with the secretary of commerce pursuant to section 3, and amendments thereto, shall determine the order that credit claims are allocated by the secretary of revenue. A claim shall be submitted with a return or amended return within one calendar year of the date of the last eligible production expenditure or the last eligible postproduction expenditure for the certified production that would be eligible for an income tax credit as provided by subsection (a). A request by a production company for an extension of time of up to six months to submit a claim shall

be granted by the secretary of revenue. All qualified production expenditures or postproduction expenditures incurred during the taxable year by a production company for a certified production shall be submitted for credit as part of the same income tax return. A tax credit claim for qualified expenditures during a taxable year shall not be divided and submitted with multiple returns or in multiple years.

(c) The claim shall include a copy of the project certification and the determination of qualified production or postproduction expenditures by the secretary of commerce. The claim shall also include a report by a certified public accountant licensed to practice in Kansas, prepared at the expense of the applicant, verifying that the expenditures have been made in compliance with the requirements of this act.

(d) The amount of the tax credit shall be equal to 30% of:

- (1) The qualified production expenditures for the certified project; or
- (2) the qualified postproduction expenses for a certified project with no qualified production expenses.

(e) The secretary of commerce may approve additional credits as follows:

(1) In addition to the amount authorized by subsection (d)(1):

(A) Up to 5% of the qualified production expenditures for a certified multi-film deal, a certified eligible television series, a certified high-impact production or contributions to film-related infrastructure or workforce development in Kansas, including, but not limited to, contributions to permanent sets, sound stages, film editing facilities, computer graphics, special effects or animation facilities, educational facilities or programs, internships or apprenticeships or equipment for production activities, in the amount such contributions are approved by the secretary of commerce; or

(B) up to 5% for qualified production expenditures for a production if 50% or more of the crew or above-the-line personnel are Kansas residents; or

(2) in addition to the amount authorized under subsection (d)(1) or (2), up to an additional 5%, as determined by the secretary, of the amount of the qualified production expenditures or qualified postproduction expenditures, as applicable, of a certified project of a production company that has previously received an income tax credit under this act with respect to such certified project.

(f) In addition to or in lieu of the credits authorized by subsection (d), as determined by the secretary, a Kansas-based production company that incurs at least \$25,000 in qualified expenditures, including, but not limited to, expenditures for a certified production not intended for multimarket distribution but that otherwise constitute qualified expenditures and meets all other qualifications for a tax credit under this act shall receive a tax credit in the amount of 25% of such qualified expenditures. The tax credit shall be applied against the Kansas-based production company's income tax liability for the taxable year in which the qualified expenditures are made by the Kansas-based production company. If the amount of the tax credit exceeds the Kansas-based production company's income tax liability, the Kansas-based production company may carry over the amount of the tax credit that exceeds such tax liability for deduction from the Kansas-based production company's income tax liability in the next succeeding taxable year or years until the total amount of the tax credit has been

deducted from the Kansas-based production company's tax liability, except that no such tax credit shall be carried over for deduction after the 10th taxable year succeeding the year in which the qualified expenditures were made by the Kansas-based production company. If the Kansas-based production company is a corporation having an election in effect under subchapter S of the federal internal revenue code, a partnership or a limited liability company, the credit shall be claimed by the shareholders of such corporation, the partners of such partnership or members of such limited liability company in the same manner as such shareholders, partners or members account for their proportionate shares of the income or loss of the corporation, partnership or limited liability company and in accordance with the agreement executed pursuant to section 3, and amendments thereto. The tax credit may be transferred as provided by subsection (k).

(g) Notwithstanding any other provision of this act, the tax credit amount based on a production or postproduction expenditure for a single individual who meets the definition of individuals who are above-the-line, nonresident personnel shall be limited to not more than \$500,000 in each taxable year.

(h) The maximum cumulative amount of all income tax credits awarded to a production company for a certified project for a taxable year shall not exceed 40% of the total qualified production expenditures or qualified postproduction expenditures made by the production company for that certified project during that taxable year.

(i) For purposes of determining the payment of credit claims pursuant to this section, the secretary of revenue may require that credit claims of affiliates be combined into one claim if necessary to accurately reflect closely integrated activities of affiliates.

(j) If a production company hires another production company to produce a project or contribute elements of a project for pay, the hired company shall be considered a service provider for the hiring company, and the hiring company shall be entitled to the income tax credit authorized by this section.

(k) The tax credit allowed pursuant to this section may be transferred, in whole or in part, by the production company or, as provided by subsection (a), a shareholder, partner or member, to one or more transferees. The transferor shall provide notification and documentation of the transfer or transfers with its claim for a tax credit pursuant to subsection (b) filed with the secretary of revenue in such form and manner as may be required by the secretary of revenue, including all information requested by the secretary of revenue regarding the transferee. The transferor shall make the transfer within the calendar year in which the transferor's claim is made to the secretary of revenue. The credit shall only be transferred once. The transferor may transfer the credit to any individual or entity subject to income tax under the Kansas income tax act. The transferred credit shall be claimed by the transferee against the transferee's Kansas income tax liability in the taxable year the credit was transferred. The amount of the transferred credit that exceeds the transferee's tax liability for such year may be carried over for deduction from the transferee's income tax liability in the next succeeding taxable year or years until the total amount of the tax credit has been deducted from the transferee's tax liability, except that no such tax credit shall be carried over for deduction after the 10th taxable year succeeding the taxable year in which the credit was transferred to the transferee. The transferor or transferee shall provide such

documentation of the transfer to the secretary of revenue as may be required by the secretary and at such time as may be required by the secretary.

(l) The aggregate total amount of credits allowed under this section shall not exceed \$10,000,000 in a tax year. Ten percent of such aggregate total in each tax year shall be designated for tax credits to Kansas-based production companies.

New Sec. 5. On or before January 31, 2025, and each January 31 thereafter through January 31, 2034, the secretary of commerce shall submit an annual report to the house of representatives standing committees on commerce, labor and economic development and taxation and the senate standing committees on commerce and assessment and taxation. The report shall include the amounts and recipients of tax incentives approved by the secretary pursuant to this act for the prior year and to the date of the report, anticipated tax incentive amounts for the current year, the production companies that have applied for and that have been certified for projects, a description of ongoing and completed projects and the impact of such projects and the program on the film, video or digital production industry in Kansas. The secretary of revenue shall provide the secretary of commerce with information as necessary for the report in accordance with the terms of the agreements required by section 3, and amendments thereto.

