

2023 Kansas Statutes

22-2522. Body cavity searches; warrant; limitations. (a) A body cavity search shall be conducted only under the authority of a search warrant specifically authorizing a body cavity search.

(b) Every body cavity search shall be conducted by a licensed physician or registered nurse. No person authorized by this subsection to conduct a body cavity search or any person assisting in the performance of such search shall be liable in any civil or criminal action when such search is performed in a reasonable manner according to generally accepted medical practices in the community where performed.

(c) Law enforcement officers may be present during the search, but only those of the same sex as the person on whom a body cavity search is being conducted.
