No revenue shall be used for the payment of bonds payable primarily by assessments against property in sewer districts. Such revenue may be used to pay revenue bonds or general obligation bonds payable by the city at large issued either for the waterworks system or sewage disposal system before the systems were combined or for the water and sewage system after they have been combined. The city is authorized to discontinue water service for any failure to pay the rates or charges fixed for either water service or the use of the sewage disposal system or both when due.