EXPLANATION OF VOTE

Mr. Speaker: I vote No for HB 2097. It is not in the best interest of Kansas taxpayers. This bill is way too lucrative for Hollywood and the motion picture industry. The 30% credit for qualified production expenses in this bill compares with only 20% in Missouri, 20% in Colorado, and 20% in Nebraska (strictly for movies which tell a story about Nebraska). Further, this bill allows up to \$500,000 in tax credits for the cost of one single cast member or director! We don't do this for Kansas small businesses (however exotic the product or person.) – Paul Waggoner

MESSAGE FROM THE SENATE

Announcing the Senate here with transmits the veto message from the Governor, together with the enrolled copy of **SB 473**, AN ACT concerning crimes, punishment and criminal procedure; relating to the Kansas code of criminal procedure; authorizing a notice to appear that meets certain requirements to serve as a lawful complaint; requiring a minimum appearance bond premium in district court; providing reasons for suspending or terminating authorization of a compensated surety; authorizing the chief judge of a judicial district to require a compensated surety to submit to a state and national criminal history record check; amending K.S.A. 22-2202, 22-2408 and 22-2809b and repealing the existing sections., which was received on April 24, 2024 and read on April 29, 2024.

MESSAGE FROM THE GOVERNOR

REGARDING VETO OF SENATE BILL 473

“While I support the goal of reforming our criminal justice system in relation to pre-trial release, Senate Bill 473 establishes a minimum amount a person must pay a bail bonding company to be released from jail, regardless of the type or severity of their crime. This requires bond companies charge an appearance bond premium of a minimum of 10% of the face amount of the appearance bond, of which half must be received before posting a bond. After thorough review, I am concerned of the impact that this will have on low income, non-violent offenders’ ability to be released and return to their families and jobs. The Kansas Judicial Branch Pretrial Justice Task Force reviewed these issues extensively and made important recommendations. One of those recommendations is contained in this bill. While I support that component, the remaining provisions of this bill need further refinement. Therefore, under Article 2, Section 14(a) of the Constitution, I hereby veto Senate Bill 473.” Signed Laura Kelly, Governor Dated April 24, 2024

A motion was made that **SB 473** be passed notwithstanding the Governor's veto. By vote of 27 Yeas and 12 Nays, the motion having received the required two-thirds

constitutional majority of the members elected or appointed to the Senate, voting in the affirmative, the bill passed.

MESSAGE FROM THE SENATE

Announcing a line item veto message from the Governor, together with the enrolled copy of **SB 28**, AN ACT making and concerning appropriations for the fiscal years ending June 30, 2024, June 30, 2025, June 30, 2026, June 30, 2027, and June 30, 2028, for state agencies; authorizing certain transfers, capital improvement projects and fees, imposing certain restrictions and limitations, and directing or authorizing certain receipts, disbursements, procedures and acts incidental to the foregoing; amending K.S.A. 2023 Supp. 2-223, 12-1775a, 12-5256, 65-180, 74-50,107, 74-8711, 74-99b34, 75-6707, 76-775, 76-7,107, 79-2959, 79-2964, 79-3425i, 79-34,171 and 82a-955 and repealing the existing sections was received on April 24, 2024 and read on April 29, 2024.

MESSAGE FROM THE GOVERNOR

REGARDING VETO OF SENATE BILL 28

I want to thank the Legislature and the budget committees for their bipartisan work to pass Senate Bill 28. This budget makes important investments in economic development, infrastructure, and essential services that will positively impact the citizens of Kansas for years to come.

Kansas is a national leader in economic development, and this budget makes investments across the state to provide our communities with the infrastructure and workforce necessary to continue that leadership. By investing in our higher education system, this budget also ensures that our universities, community colleges, and technical schools can continue to engage in cutting-edge education, research, and workforce training.

This budget infuses significant funding into programs and facilities that serve the most vulnerable Kansans and keep our communities safe. It also continues the progress we've made in improving the government services Kansans depend on by providing state employees with a pay increase and investing in state facilities.

Despite these successes, this budget falls short in several areas. Instead of using our existing surplus to cover the costs of capital projects immediately, this budget requires the state to take on debt and pass the costs of these projects on to taxpayers. It also fails to use this surplus to balance the state's checkbook by paying off existing debts.

School funding, one of the core responsibilities of the state, is also not addressed in this budget. Kansas families and teachers rely on the Legislature to ensure they have the resources they need to provide our kids a world-class education. Failing to fully fund public schools in this budget creates unnecessary uncertainty that we may backtrack on rebuilding our education system. I encourage the Legislature to maintain the full funding of schools when it returns so that we can continue the progress we've made by fully funding education over the past five years.

Additionally, this budget does not adequately address access to affordable healthcare. Expanding Medicaid is the fiscally prudent thing to do. It will infuse a billion dollars into the state and our communities annually. I will continue to urge the Legislature to do the right thing and expand Medicaid as soon as possible so that hard-working Kansans can get the healthcare they deserve and desperately need.

Therefore, pursuant to Article 2, Section 14(b) of the Constitution of the State of Kansas, I hereby return Senate Bill 28 with my signature approving the bill, except for the items enumerated below.

Legislature—Impeding Local Control of School Districts

Sec. 26(e) has been line-item vetoed in its entirety.

It is not the State’s role to condition or control how local school districts should use local funds generated from the sale of property. If the Legislature is interested in developing innovative approaches to recruiting and retaining talented teachers and paraprofessionals, it should work collaboratively with school districts and educators to improve the experience of classroom teachers rather than interfering with their authority to set policies and budgets to address the needs of their students and teachers. I am concerned that provisions like Sec. 26(e) set a dangerous precedent and erode the core constitutional principle of local control.

Governor’s Department and Adjutant General’s Department—Southwest Border Mission

Sec. 29(b) has been line-item vetoed in its entirety.

The portion of Sec. 120(a) that reads as follows has been line-item vetoed:

Southwest border mission.....\$15,716,000

Provided, That all expenditures from the southwest border mission account shall be for expenses to respond to the request for assistance from the state of Texas pursuant to the emergency management assistance compact, K.S.A. 48-9a01, and amendments thereto, or a memorandum of understanding between the governor and the governor of Texas: Provided, That the above agency shall collaborate with the governor and the response and recovery bureau director to activate, mobilize and deploy state resources and implement the appropriate mutual aid plans and procedures: Provided further, That such assistance is being provided to assist in the prevention of crime drug trafficking, human trafficking, transactional criminal organizations and other related crimes contributing to an emergency.

The portion of Sec. 121(a) that reads as follows has been line-item vetoed:

Any unencumbered balance in the southwest border mission account in excess of \$100 as of June 30, 2024, is hereby reappropriated for fiscal year 2025.

