

2023 Kansas Statutes

10-806. Same; payment; endorsement. It shall be the duty of the treasurer of any municipality to pay on presentation any warrant properly drawn on any fund in custody by virtue of the office, and when paid write or stamp across the face of such warrant the word "Paid," and sign the same, unless the treasurer's facsimile signature is part of the stamp: Provided, That in case a warrant check is used as is provided in K.S.A. 10-801 and such instrument is stamped paid by any bank, being a depository of such municipality then the treasurer shall not be required to make the endorsement across the face of such warrant check as is provided for above: Provided further, That if no-fund warrants are required by the statute under which issued to be recorded as provided in this act they shall be paid when and in the manner provided by statute.

History: L. 1891, ch. 249, § 6; R.S. 1923, § 10-806; L. 1939, ch. 93, § 2; L. 1968, ch. 375, § 8; July 1.