As the Kansas National Guard’s Commander-in-Chief, it is my constitutional authority to direct the National Guard while on state duty. It is not the Legislature’s role to direct

the operations or call out the National Guard. Border security is a federal issue. Lawmakers in Washington must act to solve this issue and work in a bipartisan manner to fix our nation’s broken immigration system. Despite this being a federal issue, I have repeatedly deployed members of the Kansas National Guard to support the federal government’s efforts to strengthen border protections, including an active deployment today. When a Governor deploys soldiers as part of a federal mission, it is done intentionally and in a manner that ensures we are able to protect our communities and that we do not threaten Guard readiness or limit our ability to respond to natural disasters at home.

Office of the Attorney General and Kansas Department for Aging and Disability Services—Kansas Fights Addiction Fund

Sec. 31(d), Sec. 83(bb), and Sec. 83(cc) and have been line-item vetoed in their entirety.

The portion of Sec. 32(b) that reads as follows has been line-item vetoed:

Provided further, That, notwithstanding the provisions of the Kansas fights addiction act, K.S.A. 2023 Supp. 75-775 through 75-781, and amendments thereto, or any other statute, expenditures shall be made from the Kansas fights addiction fund in an amount of \$185,000 for fiscal year 2025 for drug abuse and addiction prevention services for youth at the Kansas City full circle program, inc.: Provided, however, That prior to making such expenditures, the above agency shall present to the Kansas fights addiction grant review board the above expenditure for the board's review.

The portions of Sec. 83(b) that reads as follows have been line-item vetoed:

Valley hope substance use disorder fund.....\$2,500,000

Provided, That, notwithstanding the provisions of the Kansas fights addiction act, K.S.A. 2023 Supp. 75-775 through 75-781, and amendments thereto, expenditures shall be made from the valley hope substance use disorder fund for infrastructure to expand valley hope located in Atchison, Kansas: Provided, however, That prior to making such expenditures, the above agency shall present to the Kansas fights addiction grant review board the above expenditure for the board's review.

Indigent support fund.....\$5,000,000

Provided, That expenditures shall be made from the indigent support fund for providing support to the substance use disorder providers who provide services to individuals who have no insurance or other medical coverage: Provided further, That the above agency

shall develop guidelines for providers to apply for the funds and establish a review team for the application for funds to determine that such funds are being appropriately used to provide services to such indigent individuals: Provided, however, That prior to making such expenditures, the above agency shall present to the Kansas fights addiction grant review board the above expenditure for the board's review.

The Legislature created the Kansas Fights Addiction Board to review and approve applications for funding through the State's opioid settlement, the Kansas Fights Addiction Fund. While these initiatives may be good proposals worthy of funding, the direct allocation of these funds circumvents the established process and gives an unfair advantage to the organizations receiving these funds. It also makes it difficult for the Board to administer its established strategy and strategic plan for the settlement. If the Legislature wants to change the process through which these funds are allocated, it should pass standalone legislation to do so.

Office of the State Treasurer—Pregnancy Compassion Awareness Program

Sec. 35(a) has been line-item vetoed in its entirety.

I continue to believe that overseeing a state pregnancy crisis center and maternity home program is not an appropriate role for the Office of State Treasurer. This proviso continues a program to provide taxpayer funding for largely unregulated pregnancy resource centers. These entities are not medical centers and do not promote evidence-based methods to prevent unplanned pregnancies. The Legislature should listen to Kansans, who, on August 2, 2022, told politicians they should stop inserting themselves in private medical decisions between women and their doctors.

Office of the State Treasurer—BUILD Kansas Changes

Sec. 35(d), Sec. 35(e), Sec. 36, Sec. 37, and Sec. 38 have been line-item vetoed in their entirety.

The BUILD Kansas program provides local governments and other eligible entities with State funding to pursue grant opportunities under the federal Bipartisan Infrastructure Law (BIL). As the program stands today, both the Executive and Legislative branches have a role in reviewing and approving applications for matching funds. The changes proposed in this budget would remove the Kansas Infrastructure Hub from this process and give the Legislature the authority to approve funding for infrastructure projects without the Hub's input, effectively creating a separate legislative appropriations process for infrastructure projects.

The provisions in this budget would also require that certain Kansas communities provide local dollars to secure BUILD Kansas funds while others would be exempted from having to provide local funds, creating an uneven playing field for communities to access the BUILD Kansas program. While I commend the Legislature's efforts to increase the impact of these matching dollars by making them eligible to be used for additional federal funding opportunities, we must maintain the program's current parameters to ensure matching funding is used to support the infrastructure needs of all Kansas communities effectively and efficiently.

Kansas Corporation Commission—Demolition of Two Habitable Structures in Augusta,

Kansas

The portion of Sec. 53(a) that reads as follows has been line-item vetoed:

Provided, That notwithstanding the provisions of K.S.A. 55-192, and amendments thereto, or any other statute, expenditures shall be made by the above agency from such fund to address ground water well contamination from abandoned wells located in Butler County, Kansas: Provided further, That the above agency shall work with landowners at 13726 SW Thunder Road and 14937 SW Thunder Road in Augusta, Kansas, to assist in the costs of demolition of the habitable structures located on such land: Provided, however, That expenditures for such purposes shall not exceed \$250,000 on each such property.

This line-item uses a state fund established for the remediation of abandoned oil well sites to demolish two private homes in Augusta, Kansas. This action is squarely outside the statutory scope of this program and risks setting an untenable financial precedent where the state could be required to pay for the demolition of property in all areas where historic oil contamination exists, regardless of source, culprit, or disclosure to the home buyer. Policy of this nature, however well-intentioned, should be carefully considered and debated to avoid unintended and unsustainable financial or legal obligations for the state – not included as a last-minute budget proviso.

Kansas Department of Commerce—Youth Career Exploration

The portion of Sec. 68(a) that reads as follows has been line-item vetoed:

Youth career exploration.....\$500,000

I fully support efforts to raise awareness and connect students to in-demand careers in Kansas. To develop a highly skilled and prepared workforce, students should be incentivized to explore their interests and identify pathways into various career fields. I have line-item vetoed this section because these efforts can be funded through existing Kansas State Department of Education resources. The State Board of Education has previously funded these efforts using federal Elementary and Secondary School Emergency Relief (ESSER) funds and is currently considering an additional allocation of \$1 million in ESSER funds over the next two years for this purpose. This funding opportunity provides more support for youth career exploration than is included in this bill. Once these federal funds are expended, the State should then consider providing State General Funds for this purpose.

Kansas Department of Commerce—University STAR Bonds

Sec. 68(n) and Sec. 69(d) have been line-item vetoed in their entirety.

STAR Bonds are a financing tool that allows Kansas communities, both rural and urban, to strategically attract economic development to their area. The program has helped secure millions in economic development growth and brought thousands of jobs to the State through state and local partnerships.

The language proposed in this budget would fundamentally alter the STAR Bonds

program by allowing universities to create STAR Bond districts without the consent of the impacted local government and without a minimum capital investment or revenue requirement. While I support innovative proposals to bring new economic development opportunities to the state, the changes to the program proposed in this budget do not adequately protect local governments' authority or ensure the long-term solvency of the projects.

Kansas Department of Commerce—Child Care Pilot Program

The portion of Sec. 68(a) that reads as follows has been line-item vetoed:

Provided, That expenditures shall be made by the above agency from such account to implement a pilot program for the recruitment and retention of home-based child care providers to increase the number of child care slots in Kansas: Provided further, That the above agency shall issue a request for proposal to solicit potential private entities to implement such pilot program: And provided further, That any such private entity making a proposal shall agree to: (1) Partner with the above agency, families in need of child care and home-based child care providers to increase the number of child care slots in Kansas by: (A) Recruiting and coaching prospective home-based child care providers through the initial business plan and implementation process; and (B) assisting existing home-based child care providers with business planning and implementation to retain and expand child care slots; (2) develop and execute a mentorship program for such home-based child care providers; (3) plan, staff and execute in-person and virtual recruitment events for new home-based child care providers in locations in the state in need of child care slots; (4) develop informational materials that assist home-based child care providers with marketing, advertising and parental outreach; (5) provide a software platform, including customizable dashboards, to assist home-based child care providers with marketing, enrollment, family communication, billing and expense reporting; and (6) make available to home-based child care providers coaching and training, including in-person group training sessions, on-site coaching visits, community forums and events: And provided further, That the above agency shall require any private entity making a proposal to provide evidence that such entity is providing a similar service in at least three other states: And provided further, That as used in this section, "home-based child care provider" means an individual who has control or custody of one or more children under 16 years of age, unattended by a parent or guardian, for the purpose of providing food or lodging, or both.

Increasing access to child care is one of my biggest priorities as Governor. To truly address this issue, we need everyone's expertise at the table. This proviso limits the pool of organizations that could apply to operate this pilot program. An open, competitive bidding process should be used to ensure that these funds are effective in supporting aspiring child care providers.

Kansas Department of Commerce—Air Development Fund

The portion of Sec. 68(c) that reads as follows has been line-item vetoed:

Kansas air service development incentive program fund.....No limit

Provided, That all expenditures from the Kansas air service development incentive program fund shall be to support commercial service airports in Kansas: Provided further, That the department of commerce shall establish requirements for the program, taking into consideration: (1) Recent or imminent regional economic development opportunities, including, but not limited to, new business entering the market area or business growth in the market area; (2) viable air service opportunities, including, but not limited to, airline support service or market data support service; (3) air service routes serving a market area that meets the needs of such economic development opportunities, including, but not limited to, routes establishing a pipeline to areas with workforce talent or serving a customer base or main business function; and (4) local match requirements, including, but not limited to, opportunities to use state or local moneys to leverage federal air service development grant funds: And provided further, That local entities representing commercial service airports may apply for grants from such fund: And provided further, That the department of commerce shall form a selection committee to evaluate such applications: And provided further, That not more than \$1,000,000 shall be awarded for a single commercial service airport: And provided further, That all grant moneys awarded to a local entity shall be deposited in an interest-bearing escrow account: And provided further, That, when awarded a grant, such local entity shall execute a minimum revenue guarantee (MRG) agreement with an airline: And provided further, That such MRG agreement shall describe the thresholds that trigger drawdowns of grant moneys: And provided further, That the department of commerce shall verify all expenses before authorizing any drawdown of grant moneys from such escrow account.

Sec. 68(m) has been line-item vetoed in its entirety.

This program was not requested by the Department of Commerce or vetted by the agency. Given the ongoing debate in the Legislature regarding tax relief and the potential long-term fiscal impact of proposed tax policy, it is difficult to justify another expenditure from the State Highway Fund. We've closed the Bank of KDOT, and I do not want to risk backtracking on that progress.

Kansas Department of Aging and Disability Services—Mental Health Intervention Team Pilot

The portion of Sec. 83(a) that reads as follows has been line-item vetoed:

Provided, That expenditures shall be made by the above agency from such account during fiscal year 2025 to establish the mental health intervention team program: Provided further, That such program shall be a continuation of the mental health intervention team pilot program first established pursuant to section 1 of chapter 57 of the 2018 Session Laws of Kansas and K.S.A. 72-9943, and amendments thereto, and continued and expanded through subsequent appropriation acts of the legislature: And provided further, That the purposes of the mental health intervention team program are to: Provide greater access to behavioral health services for students enrolled in kindergarten or any of the grades one through 12 and establish a coherent structure between school districts and mental health intervention team providers to optimize scarce behavioral health resources and workforce; identify students, communicate with

families and link students and their families to the statewide behavioral health systems and resources within the network of mental health intervention team providers; alleviate the shortage of staff with specialized degrees or training such as school counselors, psychologists and social workers and reduce the competition for such staff between school districts and other private and governmental service providers to provide broader-based and collaborative services to students, especially in rural districts that do not have enough students to justify a full-time staff position; provide and coordinate mental health services to students throughout the calendar year, not only during school hours over nine months of the school year; and reduce barriers that families experience to access mental health services and maintain consistency for a child to attend recurring sessions and coordination between the child's classroom schedule and the provision of such services: And provided further, That the program shall focus on the following students: Any student who has been adjudicated as a child in need of care and is in the custody of the secretary for children and families or has been referred for a families first program or family preservation program; and any other student who is in need of mental health support services: And provided further, That the secretary for aging and disability services shall appoint a mental health intervention team program manager and, within the limits of appropriations therefor, such additional staff as necessary to support such manager: And provided further, That the above agency shall oversee and implement the mental health intervention team program in accordance with the requirements of this proviso and the policies and procedures established by the above agency pursuant to this proviso: And provided further, That during fiscal year 2025, the board of education of a school district may apply to the above agency to establish or maintain a mental health intervention team program within such school district: And provided further, That the application shall be in such form and manner as the above agency requires and submitted at a time determined and specified by such agency: And provided further, That each application submitted by a school district shall specify the mental health intervention team provider that the school intends to coordinate with to provide school-based services to students who need assistance during the applicable school year: And provided further, That the school district shall provide notice to the mental health intervention team provider as soon as they are able of their intent to partner for the following school year: And provided further, That the above agency shall establish an application review committee that shall include representatives from mental health intervention team providers and the department of education: And provided further, That if a school district and mental health intervention team provider are approved to establish or maintain a mental health intervention team program, the school district shall enter into a memorandum of understanding with a partnering mental health intervention team provider: And provided further, That if the school district chooses to partner with more than one mental health intervention team provider, the school district shall enter into a separate memorandum of understanding with each such mental health intervention team provider: And provided further, That the above agency may establish requirements for a memorandum of understanding, including contractual provisions that are required to be included in each memorandum of understanding and that are optional and subject to agreement between the school district and the mental health intervention team provider: And provided further, That each memorandum of understanding shall be submitted to the above agency for final approval: And provided further, That the above agency may authorize another category of provider other than a mental health

intervention team provider to serve as a partnering provider under the mental health intervention team program pursuant to this proviso: And provided further, That such category of provider shall provide the required services and otherwise meet the requirements of a partnering mental health intervention team provider under this proviso: And provided further, That if the above agency authorizes another category of provider other than a mental health intervention team provider, such agency shall provide notification of this decision to the mental health intervention team provider that provides services in that county: And provided further, That, subject to appropriations therefor, a school district and mental health intervention team provider that have been approved by the above agency to establish or maintain a mental health intervention team program shall be eligible to receive a mental health intervention team program grant and a mental health intervention team provider pass-through grant: Provided, however, That the amount of a school district's mental health intervention team program grant shall be determined in each school year by calculating the total amount of the salary and fringe benefits paid by the school district to each school liaison: And provided further, That the amount of a school district's mental health intervention team provider pass-through grant shall be an amount equal to 50% of the amount of the school district's mental health intervention team grant: And provided further, That moneys provided to a school district for the mental health intervention team provider pass-through grant shall be paid to any mental health intervention team provider that partners with the school district: And provided further, That if the amount of appropriations are insufficient to pay in full the amount of all grants school districts are entitled to receive for the school year, the above agency shall prorate the amount appropriated among all districts: And provided further, That the above agency shall be responsible for the allocation and distribution of grants in accordance with appropriation acts: And provided further, That the above agency may make grant payments in installments and may provide for payments in advance or by way of reimbursement and may make any necessary adjustments for any overpayment to a school district: And provided further, That the above agency shall not award any grant to a school district unless such district has entered into a memorandum of understanding with a partnering mental health intervention team provider in accordance with this proviso: And provided further, That any remaining appropriations that were not allocated to the mental health intervention team program shall provide funding in the form of grants from the above agency to the association of mental health intervention team providers of Kansas to fund training for school districts participating in the mental health intervention team program pursuant to this proviso: And provided further, That the above agency shall seek advice from mental health intervention team providers prior to awarding any grant under this subsection: And provided further, That the above agency may waive the requirement that a school district employ a school liaison and may instead authorize a mental health intervention team provider that partners with the school district to employ a school liaison: And provided further, That such waiver shall only be granted by the above agency in limited circumstances: And provided further, That a school district that is granted a waiver pursuant to this proviso shall continue to be eligible to receive the mental health intervention team program grant and the mental health intervention team provider pass-through grant authorized pursuant to this proviso: And provided further, That the amount of the mental health intervention team program grant shall be determined in the same manner as provided under this proviso as

though the school liaison was employed by such school district: And provided further, That upon receipt of any moneys awarded pursuant to the mental health intervention team program grant to any such school district, the school district shall direct payment of such amount to the mental health intervention team provider that employs the school liaison: And provided further, That on or before January 13, 2025, the above agency shall prepare and submit a report on the mental health intervention team program for the preceding school year to the house of representatives standing committees on appropriations, social services budget and health and human services, or their successor committees, and the senate standing committees on ways and means, ways and means subcommittee on human services and public health and welfare, or their successor committees: And provided further, That such report shall provide a summary of the program, including, but not limited to, the school districts that applied to participate or continued participating under the program, the mental health intervention team providers, the grant amount each such school district received and the payments made by school districts from the mental health intervention team program fund of each school district: And provided further, That the staff required for the establishment and maintenance of a mental health intervention team program shall include a combination of one or more behavioral health liaisons employed by the school district and one or more case managers and therapists licensed by the behavioral sciences regulatory board who are employed by the partnering mental health intervention team provider: And provided further, That all staff working together under a school district's program shall be known as the mental health intervention team of the school district: And provided further, That the school district and the mental health intervention team provider shall cooperate and work together to identify needs specific to the students in the school district, and the families of such students and shall develop an action plan to implement a school-based program that is tailored to such needs: And provided further, That a school district that participates in the program shall employ one or more school liaisons who will help students in need and coordinate services between the school district, the student, the student's family and the mental health intervention team provider: And provided further, That a school liaison shall have a bachelor's degree in any field of study: And provided further, That a school liaison's roles and responsibilities include, but are not limited to: Identifying appropriate student referrals for the team to engage with; act as a liaison between the school district and the mental health intervention team provider and be the primary point of contact for communications between the school district and the mental health intervention team provider; assist with mental health intervention team provider staff understanding of the school district's system and procedures including the school calendar, professional development, drills and crisis plan protocols; triage prospective student referrals and help decide how to prioritize interventions; help the mental health intervention team provider and other school personnel understand the roles and responsibilities of the mental health intervention team; facilitate communications and connections between families of identified students and the mental health intervention team provider's staff; coordinate a student's treatment schedule with building administrators and classroom teachers, to optimize clinical therapist's productivity; troubleshoot problems that arise and work with the mental health intervention team provider to resolve such problems; track and compile outcomes to monitor the effectiveness of the program; maintain and update the department of education mental health intervention team database as directed by the above agency and

required by this section; follow up with child welfare contacts if a student has moved schools to get the child's educational history; be an active part of the school intervention team and relay information back to mental health intervention team provider staff, including student observations, intervention feedback from teachers, communications with family and other relevant information; work with school administration to identify and provide confidential space for a mental health intervention team provider therapist; assist in planning continuity of care through summer services; and submit an annual report to the above agency on how the liaison complied with the required roles and responsibilities: And provided further, That within the scope of employment by a school district, an individual employed as a school liaison shall primarily perform roles and responsibilities that are related to the school liaison position as described in this section: And provided further, That once the initial referral has been completed for a student, all relevant information shall be entered into the database within 14 calendar days: And provided further, That a mental health intervention team provider that partners with a school district shall employ one or more therapists licensed by the behavioral sciences regulatory board who will collaborate with the school district to assist students in need and provide services to such students under the program: And provided further, That a therapist's roles and responsibilities under the program include, but are not limited to: Assist the school liaison with the identification of appropriate student referrals to the program; triage student referrals with the school liaison to prioritize treatment interventions for identified students; work with the school liaison to connect with families or child welfare contacts to obtain consent to commence treatment; conduct a clinical assessment of the identified student and make appropriate treatment recommendations; engage with the student, family or child welfare contacts in clinical interventions as identified on the treatment plan and provide individual and family therapy; administer scales or tests to detect areas of concern with depression, anxiety, self-harm or other areas as identified; make referrals to other treatment modalities as appropriate; communicate educationally appropriate information to the school liaison, such as interventions and strategies for use by classroom and school staff; gather outcome data to monitor the effectiveness of the program; coordinate with the case manager to identify ways to support the student and family; provide therapy services as determined by the students' treatment plan; and maintain the treatment plan and necessary treatment protocols required by the mental health intervention team provider: And provided further, That a mental health intervention team provider that partners with a school district shall employ one or more case managers who will collaborate with the school district to assist students in need and to coordinate services under the program: And provided further, That a case manager's roles and responsibilities under the program include, but are not limited to: Work with the school liaison and clinical therapist to identify students and triage priorities for treatment; provide outreach to students, families and child welfare contacts to help engage in treatment; participate in the treatment planning process; communicate with the school liaison and other school district personnel about student needs, interventions and progress; help maintain communication between all entities, including the family, student, school, clinical therapist, child welfare contacts and the community; maintain the treatment plan and necessary treatment protocols required by the mental health intervention team provider; make referrals to appropriate community resources; help reconnect students and families when they are not following through with the treatment process; help families

negotiate barriers to treatment; and engage with the student in the classroom, the home or the community to help build skills wherever needed: And provided further, That each school district that receives moneys for the mental health intervention team program grant or the mental health intervention team provider pass-through grant awarded pursuant to this proviso shall credit the moneys to a mental health intervention team program fund created by such school district: And provided further, That moneys in such fund shall be used by a school district to: Pay for the expenditures that are attributable to the salary and fringe benefits of any school liaison employed by the school district pursuant to the mental health intervention team program; and provide payment to each partnering mental health intervention team provider in an amount equal to the mental health intervention team provider pass-through grant received by the school district: And provided further, That the school district shall keep separate accounting records for the school liaison expenditures and the pass-through grants to mental health intervention team providers: And provided further, That the above agency shall publish on its website an aggregated report of outcomes achieved, numbers served and associated information by the mental health intervention team program: And provided further, That the above agency shall establish a hotline that individuals receiving services from the mental health intervention team program may access outside of the hours that such individuals are receiving services: And provided further, That such hotline shall be established for the purposes of providing information sharing and communications regarding crisis coordination and emergency response services: And provided further, That as used in this proviso: (1) "Mental health intervention team provider" means a center organized pursuant to article 40 of chapter 19 of the Kansas Statutes Annotated, and amendments thereto, a mental health clinic organized pursuant to article 2 of chapter 65 of the Kansas Statutes Annotated, and amendments thereto, or a federally qualified health center as defined by section 1905(1)(2)(B) of the federal social security act: And provided further, That "mental health intervention team provider" includes other provider categories as authorized by the above agency to serve as a partnering provider under the mental health intervention team program pursuant to this proviso: And provided further, That a provider under this proviso shall provide services, including: Support for students available 24 hours a day, seven days a week; person-centered treatment planning; and outpatient mental health services; and (2) "school district" means a school district as defined in K.S.A. 72-5132, and amendments thereto, or "qualified school" as defined in K.S.A. 72-4352, and amendments thereto.

The Mental Health Intervention Team Pilot Program must be codified into statute. By continuing to administer this program through budget proviso, we limit the impact it can have on the health and well-being of Kansas students. While I appreciate the Legislature's work to allow various mental health providers to participate in the program, other changes to this program threaten the availability of services to students who currently have access to them in our public schools. This proviso would change the contours of the program by requiring school districts to cover 50% of the costs. Under the current program, districts must provide a 25% match to the grant they receive from the state. School districts utilizing the pilot program have stated that the changes contained in this proviso will require them to scale back or end their participation, creating the possibility that students who are currently receiving services will lose access to this program. Additionally, this proviso opens the program to additional

school districts and private schools without providing any additional funds to accommodate their entrance into the program. This will create an untenable situation where the Kansas Department of Aging and Disability Services will be forced to choose which districts can participate, given the limited funding. If we want to end this pilot program and open it up to all districts, we cannot do so without providing adequate funding to allow for universal participation. The Legislature should work next session to codify this program into statute and provide enough funding for all interested public school districts to participate.

Kansas Department for Aging and Disability Services—Limiting Provider Input for Behavioral Health Services

Sec. 83(w) has been line-item vetoed in its entirety.

The convening of workgroups may sometimes be imperative for decision-makers to fully understand the risks and benefits of any new program. However, opening Medicaid rehabilitation codes for other provider types does not require this step, as it will only lead to more provider options for Kansans in need—which is a positive. This proviso appears harmless, but it is another attempt at limiting the types of entities that can provide behavioral health services in Kansas.

Kansas Department for Aging and Disability Services—Changes to Targeted Case Management

Sec. 83(aa) has been line-item vetoed in its entirety.

The funding restriction in this proviso would hinder the Kansas Department for Aging and Disability Services from creating any improvements to targeted case management services for the Intellectual and Developmental Disabilities (I/DD) waiver. Further, it would invite unintended consequences such as impeding the approval of the Community Supports waiver by the federal government, which is a critical step in addressing the waitlist for services on the I/DD waiver.

Kansas Department for Aging and Disability Services—Physical Disability and I/DD Waiver

Sec. 83 (dd) and Sec. 83(ee) have been line-item vetoed in their entirety.

I agree that the growing waitlists for the Intellectual and Developmental Disability (I/DD) and Physical Disability (PD) waivers are alarming and require an immediate solution so that the most vulnerable Kansans may access the services they need to live life to their full potential. However, the well-intentioned proposed statutory caps in these provisos would lead to unintended consequences for the very people it was meant to serve. By instituting a cap on the number on the waitlists, the agency will be unable to maintain reserve capacity intended for specialty populations such as children coming into DCF custody, Home and Community Based Service (HCBS) institutional transitions, and crisis emergency exemptions. I do not believe the Legislature intends to eliminate these avenues of entry for the PD or I/DD waivers.

In addition, continually adding slots to these waivers haphazardly or thoughtlessly capping the waitlist number will not be sufficient or sustainable unless provider

capacity is also addressed. This is why I proposed an additional 500 slots for the I/DD and PD waivers in the budget because it is plausible, given our state’s current provider capabilities. As decision-makers, it is imperative that we craft solutions that balance the needs of the waiver participants while considering the limitations of our current workforce.

Department for Children and Families—Competitive Grant Funding

The portion of Sec. 86(a) that reads as follows has been line-item vetoed.

Provided further, That expenditures shall be made from the youth services aid and assistance account in an amount of not to exceed \$250,000 for funding for keys for networking, inc., to provide the iGRAD program for use among Kansas foster care children: And provided further, That the above agency and keys for networking, inc., shall submit a status report to the senate committee on ways and means human services subcommittee and the house of representatives social services budget committee prior to January 31, 2025, detailing the iGRAD program's use among Kansas foster care children.

While I support creating more resources available to children in foster care, the funding in this section of the proviso is allocated towards one specific entity. By doing so, the Legislature is creating an uneven playing field for those interested in providing services, supports, and capabilities for children in need of care. This funding opportunity should be available to all potential providers through a competitive bidding process.

Department for Children and Families—Impermissible Use of TANF funds

The portion of Sec. 86(b) that reads as follows has been line-item vetoed:

Provided further, That expenditures shall be made by the above agency for fiscal year 2025

from the temporary assistance to needy families – federal fund for a matching funds grant with a charitable organization exempt from federal income taxation pursuant to section 501(c)(3) of the federal internal revenue code to provide toiletry kits for public elementary or secondary schools in an amount not to exceed \$1,800,000.

While well-intentioned, the initiative outlined in this proviso is not a permissible use of federal funds from the Temporary Assistance for Needy Families (TANF) program. I encourage the Legislature to work with the agency to identify a more appropriate avenue to fund this initiative through existing resources.

Kansas State University—Jet

The portion of Sec. 100(a) that reads as follows has been line-item vetoed:

Kansas state university college of aviation jet.....\$1,200,000

Provided further, That expenditures shall be made from this account for fiscal year 2025 for the shared lease or ownership, insurance, maintenance and operations of a jet-type aircraft for student training purposes.

This item was not requested by the Kansas Board of Regents and did not go through the normal vetting process. While the intent of this proposal is admirable, covering the student cost of a university purchase, it should've gone through the regular funding process to ensure that the purchase is appropriate and will serve the university's goals of providing its students additional educational opportunities.

Kansas State University—Central Immersive Training Hub

The portion of Sec. 100(a) that reads as follows has been line-item vetoed:

Central immersive training hub.....\$3,950,000

Provided, That all expenditures shall be made by the above agency from the central immersive training hub account for the central immersive training hub at the Kansas State University Salina campus

This item was requested by the Kansas Board of Regents at a funding level of \$2 million. It is unclear why the Legislature chose to double the funding for this initiative. I encourage the Legislature and the university to work together to determine the appropriate funding amount for this program and return with a new plan.

Emporia State University—Emporia State Model Investment Account

The portion of Sec. 106(a) that reads as follows has been line-item vetoed:

Emporia state model investment account (379-00-1000-0400).....\$9,000,000

The budget makes a historic investment in higher education and Emporia State University (ESU). In last year's budget, I approved initial funding for ESU's model investment. In this year's budget, I am approving regional stabilization funding that will increase support for all our regional universities. Funding for this line-item was not requested by Emporia State University and was not included in the budget request presented by the Kansas Board of Regents.

University of Kansas Medical Center—Residency Funding

The portion of Sec. 112(a) that reads as follows has been line-item vetoed:

KUMC Wichita residency program.....\$750,000

Provided, That expenditures shall be made by the above agency from such account to the department of family and community medicine of the university of Kansas school of medicine Wichita, for use in the Smoky Hill family medicine residency program, Wesley family medicine residency program and Ascension Via Christi family medicine residency program.

Programs like this one that create a workforce pipeline to keep physicians in Kansas are important. However, this proposal was not considered through the normal vetting process and was not requested by the Kansas Board of Regents, which are important

considerations when evaluating funding that is likely to establish an expectation of ongoing support. Further study should be done to ensure this funding is appropriate and will have sufficient statewide impact.

Kansas Board of Regents—Osteopathic Service Scholarship

The portion of Sec. 116(a) that reads as follows has been line-item vetoed:

Osteopathic service scholarship.....\$2,200,000

This funding was not requested by the Kansas Board of Regents nor considered alongside their other budget requests. Further review should be done to ensure that scholarships are also provided for students pursuing careers that encompass other professions within the medical field.

Kansas Board of Regents—Kansas Promise Scholarship and Kansas Comprehensive Grant

Sec. 116(h) has been line-item vetoed in its entirety.

Changes to the eligibility and usage of these scholarship opportunities should be enacted through the normal legislative process, not through a last-minute budget proviso that never received a formal hearing by any legislative committee. I am also concerned about the precedent that would be set by providing state funding to for-profit private institutions that are not accountable to the state or taxpayers.

Adjutant General’s Department—Shooting Team Grants

The portion of Sec.121(a) that reads as follows has been line-item vetoed:

Shooting team grants.....\$50,000

Provided, That expenditures shall be made from the shooting team grants account for the adjutant general to provide grants to shooting teams from the Kansas air national guard or the Kansas army national guard for ammunition, equipment and travel expenses for marksmanship matches: Provided further, That an eligible team shall have participated in: (1) The 2024 adjutant general's combat marksmanship match; and (2) a national guard marksmanship regional or national competition: And provided further, That upon application from eligible teams, at least one grant shall be awarded to a Kansas air national guard team and at least one grant shall be awarded to a Kansas army national guard team: Provided, however, That, if no team from one branch of the Kansas national guard meets the requirements of this proviso, the adjutant general may award all grants to teams from the other branch of Kansas national guard that meet such requirements: And provided, however, That the adjutant general shall not award a single team all moneys in the shooting team grants account.

This funding was not requested by the Adjutant General nor considered alongside the agency’s other budget requests. While this funding request may represent a need for the agency, it should be considered through the regular process along with the agency’s other requests rather than added to the budget without the Adjutant General’s input.

Kansas Highway Patrol—Salina Campus Reconfiguration

Sec. 124 has been line-item vetoed in its entirety.

This funding will divide the operations of the Kansas Highway Patrol (KHP) across two separate campuses in Salina. We need to invest in KHP's Salina operations to provide a better environment for law enforcement recruitment and training and to improve KHP's central dispatch facilities—vital elements of our state's public safety infrastructure. This proposal was not brought forward by the agency or considered through the normal agency budget process.

If it is the Legislature's intent to move elements of KHP's operation off its current campus, a more comprehensive study must be conducted to ensure that we are investing these funds in a responsible manner that is part of a larger strategic plan. I am concerned that moving some functions off the current KHP campus and retaining others will harm law enforcement readiness and incur a greater cost to the state down the line.

Section 29b, 120a, and 121a by a vote of 28 Yeas and 12 Nays, the motion having received the necessary two-thirds constitutional majority of the members of the Senate, the line items did pass.

Section 35a by a vote of 28 Yeas and 11 Nays, the motion having received the necessary two-thirds constitutional majority of the members of the Senate, the line item did pass.

Section 83dd and 83ee by a vote of 28 Yeas and 12 Nays, the motion having received the necessary two-thirds constitutional majority of the members of the Senate, the line items did pass.

Section 112a and 116b by a vote of 27 Yeas and 13 Nays, the motion having received the necessary two-thirds constitutional majority of the members of the Senate, the line items did pass.

A motion to override **Section 83aa** did not receive the necessary two-thirds constitutional majority and the line item was sustained.

There being no motion on the other line-items, the line item vetoes were sustained.

CONSIDERATION OF VETO

On motion of Rep. Rep. EXPLANATIONS OF VOTE

MR. SPEAKER: I vote NO on overriding the Governor's veto of **House Sub. for SB 233**. While I suspect that there are some children who are being misdiagnosed as transgender, I am certain that this body does not have the expertise or wisdom to substitute its judgment for that of the children, parents, and doctors who will suffer from the effects of this bill. In August of 2022 the people of Kansas clearly told us that they don't want us interfering in their medical decisions. I intend to honor that and it saddens me that a majority of this body has not. – DENNIS “BOOG” HIGHBERGER

MR. SPEAKER: AS a PhD reproductive physiologist, I have utilized androgenic hormones in research for many years. They are without a doubt the most powerful hormones produced in the human body. The wide range of receptors in the body and the effects on tissues are not to be taken lightly. Please don't use experimental procedures with androgenic hormones that will permanently change, bone, muscle, life expectancy, fertility, and behavior. The research is quite clear that pre-pubertal decisions are not an accurate indicator of long-term satisfaction with gender dysphoria treatments that are invasive to the body and detrimental to the health. For these reasons I vote yes to override the veto on **SB 233**. – SCOTT HILL

MR. SPEAKER: I strongly support prohibiting gender reassignment surgery and limiting the use of hormone blockers for minors. **SB 233** goes too far in restricting mental and behavioral health care for children, which is so desperately needed in these cases. No other state has prohibited provider speech and consideration must be given to children currently undergoing treatment. For those reasons I cannot vote to override this veto. I remain committed to working on this issue going forward to provide a solution that protects children from gender reassignment surgery without further compromising the care they receive. – JESSE BORJON

Mr. Speaker: We hear of bullying and ask authorities to make it stop. We hear about mental health... about suicide and ask why. We're not listening to the impacted youth. Government involvement is not the answer. I voted for this bill in the past due to concerns about the surgery. With further consideration this bill is vague beyond that. These decisions belong between the team of professionals and the parents. The youth need our help, not government overreach. To all who have reached out, I hear you and vote to sustain the governor's veto on SB 233. – Susan Concannon

INTRODUCTION OF ORIGINAL MOTION

Having voted on the prevailing side, pursuant to House Rule 2303, Rep. Vic Miller moved that the House reconsider its previous action of sustaining the Governor's veto of **H Sub for SB 233**. The motion did not prevail and the Governor's veto was sustained.

I pray that our hearts are ever-mindful of your strengthening and sustaining promises and that we may never take these eternal truths for granted.

I pray that for all of those here who you have put in a position of authority, that as they serve, that their holy ambition would not be absent of these promises and truths, but instead, that they might offer their lives in service to your Kingdom first as they serve the greatest country, the best country the world has ever seen—the United States of America.

We pray with confidence Lord knowing that you hear repentant hearts, knowing that from age to age, you always have responded to those who earnestly and humbly seek to obey you all the days of their life, as we seek to live by your wisdom. We pray for revival in our land, we pray for robust faith, and a vibrant vision for the future remembering that time and time again, that your righteousness exalts a nation. We turn to you and trust you to not only make us great, but to make us good for the personal experience of untold millions of men and women testify, that you O Lord are the only one that can lighten our darkness.

For our military members of all branches and for the first responders serving our nation in all capacities and in various places, may you protect them and remind them of your presence.

We pray to you Lord knowing that for those who call upon you in saving faith, that you are our rock, that a mighty fortress is our God in whom we take refuge—that you hear our voice as we cry out to you. We pray in the name of God and His dear Son, the Lord Jesus Christ who was raised to life on the third day and is alive forevermore and to the who gives us eternal hope and fellowship forever in Him. We ask these things in your name, Amen.

The Pledge of Allegiance was led by Rep. Gardner.

PERSONAL PRIVILEGE

There being no objection, the following remarks of Reps. Ballard and Ousley are spread upon the Journal:

Rep. Ballard began: This is such a beautiful occasion and a sad occasion at the same time. I would like to thank all of you, Democrats and Republicans, for being part of this recognition. Thank you so very much; Representative Dennis "Boog" Highberger deserves all of our praise and admiration. Lawrence, Kansas is extremely proud of "Boog" Highberger and I would like to invite Lawrence Representatives Amyx and Haswood to join us.

"Boog" you are a constant reminder that we can do anything if we believe, if we sacrifice, and if we make it happen. You are truly an inspiration, and I want to thank you for being "Boog" Highberger!

There is a poem entitled "*What Will Matter*" by Michael Josephson and I would like to read an excerpt from it:

*"...What will matter is not what you bought but what you built;
not what you got but what you gave.*

What will matter is not your success but your significance.

What will matter is not what you learned but what you taught.

*What will matter is every act of integrity, compassion, courage,
or sacrifice that enriched, empowered, or encouraged others to emulate your example...*

Living a life that matters doesn't happen by accident.

It's not a matter of circumstance but of choice.

Choose to live a life that matters."

"Boog" you have lived and will continue to live a life that matters. We will miss you!

Representative Ousley continued: Thank you, Representative Ballard, and thank you body.

In 2014 my friend "Boog" Highberger and I were elected together, the only new freshmen Democrats elected that year. It has been my honor and privilege to be Boog's seat mate this last decade. When he announced his retirement, I knew he would not want to be the center of attention, but also felt we had to do something to mark the close of his time in the chamber with us.

We present this Certificate, signed by the members of House. It reads as follows:

"Be it hereby known to all that sincere commendations are offered honoring Representative Dennis "Boog" Highberger in recognition of his 35 years of public service to the citizens of Lawrence and the State of Kansas. He has served as a lawyer, a Commissioner, a Mayor, and a Representative for House District 46 in the Kansas Legislature. It has been our honor and privilege to serve with "Boog" for the last decade. The entire membership extends its very best wishes on his retirement from the Kansas House of Representatives and expresses our hope for his continued happiness."

With that, I ask the body to please acknowledge "Boog's" contribution to this institution.

Rep. Highberger expressed appreciation to his colleagues for the unexpected honor and kind words.
